V. APPROVAL OF MINUTES

A.01 May 30, 20171
June 1, 2017
June 13, 2017

6:25 pm

VI. BOARD OF EDUCATION – COMMENDATIONS/RECOGNITIONS (10 minutes)

- **Janece Maez – Outgoing Associate Superintendent, Business and Fiscal Services / CFO** (10)
Superintendent Drati and the board members shared their gratitude for Ms. Maez's commitment, hard work, integrity, and passion for the district during these past ten years, whether it was balancing the budget, educating them on school district finance, guiding them through facilities issues, or overseeing many other departments. The board presented her with a plaque. Ms. Maez expressed her appreciation for working in our district.

VII. CONSENT CALENDAR (10 minutes)

As agreed by the President, Vice President, and Superintendent during agenda planning, consent agenda items are considered routine, require no discussion, and are normally approved all at once by the Board of Education. However, members of the Board of Education, staff, or the public may request an item be moved from the consent agenda to Section XI (Major Items) for clarification and/or discussion.

the California Environmental Quality Act, Approving the
Project, and Directing the Filing of Notice of Exemption (10).....96-99

XI. INFORMATIONAL ITEMS (0 minutes)

These items are submitted for the public record for information. These items do not require discussion nor action.

- 9:02 pm
- I.01 Revision of AR 6112 – School Day100-102

XII. GENERAL PUBLIC COMMENTS

9:02 pm

Public Comments is the time when members of the audience may address the Board of Education on items not scheduled on the meeting's agenda (the following rules apply to both general public comments as well as comments about a specific agenda item). The Brown Act (Government Code) states that Board members may not engage in discussion of issues raised during Public Comments, except to ask clarifying questions, make a brief announcement, make a brief report on his or her own activities, or to refer the matter to staff. Individual members of the public who submit a public speaking card prior to the Board hearing an agenda item or general public comments shall be allowed three (3) minutes to address the Board on each agenda or nonagenda item, depending on the number of speakers. If there are ten or more speakers on an agenda or nonagenda item, the Board shall limit the allowed time to two (2) minutes per speaker. Individual speakers who submit a public speaking card after the Board begins to hear an agenda item or general public comments shall be allowed one (1) minute to address the Board. A public speaker may yield his/her time to another speaker, but must be present when his/her name is called. The donor would then give up his/her opportunity to speak. The public speaker who receives the donated minutes shall speak for no more than four (4) minutes maximum. The president may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add. Individuals represented by a common point of view may be asked to select one individual to speak for the group. The president may, at his/her discretion, allow five (5) minutes for those who are serving as a spokesperson for a group or organization.

- *Duhn Mae and Jill Hawkins addressed the board regarding health concerns they shared for district students.*

XIII. BOARD MEMBER ITEMS

These items are submitted by individual board members for information or discussion, as per Board Policy 9322.

XIV. REQUESTS BY MEMBERS OF THE PUBLIC OR DISTRICT ADVISORY COMMITTEES TO ADDRESS THE BOARD OF EDUCATION

A member of the public may request that a matter within the jurisdiction of the board be placed on the agenda of a regular meeting, as per Board Policy 9322. The request shall be in writing and be submitted to the superintendent or designee with supporting documents and information, if any, at least one week before the scheduled meeting date. Items submitted less than a week before the scheduled meeting date may be postponed to a later meeting in order to allow sufficient time for consideration and research of the issue. The board president and superintendent shall decide whether a request is within the subject matter jurisdiction of the board. Items not within the subject matter jurisdiction of the board may not be placed on the agenda. In addition, the board president and superintendent shall determine if the item is merely a request for information or whether the issue is covered by an existing policy or administrative regulation before placing the item on the agenda.

9:11 pm

XV. BOARD MEMBER COMMENTS

A Board member may make a brief announcement or report on his/her own activities relative to Board business. There can be no discussion under "BOARD MEMBER COMMENTS."

- *Dr. Tahvildaran-Jesswein introduced his public policy students in the audience, who will be helping to research intendent study physical education.*

XVI. FUTURE AGENDA ITEMS

Items for future consideration will be listed with the projected date of consideration. The Board of Education will be given any backup information available at this time.

XVII. CONTINUATION OF CLOSED SESSION

The Board of Education will, if appropriate, adjourn to Closed Session to complete discussion on items listed under Section III (Closed Session) following the regular business meeting.

XVIII. ADJOURNMENT

It was moved by Mr. Mechur, seconded by Ms. Leon-Vazquez, and voted 6/0 (Mr. Foster was absent) to return to closed session at 9:12 p.m. Closed session adjourned at 10:00 p.m. The next meeting is a regular meeting scheduled for **Wednesday, July 19, 2017**, at the district office: 1651 16th Street, Santa Monica, CA.

RE: HEAD START COLLABORATION WITH THE LOS ANGELES COUNTY OFFICE
OF EDUCATION (LACOE)

RECOMMENDATION NO. A.05

It is recommended that the Board of Education authorizes the budget increase of Cost of Living Adjustment (COLA) funds to the Head Start program. This agreement is to be executed between Los Angeles County Office of Education (LACOE), and the Santa Monica-Malibu Unified School District, wherein LACOE agrees to pay the Santa Monica-Malibu District Child Development Fund a 1% percent increase. This increase will be effective July 1, 2017.

Funding Information

Source: Child Development Fund - Restricted

Currently Budgeted: yes

Account Number: 12-52101-0-00000-00000-8285-000-0000 HS COLA

COMMENT: Funds will be used for salaries and benefits for FY 2017-18.

COMMENT: According to the Education Code SEC.21 Section 56342, prior to recommending a new or continued placement in a non-public, non-sectarian school, the Individualized Education Program (IEP) Team must submit the proposed recommendation to the local governing board for its review and recommendation regarding the cost of such placement.

The recommendations for these severely handicapped students are made by the District IEP Teams in accordance with State and Federal laws. The mandates of IDEA require non-public school services be provided at no expense to parents if there is not an appropriate public school program available. Funding to come from a SELPA-wide non-public school/non-public agency reserve account.

RE: ACCEPTANCE OF GIFTS – 2016/2017

RECOMMENDATION NO. A.09

It is recommended that the Board of Education accept, with gratitude, checks totaling **\$65,371.71** presented to the Santa Monica-Malibu Unified School District.

It is further recommended that the Fiscal/Business Services Office, in accordance with Educational Code §42602, be authorized to increase the 2016-2017 income and appropriations by **\$65,371.71** as described on the attached listing.

This report details only cash gifts. It includes all contributions made by individuals or companies and some of the contributions made by our PTA's. Contributions made by a PTA in the form of a commitment and then billed are reported in a different resource. A final report that compiles all gift and PTA contributions is prepared and available annually.

COMMENT: The value of all non-cash gifts has been determined by the donors.

NOTE: The list of gifts is available on the District's website, www.smmusd.org.

RE: RENEW CONTRACT – SCHOOL SERVICES OF CALIFORNIA, INC.

RECOMMENDATION NO. A.10

It is recommended that the Board of Education approve an agreement for special fiscal services with School Services of California, Inc., effective July 1, 2017, and terminating June 30, 2018.

It is further recommended that in consideration for services provided by School Services of California, Inc., that the District agrees to pay \$3,660 annually, plus expenses.

Funding Information

Source: General Fund-Unrestricted

Currently Budgeted: Yes

Account Number: 01-00000-0-00000-73000-5890-050-1500

Description: Other Gen'l Admin/Contracts/Business Serv.

COMMENT: This request represents a renewal of our contract with School Services of California, Inc. There is an increase of \$0 in the annual fee over the previous annual contract amount. School Services of California, Inc. provides fiscal services to the District including school finance, legislation, school budgeting and general fiscal issues. This agreement also includes up to 12 direct service hours at no additional cost.

RE: AWARD OF FLOORING MATERIALS TO KYA SERVICES, LLC – BID #16.01
– YEAR THREE OF A FIVE-YEAR CONTRACT AND TO STANDARDIZE
CARPET SPECIFICATIONS TO MEET COLLABORATIVE FOR HIGH
PERFORMING SCHOOLS (CHPS) SUSTAINABLE CRITERIA

RECOMMENDATION NO. A.11

It is recommended that the Board of Education award Kya Services LLC, Bid #16.01 for the purchase of floorcoverings in an amount not to exceed \$300,000 annually based on unit cost pricing; and it is further recommended that the Board of Education maintain the sustainable flooring standards as listed below, established in Bid #9.10 and Board approval on 1/14/10. This is year three (3) of a five (5)-year contract, beginning July 1, 2017.

COMMENTS

Purchases are being based on unit cost pricing included in the bid for both rolled and carpet squares; wall base, furniture moving, sheet vinyl, linoleum, tile, walk-off mats, stair treads, removal and disposal of existing flooring; floor prep and moisture proofing and volume discounts based on pre-determined quantities. The contract further incorporates unit pricing for carpet and hard surface cleaning services and equipment, should the District require such services in the future. The contract includes provisions for floor covering cleaning presentations including chemical and cleaning equipment audits, and maintenance troubleshooting.

The District's carpet standard is Tandus Carpet, which holds non-prorated warranties from lifetime to ten years based on product type. The specified flooring material is conducive to a green cleaning chemical program. Warehousing, delivery and storage will be provided for the term of the contract at no additional cost should a project be delayed. This also provides continuity throughout the district.

Contractors installing carpet for the District's bond programs will be able to purchase carpet using this unit pricing structure.

History

The Board of Education established the Collaborative for High Performance Schools (CHPS) criteria for all of the Measure BB Bond program installations during its Board meeting of 6/13/07. The CHPS criteria establishes performance and environmental standards to create learning environments that are efficient, healthy and comfortable, while at the same time creating building systems that are easy to maintain and operate. The Board of Education requested that all purchases through-out the District going forward incorporate the CHPS criteria of sustainability to create a green, healthy environment for students, staff and the community. By establishing the flooring standards listed below, it is supporting this philosophy.

The following is a list of minimum criteria established for the flooring contract. Details of the criteria and unit pricing is available for review in the Purchasing Office.

Sustainable Accountability/Indoor Air Quality: All rolled goods and carpet tile products shall meet the sustainable protocol set forth by LEED, NSF140-2007 and CHPS. All sustainable claims shall be third party certified and meet the definitions of the FTC. Adhesives, glues, primers and related installation materials shall meet guidelines provided by Proposition 65, Cal OSHA, Air Resource Board and the Department of Health. Carpet products are to comply with Carpet and Rug Institute's (CRI) Green Label Plus Program. All

manufacturers shall have certified post-industrial content of 24% and 7% post-consumer recycled content in their products for a minimum of 34% by weight and 98% recycled content cushion secondary backing. Products must be 100% closed-loop recyclable backing materials. Manufacturer shall have a collection and recovery system for product and a fully established operational recycling program established per FTC guides Section 260.7(d). (The carpet material supplied to the District shall have a fully operational reclamation plant that can take existing carpet material and turn it back into carpet. A cradle to cradle recycling process. This means that the product can be recycled over and over again without ending up in a landfill). The carpet shall have a planned obsolescence of thirty (30) years.

Antimicrobial / Pesticide Additives: All proposed carpet materials shall be free of antimicrobials / pesticide additives. No GSA registered pesticides shall be added to the mix design. (This is part of Santa Monica-Malibu Unified School District's commitment to students and teachers alike to reduce chemical exposure in the classrooms). All carpet materials shall have an integrated impermeable backing system that creates a flooring material that is not affected by moisture. (Mold, biological growth or dust mites in the carpet backing will never be a concern with this type of backing).

Nylon Fiber Standard: All soft surface flooring products are to be constructed of Type 6,6 nylon fibers.

The bid document allows for other governmental agencies and school districts to piggy-back on the unit pricing schedule and includes a 2% administration fee assessed to other agencies for its use. This revenue will be used to purchase maintenance and operations equipment for the departments installing and maintaining the floor coverings.

Mr. Mechur requested that staff ensure the 2007 CHPS standards were the most recent.

RE: AWARD OF RFP #16.08 – DISTRICTWIDE VENDING MACHINES
TO FIRST CLASS VENDING – YEAR TWO OF A FIVE-YEAR
SERVICE CONTRACT

RECOMMENDATION NO. A.12

It is recommended that the Board of Education award RFP#16.08 – for Districtwide Vending Machines to First Class Vending. This is year two (2) of a five (5)-year service contract.

Funding Information

There is no fiscal impact from this contract as all vending machines create revenue for the district

COMMENTS: Vending machines and their associated products meet the requirements of Smart Snacks in Schools, SB12, SB965 and District Wellness Policy 5030. All vending machines and their associated products will be reviewed and approved by District staff prior to their placement into the machines.

Vending machines are Energy Star rated, accept cash or cashless payment methods and include a DEX (Digital Exchange) electronic information retrieval system for real time reporting of sales.

Bids were sent to six (6) vendors. A mandatory job walk was held on June 1, 2015 with four (4) vendors in attendance. Two (2) vendors submitted proposals with a suggested list of available snacks and beverages, along with suggested selling prices and proposed commission rate. Evaluation of proposals was based on commission rate, suggested selling prices, snack and beverage selection, operation of company, equipment, reporting structure. Commissions are based on a formula of (Gross Sales) – (Sales tax) – (CRV). Commission example follows based on a selling cost of \$1.25 for pastry and \$1.00 for a 20 oz. bottled water:

Vendor	Snack Commission	Value	Beverage Commission	Value
First Class Vending	32%	\$0.36	30%	\$0.26
Vending Plus*	21%	\$0.24	21%	\$0.18

**Vending Plus proposed a second option based on higher selling prices and a 30% commission which was not considered.*

Mr. Mechur requested information on what items are being sold in the vending machines.

RE: AWARD OF WASTE MANAGEMENT CONTRACT TO WASTE MANAGEMENT OF CALIFORNIA, INC. – BID #16.07 – YEAR THREE OF FIVE- YEAR CONTRACT

RECOMMENDATION NO. A.14

It is recommended that the Board of Education Award Bid #16.07, District wide Trash, Green waste and Recycling Removal to Waste Management of California (WM) per bid specifications. This is year three of a five-year contract. Annual expenditure for monthly base collection (excluding C&D waste) is expected to be approximately \$285,000.

Funding Information

Budgeted: Yes

Fund: 01,12

Account Number: 01-00000-0-00000-82000-5570-XXX-2601
01-00000-0-00000-82000-5570-058-2580

12-61050-0-85000-82000-5570-071-2700

Description: General, Transportation Spec Ed, CDS

Source: Waste Disposal

COMMENTS: The contract contains unit pricing for solid waste, recycling materials, green waste in addition to construction and demolition waste (C&D). Year three of the contract will commence July 1, 2017, and end June 30, 2018. Each consecutive year contract will run July 1-June 30.

Recycling

A plan includes an educational component is being discussed with Waste Management to encompass a recycling program for all District facilities. This program will include green and food waste, cardboard, bottles, cans and paper. Various sites, student clubs and parent groups are willing to help with implementation. Currently each sites recycling efforts varies widely and is based on several factors.

District staff has been working with Waste Management to comply with AB 1826 regulations. AB 1826 requires that as of April 1, 2016, businesses that generate 8 cubic yards of organic waste per week shall arrange for recycling services. On January 1, 2017, it is reduced to 4 cubic feet. Organic waste is defined in law as food waste, green waste, landscape and pruning waste, nonhazardous wood waste, and food-soiled paper waste that is mixed in with food waste. These categories represent the largest subsets of organic waste that is currently disposed in California. Waste Management verified that the only sites affected by the regulations are the secondary sites that perform food prep for the cafeterias: Malibu HS, Santa Monica HS, Lincoln MS, and John Adams MS.

RE: AWARD OF MUSICAL INSTRUMENT REPAIR DISTRICT WIDE TO LOS ANGELES VIOLIN SHOP AND SANTA MONICA MUSIC CENTER – QUOTE #2016.01 – YEAR TWO OF A FIVE-YEAR CONTRACT

RECOMMENDATION NO. A.15

It is recommended that the Board of Education Award Musical Instrument Repair, Quote #2016.01 to Los Angeles Violin Shop for string instrument repair and to Santa Monica Music Center for all other instrument repairs. This is year two (2) of a five (5)-year contract.

Funding Information

Budgeted: Yes

Fund: 01

Source: General Fund

Account Number: 01-00001-01-17100-10000-5640-030-1300

COMMENT: Due to the various quality levels and types of instruments used throughout the District's music program, it is imperative that instruments be repaired in a timely manner and be of consistent quality to keep the instruments in playable condition at all times. During the 2014-15 school year, the Music Department piloted an instrument repair program at John Adams Middle School by utilizing a repair shop whose expertise was solely stringed instruments (LA Violin), along with a second shop to handle all other instruments (winds and reeds). The pilot was successful, and used as a model for the upcoming repair contract. Staff is recommending that the award be given to two vendors during this contract period to allow for more expert repairs, and a faster turnaround time, getting the instruments back into the student's hands as quickly as possible. (There is a loaner clause in the contract for instruments out longer than 1 week for repairs).

Quotes were sent to six (6) repair vendors, three (3) replied with a submittal. Due to the contract being based on need, it is an open ended contract, based on the program's needs. The department's annual budget for all musical instrument repairs (winds, strings, reeds and pianos) is \$44,000. Unit prices are available for review in the purchasing office upon request.

RE: AWARD OF CONTRACT TO HERITAGE WINDOW COVERINGS INC., FOR
INTERIOR WINDOW ROLLER SHADES DISTRICTWIDE – BID #16.09R –
YEAR THREE OF FIVE-YEAR CONTRACT

RECOMMENDATION NO. A.16

It is recommended that the Board of Education award the materials and installation of Interior Window Roller Shades to Heritage Window Coverings Inc., in an amount not to exceed \$296,085 per Bid #16.09R specifications. This will be year three (3) of a 5-year annual contract.

Funding Information:

Budgeted: Yes

Fund: 40

Source: Capital Outlay Projects

Account Number: 40-90100-0-00000-82000-5890-060-2600

COMMENT: This contract is an initial step to address and remediate heat issues in facilities across the district to help in the reduction of heat, glare and light issues that currently exist in classrooms and offices. This contract is year one (1) of a multi-year contract.

