

Local Control Accountability Plan and Annual Update (LCAP Template)

LCAP Year 2017-18 2018-19 2019-20

Addendum: General instructions & regulatory requirements.

Appendix A: Priorities 5 and 6 Rate Calculations

Appendix B: Guiding Questions: Use as prompts (not limits)

[LCFF Evaluation Rubrics](#) [Note: this text will be hyperlinked to the LCFF Evaluation Rubric web page when it becomes available.] Essential data to support completion of this LCAP. Please analyze the LEA's full data set; specific links to the rubrics are also provided within the template.

LEA Name	Santa Rosa Elementary		
Contact Name and Title	Diann Kitamura, Superintendent	Email and Phone	dkitamura@srcs.k12.ca.us, (707) 528-5352

2017-20 Plan Summary

THE STORY

Briefly describe the students and community and how the LEA serves them.

Santa Rosa City Schools district has a long, rich history serving students in Sonoma County, in the largest California city north of the Golden Gate Bridge. Our district was founded in 1858 with 50 students. Today, we welcome more than 16,000 students to our 26 schools. Our community is diverse. Students and families speak 52 languages, with the majority speaking English and/or Spanish. We have 3,500 English learners. We value diversity and have been recognized statewide for our Equity and Social Justice Initiative. That initiative has been embraced by our 1,600 teachers and staff, who have adopted the district's motto of "Every Student, Every Possibility, No Matter What." Learning begins with healthy students and families. We partner with community organizations to provide services that go beyond academics, such as parent education, health services, and counseling. Bilingual family engagement facilitators help our families make connections. Santa Rosa City Schools' campuses include 10 elementary schools, five middle schools, five high schools and one continuation high school. We also have five dependent charter schools, including French and Spanish immersion schools, a K-8 charter school for the arts, and a nationally recognized accelerated charter school. The mission of our schools is to provide active, involved learning to prepare each of our students for college and career. To that end, we have Career Technical Education programs, Magnet programs that partner with our local junior college and university, an award-winning high school arts program, and an International Baccalaureate Program. After 160 years, Santa Rosa City Schools continues to value its position in this community, entrusted with providing our next generation the tools they need to lead us into the future.

LCAP HIGHLIGHTS

Identify and briefly summarize the key features of this year's LCAP.

Goal 1: Provide a coherent, rigorous and relevant teaching and learning program to graduate college and career ready students.

The district supported high-quality classroom instruction and curriculum that promotes college and career readiness with academic interventions in place to eliminate barriers to student success.

Santa Rosa City Schools supported Collaborative Curriculum Design (CCD) work in all core subject areas. The focus on the California ELD Standards was enhanced with additional GLAD training and in-classroom support through Teachers on Special Assignment (TOSA). Training for Next Generation Science Standards and C3 Framework for Social Studies State Standards also received TOSA support in the classroom.

Santa Rosa City Schools supported a focus on STEM training through Maker projects in K-8 schools. SRCS supported a partnership with Michael Fullan, with the focus on coherence, systems, and building capacity.

Goal 2: Increase student and family wellness and engagement through the full-service community school model. The district will ensure that all schools have a safe, welcoming and inclusive climate for all students and families so that all students are in their classes and ready to learn.

The district ensured all schools had a safe, welcoming and inclusive climate for all students and families so that all students are in their classes and ready to learn.

The commitment to ensure that every student attends a school that is safe, clean and healthy can be seen in SRCS's work to improve the climate at our schools through the district's receipt of the School Climate Transformation Grant which focuses on BEST Plus (Positive Behavior Intervention and Strategies, Restorative Practices and behavioral health services).

Through restorative practices, centralizing attendance letters, the addition of the SOLL counselors, family engagement staff and student engagement activity workers we saw a positive impact on students and families. This was evidenced by the reduction of suspensions and expulsions, increases in restorative interactions with students, increased contact with families regarding attendance, 25% of teachers attending the Museum of Tolerance training, the identification of nine BEST Plus schools and their training with an increased number of students receiving mental health services.

REVIEW OF PERFORMANCE

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Math:

This year at the elementary level, we have piloted Common Core aligned math programs as part of a curriculum adoption process. We are pleased that through this process, we have selected new curricular materials to adopt for the 17-18 school year, KA-6.

