F. SUPERINTENDENT'S REPORT

- Superintendent Krause said after the last Board meeting she made it through the Haunted House at the High School. The event was very successful. The next Board meeting the students will be coming to share their experiences and the funds that were raised which will be donated to the Leukemia Foundation. The Sports Complex Committee held a successful event for potential donors and to educate community members on the project. She gave a brief presentation that evening. She and Michelle Stewart made it to the elementary schools parade on Halloween. The students were so excited about their costumes. They were pleased the schools held to the nutrition policy. On November 1st SVEF hosted the showing of the movie "Screenagers" at the SV Middle School and it was very well attended. There was a lot of parent and community participation and a great discussion facilitated by Derek Timm. She attended the Brook Knoll Read-a-Thon and got to read to the 5th grade class. She is happy to report that our district met our new requirement regarding AB 1432 which requires all employees to be trained and reminded that we are all mandated reporters. She is required to report to the Board that we met the requirement. On November 2nd she met with Senator Bill Monning. They discussed school funding concerns. She discussed with him what she feels he should do advocate for our District. She attended the High School Volleyball playoff game and the Scotts Valley High School last football game honoring our seniors. She attended the Kiwanis Club meeting with Beth Hollenbeck. The Kiwanis Club gave the District a check for \$20,000 for our music program again. They are proceeds from Music in the Park at SkyPark over the summer. We could not offer a 6-12 music program without their support. Kiwanis support the music program year after year and a big thank you to them. We did receive additional funds this year for music at the elementary sites from the SV Education Foundation. Last week we had a productive meeting with SVEA. On Veterans' Day she participated in selection of the SV Chamber award winners and the Gala Dinner will be held on January 21st. There are several awardees. One of these is "Educator of the