Mecho Shade System roller shades are considered high grade commercial window coverings and as such, have features unavailable on residential grade shades. Fabric cleaning, replacement and fading are major factor considerations, as are the metal ball bearing mechanisms in the rollers. All features have been reviewed for their warranty and durability, carrying a 25-year-to-lifetime warranty. The District's standard shade cloth shall be of a 3% visibility factor, with denser fabrics being used in more light sensitive areas. The use of roller shades over the 1" mini blinds currently existing throughout our classrooms have been reviewed and tested at several District sites for safety considerations. Studies have shown that roller shades reduce heat build-up and glare in the classrooms, and combined with the use of perforated material allowing outside views, increases attention span and comfort levels which directly affect test scores and the student's learning environment.

This award will authorize Heritage Window Coverings to begin field verification of window sizes at locations identified as the most in need for year one (1), (approximately 1400 windows) with years two through five (2-5) completing the remaining windows on a priority basis.

RE: AUTHORIZATION TO USE GENERAL SERVICES ADMINISTRATION (GSA)
CONTRACT – FIRE AND SECURITY SERVICES – SIMPLEX GRINNELL

RECOMMENDATION NO. A.19

It is recommended that the Board of Education authorize the District to use the General Services Administration (GSA) contract awarded to Simplex Grinnell, to purchase fire and security equipment and appropriate services specified under GSA Schedule No: GS-07-0396M valid from July 1, 2017 through June 30, 2022.

COMMENTS: The GSA contract allows both fire alarm, security, and emergency disaster equipment purchases and all services necessary to install the equipment from design to start-up, including maintenance and training. By using the contract, it will allow District projects to be completed in as expeditious manner as possible. By using the direct pricing structure in the contract, it eliminates going through a General Contractor who would mark-up the products and services, charging retail pricing instead of the Federal contract rates, thus saving the District considerable money.

All orders using the contract must comply with the GSA clauses, Davis-Bacon and Federal Acquisition Regulations (FAR).

The Los Angeles County Department of Education allows Districts to utilize GSA contracts with no restrictions other than standard Public Works contracting requirements.

It is recommended that the Board of Education authorize use of the Simplex Grinnell GSA contract.

RE: AUTHORIZATION TO USE SAVANNA SCHOOL DISTRICT PIGGYBACK BID – PURCHASE, LEASE, RELOCATION, DISMANTILING, AND REMOVAL OF DIVISION OF THE STATE ARCHITECT (DSA) APPROVED PORTABLE BUILDINGS – ELITE MODULAR LEASING & SALES, INC.

RECOMMENDATION NO. A.20

It is recommended that the Board of Education authorize the District to use the Savanna School District piggyback contract awarded to Elite Modular Leasing & Sales, Inc., to purchase, lease, relocate, dismantle and removal of DSA approved portable buildings and appropriate services specified under Project Bid #: SSPS, #40-09/2016-17 valid from January 17, 2017 through January 17, 2018.

COMMENTS: The piggyback bid allows for the purchase, leasing, relocation, dismantling, and removal of Division of the State Architect (DSA) approved portable buildings. By using the contract, it will allow District projects to be completed in as expeditious manner as possible. By using the direct pricing structure in the contract, it eliminates going through a General Contractor who would mark-up the products and services, charging retail pricing instead of the Federal contract rates, thus saving the District considerable money.

All orders using the contract must comply with the piggyback contract clauses, Davis-Bacon and Federal Acquisition Regulations (FAR).

The Los Angeles County Department of Education allows Districts to utilize piggyback bids with no restrictions other than standard Public Works contracting requirements.

It is recommended that the Board of Education authorize use of the Elite Modular Leasing & Sales Inc., piggyback contract.

Budget Category: Consultant/Engineering

DSA#: 03-112999

COMMENTS: The district solicited submittals of qualifications and quotations to provide acoustical testing services required for CHPS certification of the Edison Language Academy via email from three professional firms.

Two responses and quotations to provide the services were submitted.

On April 20, 2017, the Board of Education awarded a contract to Newsome Brown Acoustics, LLC; however, it was subsequently determined Newsome Brown Acoustics, LLC could not comply with all the requirements of the District's Independent Consultant Agreement for Professional Services.

Staff therefore verified with Veneklassen Associates, on May 23, 2017, that the quotation to provide services would still be honored and that Veneklassen Associates could comply with all the requirements of the District's Independent Consultant Agreement for Professional Services.

It is recommended that the Board of Education award a contract in an amount not to exceed \$3,000.00 to Veneklassen Associates.

RE: AMENDMENT TO AGREEMENT – ARCHITECTURAL SERVICES – JOHN ADAMS MIDDLE SCHOOL – PERFORMING ARTS COMPLEX PROJECT – NAC ARCHITECTURE – MEASURE ES

RECOMMENDATION NO. A.24

It is recommended that the Board of Education approve Contract Amendment #2 for Architectural and Engineering Services to NAC Architecture for the John Adams Middle School - Field Replacement Project which is reduced in an amount of (\$82,956.80) for a total contract amount of \$335,064.80.

Funding Information

Budgeted: Yes
Fund: 85
Source: Measure ES
Account Number: 85-90907-0-00000-85000-5802-011-2600
Budget Category: Soft Costs/Design Services/Architects

COMMENTS: The District intends to replace the existing artificial turf field at John Adams Middle School in 2018 as it is approaching the end of its useful life.

Contract Amendment #2 corrects and reduces fees included in Contract Amendment #1 that were to be charged to another John Adams project by NAC Architecture.

Original Contract	
\$236,441.00	
Contract Amendment #1 (Field Replacement)	98,623.80
<u>Contract Amendment #2 (Field Replacement)</u>	<u>(82,956.80)</u>
TOTAL CONTRACT AMOUNT	\$252,108.00

MOTION MADE BY: Dr. Tahvildaran-Jesswein
SECONDED BY: Ms. Leon-Vazquez

RE: AMENDMENT TO AGREEMENT – ARCHITECTURAL SERVICES – JOHN ADAMS MIDDLE SCHOOL – HVAC PROJECT – NAC ARCHITECTURE – MEASURE ES

RECOMMENDATION NO. A.25

It is recommended that the Board of Education approve Contract Amendment #3 with NAC Architecture for architectural and engineering services at John Adams Middle School – HVAC Project in an amount not to exceed \$482,362.00 for a total contract amount of \$734,470.00

Funding Information

Budgeted: Yes

Fund: 85

Source: Measure ES

Account Number: 85-90906-0-00000-85000-5802-011-2600

Budget Category: Soft Costs/Design Services/Architects

COMMENTS: Confirm recommendations in Arup Report and provide air conditioning, and where required, provide new heating and air conditioning systems for all buildings on site with the exception of portable buildings and the existing JAMS Auditorium, Orchestra, Band, and old Choir rooms which are scheduled to be demolished.

NAC Architecture was selected to perform this work because they are currently working on other design projects on this campus and are familiar with the school.

Original Contract (JAMS Performing Arts Complex)	\$236,441.00
Contract Amendment #1 (Field Replacement)	98,623.80
Contract Amendment #2 (Field Replacement)	(82,956.80)
Contract Amendment #3 (HVAC)	482,362.00
<u>TOTAL CONTRACT AMOUNT</u>	<u>\$734,470.00</u>

Mr. Mechur expressed concern that while the district is moving forward with installing HVAC units throughout the district, not enough attention is being given to evaluating solar energy for heating and cooling. Dr. Drati reminded the board that staff has plans to bring that information forward.

RE: AWARD OF CONTRACT – LINCOLN MIDDLE SCHOOL – FIELD
REPLACEMENT PROJECT – BID #17.13.ES.R1 – ANGELES CONTRACTOR,
INC. – MEASURE ES

RECOMMENDATION NO. A.26

It is recommended that the Board of Education award a contract for Bid #17.13.ES.R1 – Field Replacement Project to Angeles Contractor, Inc., for the Lincoln Middle School – Field Replacement Project in an amount not to exceed \$4,092,000.00.

Funding Information

Budgeted: Yes

Fund: 85

Source: Measure ES

Account Number: 85-90908-0-00000-85000-6200-012-2600

Budget Category: Construction Contract

COMMENTS: The District publicly bid the Field Replacement Project Bid #17.13.ES on May 4, 2017. Due to certain bid irregularities, the District rejected the bids received May 4, 2017 and elected to rebid the project under bid #17.13.ES.R1. Legal advertisement of the notice inviting bids was published in The Daily Breeze and The Santa Monica Daily Press and ran on May 23, 2017 and May 30, 2017. The notice inviting bids was sent to 74 General Contractors that are on the SMMUSD Approved (Pre-Qualified) list, and to the required trade journals. Prequalification was required for all General Contractors submitting a bid. Bids were received and publicly opened on June 13, 2017. Seven bids were received as noted below:

1. **Angeles Contractor, Inc., \$4,092,000.00**
2. Novus Construction \$4,288,000.00
3. Environmental Construction Inc, \$4,289,147.00
4. USS Cal Builders, Inc., \$4,526,000.00
5. Byrom-Davey, Inc. \$5,008,000.00
6. Woodcliff Corp. \$5,052,000.00
7. Fast-Track Construction \$5,280,722.00

Staff reviewed the bids for responsiveness. The Notice of Intent to award was issued to Angeles Contractor, Inc. on June 15, 2017.

It is recommended that the Board of Education award a contract in the amount of \$4,092,000.00.

RE: AWARD OF AGREEMENT – INSPECTOR OF RECORD SERVICES – LINCOLN
MIDDLE SCHOOL – TRACK AND FIELD REPLACEMENT PROJECT – SANDY
PRINGLE ASSOCIATES – MEASURE ES

RECOMMENDATION NO. A.27

It is recommended that the Board of Education award an agreement to Sandy Pringle Associates Inspection Consultants (SPAIC) for Inspector of Record services for the Lincoln Middle School – Track and Field Replacement Project in an amount not to exceed \$49,818.00.

Funding Information

Budgeted: Yes

Fund: 85

Source: Measure ES

Account Number: 85-90908-0-00000-85000-5802-012-2600

Budget Category: Soft Costs/Tests & Inspection/Materials Lab

DSA#: 03-117787

COMMENTS: Inspection services are required by code to ensure that school facilities are built to District requirements. This contract agreement is for SPAIC to provide DSA required inspections by a Certified DSA Project Inspector. Inspections shall be per CBC, Title 24 and approved plans and specifications.

SPAIC will be billing per hour for a Certified DSA Project Inspector, per the project construction schedule of 7/05/17 to 12/18/17, through completion and DSA certification of the project.

This agreement, in the amount of \$49,818.00 is required to fund a DSA Inspector of Record for the Santa Monica High School - Sealy Field Project.

It is recommended that the Board of Education award an agreement in the amount of \$49,818.00

RE: AWARD OF CONTRACT – JUAN CABRILLO PRE-SCHOOL PLAYGROUND
PROJECT – EASYTURF – MEASURE ES

RECOMMENDATION NO. A.35

It is recommended that the Board of Education award a contract with EasyTurf, Inc. to provide and install new synthetic grass underneath the existing play structure on the pre-school play yard, and a four-foot fence at Juan Cabrillo Elementary School in an amount not to exceed \$31,214.32.

Funding Information

Budgeted: Yes

Fund: 85

Source: Measure ES

Account Number: 85-90908-0-00000-85000-6200-012-2600

Budget Category: Building and Building Improvement

COMMENTS: The existing play yard at Juan Cabrillo has features unsuitable for licensing this space as a pre-school play yard. The District will separate this large yard area into two smaller areas in order to accommodate the new use for this space. The grass area will be used by the pre-school students with access to the existing play structure. This structure needs the correct fall height padding as well as new turf. A new four-foot-high fence will be installed to separate the two areas.

The District will contract for the procurement and installation of the artificial turf surface in accordance with EasyTurf, Inc's., proposal dated May 9, 2017, per the CMAS contract No: 4-13-78-0068A, GSA Schedule No: GS-03F-0117Y valid from February 14, 2013, through August 31, 2017. EasyTurf will remove and dispose of existing safety surfacing and concrete mow strip, install a new mow curb flush with existing grade, aggregate base, install composite nailer board along all turf perimeter surfaces, install Easyturf Olive Premium synthetic turf, supply and install sand infill. Easyturf will also provide and install a new four foot high fence to separate the two areas. This work is planned to occur during the summer of 2017.

New synthetic turf surface under existing play structure and new four foot fence:

• New Turf	\$22,661.12
• <u>Four foot fence</u>	<u>\$ 8,553.20</u>
• Total Contract Value	\$31,214.32

It is recommended that the Board of Education award a contract in the amount of \$31,214.32.

MOTION MADE BY: Dr. Tahvildaran-Jesswein

SECONDED BY: Ms. Leon-Vazquez

STUDENT ADVISORY VOTE: N/A

AYES: 6 (Lieberman, Tahvildaran-Jesswein, Leon-Vazquez, Mechur, de la Torre, Kean)

NOES: 0

ABSENT: 1 (Foster)

TO: BOARD OF EDUCATION

ACTION/CONSENT

06/29/17

FROM: BEN DRATI / MARK O. KELLY

RE: CERTIFICATED PERSONNEL – Elections, Separations

RECOMMENDATION NO. A.36

Unless otherwise noted, all items are included in the 2016/2017 approved budget.

RE: STUDENT TEACHING AGREEMENT – CALIFORNIA STATE UNIVERSITY –
NORTHRIDGE

RECOMMENDATION NO. A.40

It is recommended that the Board of Education enter into a Student Teaching/Counseling Agreement between California State University - Northridge and the Santa Monica-Malibu Unified School District.

INSTITUTION: California State University - Northridge
EFFECTIVE: July 1, 2017 through June 30, 2024
PAYMENT: no financial component

COMMENT: The District participates with university teacher/counselor training institutions in providing classroom teaching/counseling site experience under the supervision of a master teacher.

MOTION MADE BY: Dr. Tahvildaran-Jesswein

RE: EXPULSION OF STUDENT (B/D 09/09/2002)

RECOMMENDATION NO. A.42

It is recommended that the Board of Education expel student (B/D 09/09/2002). It is recommended that student attend an educational program operated by the Los Angeles County Office of Education for a period of one semester. The term of expulsion would be June 29, 2017 to December 22, 2017.

COMMENTS: The Superintendent of the Santa Monica-Malibu Unified School District recommends expulsion based on the student's violation of the following Education Code sections:

EC48900 (c) Unlawfully possessed, used, sold, or otherwise furnished or been under the influence of a controlled substance

EC 48900 (d) Unlawfully offered, arranged, or negotiated to sell a controlled substance

EC48915(c) (3) Unlawfully selling a controlled substance

Dr. Kelly read aloud the changes to the recommendation:

The Board altered the recommendation to expel student (B/D 09/09/2002), but suspend enforcement and allowed the student to attend Malibu High School. The term of the expulsion is two semesters through June 8, 2018.

The student is expected to make satisfactory progress in fulfilling the requirements of the Rehabilitation Plan. The expulsion order is to be put into effect if the student fails to make satisfactory progress during the period of expulsion. If the expulsion is put into effect, the student shall be placed in an educational program operated by the Los Angeles County Office of Education.

Dr. Tahvildaran-Jesswein MOVED to accept the revised recommendation.

STUDY SESSION

TO: BOARD OF EDUCATION

STUDY SESSION

06/29/17

FROM: BEN DRATI / TERRY DELORIA / PAM KAZEE

RE: SPECIAL EDUCATION PROGRAM OFFERINGS

STUDY SESSION ITEM NO. S.01

Pam Kazee, Special Education Director, will present an overview of special education programs available to students with IEPs in the Santa Monica-Malibu School District. A new program that opened in the 2017-2018 school year added to meet IEP learner needs will be described. A brief update regarding the Special Education Department's steps toward District mission and LCAP goals will be included. Finally, direction of low incidence programs, or special day programs, will be described. This is the second of two required annual reports from the Special Education Department.

This item was pulled by staff.

TO: SMMUSD Board of Education
FROM: Pam Kazee, Special Education Director
RE: Special Study Session Narrative for 6/29/17
DATE: 6/20/17

Please note that this brief study session is one of two sessions per year required by our city. I am also pleased to answer any questions in advance of the presentation.

Slide 2: Why Statement

As we briefly provide an overview of our programs, team direction and team efforts this evening, we wish for the Board and Community to understand that our team realizes the importance of aligning with the District's mission and goals. Knowing that our district's mission is focused on the achievement of all learners and closing of the achievement gap for our disaggregate groups, as for IEP learners or English learners, our special education team must be prepared to support schools with their goals.

In other words, since school goals must align with district goals, our departmental goals must also align. Through alignment of each of the system's groups to the defined district's L-CAP goals, our district will be able to achieve coherence and clarity, as Dr. Noguera recommended. The Educational Services team and the Special Education Management team are committed to supporting schools, while permitting their autonomy to develop their own strategic plans developed by School Leadership Teams (SLTs). This concept, as school leaders have been trained on, is known as "leading from the middle."

Slide 3: What We Need from the Board and Questions

This presentation is informational. While describing programs, I will also insert some information on our direction and efforts. Since the presentation is brief (15 minutes) questions are requested at the end of the presentation.

Slide 4: Continuum of Placements

The intent of the *Individuals with Disabilities Education* (IDEA) Act is for students to be educated in their Least Restrictive Environment (LRE), which means a range of placements need to be provided. Student access to standards-based curriculum in the general education environment and other structured academic instruction (SAI) settings, will assist our District in meeting each of the 3 L-CAP goals. Instruction, the setting and supports within the setting impact achievement. In SMMUSD, a continuum of services and programming are available to assist students with individual needs to meet IEP goals. Students may access a combination of settings to help them move towards the least restrictive environment that is appropriate for the individual learner. The settings include: (1) General Education with supports to access curriculum; (2) SAI, previously known as resource; (3) special day (next slide); (4) non-public schools; (5) placements beyond the district such as residential treatment centers.

