14. REPORTS

14.A. Unique Learning System Update (Assistant Superintendent, Learning & Development)

Rationale:

BACKGROUND:

The Unique Learning System is an online standards-based interactive tool that allows students to access the general education curriculum. This system provides rigorous, differentiated, and age-respectful materials to ensure both comprehension and expression of subject matter. Teachers have been using this curriculum since January 2017 accessing over 30 lessons per month for English language arts, Math, Science, and Social Studies, and tracking student academic progress. The staff will present an update in how students are responding to this curriculum.

Recommended Motion:

Listen to the report and ask questions.

14.B. Child Development Centers Update and Review of Strategic

Measures to Maintain Fiscal Solvency While Preserving Services (Assistant Superintendent, Learning & Development)

Rationale:

BACKGROUND:

The Child Development Centers' programs have operated successfully at the Milpitas Unified School District for close to 40 years. The centers benefit from state funds (CSPP and CCTR contracts) to provide preschool services to just over 120 preschool students in our six classrooms and over 75 students in our two after-school programs sites. For the last several years, the programs have benefit from district funds to meet its fiscal liabilities and maintain operations. In an effort to maintain the current high quality services while we strive for fiscal solvency, we have determined two strategies for reducing costs:

1. Fill .25 FTE of the upcoming retirement position instead of the 1.0 FTE (Full Time Equivalent)
2. Cover a greater percentage of the funding source for the Coordinator, Early Childhood Development and Community Engagement position (up to 50%) with other funds such as Supplemental funding in proportion to the Coordinator's responsibility for community engagement

Recommended Motion:

Provide direction to staff on a third potential strategy for cost reduction:

- Continue the after school child care program as it is resulting in an encroachment on general funds;
- Dissolve the after school child care program; or
- Explore and design after school child care alternatives for implementation in 2018-19.

Financial Impact:

Approximately \$557,644

14.C. Parcel Tax Oversight Committee Annual Report (Assistant Superintendent, Business Services)

Rationale:

BACKGROUND:

In June 2014, Milpitas renewed the parcel tax ensuring the stability of this local funding source through June 2023. It will continue to support academic programs and to retain teachers in local Milpitas public schools.

The Parcel Tax Oversight Committee comprised of volunteer members from a cross section of the Milpitas Community, will present its report on how the money collected was spent by the District.

Attached is the annual report and the budget information from 2015-16 and 2016-17.

15. ACTION ITEMS

15.A. BP 7310 Naming of Facility: Public Hearing of Recommended Names (Superintendent)

Speaker:

Cheryl Jordan, Superintendent

Quick Summary / Abstract:

Motion: _____ Second: _____ Action: _____

Rationale:

BACKGROUND:

The Milpitas Advisory Committee consists of 11 members of the Milpitas community. While five are parents, four of the six staff members are also community members:

Elizabeth Correa	Maria Vasquez	Lisa Ciardella
Pearl Bray Chavez	Mauricio Gavidia	Silvia Dias
MaryJane Gertz	Patti Belanger	Michelle Eacret
Deana Harn	Reena Choudrey	

In addition to the committee, staff consulted with Milpitas librarian Steve Fitzgerald, who suggested names, as well as Renee Lorentzen, the Milpitas City Parks and Recreation Director.

The committee held three work sessions researching the names of those who have made considerable contributions to Milpitas. The committee was careful to consider people who represented a range of ethnicities and in particular, looked for female leaders of the past as Pearl Zanker is the only school property named for a female leader of Milpitas. As requested by the Board, the committee only considered those historical figures who have made significant contributions to Milpitas.

The committee sought input from their neighbors, school staff, community groups, and students over the course of the three months that they spent working together to determine the six names they are recommending to the

Board for its consideration in naming these school properties:

- New elementary school at McCandless
- Land on which the Milpitas Community College Extension is built
- Family Resource Center at Randall

The Committee shared its **recommendations** and the results of their surveys, conversations, and polling with the Board at its meeting on April 18, 2017. The Board set May 9, 2017 as the Public Hearing on the Committee's recommendations.

