## 2013-2014 School Accountability Report Card

### I. DATA AND ACCESS

#### SARC Data

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the new Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

#### Additional Information

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

### II. ABOUT THIS SCHOOL

#### School Description and Mission Statement (Most Recent Year)

Madrone Continuation High School is one of three high schools in the San Rafael City School District. Madrone High School is an alternative program that serves students considered to be 'at risk' of not achieving a high school diploma. Students enter Madrone through a referral process from our sister schools, San Rafael High School and Terra Linda High School. Students are typically 20-30 credits deficient and lack self-motivation to achieve academic success. Many students have become discouraged about their prospects of graduating, have low regard for scholastic pursuits and/or have displayed immature and/or impulsive behaviors. Some Madrone High School students have difficulty focusing on school because of difficult family situations, socio-economic stress and/or have drug or alcohol abuse. Students may also enter Madrone as a transition placement as they leave County Community School. We also receive students who have entered the San Rafael City School District and were students of alternative programs in their previous district.

Madrone High School creates an environment where all students value and respect integrity, diversity and civic responsibility. Students will develop the intellectual, social, and emotional skills necessary to compete and contribute successfully in their local and global communities.

### II. ABOUT THIS SCHOOL

#### *Student Enrollment by Group (School Year 2013-2014)*

This table displays the percent of students enrolled at the school who are identified as being in a particular group.

Group	Percent of Total Enrollment	Group	Percent of Total Enrollment
Black or African American	2%	White	5.9%
American Indian or Alaska Native	2%	Two or More Races	0%
Asian	0%	Socioeconomically Disadvantaged	84.3%
Filipino	2%	English Learners	25.5%
Hispanic or Latino	84.3%	Students with Disabilities	11.8%
Native Hawaiian or Pacific Islander	3.9%		

### III. CONDITIONS OF LEARNING

#### **State Priority: Basic**

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

#### *Teacher Credentials*

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence.

Teachers	School			District
	2012-2013	2013-2014	2014-2015	2014-2015
With Full Credential	5	4	4	119
Without Full Credential	0	0	0	0
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

#### *Teacher Misassignments and Vacant Teacher Positions*

A "teacher misassignment" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. A "vacant teacher position" is one in which a single designated teacher has not been assigned to teach an entire course at the beginning of the school year or semester. This table displays the number of teacher misassignments and vacant teacher positions for the most current three-year period. Note: *Total Teacher Misassignments* includes the number of *Misassignments of Teachers of English Learners*.

Indicator	2012-2013	2013-2014	2014-2015
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

### III. CONDITIONS OF LEARNING

#### *Core Academic Classes Taught by Highly Qualified Teachers (School Year 2013-2014)*

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. This table displays the percent of classes in core academic subjects taught by and not taught by Highly Qualified Teachers in the school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High-poverty schools are defined as those with student eligibility of approximately 40% or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 25% or less in the free and reduced price meals program. For more information, see the *Improving Teacher and Principal Quality* Web page at <http://www.cde.ca.gov/nclb/sr/tq>.

All Schools in District	100%	0%
High-Poverty Schools in District	100%	0%
Low-Poverty Schools in District	100%	0%

#### *Quality and Currency of Textbooks and Instructional Materials (Most Recent Year)*

Curriculum development is a district-wide effort. Teachers and administrators from all subject areas form working committees to draft recommendations on courses of study, appropriate textbooks, and other instructional materials.

The California Department of Education has determined textbook selection and adoption schedules. The district follows the state schedule for these adoptions and has purchased textbooks from the most recent state-approved lists. All approved instructional materials are aligned with California content standards for core academic areas.

The High School District Curriculum Advisory Council, composed of administrators, teachers, counselors, students, and parents representing each school in the district, reviews curriculum recommendations and revisions for all courses of study, appropriate textbooks, and other materials utilized in the support of the instructional program.

The Curriculum Council recommendations are forwarded to the Board of Education for final approval. This is an ongoing process, assuring that all textbooks and instructional materials are systematically reviewed, updated, and supplemented.