Slide 5: Special Day Programs

Now, for a quick overview of special day programs ... These programs each provide intensive instruction for areas of need as determined by the student's IEP team. Intensive support combined with access to lesser restrictive environments, including general education, impacts student progress and achievement. There are changes to location for pre-schools to be discussed in the next slide.

(1) SAI and general education classes are available for students who may access special day classes as part of their least restrictive environment per IDEA. The District provides supports, as determined by their IEP team, to assist with access to general education. The classes are offered in every school across the district.

(2) Social Skills and STEP programs are for students whose behaviors are more introverted. They show behaviors such as anxiety or may have difficulty with peer relationships. Social skills programs are located at SMASH, Franklin and Malibu HS/MS. Students on the spectrum may access Social Skills programs. STEP programs support students with anxieties who require more therapeutic support. The Social Skills programs are at Grant, Franklin, Lincoln, SAMO High). The STEP programs are available at SMASH and Malibu.

(3) SAI Intensive classes provide students with more intensive academic support who may require more focus and instruction in Reading or Mathematics.

(4) Positive Behavioral Supports (PBS) provides structured individualized programming for students who are challenged with more extroverted types of behaviors. Individual positive behavioral support plans are used to guide behavioral instruction. Modeling and individualized programs that reinforce targeted or desired behaviors.

Slide 6: Special Day Programs (cont.)

(1) Life Skills programs provide functional instruction to low-incidence students who need this type of life oriented meaningful curriculum. Our teachers instruct across very domains of need for the students – academic, social communication, social skills, behavioral, vocational, recreation, functional skills (e.g. grocery shopping).

(2) Alternative kindergarten is a kindergarten program for students with disabilities. This program provides intensive instruction for academics, social skills, language and behavior to prepare students for their transition to grade 1.

(3) A new program has been added to Cabrillo. To meet our city's requirements, I will explain this program in the next slide.

(4) Workability Programs are for students who graduate to age 22. Per IDEA, our obligation is to serve students who, as determined by IEP teams, require further instruction to age 22 to transition to the world of work. In this program, students participate in community-based instruction (CBI) to learn life skills like shopping and the exchange of money and pre-vocational skills (e.g. interviews and applying for jobs). Areas of job interest, including student aptitudes, are explored.

(5) Our Office Campus Learning Center (OCLC) at Olympic High School serves high school students who need individualized academic and social/emotional support. Individualized attention and instruction also helps some students with credit recovery efforts.

Slide 7: New Special Day Program Added

A new program has been added to the Malibu region for elementary students who have social/emotional and behavioral needs. More instructional time is gained for these students by attending a school closer to their neighborhood and within their community. Additionally, specific methodologies, such as social skills instruction and positive behavioral supports and applied behavioral analysis (ABA) for some, increase students' learning to learn behaviors, engagement in learning and ability to work with and interact well with others. This is a regionalized program in which elementary students may enter the program part-time or full-time as determined by their IEP team. The goal of the program is to help students access the general education curriculum to the greatest extent through push-in supports while providing intensive separate instruction as needed. The teacher, who has taught for years in non-public schools specifically for students with these types of needs, comes to us with experience, including ABA methodology. We welcome Ms. Gina Arnello. With the addition of this program, students in the region will no longer need lengthy transports to access programs in Santa Monica.

Slide 8: Pre-Schools and Birth to 3

We are looking forward to our continued collaboration with our Early Learning team under the leadership of Dr. Susan Samarge-Powell. As the Board understands, we have been involved in the development of a blended pre-school model, called Seaside, in which typical peers and students with disabilities are collaboratively taught in a Reggio inspired model by general education teachers, special education teachers and related services staff (e.g. SLP) who push-into the classroom. All children in the classroom can benefit from the push-in services. These programs are at Grant Elementary and next year, at Cabrillo. Cabrillo is a new program that is added to provide mandated services for pre-schoolers with disabilities in the Malibu area. Our students will be provided the opportunity to be co-taught (general education and special education teacher) with typical peers. Typical peers will have the opportunity to learn more about diversity. A blended program benefits both students with and without disabilities. The District also has specialized or special day pre-schools at Muir, Pine Street and Rogers. Collaborative programs are available at Lincoln Child Development Center and McKinley.

Finally, a SELPA program that offers services for children who are Birth to 3, also as mandated, will be housed at Pine Street. Currently, Child Find efforts are being made to find children for this program. Since Westside Regional Center already services many types of disabilities, the SELPA program serves other types of disabilities -- deaf and hard-of-hearing and orthopedically impaired.

Our ability to collaborate with Dr. Deloria, Dr. Susan Samarge-Powell and Educational Services in order to further develop pre-school curriculum is critical to the success of our students' school careers, especially for those with disabilities. Equally important is the provision of specialized services that maximize pre-schoolers learning potential. We are also planning further support for staff, including paraeducators, in the areas of social skills, positive behavioral supports and ABA. Again, the efforts at this very young developmental age impacts their achievement throughout their school career and assists us with meeting L-CAP goals.

Slide 9: Direction fo Special Day Programs

In our first session, we discussed the gap in achievement between students with disabilities and their peers. Further data gathering was explained to be underway. Learning walks through special education classrooms, including collaboratively taught classrooms, are completed. Data gathered for our team's analysis will be shared with School Leadership Teams (SLTs) for their consideration. We wish to stand ready to support our schools in our students' access to CA Learning Standards, while bolstering research-based interventions. We will also have teacher and parent survey data to share with SLTs.

For our specialized "special day" classes (i.e. pre-schools, Life Skills, Social Skills, PBS), we will begin to develop the teacher's ability to lead his/her team of para-educators in the review of student progress data across instructional domains.

Currently, coaching is in progress for the SAMO HS collaborative classrooms. We have made strong progress, but realize further continuous improvement is still needed. Our department will make coaching and professional development available to sites in the area of collaborative teaching when requested by SLTs.

Coaching is also being planned for specialized or special day classes in the area of positive behavioral supports and ABA. We have also initiated regular training for Life Skills teachers and have completed a needs assessment for pre-schools in the area of social/emotional and behavioral learning. Ongoing training and coaching is also planned for Para-educators who support these programs.

A strategic plan day is set for our Special Education Management Team to a menu of supports that SLTs can choose from while also understanding school profiles based on data. We will also map our action steps related to other areas – compliance and procedures. Finally, we are pleased to say compliance has improved to a 96 to 97% accuracy rate as submitted in monthly reports to the California Department of Education.

Slide 10: Alignment with L-CAP: A Bit More

It has been my pleasure to attend the L-CAP Committee meetings, since as Director, I need to understand and contribute to the District's L-CAP goals on behalf of our students and their families. The L-CAP goal to close the achievement gap for students who are English Learners, includes students with disabilities. Our Special Education Management team is working with Education Services to define EL procedures and assessment, including reclassification, for students with disabilities. We also need to define the considerations that need to be given in the IEP process for students who are EL. From our walk-throughs, we already know that specific methods that benefit ELs and all students could be helpful in our classrooms (e.g. instruction in vocabulary and building of background knowledge).

Slide 11: Questions and Answers

Questions are reserved for this time.

Special Education Study Session

For SMMUSD Board of Education
June 29, 2017

Why Statement

- Increase awareness of:
 - Departmental alignment with District goals (L-CAP)
 - Departmental efforts in process to close the achievement gap
 - Per community requirement, review of specialized programs and new programs
- Leading “from the middle”

What We Need from Board and Questions

1. This presentation is informational. An overview of direction and efforts will be provided. We wish for the Board to understand our efforts and provide input as needed.
2. Please ask clarifying questions as necessary at the end of the presentation, given our limited time.

Continuum of Placements

- General education with supports to access standards-based curriculum
- SAI in a separate setting
- Special Day classes
- Out-of-district placements

Special Day Programs

- SAI and general education participation (All schools)
- Social Skills (Grant, Franklin, Lincoln, SAMO)
- STEP - SMASH, Malibu
- SAI Intensive - Muir, Lincoln, SAMO, Webster
- PBS (Roosevelt, JAMS, SAMO)

Special Day Programs (cont.)

- Life Skills (McKinley, Lincoln, Cabrillo, Malibu HS/MS, SAMO)
- Alternative K (Moved to Rogers)
- Special Education Pre-Schools (Own slide)
- New program (Own slide)
- Workability Programs (SAMO, Olympic, Malibu HS/MS)
- OCLC

New Special Day Program Added

- New SAI Intensive Class (Cabrillo)
- Social/ emotional/ behavioral supports
- Regionalized service for students in the area

Pre-Schools/ Birth to 3

- SELPA Birth to 3
- Lincoln Child Development Center (LCDC) – Collaborative & SAI
- Cabrillo (Seaside)
- Grant (Seaside)
- McKinley (Collaborative)
- Muir (SAI)
- Pine Street (SAI)
- Rogers (SAI)

Direction for Special Day Programs

- Data analysis
- Team planning
- Coaching and supports to classroom staff

Alignment w/ L-CAP: A Bit More

- Special Education representation in LCAP Committee
- Students w/ IEPs who are EL
- Classroom Walk-Through Data
- Surveys
- Procedures

Summary

Questions and Answers

DISCUSSION ITEMS

TO: BOARD OF EDUCATION

DISCUSSION

06/29/17

FROM: BEN DRATI / JANECE L. MAEZ

RE: CONSIDER REVISING BP AND AR 3311 – BIDS AND ADOPTING: BP AND AR 3311.1 – UNIFORM PUBLIC CONSTRUCTION COST ACCOUNTING PROCEDURES; AR 3311.2 – LEASE-LEASEBACK CONTRACTS; AR 3311.2 – DESIGN BUILD CONTRACTS; AND AR 3311.4 – PROCUREMENT OF TECHNOLOGICAL EQUIPMENT

DISCUSSION ITEM NO. D.01

It is recommended that the Board of Education consider:

- Revise existing BP & AR 3311 – Bids
- Adopt a new BP & AR 3311.1 – Uniform Public Construction Cost Accounting Procedures
- Adopt a new AR 3311.2 – Lease-Leaseback Contracts
- Adopt a new AR 3311.3 – Design-Build Contracts
- Adopt a new AR 3311.4 – Procurement of Technological Equipment

COMMENTS: In the fall of 2016, staff had placed on the agenda existing Board Policy and Administrative Regulations 3311 regarding bid practices in the district. The Board had several questions regarding the policy and regulations and at the December 2016 Board of Education meeting it was determined that would research those questions and return the policy revisions at a later date. The policy had been updated in 2013 to reflect new law (AB 1565, 2012), which requires (1) prequalification of all general contractors and electrical, mechanical, and plumbing subcontractors for public projects of \$1 million or more awarded on or after January 1, 2014, if School Facilities Program funds or other future state school bonds are used, and (2) a uniform system of rating bidders based on completed questionnaires and model guidelines developed by the Department of Industrial Relations. The policy also reflected a court decision highlighting the importance of disclosing all material information in bid specifications.

Subsequent to the discussion held last year CSBA revised the policy and regulations and separated much of the content of the original policy into individual policy or regulation. This did not substantially change the topics included. The CSBA revision updated the language of the policy to reflect current law. Additionally and in an effort to be responsive to Board questions staff has worked with legal counsel to incorporate language that meets legal requirements while it emphasizes a district goal to be inclusive of local, minority, small businesses and disabled veterans

BP/AR 3311 – Bids

Pursuant to Public Contract Code 20111 and 22002, public contracts for the lease or purchase of equipment, materials, supplies, or services or for "public projects," as defined, are required to be competitively bid when they involve expenditure of specified amounts. An alternative procedure for public works projects is provided pursuant to the Uniform Public Construction Cost Accounting Act (UPCCAA) (Public Contract Code 22030-22045). Pursuant to Public Contract Code 20111.6, a district with average daily attendance of 2,500 or greater is required to prequalify all general contractors and electrical, mechanical, and plumbing subcontractors for public projects of \$1 million or more awarded on or after January 1, 2014, if School Facilities Program funds (Education Code 17070.10-17079.30) or other future state school bonds are

used. In addition, the Governing Board is required to adopt a uniform system of rating bidders based on completed questionnaires and financial statements which must address, at a minimum, the issues covered by the standardized questionnaire and model guidelines developed by the Department of Industrial Relations for such purpose.

The mandated regulation was reorganized and updated in 2013 to reflect new law (AB 1565, 2012), requiring prequalification of specified contractors, as noted above. Regulation also (1) reflects law allowing districts to facilitate the participation of women, minorities, disabled veterans and small businesses in contracts; and (2) reflects law allowing purchase of surplus property from the federal government without taking estimates or advertising for bids.

The regulation also revises section on “Award of Contract” to expand the exceptions to awarding contracts based on lowest responsible bidder to include lease-leaseback contracts.

BP/AR 3311.1 – Uniform Public Construction Cost Accounting Procedures

This new policy and regulation include material formerly in BP/AR 3311 – Bids pertaining to requirement of the Uniform Public Construction Cost Accounting Act (UPCCAA). The policy also adds prohibition against splitting a project or purchase into smaller work orders in order to evade requirements for competitive bidding, and legal authority to suspend the UPCCAA bidding process for the replacement or repair of a school facility in cases of emergency. Regulation also clarifies the requirement to disseminate the bid notice to the district’s list of contractors.

AR 3311.2 – Lease-Leaseback Contracts

New regulation includes material formerly in BP/AR 3311 – Bids pertaining to requirements for awarding lease-leaseback contracts. Material significantly revised to reflect new law (AB 2316, 2016) which no longer permits the selection of lease-leaseback contractor without advertising, and instead requires district to use a comprehensive “best value” selection process.

AR 3311.3 – Design-Build Contracts

New regulation includes material formerly in BP/AR 3311 – Bids pertaining to requirements for awarding design-build contracts. Only minor editorial changes were made to clarify the process and more directly reflect law. The district does not have current plans to utilize this type of procurement, but staff would support adopting this regulation should a decision to use it in the future be preferred.

AR 3311.4 – Procurement of Technological Equipment

New regulation includes material formerly in BP/AR 3311 – Bids pertaining to requirements for the “competitive negotiation” process authorized for procurement of computers, software, telecommunication equipment, microwave equipment, or other related electronic equipment and apparatus.

Staff will be introducing the item this evening and will be joined by legal counsel who will present options available to the district to facilitate the participation of women, minorities, disabled veterans and small businesses. Staff will also introduce the district’s newly hired outreach specialist so that she can describe our plan to ensure participation from these groups represented in our community.

The policies may be viewed in the hyperlink below:

	CURRENT	REVISED
Bids	BP 3311 AR 3311	BP 3311 AR 3311
Uniform Public Construction Cost Accounting Procedures		BP 3311.1 AR 3311.1
Lease-Leaseback Contracts		AR 3311.2
Design-Build Contracts		AR 3311.3
Procurement of Technological Equipment		AR 3311.4

Staff anticipates the presentation will require 20 minutes, with 40 minutes for board discussion.

Public Comments:

- *Ann Thanawalla addressed the board regarding this item.*

Staff answered board members' questions regarding how these policies and regulations do not conflict with the recent PLA agreement; the dollar amount threshold for projects to go to bid; how these policies and regulations apply to piggyback bids; the hiring of local contractors; how the district has standardized contracts with contractors; and how the district has made progress toward and continues to improve regarding standardizing specifications for projects. Ms. Leon-Vazquez suggested staff examine how the City of Santa Monica handles the local preference issue. Mr. de la Torre suggested staff ask legal counsel about including language that the bid contractor will make a "good faith effort" to partner with women- and minority-owned businesses. Ms. Maez suggested the board adopt the policies as they are written, and then go back and update the language as necessary. In response to board members' questions about collecting and reporting contractor data, Ms. Maez suggested that the data, which is voluntarily provided by the companies, could be included in the report regarding PLA data.

The board gave direction for these items to return as consent/information on July 19, 2017. The board also gave direction for staff to: move forward in examining the City of Santa Monica's handling of the "local preference" piece; hold technical assistance workshops for bidders; consult with legal counsel regarding language addressing Mr. de la Torre's request about a "good faith partnership;" and include contractor data information in the regular reporting of PLA data to the board.

SMMUSD Procurement Policies

Janece Maez

Associate Superintendent, Business Services

June 29, 2017– Item D.01

Participants

- Jan Maez, Associate Superintendent/CFO
- Carey Upton, COO
- Sharon Suarez, Attorney
Partner- Orbach, Huff, Suarez and Henderson, LLP
- Jamarah Hayner, Business Outreach
Consultant
President- JKH Consulting
- Steve Massetti, Bond Program Manager
Consultant
Massetti Consulting, LLC

Tonight's Objectives

- Legal counsel to describe District's ability to set goals and targets related to women, minority, disabled veteran and local/small business owners.
- Introduce Business Outreach Consultant and our plan to encourage and assist local contractor participation.
- Review new and/or revised language regarding procurement practices in SMMUSD.

Local, Small, Women and Minority Owned Businesses Outreach at SMMUSD

- How can the District achieve its goal of participation by local, small, and women- and minority-owned businesses in the District's bond projects and other contracts?

- District Board Policy 3311:

"...In recognition that the [District's] school construction program will require a large pool of qualified contractors and in order to strengthen the local economy, the Board of Education deems it imperative that local, small, and women- and minority-owned businesses compete for these economic opportunities."

Legal Primer: Overview

- Need to understand how the law applies to:
 - Preferences
 - Goals
 - Outreach
- Need to understand the different legal standards that apply when considering different classes:
 - Local/small businesses
 - Minority owned businesses
 - Women owned businesses
 - Disabled veteran owned businesses

Legal Primer: Preferences, Goals and Outreach

- A “preference” generally refers to a public agency’s giving an identified class of persons/entities a stated advantage, e.g., often expressed as a percentage.
 - Example: 5% local business preference (City of Riverside, City and County of San Francisco)
 - *Status: Upheld under certain limited circumstances.*
 - Example: 5% preference for minority or women owned businesses.
 - *Status: Unconstitutional.*

Legal Primer: Preferences, Goals and Outreach

- “Goals” generally require good faith efforts by the vendor to achieve stated participation goals of the public agency, but the vendor is not disqualified or disadvantaged for failing to meet the stated goals.
 - Example: 3% participation goal for disabled veteran business enterprises (Ed. Code section 17076.11)
 - *Status: No known legal challenges.*

Legal Primer: Preferences, Goals and Outreach

- “Outreach” generally refers to a public agency’s activities targeted at increasing participation by an identified class of persons/entities.
 - Example: Sending invitations to bid to trade organizations serving the identified class, training programs, outreach events, etc.
 - *Status: Legal when done in conjunction with general outreach.*

Legal Primer: Who is the Targeted Class?