New School: Mabel Mattos (65.5%) or Dr. Albert Currin (35.5%)

Land for Milpitas Community College Extension: Mayor Ben Gross (60%) or Roger Chew (40%)

Family Resource Center: Ernestina Garcia (48%) or Josephine Guerrero (51%)

15.B. Certify the Disclosure of the Milpitas Management Association (MMA) Agreement (Assistant Superintendent, Business Services)

Quick Summary / Abstract:

Motion: _____ Second: _____ Action: _____

Rationale:

BACKGROUND:

Milpitas Mmanagement Association (MMA) is not a collective bargaining

unit and is not under the requirements of the Assembly Bill (AB) 1200 to disclose their financial impact. However, staff would like to disclose the financial impact in the same format as the California School Employees Association (CSEA) and Milpitas Teacher Association (MTA).

A representative from the association met with the District's Superintendent to come up with the agreement.

- 2% ongoing plus 1% off schedule retroactive to July 1, 2016
- \$100 health and welfare cap increase effective January 1, 2017

15.C. "Meet and Confer" Superintendent recommendation for compensation increase: Milpitas Management Association (Superintendent)

Speaker:

Cheryl Jordan, Superintendent

Quick Summary / Abstract:

Motion: _____ Second: _____ Action: _____

Rationale:

BACKGROUND:

The Superintendent and Milpitas Management Association Leadership held a Meet and Confer session on April 6, 2017. It is recommended that the members of MMA be granted the same compensation and benefit increases as those recently approved for our current employees in the Milpitas Teachers Association and offered to the California School Employees Association, Chapter 281 as follows:

- Schedule shall be increased by two percent (2%) across the board, retroactive to July 1, 2016.
- Unit members shall receive a one-time, off salary schedule payment equal to one percent (1%) of their salary as reflected in their cell placement on the 2016-2017 salary schedule prior to application of the two percent (2%) increase.
- Management shall receive a \$100 per month increase in the cap for the District's share of medical benefits.

Recommended Motion:

16.E. Award Duran and Venables the grading and paving bid package for Phase 1 of McCandless Elementary (Assistant Superintendent, Business Services)

Rationale:

BACKGROUND:

On behalf of the District, Blach Construction obtained three bids for grading and paving at the new elementary school. Bids ranged from \$1,650,000 (Duran and Venables) to \$1,865,000 (Ghilotti Construction, Co.). Blach has conducted a post bid interview and determined that Duran and Venable's bid was responsive and complete. The District's budget for this work is \$1,340,725.

Staff plans to meet with the City to discuss reimbursement for a portion of this bid for work that will occur in joint-use areas. Additionally, staff plans to meet with the San Jose Evergreen CCD to discuss reimbursement for removal of contaminated soil. The District is estimating with the reimbursements, the total cost of this bid would be \$1,145,000.

Attached are the bid tab and the contract for your review. Per the bid documents, Duran and Venables have through May 8 to complete the contract.

16.F. Approve the extended agreement with California Therapy Connection, Inc. (Assistant Superintendent, Learning & Development)

Rationale:

BACKGROUND:

California Therapy Connection, Inc. provides licensed and credentialed speech-language pathologists to school districts. Milpitas Unified School District has continued to actively attempt to recruit highly qualified speech-language pathologists. Due to a continued state-wide shortage, there is a need to contract with outside agencies at times. California Therapy Connection, Inc. is providing the District highly qualified full time speech-language pathologists while we continue to actively recruit for district employees.

The number of students being served by California Therapy Connection, Inc. has increased during the school year beyond expectations. We estimate an additional \$150,000 to continue the student support through to June 30, 2017.

Recommended Motion:

Approve the extended agreement with California Therapy Connection, Inc. for the 2016-17 school year. The contract for 2016-17 was originally approved by the Board on June 28, 2016.

16.G. Approve the Memorandum of Understanding with Equal Opportunity Schools 2017-18 (Assistant Superintendent, Learning & Development)

Rationale:

BACKGROUND:

The mission of Equal Opportunity Schools (EOS) is to ensure that all students have the opportunity to succeed in challenging high school courses that lead to future enrollment and completion of college programs. Their methodology is to find “missing students” who could be successful in Advanced Placement (AP) courses but are not on track to take such courses. The work of EOS will focus on students at Milpitas High School, given the goal of improving the number of students taking AP courses.