GREATEST PROGRESS

Writing:

Our teachers have participated in professional learning and meaningful collaboration through our work with Lucy Calkins' Units of Study in Writing. Their success has been demonstrated through a significant overall improvement in students' writing. When looking at the District benchmark assessments in writing, teachers report an increase in student fluency, volume, organization, and elaboration. Throughout the year, student and teacher achievement has steadily increased and is evident in the environment of the classroom and when interacting with the community.

CCD:

One of our most successful professional development ELA/ELD initiatives has been the Collaborative Curriculum Design (CCD). This initiative is Common Core aligned and has been teacher-led and teacher inspired. The CCD work is large in scope and is in its beginning stages of implementation. One reason we expect our CCD Units of Study developed by teachers for teachers and students to have a positive impact on the skills and concepts students learn is because SRCS teachers know their students better than any publisher possibly could. Developing learner-centered units with appropriate differentiation and scaffolding strategies embedded within will support students as they acquire the 21st Century skills and mindset needed for College and Career success.

FOSS Science:

This year, we began the transition to the use of FOSS Science Kits in grades K-6. The first phase of implementation was completed this year with the purchase, training, and implementation of Physical Science kits in grades K-5. To support the integrated model at Middle School, 6th-grade teachers received all 3 FOSS Science Kits (Life, Physical and Earth) so that current 6th graders would transition to Middle School with experience with and understanding of all content. Feedback from teachers and students is that the FOSS kits create much higher engagement in science. The hands-on, interactive approach to teaching science supports content knowledge and provides students the opportunity to engage in the Science & Engineering Practices that are such an important addition the Next Generation Science Standards.

English Learners:

Approximately 600 students, district-wide, have met the reclassification criteria this year. This is 200 more students than the totals for 2014-2015 and 2015-2016. This is in part due to the revised criteria, which now includes multiple measures for the basic skills section (i.e. Let's Go Learn (LGL), Developmental Reading Assessment (DRA), Smarter Balanced Assessment of Consortium (SBAC)) as well as the support and intervention students are getting to develop their English language proficiency and academic skills. Further, much has been done to educate parents through English Language Advisory Councils (ELACs) and the District English Language Advisory Council (DELAC) meetings. Parents are informed of the benefits of being reclassified as Fluent English Proficient (R-FEP) and are highly encouraged to meet with teachers and the administration if their student is not making progress towards being reclassified.

The Family Engagement Facilitators (FEFs) have removed the language barriers that Spanish-speaking families previously faced. Consequently, parents are more engaged and more aware of the offerings provided by the schools and the district. They are able to have meetings with monolingual (English-speaking) teachers and administrators to inquire about their students' challenges and successes, in order to work collaboratively to support improved outcomes for the students.

This year, as a result of the Federal Program Monitoring process, all special education

staff was trained in how to support English Learners who have Individualized Education Plans (IEPs). The training addressed how to write linguistically appropriate learning goals for all content areas and also how to write English Language Development (ELD) goals. Further, all special education staff was informed that all English Learners must be provided access to the core content as well as both integrated and designated English Language Development (ELD).

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category or where the LEA received a "Not Met" or "Not Met for Two or More Years" rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Moving forward for next school year, it will be important to provide professional development for teachers in the newly adopted curriculum as well as the English Language Arts/English Language Development (ELD) Standards and Framework to support the implementation of integrated and designated ELD. California School Board Dashboard student group reports show that our English Learners, Socioeconomically Disadvantaged, Students with Disabilities, American Indian, Hispanic performance levels are in the red and orange English Arts (3-8) category.

Schools must ensure that all English Learners are receiving well designed, comprehensive, and integrated ELD in all content areas. The California School Dashboard reflects the fact that our English Learner Progress is in the orange performance level. Schools must ensure that EL students are provided designated ELD, a protected time in the regular school day, where ideally students are grouped by their English language proficiency levels and teachers use the CA ELD Standards as the focal standards in ways that build into and from content instruction to develop critical language ELs need for content learning in English.

To support this area of need, Designated ELD lessons tied to the CCD units will be created and uploaded to Haiku. Hence, we will need to identify a team to create these.

