Re: Extension of Paper Bid for 2016-2017 School Year

Dear Akur,

Thank you for allowing us the opportunity to renew pricing with your school district. Attached is a 2016-2017 price list for your contracted items. The vast majority of your items will not change in price, with only a few items increasing slightly.

In addition to providing a distribution service to our school districts, P&R Paper has accepted the responsibility of functioning as a packaging consultant to our customers. We feel it is our duty to be experts in our field and to ensure that our customers are aware of new and innovative products in the market, and are using the items that best meet your needs. Our staff is eager to work with you in determining which products may be suitable alternatives for your district.

Also, we continue to be committed to preserving our natural environment and encourage you to be a leader in the green movement. We have a variety of earth friendly products to offer.

Please feel free to contact our office any time if you have any questions about product alternatives.

Sincerely,

*Lindsey Ineichen*