16.H. Approve the Project Cornerstone MOU for 2017-18: Family Engagement Projects and Services (Superintendent)

Speaker:

Cheryl Jordan, Superintendent

Rationale:

BACKGROUND:

Project Cornerstone has several programs focused on building the 40 Developmental Assets that children and youth need in order to be resilient and successful in realizing their potential. These programs include staff training on how staff members can create learning environments that are conducive to building students' developmental assets. There are three parent programs that not only teach parents and community volunteers about how they can be asset builders for our youth, but also how they can be empowered in supporting one another in a strong school and parent partnership.

Project Cornerstone staff will provide training and support to our school staff and parents as outlined in the MOU. This will be the second year for our partnership with Project Cornerstone; the amount is not to exceed \$5,000. Through this partnership, the District has provided staff in-services for classified staff members in learning how to provide students with opportunities to build their developmental assets, and has provided parent workshops on resiliency as well as two six-week parenting series in Spanish and English at Rose and Weller. Parents and staff who have participated in these professional and parent workshops have found them to be informative in their work with our students, and in better communication with their children. Dr. Gerry Lopez is the primary contact in facilitating services for the District through this partnership.

16.I. Approve the course proposals for Milpitas High School: Humanities, AP Physics, Math III-A (Assistant Superintendent, Learning & Development)

Rationale:

BACKGROUND:

The following courses were approved by the Curriculum Policy Council during the March 16, 2017 meeting. They are presented to the Board for approval.

New Courses: Humanities

This course is designed to develop an appreciation for the impact of the arts on Western cultures. The course examines art, music, literature, drama, philosophy, film and history in an exploration of the cultural environment and society as it has been affected by the Humanities. The course will deal with major movements, figures, cultural developments and ideas in the major periods of intellectual and artistic advancement beginning with the earliest civilizations and empires, and continuing through the Renaissance, Baroque, Enlightenment, Romantic, Modern and Post-Modern Periods. Students will learn the Academic Vocabulary of the arts, and demonstrate this mastery with in-class exams and with one major research topic per semester. Assignments based on multi-media presentations along with museum visit assignments will also be required. A Final Exam will be given at the end of each semester. While the course follows a discussion format primarily, student-centered activities, writing workshops and peer revision sessions will also be incorporated. Ten percent credit is awarded for insightful and intelligent class participation.

New Courses: AP Physics

AP Physics 2 is the second part of a two course sequence. It is equivalent to most college-level introductory physics courses with a focus on the following topics: fluid statics and dynamics, thermodynamics, PV diagrams and probability, electrostatics, electrical circuits and capacitors, magnetic fields, electromagnetism, physical and geometric optics, and other topics in modern physics. Emphasis will be placed on understanding physical science literacy and applying physics concepts to think critically and solve problems. Algebra and trigonometry are the primary mathematical tools for problem solving. Science literacy is the process of both knowing physics and doing physics. Hands-on laboratory work and communicating results will be emphasized.

New Courses: Math III-A

Integrated Mathematics Math III Advanced is an integrated course intended for highly motivated third year math students. Students in this course will focus on unifying and applying the accumulation of learning that they have acquired from Integrated Math I and Integrated Math II. Integrated Mathematics Math III Advanced integrates high school conceptual categories of Number and Quantity, Algebra, Functions, Geometry, and Statistics and Probability into a two semesters course.

16.L. Approve the course proposals for Milpitas High School: Bio-Technology I and Korean II (Assistant Superintendent, Learning & Development)

Rationale:

BACKGROUND:

The following courses were approved by the Curriculum Policy Council (CPC) during the March 16 and April 20 CPC meetings. They are presented to the board for approval:

New Courses

Bio-Technology I

Biotechnology 1 is a two-semester course designed to give students an introduction to the concepts and techniques of the field of biotechnology. Students will develop laboratory technique, and the critical thinking, and communication skills currently used in the biotechnology industry and academic research lab. The student will develop a set of skills that will prove to be valuable to the academic research lab in college or the biotechnology lab in industry.

Korean II

Korean II is designed for students who have successfully completed Korean I or are on the equivalent level. It is a year-long course to provide further practice in conversation, reading, and writing, including the reading and writing of Korean language. Students will continue to learn the basic elements of Korean grammar and expand their communicative abilities to understand and produce a more complex level of oral and written language. Continued exploration of culture through in reading passages, photos, songs, dances, dramas, Webtoons, and through hands-on experiences inside and outside of the classroom.