The California School Dashboard data reflects orange and red performance levels for Mathematics (3-8) in the following subgroups: Socioeconomically disadvantaged, students with disabilities, and our American Indian student populations. The Make the Way professional development focused on providing access to rigorous grade level content for our most underserved populations and we saw significant performances by students with teachers involved in this project in comparison to these students' counterparts. Planning professional development similar to Make the Way that provides deep and sustained learning activities to implement curriculum thoughtfully will help to continue improving student achievement outcomes. Planning professional development that is comprehensive, engaging and supportive of reflection will be critical. The selection of the new materials is a good first step to strengthening mathematics education in SRCS, however, developing a plan for on-going professional development and collaboration around mathematics instruction is a priority in support of teachers and students.

The Collaborative Curriculum Design unit development will continue next year with the development of additional units of study. This work will require that the CCD teams have the time and support to continue developing and sharing the newly written units with their colleagues. This work is critical to continuing the focus on student-centered learning

GREATEST NEEDS

and coherence across the elementary district. A next step will be to develop trimester assessments that can provide the necessary feedback on student learning around the standards and content taught through these units.

California School Dashboard data reflects suspension rates for all students (K-12) in the orange performance level. Santa Rosa City Schools will continue to make headway in this category with responses to instruction and intervention. This Multi-tiered System of Support (MTSS) with BEST Plus which is a hybrid of Positive Behavior Intervention Strategies, Restorative Practices, and behavioral health support with 3 elementary schools in Cohort 1, 4 elementary schools in Cohort 2, and 7 elementary schools in Cohort 3.

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. What steps is the LEA planning to take to address these performance gaps?

PERFORMANCE GAPS

There is no denying that there are performance gaps between our English Learners and the general Santa Rosa City Schools student population. We also recognize that much has changed in regards to the California Standards and that strong first instruction is critical to student achievement and school improvement. We understand the need for sound and systematic intervention programs for our English Learners and that a more robust monitoring system must be implemented in order to ensure students are making the necessary gains in language acquisition as well as academic achievement in content standards. Further, we fully understand that more must be done to engage parents as partners in this important work.

We recognize that our English Learner Services need to be strengthened in order to meet our Annual Measurable Achievement Objectives (AMAOs), but more importantly, to meet the needs of our students.

Data from the CDE DataQuest website for all students affiliated with Santa Rosa City Schools shows the A-G completion rate with the following performance gaps:

Hispanic A-G Completion Rate District A-G

2010-11	9.5%	2010-11	20.6%
2011-12	9.3%	2011-12	21.9%
2012-13	17%	2012-13	29.1%
2013-14	16.9%	2013-14	31%
2014-15	18.1%	2014-15	28.7%
2015-16	19.5%	2015-16	28.5%

INCREASED OR IMPROVED SERVICES

If not previously addressed, identify the two to three most significant ways that the LEA will increase or improve services for low-income students, English learners, and foster youth.

Based on staff and stakeholder feedback and research on effective practices we are implementing 18 Actions/Services in Goal 1 and 9 Actions/Services in Goal 2 to improve services for the Low Income, English Learner and Foster Youth, including using a portion of the LCFF Supplemental dollars for site allocations based on the number of unduplicated youth served to allow sites to implement site specific solutions based on unique site needs and site stakeholder input. Three significant actions to improve services are:

E110: Implement the English Learner Master Plan to guide the instructional program to ensure EL students are progressing and reclassification rates are increasing while reducing Long Term English Learner rates. Provide support services for Long Term English Learners and Migrant students to accelerate their ELA and math proficiency.

E114: Increase extended learning opportunities in all disciplines for all students, including after-school tutoring for identified students, which include unduplicated student counts.

E128: Decentralize funding to school sites to implement services to FY, LI, and EL students and families as described in their school site plans (SPSA). Each school SPSA is aligned to the LCAP goals with a strategic focus on the site's specific needs. Progress monitoring of the SPSA goals will occur throughout the year

E203: Provide 1 Classified Family Mentor to assist with Foster Youth and Homeless Liaison between District and Schools.

BUDGET SUMMARY

Complete the table below. LEAs may include additional information or more detail, including graphics.

