

# TK - 8 School Update

Board Presentation • August 17, 2017

# Community Meeting Held

---

A community meeting was held with the “4 C’s” neighborhood to share proposed plans from the architects

- Plans had been adjusted based on input from a few neighbors and staff
  - Moved the primary classrooms from the California Ave side of the campus to behind the future gym
  - This will require moving the volleyball and tennis courts - the City is aware
  - This is in compliance with our 1972 agreement with the city
-

# From Transition Team to Implementation Team

---

Determine Focus of the School

Principal has been researching and investigating over the summer

- Design School
  - Timeless
  - Leverages the 4 C's
    - Communication
    - Creativity
    - Collaboration
    - Critical Thinking

Prepares students for a “yet to be defined future”

---

# Consultation and Planning

---