- The California Constitution prohibits state and local agencies from engaging in discrimination or preferential treatment in public contracting based upon certain classes:
 - “The State shall not discriminate against, or grant preferential treatment to, any individual or group on the basis of race, sex, color, ethnicity, or national origin in the operation of public employment, public education, or public contracting.” Cal. Const. Article I, Section 31(a). (Added by Prop. 209 on Nov. 5, 1996).

Legal Primer: Who is the Targeted Class?

- Minority and Women Owned Businesses:
 - Preferences and/or participation goals for minorities and women are not permitted.
 - *Monterey Mechanical Co. v. Wilson* (1997) 125 F.2d 702.
 - *Hi-Voltage Wire Works, Inc. v. City of San Jose* (2000) 24 Cal.4th 537.
 - “A participation goal differs from a quota or set-aside only in degree; by whatever label, it remains ‘a line drawn on the basis of race and ethnic status’ as well as sex. (Citations omitted). Thus understood, such a goal plainly runs counter to the express intent of the historic Civil Rights Act and, concomitantly, the intent of Proposition 209.” *Hi-Volt* at p. 563.
 - Outreach is permitted when done in conjunction with general outreach.

Legal Primer: Who is the Targeted Class?

■ Local/Small Businesses:

- Preferences and/or participation goals for local businesses are permitted under very limited circumstances:
 - *No local preference allowed where state funding is being used for the project/contract – local agency must be acting as a “market participant.”*
 - *Must demonstrate that local businesses are at a competitive disadvantage vis-à-vis non-resident businesses.*
 - *Preference policy must be “narrowly tailored” to address the local disadvantage.*
 - *Local preferences may subject the local agency to constitutional challenges based on the Commerce Clause, Privileges and Immunities Clause, and Equal Protection Clause.*

Legal Primer: Who is the Targeted Class?

■ Local/Small Businesses:

- Focused outreach in addition to general outreach is permitted.
- Government Code section 7401 (eff. Jan. 1, 2017):
 - *Applies to procuring goods, services, information technology, construction, architecture, engineering and other consulting services.*
 - *The District is “authorized to engage in focused outreach activities in addition to general outreach, for purposes of increasing participation by California’s small business sector and increasing diversity in the state’s contracting and procurement activities.” Govt. Code section 7401(b).*

Legal Primer: Who is the Targeted Class?

▪ Local/Small Businesses (cont'd):

- Outreach activities may include:
 - *Sending invitations to bid to state and local small business trade associations and chambers of commerce, including professional minority, women, and disabled veteran owned businesses and professional groups. Govt. Code section 7401(c)(1).*
 - *Publishing contracting and procurement opportunities in trade papers and other publications focusing on small business enterprises, including publications in languages other than English and whose primary readership is minority, women, or disabled veteran owned businesses. Govt. Code section 7401(c)(2).*

Legal Primer: Who is the Targeted Class?

▪ Local/Small Businesses (cont'd):

- The District may also:
 - *Employ a District small business advocate to communicate with state and local small businesses, trade associations and chambers of commerce, including ethnic chambers of commerce, other business and professional associations, including professional minority, women, and disabled veteran owned businesses and professional groups. Govt. Code section 7401(c)(3).*

Local, Small, Women and Minority Owned Businesses Outreach at SMMUSD

To Summarize:

■ Preferences/Goals:

- NO preferences or participation goals allowed for minority or women owned businesses.
- Local preferences are allowed only under very limited circumstances.
 - *Among other things, the District must demonstrate that local businesses are at a competitive disadvantage vis-à-vis non-resident businesses and must narrowly tailor its policy to avoid constitutional challenges.*
- District contracts are already subject to a 3% participation goal for disabled veteran business enterprises.

■ Outreach:

- The District may use general and focused outreach to increase participation of local, small, women and minority owned businesses.

Prequalified Contractors

- 119 Pre-Qualified General Contractors
- 51 “A” General Engineering Contractors
- 74 “B” General Building Contractors
- 259 “C” Specialty Contractors
- 7 “ASB” Asbestos Certified Contractors
- 12 “HAZ” Hazardous Substances Removal Contractors
- 76 General Contractors on the Informal Bid List

Business Outreach

▪ Expanded outreach network:

- All Santa Monica and Malibu contractors and construction-related companies
- Local Organizations
 - *Santa Monica & Malibu Chambers of Commerce*
- Trade and affinity organizations:
 - *National Association of Minority Contractors*
 - *National Association of Women in Construction*
 - *Los Angeles Latino Chamber of Commerce*
 - *Hispanic Chamber of Commerce*
 - *Greater Los Angeles African American Chamber of Commerce*
 - *Construction Management Association of America*

Outreach Activities

- Prospective bidder outreach events
- Personal phone calls to local businesses
- Proactive Pre-Qualification Outreach
- Outreach to statewide DBE list
- Outreach to local organizations
 - Santa Monica & Malibu Chambers of Commerce
 - Organization of Women Leaders
 - Pico Youth and Family Center

Business Assistance

- Training available on program participation requirements
 - Bonding, experience, estimating, submittals, etc.
- Connection with other SMMUSD opportunities
- Bilingual outreach
- Constructive feedback for unsuccessful bidders

BP/AR Changes

- BP/AR 3311 – Bids
- BP/AR 3311.1 – Uniform Public Construction Cost Accounting Procedures
- AR 3311.2 – Lease-Leaseback Contracts
- AR 3311.3 – Design-Build Contracts
- AR 3311.4 – Procurement of Technological Equipment

Questions?

BIDS**CURRENT POLICY**

In order to ensure transparency and the prudent expenditure of public funds, the Board of Education shall award contracts in an objective manner and in accordance with law. District equipment, supplies, and services shall be purchased using competitive bidding when required by law or if the Board determines that it is in the best interest of the district to do so.

When the Board has determined that it is in the best interest of the district, the district may piggyback onto the contract of another public agency or corporation to lease or purchase equipment or supplies to the extent authorized by law. (Public Contract Code 20118)

Bid specifications shall be carefully designed and shall describe in detail the quality, delivery, and service required.

To assist the district in determining whether bidders are responsible, the Board may require prequalification procedures as allowed by law and specified in administrative regulation.

To assist the district in determining whether bidders are responsible, the Board may require prequalification procedures as allowed by law and specified in administrative regulation.

As a means of tracking how effective district efforts are at reaching out to historically underrepresented groups and encouraging them to submit bids, the Superintendent or designee shall monitor the fairness and diversity of bids and contracts awarded to women- and minority-owned and local business by collecting related data on vendors/contractors during the bidding process.

The Santa Monica-Malibu Unified School District has embarked on a multi-million dollar school construction facility improvement program to improve health, safety and classroom instruction by the year 2013. In recognition that the school construction program will require a large pool of qualified contractors and in order to strengthen the local economy, the Board deems it imperative that local, small, and women- and minority-owned businesses compete for these economic opportunities. Consequently, the Board has established a 15 percent Business Outreach participation goal on district contracts. The mission of the Business Outreach Program is to increase the pool of qualified firms competing for SMMUSD bond-funded contracts and to provide information, access and technical assistance to businesses competing for the bond-funded construction and related contracts, and promote the long-term competitive capacity of certain Business Outreach firms.

Policy SANTA MONICA-MALIBU UNIFIED SCHOOL DISTRICT
adopted: November 5, 2009 Santa Monica, California

BIDS

REVISED/PROPOSED POLICY

The Governing Board is committed to promoting public accountability and ensuring prudent use of public funds. When leasing, purchasing, or contracting for equipment, materials, supplies, or services for the district, including when contracting for public projects involving district facilities, the Board shall explore lawful opportunities to obtain the greatest possible value for its expenditure of public funds. When required by law, or if the Board determines that it is in the best interest of the district, such contracts shall be made using competitive bidding.

No work, project, service, or purchase shall be split or separated into smaller work orders or projects for the purpose of evading legal requirements regarding contracting after competitive bidding. (Public Contract Code 20116, 22033)

The Superintendent or designee shall establish comprehensive bidding procedures for the district in accordance with law. The procedures shall include a process for advertising bids, instructions and timelines for submitting and opening bids, and other relevant requirements.

For award of contracts which ~~by law or Board policy~~, require prequalification, the procedures shall identify a uniform system for rating bidders and shall address the issues covered by the standardized questionnaire and model guidelines developed by the Department of Industrial Relations pursuant to Public Contract Code 20101.

When calling for bids, the Superintendent or designee shall ensure that the bid specification ~~clearly~~ describes in appropriate detail the quality, delivery, and service required, ~~and includes all information which the district knows, or has in its possession,~~ that is relevant to the work to be performed or that may impact the cost of performing the work.

Except as authorized by law and specified in the administrative regulation, contracts shall be let to the lowest responsible bidder who shall give such security as the Board requires, or else all bids shall be rejected. (Public Contract Code 20111)

When the Board has determined that it is in the best interest of the district, the district may piggyback onto the contract of another public agency or corporation to lease or purchase equipment or supplies to the extent authorized by law. (Public Contract Code 20118)

As a means of tracking how effective district efforts are at reaching out to historically underrepresented groups and encouraging them to submit bids, the Superintendent or designee shall monitor the fairness and diversity of bids and contracts awarded to women-and minority-owned and local business by collecting related data on vendors/contractors during the bidding process.

The Santa Monica-Malibu Unified School District has embarked on a multi-million dollar school construction facility improvement program to improve health, safety and classroom instruction. In recognition that the school construction program will require a large pool of qualified contractors and in order to strengthen the local economy, the Board deems it imperative that local, small, and women- and minority-owned businesses compete for these economic opportunities.

BIDS**CURRENT REGULATION****Advertised/Competitive Bids**

The district shall seek competitive bids through advertisement for contracts involving an expenditure of \$15,000 or more for a public project. Public project means construction, reconstruction, erection, alteration, renovation, improvement, painting, repainting, demolition, and repair work involving a district owned, leased, or operated facility. (Public Contract Code 20111, 22002)

The district shall also seek competitive bids through advertisement for contracts exceeding the amount specified in law, and as annually adjusted by the Superintendent of Public Instruction, for any of the following: (Public Contract Code 20111; Government Code 53060)

1. The purchase of equipment, materials, or supplies to be furnished, sold, or leased to the district
2. Services, not including construction services or special services and advice in accounting, financial, legal, or administrative matters
3. Repairs, including maintenance that is not a public project

Maintenance means routine, recurring, and usual work for preserving, protecting, and keeping a district facility operating in a safe, efficient, and continually usable condition for the intended purpose for which it was designed, improved, constructed, altered, or repaired. Maintenance includes, but is not limited to, carpentry, electrical, plumbing, glazing, and other craft work designed to preserve the facility, as well as repairs, cleaning, and other operations on machinery and other permanently attached equipment. This definition does not include, among other types of work, janitorial or custodial services and protection provided by security forces, nor does it include painting, repainting, or decorating other than touchup. (Public Contract Code 20115)

Unless otherwise authorized by law, contracts shall be let to the lowest responsible bidder who shall give such security as the Board of Education requires, or else all bids shall be rejected. (Public Contract Code 20111)

The Board shall secure bids pursuant to Public Contract Code 20111 and 20112 for any transportation service expenditure of more than \$10,000 when contemplating that such a contract may be made with a person or corporation other than a common carrier, municipally owned transit system, or a parent/guardian of students who are to be transported. The Board may let this contract to other than the lowest bidder. (Education Code 39802)

No work, project, service, or purchase shall be split or separated into smaller work orders or projects for the purpose of evading the legal requirements of Public Contract Code 20111-20118.4 for contracting after competitive bidding. (Public Contract Code 20116)

When letting a contract for the procurement and/or maintenance of electronic data processing systems and supporting software, the Board may contract with any one of the three lowest responsible bidders. (Public Contract Code 20118.1)

Instructions and Procedures for Advertised Bids

The Superintendent or designee shall call for bids by placing a notice at least once a week for two weeks in a local newspaper of general circulation published in the district, or if no such newspaper exists, then in some newspaper of general circulation, circulated in the county, and may post the notice on the district's web site or through an electronic portal. The notice shall state the work to be done or materials or supplies to be furnished and the time and place and web site where bids will be opened. The district may accept a bid that has been submitted electronically or on paper. (Public Contract Code 20112)

The notice shall contain the time, date, and location of any mandatory prebid conference, site visit, or meeting. The notice shall also detail when and where project documents, including final plan and specifications, are available. Any such mandatory visit or meeting shall not occur within a minimum of five calendar days of the publication of the initial notice. (Public Contract Code 6610)

Bid instructions and specifications shall include the following requirements and information:

1. All bidders shall certify the minimum, if not exact, percentage of post-consumer materials in products, materials, goods, or supplies offered or sold. (Public Contract Code 22152)
2. All bids for construction work shall be presented under sealed cover and shall be accompanied by one of the following forms of bidder's security: (Public Contract Code 20107, 20111)
 - a. Cash
 - b. A cashier's check made payable to the district
 - c. A certified check made payable to the district
 - d. A bidder's bond executed by an admitted surety insurer and made payable to the district

The security of unsuccessful bidders shall be returned in a reasonable period of time, but in no event later than 60 days after the bid is awarded. (Public Contract Code 20111)

3. When a standardized proposal form is provided by the district, bids not presented on the standard form shall be disregarded. (Public Contract Code 20111.5)
4. Bids shall not be accepted after the advertised bid opening time, regardless of whether the bids are actually opened at that time. (Public Contract Code 20112)
5. When two or more identical lowest or highest bids are received, the Board may determine by lot which bid shall be accepted. (Public Contract Code 20117)
6. If the district requires that the bid include prices for items that may be added to or deducted from the scope of work in the contract, the bid solicitation shall specify which one of the following methods will be used to determine the lowest bid. In the absence of such a specification, only the method provided in item #a below shall be used. (Public Contract Code 20103.8)
 - a. The lowest bid shall be the lowest total of the bid prices on the base contract without consideration of the prices on the additive or deductive items.

- b. The lowest bid shall be the lowest total of the bid prices on the base contract and those additive or deductive items that were specifically identified in the bid solicitation as being used for the purpose of determining the lowest bid price.
- c. The lowest bid shall be the lowest total of the bid prices on the base contract and those additive or deductive items that, when taken in order from a specifically identified list of those items in the solicitation, and added to or subtracted from the base contract, are less than or equal to a funding amount publicly disclosed by the district before the first bid is opened.

The lowest bid shall be determined in a manner that prevents any information that would identify any of the bidders or proposed subcontractors or suppliers from being revealed to the district before the ranking of all bidders from lowest to highest has been determined.

- 7. Any subsequent change or alteration of a contract shall be governed by the provisions of Public Contract Code 20118.4.
- 8. After being opened, all submitted bids become public records pursuant to Government Code 6252 and shall be made available for review pursuant to law, Board policy, and administrative regulation.

Alternative Bid Procedures for Technological Supplies and Equipment

Upon a finding by the Board that a particular procurement qualifies for the alternative procedure, the district may acquire computers, software, telecommunications equipment, microwave equipment, and other related electronic equipment and apparatus through competitive negotiation. This procedure shall not apply to contracts for construction or for the procurement of any product that is available in substantial quantities to the general public. (Public Contract Code 20118.2)

The competitive negotiation shall include, but not be limited to, the following requirements: (Public Contract Code 20118.1)

- 1. The Superintendent or designee shall prepare a request for proposals (RFP) that shall be submitted to an adequate number of qualified sources, as determined by the district, to permit reasonable competition consistent with the nature and requirement of the procurement.
- 2. Notice of the RFP shall be published at least twice in a newspaper of general circulation, at least 10 days before the date for receipt of the proposals.
- 3. The district shall make every effort to generate the maximum feasible number of proposals from qualified sources and shall make a finding to that effect before proceeding to negotiate if only a single response to the RFP is received.
- 4. The RFP shall identify all significant evaluation factors, including price, and their relative importance.
- 5. The district shall provide reasonable procedures for the technical evaluation of the RFPs received, the identification of qualified sources, and the selection for the award of the contract.
- 6. An award shall be made to the qualified bidder whose proposal meets the evaluation standards and will be most advantageous to the district with price and all other factors

considered.

7. If an award is not made to the bidder whose proposal contains the lowest price, then the district shall make a finding setting forth the basis for the award.
8. The district, at its discretion, may reject all proposals and request new RFPs.
9. Provisions in any contract concerning utilization of small business enterprises, that are in accordance with the RFP, shall not be subject to negotiation with the successful proposer.

Bids Not Required

Without advertising for bids and upon a determination that it is in the best interest of the district, the Board may authorize, by contract, lease, requisition, or purchase order, another public corporation or agency to lease data-processing equipment or to purchase materials, supplies, equipment, automotive vehicles, tractors, and other personal property for the district in the manner that the other public corporation or agency is authorized to make the leases or purchases from a vendor ("piggyback"). (Public Contract Code 20118)

Alternatively, if there is an existing contract between a public corporation or agency and a vendor for the lease or purchase of personal property, the district may authorize the lease or purchase of personal property directly from the vendor by contract, lease, requisition, or purchase order and make payment to the vendor under the same terms that are available to the public corporation or agency under the contract. (Public Contract Code 20118)

Supplementary textbooks, library books, educational films, audiovisual materials, test materials, workbooks, instructional computer software packages, or periodicals may be purchased in any amount without taking estimates or advertising for bids. (Public Contract Code 20118.3)

Perishable commodities, such as foodstuffs, needed in the operations of cafeterias may be purchased through bid or on the open market. (Education Code 38083)

In an emergency when any repairs, alterations, work, or improvement to any school facility is necessary to permit the continuance of existing school classes or to avoid danger to life or property, the Board may, by unanimous vote and with the approval of the County Superintendent of Schools, contract for labor and materials or supplies without advertising for or inviting bids or may authorize the use of day labor or force account for the emergency purpose. (Public Contract Code 20113)

Bids shall also not be required for day labor under circumstances specified in Public Contract Code 20114. Day labor shall include the use of maintenance personnel employed on a permanent or temporary basis. (Public Contract Code 20114)

Sole Sourcing

In any contract for the construction, alteration, or repair of school facilities, the Superintendent or designee shall not draft the bid specification in a manner that, either directly or indirectly, limits bidding to any one specific concern or calls for a designated material, product, thing, or service by a specific brand or trade name, unless the specification designating the specific material, product, thing, or particular brand name is followed by the words "or equal" so that bidders may furnish any equal material, product, thing, or service.