DESCRIPTION	AMOUNT
Total General Fund Budget Expenditures for LCAP Year	\$ 7,311,246.00
Total Funds Budgeted for Planned Actions/Services to Meet the Goals in the LCAP for LCAP Year	\$ 7,311,246.00

The LCAP is intended to be a comprehensive planning tool but may not describe all General Fund Budget Expenditures. Briefly describe any of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP.

The Santa Rosa community approved two Prop 39 General Obligation Bonds for Santa Rosa City Schools: Measure L for the Santa Rosa Elementary School District
 *Providing a Safe and Modern Learning Environment
 *Current and Reliable Technology and Labs
 *School Repair Measures to Support Student Success

\$ 7,311,246.00

ACTIONS / SERVICES

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action **1**

Actions/Services	PLANNED E101 Recruit and retain high quality teachers, classified, administrative staff and provide a competitive salary and health benefits for classified staff, teachers and administrators.	ACTUAL SRCS recruited much earlier and participated in numerous job fairs and met with more university teacher preparation programs. Hard to fill positions were filled this year. Retention rates are not currently measured.
	BUDGETED Salaries Funding Sources: - \$0.00	ESTIMATED ACTUAL Base - \$0.00

Action **2**

Actions/Services

PLANNED

E102 Provide grade level textbooks, curriculum and support materials. (Math Pilot Materials, Writing Program, FOSS Kits, CCD Materials, Haiku Licenses).

ACTUAL

Principals submitted lists of textbooks and support materials needed for each student for each class based on the student enrollment. The textbooks and support materials were purchased at the end of the school year. Once school commenced, Principals sent in any additional needs to Curriculum and Instruction for a further order to meet the requirements of the William's Act.

Expenditures

BUDGETED

Materials
Funding Sources: LCFF Supplemental (0000) - \$479,625.00

ESTIMATED ACTUAL

LCFF Supplemental/LCFF Concentration/Lottery - \$644,644.00

Action

3

PLANNED

E103 Implement a Multi-Tiered System of Support (MTSS) Program: continuum of services and provide school level support for Multi-tiered Systems of Support (MTSS). Train staff on MTSS continuum of services model and BEST Plus and provide 9 TOSA's to support colleagues in implementing the CCSS, ELD, and NGSS. Support collaboration, professional learning and data analysis.

ACTUAL

Santa Rosa City Schools was the recipient of a School Climate Transformation Grant which is specifically designed to assist in the implementation of the Multitiered System of Support (MTSS). SRCS implemented BEST Plus which is a hybrid of Positive Behavior Intervention Strategies, Restorative practices, and behavioral health support.

Cohort 1

Professional Development included:

Focus: Tier 2 Supports, resources, systems, methods, students screeners

4 full day training for a team of 5-7 teachers from each school

3x's a year Tier 2 Site Leader meetings at the district office (2 hrs) each continued Monthly Tier 1 Site Leader meetings at

Actions/Services

the District office.

Continued Monthly Tier 1 Site Leader meetings at the district office.

Cohort 2

Professional Development included:

Focus: PBIS Tier 1 school expectations, positive responses, prizes, classroom circles, restorative culture and practices, fair process and decision making, resources, Google shared folders, data collection, and analysis for discipline.

6 full day training for team of 5-7 teachers from each school

3 full day training days for site leaders specifically

Monthly Tier 1 Site Leader meetings at the district office.

Service Contracts - \$28,307.00

- \$8,572.00

Action 15

Funding Sources: LCFF Concentration (0000) - \$60,000.00

Actions/Services

PLANNED

E115 Use a data system of formative, interim & summative assessments as well as to inform the MTSS. Train staff on systems, provide collaboration time for data analysis, provide time of development and implementation of intervention and acceleration.

ACTUAL

The district implemented the Diagnostic Assessment for all students, as well as the use of EDGE instructional software to support students, not at grade level. Six sessions were provided that involved learning the program to evaluate the data reports. Any training for teachers beyond the contracted school day was paid at the extended day rate.