Due to the nature of high school, with different subjects being taught at different grade levels, the list of textbooks and resources is too numerous to include here. **A comprehensive list of textbooks and instructional materials for each grade level is available for review in the San Rafael City Schools District Office and on the district website at [www.srcs.org/hscourses](http://www.srcs.org/hscourses).**

### III. CONDITIONS OF LEARNING

#### *Availability of Textbooks and Instructional Materials (Most Recent Year)*

With textbook funding assistance from the state and other sources, the district has been able to purchase sufficient materials to provide one textbook per student in all core subject areas. The Board of Education last approved the sufficiency of textbooks and instructional materials for the San Rafael City Schools High School District on September 22, 2014.

#### *School Facility Conditions and Planned Improvements (Most Recent Year)*

At Madrone Continuation High School, the campus is orderly, and students feel safe on campus before, during and after school. Madrone's school principal monitors students the entire school day including before and after school. The principal has access to the campus supervisors from San Rafael High School if needed. District and school staff work as partners with the San Rafael police and fire departments to maintain a safe community environment. The expectations for appropriate behavior are clearly shared with students at individual enrollment meetings, through advisory, and through consistent implementation by staff. Students are encouraged to self-monitor and anonymously report any suspicious activity on campus.

District and school policy require that during the school day all guests check in at the school office and obtain a "visitor pass" to identify them for security personnel and all staff and students.

The physical quality of the school campus influences teaching and learning. All students and faculty have a reasonable amount of classroom and open space.

Madrone Continuation High School was established in 1965 and is located on the San Rafael High School campus. The school has a total of five classrooms, student services and counseling offices, and no portable buildings. Madrone utilizes the athletic facilities, library, career center and cafeteria at San Rafael High. The school underwent modernization using funds from the voter-approved school bond measures and state modernization funds in 2007, including classrooms, student services areas, a new counseling area, student restrooms, corridors with new lockers, new exterior paint, ADA ramp, and improvements to the front and rear entryways.

The district strives to ensure that all schools are clean, safe, and functional. All bathrooms, classrooms, and offices are cleaned daily. Students are encouraged to help keep the campus clean by recycling. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. An on-line maintenance order request process ensures efficient service and that emergency repairs are given the highest priority.

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and flooring. For the current 2014-2015 school year, the district has budgeted \$140,000 for the deferred maintenance program. This represents 0.5% of the district's general fund budget.

## **IV. PUPIL OUTCOMES**

### **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its predecessor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### **Statewide Student Assessments**

The **Standardized Testing and Reporting** (STAR) Program was last administered during the 2012-2013 school year. California's new statewide student assessment system, the **California Assessment of Student Performance and Progress** (CAASPP), was established January 1, 2014 and first administered during the 2013-2014 school year. The CAASPP includes science assessments (CSTs, CMA, and CAPA) in grades 5, 8, and 10. These assessments show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

- CSTs: California Standards Tests - all students are tested unless their individualized education program (IEP) indicates assessment with CAPA
- CMA: California Modified Assessment - designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations
- CAPA: California Alternate Performance Assessment - is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations

*Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.*

### **California Assessment of Student Performance and Progress/Standardized Testing and Reporting Results for All Students in Science— Three-Year Comparison**

This table displays the percent of students scoring at the Proficient or Advanced level (meeting or exceeding the state standards) on the STAR for the 2011-2012 and 2012-2013 school years and on the CAASPP for the 2013-2014 school year.

#### California Assessment of Student Performance and Progress Results by Student Group in Science (School Year 2013-2014)

This table displays the percent of students, by group, scoring at the Proficient or Advanced level (meeting or exceeding the state standards) for the 2013-2014 school year..

#### Academic Performance Index Ranks– Three-Year Comparison

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at <http://www.cde.ca.gov/ta/ac/ap/>. This table displays three-year data on the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2011	2012	2013
Statewide	B	B	B
Similar Schools	B	B	B

"B" means this is an Alternative Schools Accountability Model (ASAM) school. Schools participating in the ASAM do not currently receive growth, target information, or state-wide or similar schools rankings on this report in recognition of their markedly different educational missions and populations served. ASAM schools are covered under the Alternative Accountability system as required by Education Code Section 52052 and not the API accountability system. However, API information is needed to comply with the federal No Child Left Behind (NCLB) law.