In such cases, the bid specification shall provide a time period, before and/or after the award of the contract, for the contractor to submit data substantiating the request for substituting the

designated material, product, thing, or service. If no such time period is specified, the contractor may submit the data within 35 days after the award of the contract. (Public Contract Code 3400)

However, specifications for such contracts may designate a product by brand or trade name (sole sourcing) if the Board has made a finding, described in the invitation for bids or RFP, that a particular material, product, thing, or service is designated for any of the following purposes: (Public Contract Code 3400)

1. To conduct a field test or experiment to determine its suitability for future use
2. To match others in use on a particular public improvement that has been completed or is in the course of completion
3. To obtain a necessary item that is only available from one source
4. To respond to the Board's declaration of an emergency, as long as the declaration has been approved by four-fifths of the Board when issuing the invitation for bid or RFP

Prequalification Procedure

For any contract for which bids are legally required, the Board may require that each prospective bidder complete and submit a standardized questionnaire and financial statement. For this purpose, the Superintendent or designee shall supply a form which requires a complete statement of the bidder's financial ability and experience in performing public works. (Public Contract Code 20111.5)

Prospective bidders shall submit the questionnaire and financial statement at least five days before the date fixed for public opening of sealed bids. The information shall be verified under oath in the manner in which civil law pleadings are verified. The questionnaires and financial statements shall not be public records and shall not be open to public inspection. (Public Contract Code 20111.5)

The Superintendent or designee shall establish a uniform system for rating bidders on the basis of completed questionnaires and financial statements in order to determine the size of contracts on which each bidder is qualified to bid. Bidders must be deemed prequalified by the district at least one day before the fixed bid-opening date. (Public Contract Code 20111.5)

The Superintendent or designee shall furnish each qualified bidder with a standardized proposal form. Bids not presented on the standard form shall be disregarded. (Public Contract Code 20111.5)

The district may establish a procedure for prequalifying bidders on a quarterly basis and may authorize that prequalification be considered valid for up to one calendar year following the date of the initial prequalification. (Public Contract Code 20111.5)

Protests by Bidders

A bidder may protest a bid award if he/she believes that the award was inconsistent with Board policy, the bid's specifications, or was not in compliance with law. A protest must be filed in writing with the Superintendent or designee within five working days after receipt of notification of the contract award. The bidder shall submit all documents supporting or justifying the protest. A bidder's failure to file the protest documents in a timely manner shall constitute a waiver of his/her right to protest the award of the contract.

The Superintendent or designee shall review the documents submitted with the bidder's claims and render a decision in writing within 30 working days. The Superintendent or designee may also convene a meeting with the bidder in order to attempt to resolve the problem.

The bidder may appeal the Superintendent or designee's decision to the Board. The Superintendent or designee shall provide reasonable notice to the bidder of the time for Board consideration of the protest. The Board's decision shall be final.

Regulation SANTA MONICA-MALIBU UNIFIED SCHOOL DISTRICT
approved: November 5, 2009 Santa Monica, California

BIDS**AR 331 – NEW / REVISED**

The district shall advertise for competitive bids when any public project contract involves an expenditure of \$15,000 or more. *Public project* means construction, reconstruction, erection, alteration, renovation, improvement, painting, repainting, demolition, and repair work involving a district owned, leased, or operated facility. (Public Contract Code 20111, 22002)

The district shall also advertise for competitive bids when a contract exceeds the amount specified in law, as annually adjusted by the Superintendent of Public Instruction, for any of the following: (Public Contract Code 20111)

1. The purchase of equipment, materials, or supplies to be furnished, sold, or leased to the district
2. Services, not including construction services or special services and advice in accounting, financial, legal, or administrative matters
3. Repairs, including maintenance that is not a public project

Maintenance means routine, recurring, and usual work for preserving, protecting, and keeping a district facility operating in a safe, efficient, and continually usable condition for the intended purpose for which it was designed, improved, constructed, altered, or repaired. *Maintenance* includes, but is not limited to, carpentry, electrical, plumbing, glazing, and other craft work designed to preserve the facility, as well as repairs, cleaning, and other operations on machinery and other permanently attached equipment. Maintenance does not include painting, repainting, or decorating other than touchup, or among other types of work, janitorial or custodial services and protection provided by security forces. (Public Contract Code 20115)

Instructions and Procedures for Advertised Bids

The Superintendent or designee shall call for bids by placing a notice at least once a week for two weeks in a local newspaper of general circulation published in the district, or if no such newspaper exists, then in some newspaper of general circulation, circulated in the county, and may post the notice on the district's web site or through an electronic portal. The notice shall state the work to be done or materials or supplies to be furnished and the time and place and web site where bids will be opened. The district may accept a bid that has been submitted electronically or on paper. (Public Contract Code 20112)

The notice shall contain the time, date, and location of any mandatory pre-bid conference, site visit, or meeting. The notice shall also detail when and where project documents, including final plan and specifications, are available. Any such mandatory visit or meeting shall not occur within a minimum of five calendar days of the publication of the initial notice. (Public Contract Code 6610)

Bid instructions and specifications shall include the following requirements and information:

1. All bidders [who supply products, materials, goods or supplies to the district](#) shall certify the minimum, if not exact, percentage of post-consumer materials in products, materials, goods, or supplies offered or sold. (Public Contract Code 22152)

2. All bids for construction work shall be presented under sealed cover and shall be accompanied by one of the following forms of bidder's security: (Public Contract Code 20107, 20111)
 - a. Cash
 - b. A cashier's check made payable to the district
 - c. A certified check made payable to the district
 - d. A bidder's bond executed by an admitted surety insurer and made payable to the district

The security of unsuccessful bidders shall be returned in a reasonable period of time, but in no event later than 60 days after the [bid contract](#) is awarded. (Public Contract Code 20111)

3. When a standardized proposal form is provided by the district, bids not presented on the standard form shall be disregarded. (Public Contract Code 20111.56)
4. Bids shall not be accepted after the advertised bid opening time, regardless of whether the bids are actually opened at that time. (Public Contract Code 20112)
5. When two or more identical lowest or highest bids are received, the Board may determine by lot which bid shall be accepted. (Public Contract Code 20117)
6. If the district requires that the bid include prices for items that may be added to or deducted from the scope of work in the contract, the bid solicitation shall specify which one of the following methods will be used to determine the lowest bid. In the absence of such a specification, only the method provided in item #6a below shall be used. (Public Contract Code 20103.8)
 - a. The lowest bid shall be the lowest [total of the bid prices](#) on the base contract without consideration of the prices on the additive or deductive items.
 - b. The lowest bid shall be the lowest total of the bid prices on the base contract and those additive or deductive items that were specifically identified in the bid solicitation as being used for the purpose of determining the lowest bid price.
 - c. The lowest bid shall be the lowest total of the bid prices on the base contract and those additive or deductive items that, when taken in order from a specifically identified list of those items in the solicitation, and added to or subtracted from the base contract, are less than or equal to a funding amount publicly disclosed by the district before the first bid is opened.
 - d. The lowest bid shall be determined in a manner that prevents any information that would identify any of the bidders or proposed subcontractors or suppliers from being revealed to the district before the ranking of all bidders from lowest to highest has been determined.
7. The district shall consider only responsive bids from responsible bidders in determining the lowest bid. ([Public Contract Code 20111](#))
 - a. When a bid is determined to be nonresponsive, the Superintendent or designee shall notify the bidder and give him/her an opportunity to respond to the determination.

- b. When the lowest bidder is determined to be nonresponsive, the Superintendent or designee shall notify the bidder of his/her right to present evidence of his/her responsibility at the hearing before the Board.
8. Any subsequent change or alteration of a contract shall be governed by the provisions of Public Contract Code 20118.4.
9. After being opened, all submitted bids become public records pursuant to Government Code 6252 and shall be made available for review pursuant to law, Board policy, and administrative regulation.
10. When a bid is disqualified as nonresponsive based on district investigation or other information not obtained from the submitted bid, the Superintendent or designee shall notify the bidder and give him/her an opportunity to respond to the information.

Prequalification Procedure

When required by law, ~~or the Board,~~ the Superintendent or designee shall establish a uniform system for rating bidders on the basis of completed questionnaires and financial statements. ~~in order to determine the size of contracts on which each bidder is qualified to bid.~~ For this purpose, the Superintendent or designee shall furnish prospective bidders a standardized ~~prequalification questionnaire proposal form~~ which, when completed, shall indicate a bidder's statement of financial ability and experience in performing public works. The bidder's information shall be verified under oath in the manner in which civil law pleadings are verified. The questionnaires and financial statements shall not be public records and shall not be open to public inspection. ~~Bids not presented on the standard form shall be disregarded.~~ (Code of Civil Procedure 446; Public Contract Code ~~20111.5,~~ 20111.6)

When any public project involves an expenditure of \$1,000,000 or more and is funded or reimbursed wholly or partly by the School Facilities Program funds or other future state school bond, the district shall prequalify prospective bidders either quarterly or annually. The prequalification shall be valid for one year and the following requirements shall apply: (Education Code 17406, 17407; Public Contract Code 20111.6)

1. Prospective bidders, including, but not limited to, prime, general engineering, and general building contractors and electrical, mechanical, and plumbing subcontractors, as defined in ~~the Business and Professions Code 4113,~~ 7056, ~~or~~ 7057, ~~or~~ 7058, as applicable, shall submit a standardized questionnaire and financial statement ~~40~~ten or more business days, as determined by the district, before the date fixed for the public opening of sealed bids.
2. Prospective bidders shall be prequalified by the district five or more business days, as determined by the district, before the date fixed for the public opening of sealed bids.

If the project includes electrical, mechanical, or plumbing components that will be performed by electrical, mechanical, or plumbing contractors, the Superintendent or designee shall make available to all bidders a list of prequalified general contractors and electrical, mechanical, and plumbing ~~sub~~contractors five or more business days, as determined by the district, before the date fixed for the public opening of sealed bids.

For all other contracts requiring competitive bidding, the district may establish a procedure for prequalifying bidders on a quarterly basis and may authorize that prequalification be considered valid for up to one calendar year following the date of the initial prequalification. Prospective bidders for such contracts shall submit the questionnaire and financial statement at least five

~~days before the date fixed for public opening of sealed bids and shall be prequalified by the district at least one day before the fixed bid opening date. (Public Contract Code 20111.5)~~

Award of Contract

The district shall award each contract subject to the provisions of Public Contract Code 20111 to the lowest responsible bidder except in the following circumstances or where otherwise permitted by law:

1. When the contract is for the procurement and/or maintenance of electronic data processing systems and supporting software, in which case the Board may contract with any one of the three lowest responsible bidders (Public Contract Code 20118.1)
2. When the contract is for any transportation service which involves an expenditure of more than \$10,000 and which will be made with any person or corporation other than a common carrier, municipally owned transit system, or a parent/guardian of students who are to be transported, in which case the Board may contract with other than the lowest bidder (Education Code 39802)
3. When procuring a lease-leaseback contract, in which case the Board shall award the contract based on objective criteria for determining the best combination of price and qualifications in accordance with Education Code 17400 and 17406.
4. When procuring a design-build contract for a public works project in excess of \$1,000,000 in accordance with Education Code 17250.20, in which case the Board may award the contract to either the low bid or the best value to the district, taking into consideration, at a minimum, price, technical design and construction expertise, and life-cycle costs (Education Code 17250.20, 17250.25)

~~3. When the contract is one for which the Board has established goals and requirements relating to participation of disabled veteran or small business enterprises in accordance with Public Contract Code 2000-2002, in which case the Board may contract with the lowest responsible bidder who submits a responsive bid and complies or makes a good faith effort to comply with the goals and requirements (Public Contract Code 2000-2002)~~

Protests by Bidders

A bidder may protest ~~a bid~~ the district's intent to award a contract if ~~he/she~~ the bidder believes that the award ~~was~~ would be inconsistent with ~~Board policy,~~ the bid's specifications, or ~~was not~~ in compliance with law. A protest must be ~~filed~~ submitted in writing ~~with to~~ to the Superintendent or designee within five ~~working~~ calendar days ~~following the issuance of the district's notice after receipt of notification~~ of intent to award the contract. ~~The bidder shall submit all documents supporting or justifying the protest.~~ A bidder's failure to file the protest documents in a timely manner shall constitute a waiver of his/her right to protest the award of the contract. The written protest must set forth, in detail, all grounds for the protest, including without limitation all facts, supporting documentation, legal authorities and argument in support of the grounds for the protest; any matters not set forth in the written protest are deemed waived.

Any bid protest not conforming to the foregoing will be rejected by the district as invalid. Provided that a bid protest is filed in strict conformity with the foregoing, the Superintendent or designee shall review and evaluate the basis of the bid protest. The Superintendent or designee will provide the bidder submitting the bid protest with a written statement concurring with or denying the bid protest. The Board will render a final determination and disposition of a bid protest by taking action to adopt, modify or reject the disposition of the bid protest as reflected in the written statement of the Superintendent or designee. Action by the Board relative to a bid

protest shall be final and not subject to appeal or reconsideration by the Superintendent or any other employee or officer of the district.

The Superintendent or designee shall review the documents submitted with the bidder's claims and render a decision in writing within 30 working days. The Superintendent or designee may also convene a meeting with the bidder in order to attempt to resolve the problem.

The bidder may appeal the Superintendent or designee's decision to the Board. The Superintendent or designee shall provide notice to the bidder of the date and time for Board consideration of the protest at least three business days before the Board meeting. The Board's decision shall be final.

Sole Sourcing

In any contract for the construction, alteration, or repair of school facilities, the Superintendent or designee shall ensure that the bid specification: (Public Contract Code 3400)

1. Does not directly or indirectly limit bidding to any one specific concern
2. Does not call for a designated material, product, thing, or service by a specific brand or trade name, unless the specification is followed by the words "or equal," so that bidders may furnish any equal material, product, thing, or service

~~In such case, the~~ The bid specification shall provide a time period, before and/or after the award of the contract, for the contractor to submit data substantiating ~~the a~~ request for substituting the designated material, product, thing, or service. If no such time period is specified, the contractor may submit the data within 35 days after the award of the contract. (Public Contract Code 3400)

However, the Superintendent or designee may designate a specific material, product, thing or service by brand or trade name (sole sourcing) if the Board has made a finding, described in the invitation for bids or RFP, that a particular material, product, thing, or service is designated for any of the following purposes: (Public Contract Code 3400)

1. To conduct a field test or experiment to determine its suitability for future use
2. To match others in use on a particular public improvement that has been completed or is in the course of completion
3. To obtain a necessary item that is only available from one source
4. To respond to the Board's declaration of an emergency, as long as the declaration has been approved by four-fifths of the Board when issuing the invitation for bid or RFP
5. To respond to an emergency declared by the state, a state agency, or political subdivision of the state. In such case, the Superintendent or designee will set forth in the public records the facts for the reasons for the finding of the emergency.

Bids Not Required

A. "Piggyback" Contracts

Without advertising for bids and upon a determination that it is in the best interests of the district, the Board may authorize, by contract, lease, requisition, or purchase order, another public corporation or agency to lease data-processing equipment or to purchase materials,

supplies, equipment, automotive vehicles, tractors, and other personal property for the district in the manner that the other public corporation or agency is authorized to make the leases or purchases from a vendor ("piggyback"). (Public Contract Code 20118)

Alternatively, if there is an existing contract between a public corporation or agency and a vendor for the lease or purchase of personal property, the district may authorize the lease or purchase of personal property directly from the vendor by contract, lease, requisition, or purchase order and make payment to the vendor under the same terms that are available to the public corporation or agency under the contract. (Public Contract Code 20118)

B. [Energy Service Contracts](#)

Without advertising for bids, the Board may enter into an energy service contract and any related facility ground lease, when it determines that the terms of the contract and lease are in the best interests of the district. The Board's determination shall be made at a regularly scheduled public hearing of which notice is given to the public at least two weeks in advance and shall be based on cost comparison findings specified in Government Code 4217.12. (Government Code 4217.12)

C. [Educational Materials and Books](#)

Supplementary textbooks, library books, educational films, audiovisual materials, test materials, workbooks, instructional computer software packages, or periodicals may be purchased in any amount [needed for the operation of the district's schools](#) without taking estimates or advertising for bids. (Public Contract Code 20118.3)

D. [Perishable Commodities](#)

Perishable commodities, such as foodstuffs, needed in the operations of cafeterias may be purchased through bid or on the open market. (Education Code 38083)

E. [Emergencies](#)

In an emergency when any repairs, alterations, work, or improvement to any school facility is necessary to permit the continuance of existing school classes or to avoid danger to life or property, the Board may, by unanimous vote and with the approval of the County Superintendent of Schools, contract for labor and materials or supplies without advertising for or inviting bids or may authorize the use of day labor or force account for the emergency purpose. (Public Contract Code 20113)

F. [Day Labor](#)

Bids shall also not be required for day labor under circumstances specified in Public Contract Code 20114. Day labor shall include the use of maintenance personnel employed on a permanent or temporary basis. (Public Contract Code 20114)

G. [Federal Surplus Property](#)

The district may purchase any surplus property from the federal government or any of its agencies in any quantity needed for the operation of its schools without taking estimates or advertising for bids. (Education Code 17602)

UNIFORM PUBLIC CONSTRUCTION COST ACCOUNTING PROCEDURES

In awarding contracts for public works projects involving district facilities, the Governing Board desires to obtain the best value to the district and ensure the qualifications of contractors to complete the project in a satisfactory manner. The Board has, by resolution, adopted the procedures set forth in the Uniform Public Construction Cost Accounting Act pursuant to Public Contract Code 22030-22045, including the informal bidding procedures when allowed by law.

