FEES AND CHARGES

Note: Pursuant to Education Code 49011, a district is prohibited from requiring students to pay a fee, deposit, or other charge in order to participate in an educational activity as defined in Education Code 49010. A district is also required to provide the supplies, materials, and equipment needed by students to participate in educational activities. **Additionally,** Education Code 49011 clarifies that an otherwise impermissible fee would not be made permissible by the provision of a waiver for some students. However, pursuant to 5 CCR 350, a district is permitted, in certain circumstances, to impose fees that are specifically authorized by law. See the accompanying administrative regulation for a list of permissible fees.

The Governing Board recognizes its responsibility to ensure that books, materials, equipment, supplies, and other resources necessary for students' participation in the district's educational program are made available to them at no cost.

No student shall be required to pay a fee, deposit, or other charge for his/her participation in an educational activity which constitutes an integral fundamental part of the district's educational program, including curricular and extracurricular activities. (Education Code 49010, 49011; 5 CCR 350)

(cf. 3100 - Budget)

(cf. 6145 - Extracurricular and Cocurricular Activities)

As necessary, the Board may approve fees, deposits, and other charges which are specifically authorized by law. When approving such fees, deposits, or charges, establishing fee schedules, or determining whether waivers or exceptions should be granted, the Board shall consider relevant data, including the socioeconomic conditions of district students' families and their ability to pay.

(cf. 3250 - Transportation Fees)

(cf. 3515.4 - Recovery for Property Loss or Damage)

(cf. 3553 - Free and Reduced Price Meals)

(cf. 9323.2 - Actions by the Board)

Note: The following **optional** paragraph may be revised to reflect district practice. The prohibition against student fees pursuant to Education Code 49011 does not restrict districts from soliciting for voluntary donations, participating in fundraising activities, **and-or** providing prizes or other recognition for participants in such fundraising activities. **However, according to California Department of Education's (CDE) Fiscal Management Advisory 15-01, Pupil Fees: Parent Service Hours, the prohibition against student fees does bar a district from requiring volunteer hours or payment in lieu of performing volunteer hours as a condition of admission, enrollment, continued enrollment, sibling preference, attendance, participation in educational activities, or receipt of credit or privileges related to educational activities.**

FEES AND CHARGES (continued)

The prohibition against student fees shall not restrict the district from soliciting for **voluntary** donations, participating in fundraising activities, **and-or** providing prizes or other recognition for participants in such activities and events. **The Superintendent or designee shall emphasize that participation of students, parents/guardians, district employees, volunteers, or educational or civic organizations in such activities and events is voluntary. However,** ~~the~~ The district shall not offer or award to a student any course credit or privileges related to educational activities in exchange for voluntary donations or participation in fundraising activities by or on behalf of the student. **It also** ~~and~~ shall not remove, or threaten to remove, from a student any course credit or privileges related to educational activities, or otherwise discriminate against the student, due to a lack of voluntary donations or participation in fundraising activities by or on behalf of the student.

(cf. 1321 - Solicitation of Funds from and by Students)

(cf. 3290 - Gifts, Grants and Bequests)

Note: The following paragraph is **optional** and may be revised to reflect district practice.

The Superintendent or designee may provide **additional** information or professional development opportunities to administrators, teachers, and other personnel regarding permissible fees.

Complaints

Note: Pursuant to Education Code 49013, a district is mandated to adopt policy **and procedures** which allow complaints to be filed using the uniform complaint procedures when the district is alleged to have violated the prohibition against requiring unauthorized student fees. See BP/AR 1312.3 - Uniform Complaint Procedures for language implementing this mandate.

A complaint alleging district noncompliance with the prohibition against requiring student fees, deposits, or other charges shall be filed in accordance with the district's procedures in BP/AR 1312.3 - Uniform Complaint Procedures. (Education Code 49013)

(cf. 1312.3 - Uniform Complaint Procedures)