All Students in the School	-75	49	-60

#### Career Technical Education Programs (School Year 2013-2014)

Madrone Continuation High School does not offer Career Technical Education Program certification, but does offer students a variety of activities focused on career/work preparation. Madrone has a dedicated school-to-career counselor one day per week. The school-to-career counselor supports student entrance into internships, ROP training (such as the Kaiser Launch program), jobs, and job shadowing. This counselor also works with staff to prepare lessons on resumé writing, job interview skills and career day. Career-focused field trips are offered throughout the year.

The school-to-career counselor provides an end-of-year summary of student participation in internships and career building opportunities.

#### Career Technical Education Participation (School Year 2013-2014)

This table displays information about participation in the school's CTE programs.

## **IV. PUPIL OUTCOMES**

### *Courses for University of California and/or California State University Admission (School Years 2012-2013 and 2013-2014)*

This table displays, for the most recent year, two measures related to the school's courses that are required for University of California (UC) and/or California State University (CSU) admission. Detailed information about student enrollment in, and completion of, courses required for UC/CSU admission can be found at <http://dq.cde.ca.gov/dataquest/>.

### **State Priority: Other Pupil Outcome**

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject areas of English, mathematics, and physical education.

### *California High School Exit Examination*

The California High School Exit Exam (CAHSEE) is primarily used as a graduation requirement. However, the grade ten results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in English-language arts and mathematics in order to compute Adequate Yearly Progress (AYP) designations as required by the federal ESEA, also known as NCLB. Detailed information regarding CAHSEE results can be found at <http://cahsee.cde.ca.gov/>.

*Note: Scores are not reported when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy.*

### V. ENGAGEMENT

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

#### *Opportunities for Parental Involvement (Most Recent Year)*

**Contact Person Name:** Jane M. Songer

**To Reach Contact Person:** [jsonger@srcs.org](mailto:jsonger@srcs.org)

Parent involvement is a vital component of the educational program at Madrone Continuation High School.

San Rafael City Schools would not be what it is today without the contributions of countless parents and guardians who give their time and expertise as volunteers and who share their financial resources to support the goals and aspirations of San Rafael schools.

Parents and guardians have the opportunity to play an active role in their child's school experience through a number of activities, including parent council, district and school English language advisory committees, parent teacher associations, district and school site committees, fundraising campaigns and special events.

At Madrone Continuation High School, specific opportunities for parent participation include various site and district committees such as Career Day, field trips, and the site leadership team (SLT), which provides input into school planning.

Parents are also made to feel welcome through various informational and community-building events, including back-to-school night, college night, financial aid night and other special performances and events.

#### State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

#### *Dropout Rate and Graduation Rate (Four-Year Cohort Rate)*

This table displays the school's dropout rates and graduation rates for the most recent three-year period for which data are available. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found on the CDE *DataQuest* Web page at <http://dq.cde.ca.gov/dataquest/>.

### V. ENGAGEMENT

#### *School Safety Plan (Most Recent Year)*

**Date Reviewed and Updated:** August 14, 2014

**Date Discussed with School Faculty:** September 10, 2014

Madrone Continuation High School shares a school campus with San Rafael High School and therefore shares the San Rafael High School comprehensive school safety plan covering all aspects of planning for emergency response and student safety. This plan is based on and coordinated with the district and county emergency preparedness plans. The plan is reviewed with school staff at the start of the school year. The plan is updated annually to increase preparedness for any emergency, including storms, fire, earthquake, or intruders on campus. The school has staff members who are trained in cardiopulmonary resuscitation (CPR) and first aid. Disaster drills are held once a semester throughout the year.

Key elements included in the school safety plan include: assessment of current status of school crime; district and site policies and procedures regarding safety issues; programs and policies regarding drug, tobacco and alcohol use and prevention; and a review of suspension/expulsion and arrest data.

### VI. OTHER SARC INFORMATION

The information in this section is required to be in the SARC but it is not included in the state priorities for the LCFF.

#### *Adequate Yearly Progress*

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Adequate Yearly Progress (AYP) Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

#### *Adequate Yearly Progress Overall and by Criteria (School Year 2013-2014)*

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Made AYP Overall	Yes	No
Met Participation Rate – English-Language Arts	Yes	Yes
Met Participation Rate – Mathematics	Yes	Yes

### VI. OTHER SARC INFORMATION

#### Federal Intervention Program (School Year 2014-2015)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE PI Status Determinations Web page at <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.
