Local Context

- Lead Education Agencies (LEA) can tell their story using text boxes on the dashboard

District will provide local context on:

- Charter School Status
- CELDT data error for the 2014-2015 school year that is showing up in the dashboard results

Local Indicators

- LEAs must determine how they will report local information for the following state priorities:

State Priority 1: Basic Conditions at Schools

State Priority 2: Implementation of academic standards

State Priority 3: Parent Engagement

State Priority 6: School Climate

- Entering Local data is optional this year
- Stakeholder groups must give us input on the indicators we will use to report the data

Stakeholder Communication

- Parent letter went home the first week of March
- Site Administrators shared the Dashboard and 5X5 grids with all staff members and are currently presenting at all parent group meetings. (PTA, School Site Council, ELAC, Coffee with the Principal)
- LCAP Stakeholder meetings will happen at sites