Expenditures

Actions/Services	PLANNED E128 Decentralize funding to school sites to implement services to FY, LI, and EL students and families as described in their school site plans (SPSA). Each school SPSA is aligned to the LCAP goals with strategic focus on the sites specific needs. Progress monitoring of the SPSA goals will occur throughout the year	ACTUAL Sites received \$1.7 million allocated based on unduplicated student counts to implement their LCAP aligned SPSA. Extensive training and coaching were provided to each site's leadership teams to facilitate a strategic focus on goals and actions that would move the sites forward in providing best first instruction and support services. Each site leadership team provided a progress report two times during the year with an analysis of the progress using a qualitative and quantitative date. All sites showed growth as evidenced in their data. There is still work to be done but sites are definitely seeing positive change.
	BUDGETED Funding Sources: LCFF Supplemental (0000) - \$1,316,700.00 Funding Sources: LCFF Concentration (0000) - \$549,600.00	ESTIMATED ACTUAL LCFF Supplemental - \$1,236,762.00 LCFF Concentration - \$454,322.00

ANALYSIS

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

The district implemented all actions and services as planned. By continuing and increasing services to our English Learners, foster youth, and low income students we were able to pinpoint specific needs in order to ensure that these students were college and career ready. Specifically, the focus on our English Language Learners and a close look at our reclassifications this year helped us to develop and implement systems in place to ensure they are correctly placed academically. Implementing collaboration and PD throughout the disciplines continues to directly affect student outcomes as the work on their desk begins to change and reflect a more sequenced problem and solution based format.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The district has made great strides in collecting and using the data available to assist in assessing the success of the actions of the SPSA and LCAP. Those actions to increase student proficiency for ELA and Math were measured by CELDT data, reclassification data results on Let's Go Learn, increased access to the core curriculum, teacher collaboration in

	<p>professional development to identify priority standards and create curriculum. For this year, the actions of the LCAP have achieved the desired metric results.</p>
Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.	<p>Material differences in estimated actual and budgeted expenditures were primarily due to teachers needing more curriculum materials than what was estimated, or not needed based on actual enrollment. Expenses for a student program were less than what was anticipated as the event was canceled due to scheduling conflicts with Sonoma State University, and less was paid in consultant fees due to less meeting dates. Several after work meetings and professional development events were attended by more teachers than anticipated, therefore more substitutes costs or extended day pay was required. Some events were allocated to Supplemental funds but were paid out of Title funding instead as they met the requirements of English Language Learners. Staff salary schedules which, based on the particular employees filling specific positions, significantly increased or decreased expenditures over original estimates.</p>
Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.	<p>There were differences in dollar amounts budgeted and expended as a result of the changes needed to accommodate some services not occurring and budget reductions. This meant less training, less extra duty pay for teachers and fewer materials purchased.</p> <p>E 104 was eliminated as it did not occur in the 2016-2017 school year.</p> <p>E 108 was changed as to eliminate the Secretary 1 position.</p> <p>E 120 was changed as the coordinator position was eliminated.</p>

Annual Update

ANALYSIS

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.	Actions and services for the goal were implemented as planned. Ensuring that every student attends a school that is safe, clean and healthy is a top priority for Santa Rosa City Schools.
Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.	The implementation of restorative practices, centralizing attendance letters, the addition of the family engagement staff, restorative specialists, mental health services, professional training for classified and certificated staff in Trauma Informed Care, circle community building, restorative practices, well-being and positive behavior interventions have all had a positive impact on students and families as evidenced by the reduction of suspensions and expulsions.
Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.	Material differences in estimated actual and budgeted expenditures were primarily due to several after work meetings and professional development events were attended by more teachers than anticipated, therefore more substitutes costs or extended day pay was required. Consultant fees may be more based on additional services needed for students, staff, and administrators. Some events were allocated to Supplemental funds but were paid out of Title funding instead as they met the requirements of English Language Learners. Staff salary schedules which, based on the particular employees filling specific positions, significantly increased or decreased expenditures over original estimates.
Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation	As part of the fiscal stabilization plan for Santa Rosa City Schools, the Santa Rosa School Board adopted the Best Possible Solutions on May 1, 2017. These solutions outlined changes to the district LCAP. There were differences in dollar amounts budgeted and expended as a result of the changes needed to accommodate some services not occurring and budget reductions. This

Rubrics, as applicable. Identify where those changes can be found in the LCAP.

meant less training, less extra duty pay for teachers and fewer materials purchased.