The Board delegates to the Superintendent or designee the responsibilities to award any contract eligible for informal bidding procedures and to develop plans, specifications, and working details for all public projects requiring formal bidding procedures.

No work, project, service, or purchase shall be split or separated into smaller work orders or projects for the purpose of evading legal requirements for competitive bidding. (Public Contract Code 22033)

Projects awarded through the UPCCAA shall be subject to the cost accounting procedures established by the California Uniform Construction Cost Accounting Commission. (Public Contract Code 22030)

Emergency Actions

When formal bids are required by law but an emergency necessitates immediate repair or replacements, the Board may, upon a four-fifths vote of the Board, proceed to replace or repair a facility without adopting plans, specifications, strain sheets, or working details or giving notice for bids to let contracts. The work may be done by day labor under the direction of the Board and/or contractor. The emergency action shall subsequently be reviewed by the Board in accordance with Public Contract Code 22050 and shall be terminated at the earliest possible date that conditions warrant, so that the remainder of the emergency action may be completed by giving notice for bids to let contracts. (Public Contract Code 1102, 22035, 22050)

UNIFORM PUBLIC CONSTRUCTION COST ACCOUNTING PROCEDURES

Procedures for awarding contracts for public works projects shall be determined on the basis of the amount of the project, as follows:

1. Public projects of \$45,000 or less may be performed by district employees by force account, negotiated contract, or purchase order. (Public Contract Code 22032)
2. Contracts for public projects of \$175,000 or less may be awarded through the following informal procedures: (Public Contract Code 22032, 22034, 22038)
 - a. The Superintendent or designee shall maintain a list of qualified contractors, identified according to categories of work.
 - b. The Superintendent or designee shall prepare a notice inviting informal bids which describes the project in general terms, explains how to obtain more information about the project, and states the time and place for submission of bids. The notice shall be disseminated by mail, fax, or email to all contractors on the district's list for the category of work being bid, unless the product or service is proprietary, at least 10 calendar days before bids are due. In addition, the Superintendent or designee may mail, fax, or email a notice inviting informal bids to all construction trade journals identified pursuant to Public Contract Code 22036.
 - c. The district shall review the informal bids and award the contract, except that:
 - (1) If all bids received through the informal process are in excess of \$175,000, the contract may be awarded to the lowest responsible bidder, provided that the Governing Board adopts a resolution with a four-fifths vote to award the contract at \$187,500 or less and the Board determines the district's cost estimate is reasonable.
 - (2) If no bids are received through the informal bid procedure, the project may be performed by district employees by force account or negotiated contract.
3. Public projects of more than \$175,000 shall, except as otherwise provided by law, be subject to formal bidding procedures, as follows: (Public Contract Code 22032, 22037, 22038)
 - a. Notice inviting formal bids shall state the time and place for receiving and opening sealed bids and distinctly describe the project. The notice shall be disseminated in both of the following ways:
 - (1) Through publication in a newspaper of general circulation in the district's jurisdiction or, if there is no such newspaper, then by posting the notice in at least three places designated by the district as places for posting its notices. Such notice shall be published at least 14 calendar days before the date that bids will be opened.
 - (2) By mail and electronically, if available, by either fax or email, to all construction trade journals identified pursuant to Public Contract Code

22036. Such notice shall be sent at least 15 calendar days before the date that bids will be opened.

In addition to the notice required above, the district may give such other notice as it deems proper.

b. The district shall award the contract as follows:

- (1) The contract shall be awarded to the lowest responsible bidder. If two or more bids are the same and the lowest, the district may accept the one it chooses.
- (2) At its discretion, the district may reject all bids presented and declare that the project can be more economically performed by district employees, provided that the district notifies an apparent low bidder, in writing, of the district's intention to reject the bid. Such notice shall be mailed at least two business days prior to the hearing at which the district intends to reject the bid.
- (3) If no bids are received through the formal bid procedure, the project may be performed by district employees by force account or negotiated contract.

LEASE-LEASEBACK CONTRACTS

~~In addition, upon a determination that it is in the best interest of the district and without advertising for bids, t~~The Board may lease currently owned district property to any person, firm, or corporation for a minimum rental of \$1 per year, as long as the lease requires the person, firm, or corporation to construct a building or buildings on the property for the district's use during the term of the lease and the property and title to the building(s) will vest in the district at the expiration of the lease term ("lease-leaseback"). Prior to entering into a lease-leaseback agreement, the Superintendent or designee shall have on file the contractor's enforceable commitment that the contractor and its subcontractors at-of every tier will use a skilled and trained workforce to perform all work on the project or contract that falls within an apprenticeship occupation in the building and construction trades. (Education Code 17406, 17407.5)

The lease-leaseback agreement shall be awarded based on a competitive solicitation process to the proposer providing the best value to the district, taking into consideration the proposer's demonstrated competence and professional qualifications necessary for the satisfactory performance of the services required. Prior to awarding the lease-leaseback agreement, the Board must adopt and publish required procedures and guidelines for evaluating the qualifications of proposers that ensure the best value selections by the district are conducted in a fair and impartial manner and the district shall follow these procedures and guidelines when awarding the lease-leaseback agreement. The required procedures shall include, at a minimum, the following: (Public Contract Code 17400, 17406)

1. The Superintendent or designee shall prepare a request for sealed proposals (RFP) from qualified proposers, which proposals shall include an estimate of price of the project; a clear, precise description of any preconstruction services that may be required and the facilities to be constructed; the key elements of the lease-leaseback agreement to be awarded; a description of the format that proposals shall follow and the elements they shall contain; the standards the district will use in evaluating proposals; the date on which proposals are due; and the timetable the district will follow in reviewing and evaluating proposals.
2. The Superintendent or designee shall give notice of the RFP by placing a notice at least once a week for two weeks in a local newspaper of general circulation published in the district and in a trade paper of general circulation published in Los Angeles County, with the latest notice published at least ten days before the date for receipt of the proposals. The Superintendent or designee may post the notice on the district's web site or through an electronic portal. The notice shall state the work to be done or materials or supplies to be furnished and the time and place and web site where proposals will be opened. The district may accept a proposal that has been submitted electronically or on paper.
3. A proposer shall be prequalified in accordance with Public Contract Code 20111.6 in order to submit a proposal (see above Prequalification Procedure). The prequalification requirements shall be included in the lease-leaseback agreement.

4. The RFP shall identify all criteria that the district will consider in evaluating the proposals and qualifications of the proposers, including relevant experience, safety record, price proposal, and other factors specified by the district. The price proposal shall include, at the district's discretion, either a lump-sum price for the lease-leaseback agreement to be awarded or the proposer's proposed fee to perform the services requested, including the proposer's proposed fee to perform preconstruction services or any other work related to the facilities to be constructed, as requested by the district. The RFP shall specify whether each criterion will be evaluated pass-fail or will be scored as part of the best value score, and whether proposers must achieve any minimum qualification score for award of the lease-leaseback agreement.
5. For each scored criterion, the district shall identify the methodology and rating or weighting system that will be used by the district in evaluating the criterion, including the weight assigned to the criterion and any minimum acceptable score.
6. The Superintendent or designee shall evaluate all proposals and the lease-leaseback agreement shall be awarded in the following manner:
 - a. All proposals received shall be reviewed to determine those that meet the format requirements and the standards specified in the RFP.
 - b. The district shall evaluate the qualifications of the proposers based solely upon the criteria and evaluation methodology set forth in the RFP, and shall assign a best value score to each proposal. Once the evaluation is complete, all responsive proposals shall be ranked from the highest best value to the lowest best value to the district.
 - c. The Board shall award the lease-leaseback agreement to the responsive proposer whose proposal is determined, in writing by the Board, to be the best value to the district.
 - d. If the selected proposer refuses or fails to execute the lease-leaseback agreement, the Board may award the lease-leaseback agreement to the proposer with the second highest best value score if the Board deems it to be for the best interest of the district. If the second selected proposer refuses or fails to execute the lease-leaseback agreement, the Board may award the lease-leaseback agreement to the proposer with the third highest best value score if the Board deems it to be for the best interest of the district.
 - e. Upon issuance of an award of the lease-leaseback agreement, the school district shall publicly announce its award, identifying the entity to which the award is made, along with a statement regarding the basis of the award. The statement regarding the district's award of the lease-leaseback agreement and the lease-leaseback agreement file shall provide sufficient information to satisfy an external audit.
7. The Board, at its discretion, may reject all proposals and request new proposals.

~~Any~~The lease-leaseback agreement shall include a lease term that specifies the district's occupancy of the building or improved property and a financing component as may be determined on a case-by-case basis.

Following the award of a lease-leaseback agreement, if the price proposal is not a lump sum amount, the successful proposer shall provide the district with objectively verifiable information of its costs to perform the services requested and shall select subcontractors as set forth below. Once any preconstruction services are completed and subcontractors are selected, and upon approval of the plans and specifications for work on the site by the Division of the State

Architect (DSA), if required, the successful proposer and the district shall finalize the price for the services to be provided under the lease-leaseback agreement. The successful proposer shall provide the district with written rationale for the price, and the district shall approve or reject the final price at a public meeting before the successful proposer may proceed with any further work under the lease-leaseback agreement. The lease-leaseback agreement file shall include documentation sufficient to support the final price determination.

The Superintendent or designee may identify in the RFP specific types of subcontractors that must be included in the proposal. All subcontractors that are identified in the proposal shall be afforded the protections of the Subletting and Subcontracting Fair Practices Act (Public Contract Code 4100, et seq.).

Following the award of the lease-leaseback agreement, for subcontractors not identified in the proposal, the successful proposer shall proceed as follows in awarding construction subcontracts with a value exceeding one-half of one percent of the price allocable to construction work:

1. Provide public notice of availability of work to be subcontracted by placing a notice at least once a week for two weeks in a local newspaper of general circulation published in the district and in a trade paper of general circulation published in Los Angeles County, with the latest notice published at least ten days before the date for receipt of bids. The notice shall state the work to be done or materials or supplies to be furnished and a fixed date and time on which qualifications statements, bids, or proposals will be due.
2. Establish reasonable qualification criteria and standards.
3. Award the subcontract either on a best value basis or to the lowest responsible bidder. The process may include prequalification or short-listing. The process shall not apply to subcontractors listed in the original proposal. Subcontractors awarded construction subcontracts pursuant to these provisions shall be afforded all the protections of the Subletting and Subcontracting Fair Practices Act (Public Contract Code 4100, et seq.).

Alternatively, the Superintendent or designee may segregate the RFP into a request for qualifications (RFQ), followed by an RFP with price information from the proposers deemed most qualified by the district, provided that the foregoing procedures are otherwise followed.

Where utilizing preconstruction services, the district may enter into a lease-leaseback agreement before written approval by DSA only if the lease-leaseback agreement provides that no work for which a contractor is required to be licensed and for which DSA approval is required can be performed before receipt of the required DSA approval.

Regardless of the funding source, when any lease-leaseback agreement is for a public project, involves an expenditure of \$1,000,000 or more, and meets other criteria in Public Contract Code 20111.6, the prequalification requirements specified in the "Prequalification Procedure" section above shall be followed. (Education Code 17406)

DESIGN-BUILD CONTRACTS

The Governing Board may approve a contract with a single entity for both design and construction of any school facility in excess of \$1,000,000, awarding the contract to either the low bid or the best value as determined by evaluation of objective criteria. (Education Code 17250.20)

Design-build documents shall not include provisions for long-term project operations, but may include operations during a training or transition period. (Education Code 17250.25)

The procurement process for design-build projects shall be as follows: (Education Code 17250.25, 17250.35)

1. The district shall prepare a set of documents setting forth the scope and estimated price of the project. The documents may include, but are not limited to:

- a. The size, type, and desired design character of the project
- b. Performance specifications that cover the quality of materials, equipment, and workmanship
- c. Preliminary plans or building layouts
- d. Any other information deemed necessary to describe adequately the district's needs

The performance specifications and any plans shall be prepared by a design professional who is duly licensed and registered in California.

2. The district shall prepare and issue a request for qualifications in order to prequalify, or develop a short list of, the design-build entities whose proposals shall be evaluated for final selection. The request for qualifications shall include, but is not limited to, all of the following elements:

- a. Identification of the basic scope and needs of the project or contract, the expected cost range, the methodology that will be used by the district to evaluate proposals, the procedure for final selection of the design-build entity, and any other information deemed necessary by the district to inform interested parties of the contracting opportunity
- b. Significant factors that the district reasonably expects to consider in evaluating qualifications, including technical design and construction expertise, acceptable safety record, and all other non-price-related factors
- c. A standard template request for statements of qualifications prepared by the district, which shall contain all of the information required pursuant to Education Code 17250.25

The district also may identify specific types of subcontractors that must be included in the statement of qualifications and proposal.

A design-build entity shall not be prequalified or short-listed unless the entity provides an enforceable commitment to the district that the entity and its subcontractors at every tier will use a skilled and trained workforce, as defined in Education Code 17250.25, to perform all work on the project or contract that falls within an apprenticeable occupation in the building and construction trades. The entity may demonstrate such commitment through a project labor agreement, by becoming a party to the district's project labor agreement, or through an agreement with the district to provide evidence of compliance on a monthly basis during the performance of the project or contract.

3. The district shall prepare a request for proposals (RFP) that invites prequalified or short-listed entities to submit competitive sealed proposals in a manner prescribed by the district. The RFP shall include the information identified in items #2a and 2b above and the relative importance or weight assigned to each of the factors. If the district uses a best value selection method for a project, the district may reserve the right to request proposal revisions and hold discussions and negotiations with responsive proposers, in which case the district shall so specify in the request for proposals and shall publish separately or incorporate into the request for proposals applicable procedures to be observed by the district to ensure that any discussions or negotiations are conducted in good faith.
4. For those projects utilizing low bid as the final selection method, the bidding process shall result in lump-sum bids by the prequalified or short-listed design-build entities, and the contract shall be awarded to the lowest responsible bidder.
5. For those projects utilizing best value as a selection method, the following procedures shall be used:
 - a. Competitive proposals shall be evaluated using only the criteria and selection procedures specifically identified in the request for proposals. Criteria shall be weighted as deemed appropriate by the district and shall, at a minimum, include price, unless a stipulated sum is specified; technical design and construction experience; and life-cycle costs over 15 or more years.
 - b. Following any discussions or negotiations with responsive proposers and completion of the evaluation process, the responsive proposers shall be ranked on a determination of value provided, provided that no more than three proposers are required to be ranked.
 - c. The contract shall be awarded to the responsible entity whose proposal is determined by the district to have offered the best value to the public.
 - d. The district shall publicly announce the contract award, identifying the entity to which the award is made and the basis of the award. This statement and the contract file shall provide sufficient information to satisfy an external audit.

PROCUREMENT OF TECHNOLOGICAL EQUIPMENT

Rather than seek competitive bids, the district may use competitive negotiation when it makes a finding that a district procurement is for computers, software, telecommunications equipment, microwave equipment, or other related electronic equipment and apparatus. Competitive negotiation shall not be used to contract for any product that is available in substantial quantities to the general public. (Public Contract Code 20118.2)

Whenever the competitive negotiation process is determined to be appropriate for such procurements, the district shall use the following procedures: (Public Contract Code 20118.2)

1. The Superintendent or designee shall prepare a request for proposals (RFP) that shall be submitted to an adequate number of qualified sources, as determined by the district, to permit reasonable competition consistent with the nature and requirement of the procurement.
2. Notice of the RFP shall be published at least twice in a newspaper of general circulation, at least ten days before the date for receipt of the proposals.
3. The Superintendent or designee shall make every effort to generate the maximum feasible number of proposals from qualified sources, and shall make a finding to that effect before proceeding to negotiate if only a single response to the RFP is received.
4. The RFP shall identify all significant evaluation factors, including price, and their relative importance.
5. The Superintendent or designee shall provide reasonable procedures for the technical evaluation of the proposals received, the identification of qualified sources, and the selection for the award of the contract.
6. The Governing Board shall award, if any, the contract to the qualified bidder whose proposal meets the evaluation standards and will be most advantageous to the district, considering price and all other factors.
7. If the Board does not award the contract to the bidder whose proposal contains the lowest price, then the Board shall make a finding setting forth the basis for the award.
8. The Board, at its discretion, may reject all proposals and request new proposals.

Provisions in any contract concerning utilization of small business enterprises that are in accordance with the RFP shall not be subject to negotiation with the successful proposer. (Public Contract Code 20118.2)

DISCUSSION

06/29/17

FROM: BEN DRATI / JANECE L. MAEZ / CAREY UPTON / STEVE MASSETTI

RE: PARTNERSHIP WITH CITY OF SANTA MONICA TO CONSTRUCT A MULTI-PURPOSE FIELD/PARKING AT THE CIVIC CENTER

DISCUSSION ITEM NO. D.02

District staff will present the status of discussions with City of Santa Monica staff toward a partnership to construct a multi-purpose field and parking garage at the Civic Center.

Early conversations between SMMUSD and City of Santa Monica regarding the Samohi Campus Plan (SCP) lead to the idea of partnering on a project at the Civic Center site. The Council had directed staff to investigate constructing a temporary multi-purpose field in place of the existing parking lot at the Civic Auditorium. The SCP demonstrates a need for additional field space and faculty/staff/event parking throughout the SCP and upon completion. A potential solution developed for the District and the City to partner on constructing a permanent multi-purpose field with subterranean parking for approximately 725 vehicles in place of the Civic Auditorium parking lot.

SMMUSD and the City have diligently pursued this solution including discussions with financial advisors and bond counsel, as well as engagement of an architect for preliminary design and a financial analysis by Alan D. Kotin & Associates. It is estimated that this project would result in a total rough order of magnitude cost of \$95 million.

