

VILLAGE SCHOOL LOCAL CONTROL ACCOUNTABILITY PLAN (LCAP)

June 22, 2017

Instructional Services
Governing Board Presentation

LCAP Goals

1. High Quality (HQ) instruction in Common Core and Next Generation Science Standards (NGSS) in 21st Century Classrooms
2. Ensure all students learn at high levels and close the achievement gap
3. Tiered supports that promote positive social/emotional development
4. Parents encouraged to participate in their child's learning experiences at school and home

Dashboard Data: Greatest Progress

Group	Growth	Status	LCAP Goal
English Learners	+ 22.9 points ELA	Very High 61.8 points above level 3	#1 & #2
Socioeconomically Disadvantaged	+ 7.0 points ELA	High 18.4 points above level 3	#1 & #2
Hispanic	+ 11.7 points ELA	High 29.5 points above level 3	#1 & #2
Hispanic	+ 1.9 points Math	High 18.4 points above level 3	#1 & #2

How will progress be improved or maintained?

Professional Learning Communities (PLC)

- Increase PLC protocol time.

Ask the Questions: What and Now What?

- What will we do to extend learning?
- What will we do to intervene to ensure the success of all.

Know Our Students

- Purposeful and deliberate planning

Dashboard Data: Greatest Needs

Group	Growth	Status	LCAP GOAL
English Learners	-7.9 points Math	Very High 45.6 points above level 3	#1 & #2
Socioeconomically Disadvantaged	-9.4 points Math	Medium 6.9 points below level 3	#1 & #2
Asian	-3.8 points Math	Very High 78.1 points above level 3	#1

Next Steps for Areas of Need

Professional Learning Communities

- Increase PLC protocol time.

Ask the Questions: What and Now What?

- What will we do in the classroom or grade level to ensure the success of all?
- What will be next steps if this doesn't result in student success?

Know Our Students

- Purposeful and deliberate planning

On-Going Progress Monitoring

- Common Frequent Formative Assessment Documents
 - Meaningful and timely
- Participate in Professional Learning Communities
 - Engaging students - Summer Reading for Teachers
- SBAC Student Learning Evidence Discussions
 - Using initial data to set the stage
- iReady Student Learning Evidence Discussions
 - Supports on-going student learning discussions