Stakeholder Engagement

LCAP Year	2017-18	2018-19	2019-20
-----------	---------	---------	---------

INVOLVEMENT PROCESS FOR LCAP AND ANNUAL UPDATE

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

After gathering feedback about the stakeholder engagement process, it was determined that more feedback from more stakeholders would occur if it took place at the school sites and through district meetings. A protocol for all site principals was developed to assist in monitoring the progress of the LCAP actions through the alignment to the Single Plan for Student Achievement (SPSA). This alignment created a strategic focus for each of the sites to monitor progress and have site level conversation with all members of their school community about the how the services being provided were achieving the intended outcomes of the LCAP/SPSA. The various stakeholder meetings had in attendance Board of Trustees members, DAC representatives, certificated and classified leadership group members, administrators, community members, and students. Principals from our 26 schools came together two times during the year to share and collaborate in an inquiry seminar format, separated into elementary, middle and high school groups and also feeder patterns. They shared and received feedback on their identified foci, the intended outcomes, the metrics used to measure (both quantitative and qualitative) the feedback from stakeholders, and finally their discovery based on the results, the process itself, and the feedback. The process has provided more stakeholders a rich and meaningful way in which to engage in the LCAP/SPSA as well as provide relevant feedback for the individual school communities that make up SRCS. The other forms of outreach communication consisted of using the phone, email, web, radio, newspaper, Twitter, etc. to inform the public, collect input and determine any modification needed to the LCAP. SRCS hosted three Stakeholder's Unity Meeting (SUN) for the community at large. The collection of input was comprised of online surveys, community meeting, student surveys, parent groups' surveys and staff surveys. Stakeholder surveys this year included the Thought Exchange process which went out in three phases. The first phase was held from March 15-29 in which 5,717 written "thoughts" were collected from parents, site and district staff, and students (from the secondary level) as well as community members at large. The second phase took place from April 4-18 wherein these thoughts were aggregated into themes and sent out to our stakeholders again for them to "star" or prioritize what they felt was most important. The third phase to occur was released on May 4th when the actual survey results were reported based on the data collected during phase one and two.

The SRCS Strategic Planning process has also gathered a great deal of information from students, families, and community members and has been incorporated into the LCFF required Local Control Accountability Plan (LCAP).

The draft LCAP was posted on Wednesday, May 24th at the regular board meeting for public comment. Stakeholders were informed of the public comment window through SRCS website, a flyer and an automated phone message in both Spanish and English. Stakeholders were invited to visit schools and review a paper copy of the draft LCAP or SRCS website. DELAC and DAC reviewed and provided feedback to the LCAP draft on Thursday, May 18, 2017.

The Superintendent received no questions and comments during the public viewing of this draft LCAP. A community report was developed to provide

information about the LCAP. The community report was posted on the website and at each school and is also translated into Spanish. The public hearing for both the LCAP and the Budget was conducted on Wednesday, June 14, 2017.

The LCAP and budget were approved on Wednesday, June 28, 2017.

Staff Meeting: (9/12,9/28,10/12,10/26,11/9,12/14,1/11,1/25,2/8,2/22,3/8,4/12,4/26,5/10,5/24)

ELAC: (10/20, 1/19, 3/16)

SCC: (1/28, 3/31)

Parent: (None)

LCAP/SPSA Feedback Meeting Dates-District:

District English Learner Advisory Committee: (10/6, 11/3, 1/12, 2/2, 3/2, 4/6, 5/18)

District Advisory Committee: (N/A, 11/10, N/A, N/A, 3/16, N/A, 5/18)

Principal/Leadership Team Presentation of SPSA/LCAP Interim: (Nov 9, 2016, Feb 8, 2017 (Informal Check in), April 12, 2017)

Board of Trustees - LCAP Updates: (Oct 12, 2016, Feb 8, 2017, May 10, 2017, May 24, 2017, June 14, 2017, June 28, 2017)

Meetings were advertised through mailers sent home, flyers at school sites, district website and an automated phone message to all homes in both Spanish and English. All meetings offered childcare; bilingual English and Spanish presentations and oral interpretation.

Union consultation took place on March 6, 2017, April 17, 2017, May 1, 2017, and May 15, 2017, with certificated and classified units.

Where applicable, agendas and other materials were provided for all meetings in both Spanish and English, and opportunities to ask questions and engage in discussion regarding the new law and funding formula was provided.