Should this project proceed, SMMUSD would contribute a portion of the funding. This would exceed the Measure ES Samohi allocation, so funding would be obtained through the use of Certificates of Participation. City staff has determined that a 2018 general obligation (GO) bond would be needed for the City to fund its portion of the project.

In February, City staff presented an update to the Council, laying out the next steps toward developing the temporary field and the permanent field/parking projects in parallel. In March, the Board expressed support for the project and directed District staff to continue working toward an agreement to partner with the City to construct the joint project and to return in June with an update.

City and District staff have met frequently to discuss partnership terms including financial contributions, design and construction, usage, and maintenance and operations responsibilities. Members of the Board Facilities Sub-Committee and City Council leadership have met to discuss the project and potential terms.

Staff will present an update based upon continued meetings as well as the financial analysis. The City Council [will have discussed this matter](#) on June 27, 2017.

Public Comments:

- Ann Hoover, Viktor Komlos, and Ann Thanawalla addressed the board regarding this item.

Staff answered board members' questions regarding where the various athletic teams compete, transportation for those teams, and the size of the proposed fields. Ms. Lieberman requested more information on the softball field overlay. Dr. Tahvildaran-Jesswein suggested using the SMC shuttle service for athletics transportation. Ms. Leon-Vazquez suggested that the school district, City of Santa Monica, and SMC collaborate on the issue.

The direction that the board gave to staff following the discussion can be found on the attached document.

CAREY UPTON
CHIEF OPERATIONS OFFICER

310-399-5865 x79383
cupton@smmusd.org

At its meeting Thursday night, June 29, 2017 the Board of Education gave staff the following direction in terms of the temporary multi-purpose Sports Field at the Civic Center.

Civic Center Temporary Field

- Softball Field overlay
 - Discuss with Samohi softball team constituents their preferences/need for the softball field overlay at the Civic Center
 - If there is a strong preference for it, continue to negotiate with the City for the inclusion of the softball field, including the possibility of the district providing financial assistance for the inclusion of the softball field
 - If there is not a strong preference for it, move away from including the field
- CIF Soccer/Lacrosse Field
 - Continue to advocate for a CIF size soccer and lacrosse field as part of the temporary field
- Remove request for the Softball overlay and/or the full CIF soccer/lacrosse field if either will negatively impact or interfere with the viability of the temporary field happening

Memorial Park

- CIF Softball/Baseball
 - As part of the Memorial Park planning, advocate for the inclusion of both a CIF size baseball and CIF size softball field where games can be played simultaneously; discuss partnering with the City to achieve this goal

Transportation/Parking

- Samohi Faculty and Staff
 - Develop solutions for faculty and staff parking if/when the temporary field is constructed
- Samohi Sports Team Transportation
 - Develop solutions to assist student/athletes travel to practices/games off the Samohi site

ACTION/MAJOR

06/29/17

FROM: BEN DRATI / TERRY DELORIA

RE: ADOPT 2017-18 LOCAL CONTROL ACCCOUNTABILITY PLAN (LCAP)

RECOMMENDATION NO. A.43

It is recommended that the Board of Education adopt the District Local Control Accountability Plan (LCAP) for 2017-18. A public hearing was held on June 22, 2017. The public hearing for the LCAP preceded the public hearing for the budget as required by law.

COMMENT: As part of the Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP) beginning on July 1, 2014, using a template that was adopted by the California State Board of Education (SBE) in January 2014. The LCAP is required to identify goals and measure progress for student subgroups across eight state priority areas. Districts must include in their LCAP actions, services, and expenditures to be used to support students district-wide, as well as additional actions and services for low-income students, English learners, and foster youth. The LCAP and the district budget must be presented at a public hearing prior to the board meeting at which the LCAP and the budget are adopted. The LCAP must be approved by the school board at the same meeting, but prior to adoption of the district budget.

A final copy of the LCAP is attached and can be found at:
<http://www.smmusd.org/LCFF/index.html>.

RE: ADOPT 2017-18 BUDGET

RECOMMENDATION NO. A.44

It is recommended that the Board of Education adopt the 2017-18 District Budget. A public hearing was held on June 22, 2017. The public hearing for the budget followed the public hearing for the LCAP as required by law.

COMMENT: The [proposed budget](#) has been made available for public inspection in the Office of the Superintendent, consistent with established District policy.

Following is the Proposed Budget for 2017-18 according to the most recent information we have received for State and Federal funding. This includes revenue and expenditure assumptions, the estimated Reserve, Revenue and Expenditure Summaries, and Multi-year Projections.

Listed below are the assumptions used to develop the SMMUSD budget:

REVENUE ASSUMPTIONS

A 1.56% statutory Cost of Living Adjustment (COLA) is applied to the 2017-18 LCFF funding. The gap funding is 43.97%. The projected District LCFF revenues calculation as follows:

2017-18 LCFF CALCULATION					
BASE GRANT					
	TK-3	4-6	7-8	9-12	TOTAL
	3,011.28	2,430.56	1,702.77	3,339.38	10,484
2016-17 BASE	7,083	7,189	7,403	8,578	
COLA 1.56%	7,193	7,301	7,518	8,712

AUGMENTATION GRANTS:					
CSR AUGMENTATION: BASE GRANT X10.4%					2,252,654
CTE AUGMENTATION 9-12 BASE GRANT X2.6%					756,410
SUPPLEMENTAL AND CONCENTRATION GRANTS:					
TOTAL ENROLLMENT					11,008
TOTAL UNDUPLICATED PUPIL COUNT					3,050
					27.71%
SUPPLEMENT ADD-ON 20% OF BASE GRANT X % OF ELIGIBLE					4,672,562
TRANSPORTATION AND TIIG GRANT					
2012-13 TRANSPORTATION					820,273
2012-13 TIIG					429,757
TOTAL LCFF ENTITLEMENT /TARGET FUNDING					90,231,415
HOLD HARMLESS CALCULATION					
12-13 TOTAL CATEGORICAL FUNDING					8,585,843
12-13 HOLD HARMLESS REVENUE LIMIT PER ADA					5,377.99
13-14 GAP FUNDING PER ADA					262.43
14-15 GAP FUNDING PER ADA					598.82
15-16 GAP FUNDING					777.99
16-17 GAP FUNDING					375.88
TOTAL PRIOR YEAR PER ADA RATE					7,393.11
17-18 FUNDED ADA					10,484
17-18 HOLD HARMLESS REVENUE LIMIT FUNDING					77,509,291
17-18 TOTAL HOLD HARMLESS FUNDING					86,095,134
2017-18 FUNDING					
DIFFERENCE BTW LCFF AND HOLD HARMLESS FUNDING					4,136,280
GAP FUNDING	43.97%				1,818,723
2017-18 TOTAL LCFF ENTITLEMENT					87,913,857
LOCAL REVENUE /PROPERTY TAXES					83,997,852
EDUCATION PROTECT ACT /EPA					2,130,414
STATE AID					1,785,591
MINIMUM STATE AID : \$8,585,843					6,800,252
TOTAL LCFF FUNDING					94,714,109

Enrollment for 2017-18 is expected to be 10,768.

The Lottery allocation will be \$189 per annual ADA, of which \$144 is for Unrestricted General Fund expenditures and the remaining \$45 is Proposition 20 – Mandated for Instructional Materials.

1.56% COLA for Special Education Funding, the projected Special Education AB 602 revenue is \$5,653,253 and \$2,404,375 for Federal IDEA programs.

Mandated Block Grant revenue is \$381,418.

The Measure “R” parcel tax of \$396.23 per parcel is estimated to generate \$11,965,808 after processing the senior exemptions.

Santa Monica-Malibu Education Foundation contribution is \$2 million dollars.

The estimated revenue from Prop Y & GSH is \$16,400,000 from the City of Santa Monica.

The District will receive \$9,000,000 from the Joint Use Agreement with the City of Santa Monica.

The District will receive \$200,000 from the Joint Use Agreement funding with the City of Malibu.

The combined lease revenue is \$3.15M which is from the DoubleTree Hotel, Madison Site, 9th & Colorado and 16th Street properties.

The projected revenue of Federal programs:

Title I:	\$ 937,808
Title II:	\$ 226,519
Title III:	\$ 98,276
Carl Perkins:	\$ 47,302
Medical:	\$ 500,000

The projected Career Technical Ed. Incentive Grant (CTEIG) revenue is \$475,000.

The Projected Adult Ed. Block Grant is \$679,147 and the projected revenue of Federal Adult Education & Family Literacy programs is \$46,280.

The Projected Federal Head Start revenue is \$1,480,116. State Preschool program revenue is \$2,688,924 and estimated parent fees are \$3,032,630.

The projected revenue for Federal Nutrition program is \$1,100,000 and \$1,350,000 from food sale.

EXPENDITURE ASSUMPTIONS

Staffing Ratio Changes:

TK-Grade 3	24
Grade 4-5	30
Grade 4-5 (Title I schools)	27
Grade 6-8	34
Grade 6-8 (JAMS)	33
Grade 9-12	35

Full-Time Equivalent (FTE) Changes:

Certificated: The FTE change of teaching positions reflect changes of projected enrollment

- 1.0 FTE Teaching Position Roosevelt Elementary School
- 1.2 FTE Teaching Position Lincoln Middle School
- (1.0) FTE Teaching Position Franklin Elementary School
- (2.0) FTE Teaching Position McKinley Elementary School
- (1.0) FTE Teaching Position Grant Elementary School
- (1.0) FTE Teaching Position Cabrillo Elementary School
- (1.0) FTE Teaching Position Will Rogers Elementary School
- (2.0) FTE Teaching Position Malibu High School

(0.8) FTE Teaching Position John Adam Middle School
(2.9) FTE Teaching Position Santa Monica High School
3.6 FTE Teaching Position Special Education
(1.0) FTE Speech Pathologist Position Special Education

Classified:

(1.0) FTE R.O.P. Coordinator Position

Salary:

1.5% step and column increase for certificated employees
1.5% step and column increase for classified employees

Statutory Benefits:

14.43% STRS employer contribution rate (1.85% increase)
6.20% OASDI contribution rate
1.45% Medicare contribution rate
0.05% SUI contribution
4.00% Workers' Compensation contribution
15.531% PERS Employer contribution rate (2.041% increase)
1.25% Other Postemployment Benefit

Health & Welfare:

The premium for District-paid employee health benefits is budgeted for a 10% increase in 2018 calendar year. Cal-PERS health benefit rates have not been announced rate for 2018. We will adjust these rates when we receive the official notification.

OTHER PROGRAMS

Educational Protection Act (EPA)

After passage of Proposition 30, the Schools and Local Public Safety Protection Act of 2012, the District received funds through a new Education Protection Account to help stabilize school budgets and restore educational opportunities that were decimated by revenue shortfalls brought by the Great Recessions. The District will receive \$2,130,414 in 2018-19 and will use all funds to support Teachers Salary. EPA funds are one of the three components that make up the LCFF funds in the district.

LCAP Supplemental

\$4,425,900 is budgeted to support the LCAP plan that will be approved by the Board.

Textbooks

\$1,300,000 funded by Unrestricted General Fund.

Formula Budget (School Site Allocations)

Total formula budget is \$1,027,322. The allocation is based on (same as 2016-17):

K-5 \$ 77.75 per pupil
6-8 \$ 80.66 per pupil
9-12 \$ 59.48 per pupil

Summer School

Total summer school budget is \$1,026,479 (\$287,154 funded by LCAP).

Equipment Purchase and Replacement

\$615,481 budget for Copiers, Trucks and other Equipment replacement.

Transportation

\$ 861,957 for Regular Ed Transportation

\$1,348,859 for Special Ed Transportation

Ongoing Maintenance Program

\$5,014,610 is budgeted for Ongoing Maintenance Program which represents 3% of total General Fund budget.

TRANSFERS

\$250,000 transfer to Deferred Maintenance Fund (Fund 14)

\$900,000 transfer to Cafeteria Fund (Fund 13)

\$307,273 transfer to State Preschool Program

\$179,683 transfer to Infant & Toddler Program

\$196,027 transfer to Seaside Preschool - Edison

\$159,270 transfer to Seaside Preschool – Grant

The Indirect Rate is changed from 5.66% to 5.59% in 2017-18.

RESERVE

The District Budget reflects a 3% reserve of the total General Fund Budget for 2017-18, 2018-19, and 2019-20 for Economic Uncertainties.

Combined Assigned and Unassigned Fund Balances		
Fund 01: Unrestricted General Fund		
	Unrestricted General Fund Balance	\$ 21,751,566
	Total Assigned and Unassigned Fund Balance	\$ 21,751,566
	Less: Reserve for Economic Uncertainties	\$ 4,660,715
	Fund Balance that Requires Explanation	\$ 17,090,851
Reasons for Assigned and Unassigned Ending Fund Balances Above the State Recommended Minimum Level		
Fund 01: Unrestricted General Fund		
	Reserve for Revolving Cash, Store & Prepaid	\$ 130,000
	Reserve for 18-19 & 19-20 Deficit Spending	\$ 4,646,608
	*Reserve for up to 2 months fo General Fund Expenditures	\$ 12,314,243
	Total of Substantiated Needs	\$ 17,090,851
* A 2-month reserve would be approximately \$25.7M.		

The following documents include:

- Summary General Fund Budget
- 2017-18 Major Categorical Program
- Local General Fund Contribution
- Projected Ending Fund Balance as of 6/30/2017
- Multi-year Financial Projections (MYFP) through 2019-20
- Summary of Major Fund

Public Comments:

- *Janis Gabbert and Zina Josephs addressed the board regarding this item.*

Mr. de la Torre asked how funding for parent engagement is reflected in the budget. He also asked about funds for training aimed at increasing parent engagement.

RE: ADOPT MEASURE R PARCEL TAX 2017-18 ANNUAL PLAN

RECOMMENDATION NO. A.45

It is recommended that the Board of Education approve the Measure R parcel 2017-18 Annual Plan. The Measure R Parcel Tax Annual Plan has been available for public review on the District's website and in the Office of the Superintendent since March 20, 2017. The Board held a noticed public hearing on April 20, 2017.

COMMENT: Proposed Annual Plan: Section 5.B., ACCOUNTABILITY, PLANNING, PUBLIC INFORMATION, AND COMPLIANCE REVIEW PROVISIONS-Annual Plan, requires that an expenditure plan shall be developed annually for the succeeding fiscal year that will recommend expenditures of the tax proceeds, consistent with the intent of the Funding Measure. It further states that "The Proposed Annual Plan shall be presented for Board action each fiscal year in conjunction with the District's annual budget adoption process for the subsequent fiscal year."

UPDATED

RE: ADOPT RESOLUTION NO. 16-39 – FINDINGS AND ADOPTION OF THE
SUBSEQUENT MITIGATED NEGATIVE DECLARATION AND REVISED
MITIGATION MONITORING AND REPORTING PROGRAM AND APPROVAL
OF THE CHANGED LINCOLN MIDDLE SCHOOL REPLACEMENT OF
BUILDING C, MODERNIZATION AND SITE IMPROVEMENTS PROJECT

RECOMMENDATION NO. A. 46

It is recommended that the Board of Education (“Board”) adopt Resolution No. 16-39 to make California Environmental Quality Act (“CEQA”) findings that a Subsequent Mitigated Negative Declaration is the appropriate document for the Changed Lincoln Middle School Replacement of Building C, Modernization and Site Improvements Project (“Changed Project”), adopt the Subsequent Mitigated Negative Declaration and Revised Mitigation Monitoring and Reporting Program, and approve the Changed Project.

DISCUSSION:

On February 4, 2010, the Santa Monica-Malibu Unified School District (“District”) adopted the Mitigated Negative Declaration (“MND”) and Mitigation Monitoring and Reporting Program (“MMRP”) under the California Environmental Quality Act (“CEQA”) for the Lincoln Middle School Replacement of Building C, Modernization and Site Improvements Project (“Original Project”). The Original Project included the replacement of Building C, modernization of Building E, upgrade of the existing athletic field and track (including replacement of the field lighting, and installation of synthetic turf and a new all-weather track surface), and the creation of additional parking on campus. Although replacement of the athletic field lighting was included in the MND, the Original Project was approved without it and was constructed, except for the athletic field and track improvements.

The District now proposes to complete the athletic field and track improvements including the replacement of the athletic field lighting (“Changed Project”). The Changed Project would consist of the installation of: (1) four, new 80-foot-high field lights along the perimeter of the track; (2) synthetic turf, pre-marked for soccer; and (3) a five-lane, rubberized, all-weather track.

The Changed Project would also allow extended community use of the athletic field and track, consistent with the Middle School Program Agreement (“Agreement”), entered into by the District and the City of Santa Monica in June 2012. Under the Agreement, the City’s middle school programs may utilize recreational facilities on the Lincoln Middle School campus when school is not in session. During the school year, authorized groups may utilize school facilities on weekdays from school dismissal to 5:30 p.m. and on Saturdays from 7:00 a.m. to 5:00 p.m. Implementation of the Changed Project would result in nonprofit youth sports organizations being able to utilize the athletic field on the Lincoln Middle School campus on weekdays during the school year from 5:00 p.m. to 10:00 p.m., weekdays during school breaks from 8:00 a.m. to 10:00 p.m., and weekends year-round from 8:00 a.m. to 10:00 p.m.

Due to the changes, the District commissioned Michael Baker International to determine whether the Changed Project would result in new significant environmental impacts or substantially increase the severity of previously identified significant environmental impacts identified in the MND.

Michael Baker International prepared a Subsequent Mitigated Negative Declaration (“SMND”) that analyzed and concluded that all potentially significant environmental impacts were

adequately addressed in the MND, certain mitigation measures adopted in the MND MMRP are adequate for the Changed Project and that new mitigation measures are needed and implemented in the revised MMRP ("Revised MMRP").

The SMND further found that there is no substantial evidence that the Changed Project would create any new significant environmental impacts or substantially increase the severity of significant environmental impacts already identified in the MND, and that the SMND is the appropriate document for the Changed Project.