IMPACT ON LCAP AND ANNUAL UPDATE

How did these consultations impact the LCAP for the upcoming year?

As a result of the feedback from the various stakeholder groups:

Continue to train on and implement the California Standards, the Next Generation Science Standards, and the newly adopted English Language Development standards.

Increased depth in the implementation of Family Engagement in the form of training for parents to become leaders in the advocacy of children and the services provided.

Develop protocols and surveys that are user-friendly and that will identify stakeholder type and be relevant to the particular group.

LCAP outreach will take place in the community rather than at the district office.

Provide metric outcomes throughout the school year.

Create more effective ways to educate and communicate with parents and students about their role with the LCFF and LCAP.

Goals, Actions, & Services

Strategic Planning Details and Accountability

Complete a copy of the following table for each of the LEA's goals. Duplicate the table as needed.

	New	Modified	Unchanged								
<u>Goal 1</u>	Provide a coherent, rigorous and relevant teaching and learning program to graduate college and career ready students.										
<u>State and/or Local Priorities Addressed by this goal:</u>	STATE	1	2	3	4	5	6	7	8		
	COE	9	10								
	LOCAL										
<u>Identified Need</u>	To support high quality classroom instruction and curriculum that promotes college and career readiness with academic interventions in place to eliminate barriers to student success. - Grade level proficiency in literacy and math - College and career counseling and meaningful courses that are connected to life goals. - Employ caring, committed and collaborative teachers who use diverse teaching strategies and have a continuous improvement mind-set.										

EXPECTED ANNUAL MEASURABLE OUTCOMES

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
SRCS Strategic Plan and SPSA	100% implementation of State Board of Education adopted materials occurred	100% implementation of state board of education- adopted academic content and performance standards for all pupils including ELs, will occur	100% implementation of state board of education- adopted academic content and performance standards for all pupils including ELs, will occur	
SRCS Strategic Plan and SPSA	100%			
Basic conditions at schools	100% of school facilities maintained	Maintain 100% of school		

		facilities with exemplary rating		
Williams Act Review	100% compliant per William's complaint log	Maintain Williams Act compliance by providing every student with needed instructional materials, standards aligned		
Master Schedule, Human Resources Report	100% will have access per Ed Code 51210	100% of students, including UPC students, will have access to a broad course of study as required by ed code 51210		
Human Resources Report and Federal Program Monitoring Process	100% of teachers were correctly assigned and credentialed	Reduce mis-assigned teachers to zero, and increase appropriately credentialed teachers to 100%		
SBAC	ELA 61%	Scores for all students on statewide standardized tests, ELA and Math, will increase district-wide by 2%		
	Math 61%			
SBAC	District 62.00%	Increase number of 3rd grade students scoring At, Near or Above standard in reading by 5% as measured by SBAC Test data for all students including English Learners, Low Income, and Students with Disabilities		
	EL 51.00%			
	Low Income 55.00%			
	Disabilities 21.00%			

SBAC	District 51.00%	Increase number of 5rd grade students scoring At, Near or Above standard in math by 5% as measured by SBAC Test data for all students including English Learners, Low Income, and Students with Disabilities		
	EL 24.00%			
	Low Income 40.00%			
	Disabilities 21.00%			
English learner progress	SY16 Reclassification Rate = 8.20% (DataQuest)	Increase the EL reclassification rate by 5% across grade spans K-3, 4-6		
English learner progress	667 EL students scored Early Advanced or Advanced and represent 36.00% of EL students who took CELDT.	Increase the number of students that become English proficient by 1% as indicated by CELDT scores		
	DataQuest CELDT Annual Assessment Test Results Count of Early Advanced and Advanced and percentage of total Annual Assessment			
Graduation rates		N/A statements for API, AP, EAP, CTE, and College and Career ready courses		
Test scores	Count of students scoring At or Above Benchmark and % of all students tested SY16 883 students 57.67%	Increase Dibels scores by 5%

Goals, Actions, & Services

Strategic Planning Details and Accountability

Complete a copy of the following table for each of the LEA's goals. Duplicate the table as needed.

	New	Modified	Unchanged	
<u>Goal 2</u>	Increase student and family wellness and engagement through the full service community school model.			
<u>State and/or Local Priorities Addressed by this goal:</u>	STATE	1	2	3
	COE	9	10	4
	LOCAL			5
				6
				7
				8
<u>Identified Need</u>	<p>1 - 58.2% of our Latino students are identified as truant.</p> <p>2 - Increase school attendance rates that are lower than 95%.</p> <p>3 - 4.7% of students receive out-of-school suspensions.</p> <p>4 - Maintain zero number of expulsions.</p> <p>5 - No data currently gathered regarding the increasing opportunities for alternative to suspension and expulsions.</p> <p>6 - 74% of fifth grade students do not feel they have opportunities to participate meaningfully in school as measured by Healthy Kids Survey School Climate Index.</p> <p>7 - No data currently gathered regarding the increase of community engagement and communication as measured through an annual survey.</p> <p>8 - No data currently gathered regarding the improving communication to stakeholders and increase external communications as measured by the number of visits to SRCS website and/or social media.</p>			

9 - No data currently gathered regarding the improvement of parent involvement and engagement as measured by attendance at parent engagement activities.

10 - 22.4% of fifth grade students met at least 5 of 6 Physical Fitness Test (PFT) standards.

EXPECTED ANNUAL MEASURABLE OUTCOMES

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
School climate	P1 K-3 95.43% P1 4-6 96.70% P2 K-3 94.70% P2 4-6 96.05%	Increase P1 and P2 attendance by 0.5% across grade spans K-3, 4-6 with a target rate of 97%		
School climate	K-3 12.60% 4-6 7.60%	Reduce chronic absenteeism by 1% in grades K-3, 4-6		
School climate	0%	Maintain the less than 1%		

		expulsion rate		
Parent engagement	506 respondents K-12 of 5213 students = 9.71%	Increase parent (including UPC parents) involvement, and opportunities to provide input in making decisions for the school district, by 5%, as measured by LCAP survey participation		
School climate	99.00%	Improve school climate as measured in the bi-annual California Healthy Kids Survey

E228: Decentralize funding to school sites to implement services to FY, LI, and EL students and families as described in their school site plans (SPSA). Each school SPSA is aligned to the LCAP goals with a strategic focus on the site's specific needs. Progress monitoring of the SPSA goals will occur throughout the year

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year	2017-18	2018-19	2019-20
Estimated Supplemental and Concentration Grant Funds:	\$ 7,311,246.00	Percentage to Increase or Improve Services:	26 %

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

The services described in this plan are intended to increase and improve services to English Learners (EL), Redesignated Fluent English Proficient (RFEP), Low Income (LI) Pupils, Foster Youth (FY) and students with disabilities by a minimum of 9.70% in the 2017-18 school year as compared to services provided to all students. The proportionality percentage was met by increasing the amount spent on 100% of Supplemental funds to provide increased or improved services for these pupils. This exceeds the 9.70% minimum proportionality percentage.

We will be offering increased services for our English Learners, RFEP, Low Income, Pupils, Foster Youth and students with disabilities in the following manners:

1. Providing counseling services at all of our elementary schools
2. Providing student engagement workers
3. Providing family engagement workers
4. Continuing full-time bilingual outreach positions which will supplement the services previously provided.
5. Continuing Restorative Response Specialist positions to serve students and families in the 2nd and 3rd level of a multi-tiered intervention and support system.
6. Up to 10 Teachers on Special Assignment to curriculum, instruction, assessment, and intervention to meet the needs of targeted students through support and training of classroom teachers to implement the California Standards and NGSS standards.

The addition of these services for our EL, RFEP, LI, FY students and students with disabilities will be delivered through a Multi-Tiered System of Support (Response to Intervention & Instruction) which is a comprehensive system of differentiated supports that includes evidence-based instruction, universal screening, progress monitoring, formative assessments, research-based interventions matched to students needs, and educational decision-making using student outcome data.

The increased instructional time, professional development, additional staff and sections in the master schedule for student support exceeds the 9.70% required minimum proportionality percentage by providing increased and improved services for our identified unduplicated (EL, FY, LI, RFEP) students as compared to the services provided to all pupils in the LCAP in the year 2017-18 The cost of these services is equal or exceeds the number of supplemental grant funds received.