On May 22, 2017, the District released the Changed Project SMND for public review and comment. The comment period ended on June 20, 2017, 30 days later. One comment was received from Caltrans, which confirmed that the Changed Project is not expected to result in a direct adverse impact to the I-10 freeway.

Based upon the whole of the administrative record, the MND and MMRP, the Changed Project SMND and the Revised MMRP, the revised mitigation measures referenced therein and identified in the Revised MMRP, the SMND's reference documents, there is no substantial evidence that the Changed Project would result in new significant environmental impacts or substantially increase the severity of previously identified significant environmental impacts and the SMND is the appropriate CEQA document to adopt in order to approve the Changed Project.

Should the Board adopt the Resolution, the Changed Project will be approved and District staff will file a Notice of Determination with the Los Angeles County Clerk and the State Clearinghouse.

Staff answered questions about the closing time of the fields with the lights and upgrading restrooms and drinking fountains.

**SANTA MONICA-MALIBU UNIFIED SCHOOL DISTRICT
BOARD OF EDUCATION**

RESOLUTION NO. 16-39

**FINDINGS AND ADOPTION OF THE SUBSEQUENT MITIGATED NEGATIVE
DECLARATION AND REVISED MITIGATION MONITORING AND REPORTING PROGRAM,
AND APPROVAL OF THE CHANGED LINCOLN MIDDLE SCHOOL REPLACEMENT OF
CLASSROOM BUILDING C, MODERNIZATION AND SITE IMPROVEMENTS PROJECT**

WHEREAS, on February 4, 2010, the Santa Monica-Malibu Unified School District ("District") adopted the Mitigated Negative Declaration ("MND") and Mitigation Monitoring and Reporting Program ("MMRP") under the California Environmental Quality Act ("CEQA") for the Lincoln Middle School Replacement of Building C, Modernization and Site Improvements Project ("Original Project");

WHEREAS, the Original Project included the replacement of Building C, modernization of Building E, upgrade of the existing athletic field and track (including replacement of the field lighting, and installation of synthetic turf, and a new all-weather track surface), and the creation of additional parking on campus;

WHEREAS, although replacement of the athletic field lighting was included in the MND, the Original Project was approved without it and was constructed, except for the athletic field and track improvements;

WHEREAS, the District now proposes to complete the athletic field and track improvements including the replacement of the athletic field lighting ("Changed Project") which would consist of the installation of: (1) four, new 80-foot-high field lights along the perimeter of the track; (2) synthetic turf, pre-marked for soccer; and (3) a five-lane, rubberized, all-weather track;

WHEREAS, the Changed Project would also allow extended community use of the athletic field and track, consistent with the Middle School Program Agreement ("Agreement"), entered into by the District and the City of Santa Monica in June 2012. Under the Agreement, the City's middle school programs may utilize recreational facilities on the Lincoln Middle School campus when school is not in session. During the school year, authorized groups may utilize school facilities on weekdays from school dismissal to 5:30 p.m. and on Saturdays from 7:00 a.m. to 5:00 p.m. Implementation of the Changed Project would result in nonprofit youth sports organizations being able to utilize the athletic field on the Lincoln Middle School campus on weekdays during the school year from 5:00 p.m. to 10:00 p.m., weekdays during school breaks from 8:00 a.m. to 10:00 p.m., and weekends year-round from 8:00 a.m. to 10:00 p.m.

WHEREAS, due to the changes, Michael Baker International was engaged to determine whether the Changed Project would result in new significant environmental impacts or substantially increase the severity of previously identified significant environmental impacts in the MND;

WHEREAS, Michael Baker International prepared a Subsequent Mitigated Negative Declaration ("SMND") that analyzed and concluded that all potentially significant environmental impacts were adequately addressed in the MND, certain mitigation measures adopted in the MMRP are adequate for the Changed Project, that new mitigation measures are needed and implemented in the revised MMRP ("Revised MMRP"), that there is no substantial evidence that the Changed Project would create any new significant environmental impacts or substantially increase the severity of significant environmental impacts already identified in the MND, and that the SMND is the appropriate document for the Changed Project;

WHEREAS, On May 22, 2017, the SMND was noticed and circulated for public review and comment, which ended on June 20, 2017, 30 days later; and

WHEREAS, the District received one comment letter from Caltrans during the comment period, which confirmed that that the Phanged Project is not expected to result in a direct adverse impact to the I-10 freeway.

NOW, THEREFORE, BE IT RESOLVED, that based upon the whole of the administrative record, the MND, the MMRP, the SMND and Revised MMRP, the Santa Monica-Malibu Unified School District Board of Education ("Board") hereby finds the following:

1. The foregoing recitals are true and correct.
2. The Board has independently reviewed and considered the Subsequent Mitigated Negative Declaration and Revised Mitigation Monitoring and Reporting Program.
3. The Changed Project will not create any new significant environmental impacts.
4. The Changed Project will not substantially increase the severity of the significant environmental impacts identified in the MND.
5. This Resolution wholly reflects the District's independent judgment and analysis.

BE IT FURTHER RESOLVED that the Board hereby adopts:

1. The Changed Project Subsequent Mitigated Negative Declaration prepared by Michael Baker International dated April 2017.
2. The Revised Mitigation Monitoring and Reporting Program.

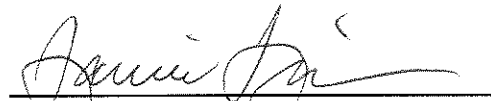

BE IT FURTHER RESOLVED that the Board hereby approves the Changed Project.

BE IT FURTHER RESOLVED that the Board directs the Assistant Superintendent to serve as the custodian of the documents and other materials that constitute the record of proceedings upon which the Board's decision is based. The record of proceedings shall be maintained at the District's offices at 1651 Sixteenth Street, Santa Monica, California 90404.

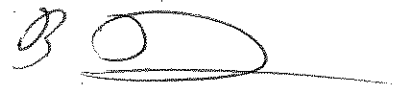

BE IT FURTHER RESOLVED that the Board directs the Assistant Superintendent to file with the County Clerk and State Clearinghouse a Notice of Determination for the approval of the Project.

Laurie Lieberman, President
Board of Education

I, Dr. Ben Drati, Secretary of the Board of Education of the Santa Monica-Malibu Unified School District, do certify that the foregoing Resolution was regularly introduced, passed and adopted by the Board of Education at its regularly scheduled board meeting held on this day of June 29, 2017.

Dr. Ben Drati, Superintendent
Santa Monica-Malibu
Unified School District

TO: BOARD OF EDUCATION

ACTION/MAJOR

06/29/17

FROM: BEN DRATI / JANECE L. MAEZ / CAREY UPTON / STEVE MASSETTI

RE: ADOPT RESOLUTION NO.16-40 – DETERMINING THAT THE INSTALLATION AND OPERATION OF FIELD LIGHTING ON THE SOFTBALL AND BASEBALL FIELDS AT SANTA MONICA HIGH SCHOOL IS CATEGORICALLY EXEMPT FROM THE CALIFORNIA ENVIRONMENTAL QUALITY ACT, APPROVING THE PROJECT, AND DIRECTING THE FILING OF NOTICE OF EXEMPTION

RECOMMENDATION NO. A.47

It is recommended that the Board of Education (“Board”) adopt Resolution No. 16-40 – determining that the installation and operation of new LED field lighting on the softball and baseball fields located at Santa Monica High School (“Proposed Project”) is categorically exempt from the requirements of the California Environmental Quality Act (“CEQA”), approving the Project, and directing the filing of a Notice of Exemption with the County Clerk.

DISCUSSION:

The Santa Monica-Malibu Unified School District (“District”) developed the Proposed Project to add new LED field lighting on the softball and baseball fields at Santa Monica High School located at 601 Pico Boulevard, Santa Monica, California 90405 (“Campus”).

The softball and baseball fields are located in the western corner of the campus on one field with the softball field in the southern half and baseball field in the northern half. The Proposed Project components for the softball field consist of the installation of two 60-foot high permanent light standards (i.e., poles) having a total of four LED fixtures each; one 80-foot high pole with 10 LED fixtures (“B1”); and one 80-foot high pole with 11 LED fixtures (“B2”). The Proposed Project components for the baseball field consist of the installation of two 70-foot high poles with six LED fixtures each; one 70-foot high pole with 8 LED fixtures, and shared use of poles B1 and B2.

Before the District may construct the Proposed Project, it must complete environmental review under CEQA, which exempts certain defined projects from completing a negative declaration or an environmental impact report and are called categorical exemptions. District staff have determined that the Proposed Project meets the definition of the Class 14 Categorical Exemption (California Environmental Quality Act (“CEQA”) Guidelines, § 153014). The Class 14 Categorical Exemption applies to minor additions to existing schools that do not increase student capacity by more the 25% or 10 classrooms, whichever is less. The field lighting would be added to the existing baseball field and the already approved future softball field, which was determined to be exempt from CEQA on August 10, 2016. Both fields are classrooms because classes are held on them. Thus, the field lighting would only be minor additions to the existing Santa Monica High School that do not exceed 25% or 10 classrooms. Thus, the Proposed Project is categorically exempt under Class 14.

There are no indications that unusual circumstances exist that suggest that a potentially significant environmental impact would occur that would except the Proposed Project from this Categorical Exemption. Photometrics confirm that the field lighting would not cause spill light greater than 0.5 foot candles or exceed 25,000 candelas on other properties.

Once a project is determined to be categorically exempt, the project is no longer subject to either the procedural or substantive requirements of CEQA and the project may proceed immediately. Thus, CEQA review would be complete should the Board determine that the Project is exempt and approve the Proposed Project. The Proposed Project could immediately begin thereafter.

Should the Board adopt the Resolution, the Proposed Project will be finally approved and District staff will file a Notice of Exemption with the Los Angeles County Clerk and the State Clearinghouse.

Staff answered questions regarding team practice times and field use.

**SANTA MONICA-MALIBU UNIFIED SCHOOL DISTRICT
BOARD OF EDUCATION**

RESOLUTION: NO. 16-40

**RESOLUTION DETERMINING THAT THE INSTALLATION AND OPERATION OF LIGHTING
ON THE SOFTBALL AND BASEBALL FIELDS AT SANTA MONICA HIGH SCHOOL IS
CATEGORICALLY EXEMPT FROM THE CALIFORNIA ENVIRONMENTAL QUALITY ACT,
APPROVING THE PROJECT, AND DIRECTING THE FILING OF NOTICE OF EXEMPTION**

WHEREAS, the Santa Monica-Malibu Unified School District (“District”) developed the Santa Monica High School Softball and Baseball Fields Lighting Project (“Project”) described in detail below, located within the existing school grounds of Santa Monica High School (“Campus”) at 601 Pico Boulevard, Santa Monica, California 90405; and

WHEREAS, the Campus currently contains a field in its eastern corner where the northern half is the baseball field and the southern half will become the softball field; and

WHEREAS, the Project adds new LED lighting on the softball and baseball fields; and

WHEREAS, the Project components for the softball field consist of the installation of two 60-foot high permanent light standards (i.e., pole) having a total of four LED fixtures each; one 80-foot high pole with 10 LED fixtures (“B1”); and one 80-foot high pole with 11 LED fixtures (“B2”); and

WHEREAS, the Project components for the baseball field consist of the installation of two 70-foot high poles with six LED fixtures each; one 70-foot high pole with 8 LED fixtures and shared use of poles B1 and B2; and

WHEREAS, the photometrics of the Project show that on other properties, the spill light would not exceed 0.5 foot candles and glare light would not exceed 25,000 candelas; and

WHEREAS, the District must comply with the California Environmental Quality Act (“CEQA”) for the Project; and

WHEREAS, in 2010, the District certified the Santa Monica High School Science and Technology Building and Site Improvements Project Environmental Impact Report and approved that project, which contained a new lighted softball field that was not constructed; and

WHEREAS, categorical exemptions to CEQA are set forth in Article 19 of Title 14 of the California Code of Regulations (“CEQA Guidelines”); and

WHEREAS, the Class 14 Categorical Exemption set forth in CEQA Guidelines section 15314 exempts a project that consists of minor additions to existing schools within existing school grounds where the additions do not increase original student capacity by more than twenty-five percent (25%) or ten (10) classrooms, whichever is less; and

WHEREAS, the addition of field lighting to the baseball and softball fields would be minor additions to the Campus per CEQA Guidelines section 15314; and

WHEREAS, the minor additions of field lighting would not increase the student capacity of the school; and

WHEREAS, the Project would not increase student capacity by 25% or 10 classrooms; and

WHEREAS, CEQA Guidelines section 15300.2(c) provides that if unusual circumstances exist, an otherwise categorically exempt project would be disqualified from being exempt; and

WHEREAS, the District is unaware of any unusual circumstances or substantial evidence that a significant impact would occur that would negate the use of the Class 14 Categorical Exemption.

NOW, THEREFORE, BE IT RESOLVED that based on the whole of the record of proceedings, the Santa Monica-Malibu Unified School District Board of Education ("Board") hereby finds as follows:

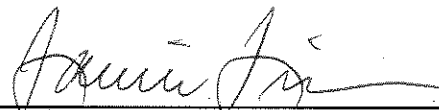

1. The above recitals are true and correct.
2. The Proposed Project meets the definition of the Class 14 Categorical Exemption (CEQA Guidelines, § 15314).
3. There is no indication of unusual circumstances that would cause a potentially significant environmental impact related to the Project.
4. The applicable requirements of CEQA have been fulfilled for the Project.

BE IT FURTHER RESOLVED that the Board hereby approves the Project.

BE IT FURTHER RESOLVED that the Superintendent or the Superintendent's designee is authorized and directed to file a Notice of Exemption for the Proposed Project with the Los Angeles County Clerk.

PASSED AND ADOPTED by the Santa Monica-Malibu Unified School District of Los Angeles County at its regularly scheduled meeting held on this 1st day of June 2017.

INFORMATION

06/29/17

FROM: BEN DRATI / TERRY DELORIA / ELLEN EDBURN

RE: REVISION OF AR 6112 – SCHOOL DAY

INFORMATION ITEM NO. I.01

This is to inform the Board of Education that AR 6112 – School Day has been revised, related to independent study PE (ISPE).

COMMENTS: At the June 1, 2017, board meeting, the board discussed proposed changes to language in this regulation. The changes allow for the school day for grades 6-12 to include an independent physical education program that complies with Ed Code.

It was also determined during that discussion that BP and AR 6158 would return in the fall for revisions to address the criteria for approving ISPE.

SCHOOL DAY**Kindergarten**

The regular school day for kindergarten students shall be at least 200 minutes, including recesses but excluding noon intermissions. The minimum school day for kindergarten students shall be 180 minutes, including recesses but excluding noon intermissions. The maximum school day for kindergarten students shall be four hours (240 minutes), excluding recesses. (Education Codes 46115, 46111)

The kindergarten school day may exceed four hours, excluding recess, if the district has established an early primary program pursuant to Education Code 8970-8974 and meets both of the following conditions: (Education Code 8973)

1. The Board of Education declares that the extended-day kindergarten program does not exceed the length of the primary school day.
2. The extended-day kindergarten program includes ample opportunity for both active and quiet activities within an integrated, experiential, and developmentally appropriate educational program.

Grades 1 – 8

Except as otherwise provided by law, the school day for elementary and middle school students shall be:

1. At least 295 minutes for students in grades 1-3, unless the Board has prescribed a shorter school day because of lack of school facilities requiring double sessions, in which case the minimum school day shall be 230 minutes. (Education Code 46112, 46142).
2. At least 300 minutes for students in grades 4-8 (Education Code 46113, 46142)

The school day for middle school students may also include an independent study physical education program compliant with Ed Code.

In determining the number of minutes for purposes of compliance with the minimum school day for students in grades 1-8, both noon intermissions and recesses shall be excluded. (Education Code 46115)

Grades 9-12

The school day for students in grades 9-12 shall be at least 240 minutes. (Education Code 46141, 46142) However, the school day may be less than 240 minutes when authorized by law. Programs that have a minimum school day of 180 minutes include, but are not necessarily limited to:

1. Continuation high school or classes (Education Code 46141, 46170)
2. Opportunity school or classes (Education Code 46141, 46180)

3. Work experience education program approved pursuant to Education Code 51760-51769.5 (Education Code 46141, 46144)

A student in grade 12 who is enrolled in work experience education and is in his/her last semester or quarter before graduation may be permitted to attend school for less than 180 minutes per school day if he/she would complete all requirements for graduation, except physical education courses, in less than 180 minutes each day. (Education Code 46147)

4. Concurrent enrollment in a community college pursuant to Education Code 48800-48802 or, for students in grades 11-12, part-time enrollment in classes of the California State University or University of California, provided academic credit will be awarded upon satisfactory completion of enrolled courses (Education Code 46146)
7. Special day or Saturday vocational training program conducted under a federally approved plan for career technical education (Education Code 46141, 46144)
8. Adult education classes (Education Code 46190)
9. An independent study physical education program compliant with Ed Code

Students in grade 12 shall be enrolled in at least five courses each semester or the equivalent number of courses each quarter. This requirement shall not apply to students enrolled in regional occupational centers or programs, courses at accredited postsecondary institutions, independent study (~~Not independent study PE~~), special education programs in which the student's individualized education program establishes a different number of courses, continuation education classes, work experience education programs, or any other course of study authorized by the Board that is equivalent to the approved high school course of study. (Education Code 46145)

Alternative Block Schedule for Middle and High Schools

The Board may authorize any student to attend fewer school days in any district middle school or high school as long as the student attends classes for at least 1,200 minutes during any five school day period or 2,400 minutes during any 10 school day period to accommodate career technical education, regional occupational center and program courses, or block or other alternative school class schedules. (Education Code 46160)

Prior to implementing the block schedule program in which students attend class for fewer school days, the Board shall consult in good faith in an effort to reach agreement with the certificated and classified employees of the school, with the parents/guardians of the students who would be affected by the change, and with the community at large. Such consultation shall include at least one public hearing for which the Board has given adequate notice to the employees and to the parents/guardians of affected students. (Education Code 46162)

Regulation SANTA MONICA-MALIBU UNIFIED SCHOOL DISTRICT
