SUBJECT: Candidates for the Santa Clara County Committee on School  
District Organization

---

The Santa Clara County Committee on School District Organization, the elected body responsible for school district organization and boundaries, will hold an election on November 24, 2015 to fill three seats. Voters in the election are the designated school board members of each school district in the county (California Education Code 35023 requires that each school board annually select one of its members to vote in the county committee election); candidates for the County Committee must be registered voters who reside within the supervisorial district they wish to represent. County Committee members serve four-year terms.

There are eleven seats on the County Committee – two from each of the five county supervisorial districts, and one at-large seat. This year, three seats are up for election, one each in Supervisorial Districts 1, 3, and 5. The Supervisorial Districts include local school districts as follows (*high school districts are not listed since they belong in the same supervisorial districts as their feeder elementary school districts*):

### Supervisorial District 1 (Mike Wasserman, County Supervisor)

Area contains most of south county, encompassing all or parts of the following school districts: Cambrian, Franklin-McKinley, Gilroy Unified, Lakeside Union, Loma Prieta Joint Union, Los Gatos Union, Morgan Hill Unified, Oak Grove, San Jose Unified, Saratoga Union, and Union.

### Supervisorial District 3 (Dave Cortese, County Supervisor)

Area contains most of northeast county, encompassing all or parts of the following school districts: Alum Rock Union Elementary, Berryessa Union, Cupertino Union, Evergreen, Milpitas Unified, Mount Pleasant, Mountain View Whisman, Oak Grove, Orchard, San Jose Unified, Santa Clara Unified, and Sunnyvale.

Supervisory District 5 (Joe Simitian, County Supervisor)

Area contains most of northwest county, encompassing all or parts of the following school districts: Campbell Union, Cupertino Union, Los Altos, Moreland, Mountain View-Whisman, Palo Alto Unified, Santa Clara Unified, and Saratoga Union.

The purpose of this letter is to ask for your help in identifying and encouraging qualified candidates to stand for election to the County Committee. No employee of a public school district or of the County Office of Education may serve on the County Committee, but members of school boards **may** serve. If you know of someone who meets these eligibility requirements and would be willing to contribute to the work of the County Committee, please ask them to consider submitting an application to the County Office of Education. The application should consist of a letter of intent to serve and a brief résumé of background and experience which would contribute to participation in the activities of the County Committee. Candidates must submit the letter and résumé by 5:00 p.m., October 28, 2015 to:

**SANTA CLARA COUNTY  
COMMITTEE ON SCHOOL DISTRICT ORGANIZATION**

The Santa Clara County Committee on School District Organization (County Committee) is comprised of 11 elected members -- two members from each of the five County Supervisorial Districts and one at-large member. Members are elected to four year terms by representatives from the governing boards of the 35 Santa Clara County school districts (one vote from each district). All candidates must be registered voters and reside within the County Supervisorial District which they wish to represent. No employee of a public school district or the County Office of Education may serve on the County Committee. However, members of the governing board of a school district may serve.

The primary responsibilities of the County Committee are the reorganization of school districts (through territory transfers and unification) and the establishment/rearrangement of governing board trustee areas in the school districts. The County Committee is the central initiator, coordinator, facilitator, and arbitrator for these operations. It formulates plans, responds to petitions, conducts public hearings, develops and releases information, and analyzes proposals.

The County Committee is subject to the legal requirements expressed in the California Education Code and to policies and regulations of the State Board of Education. County Committees are given great latitude within which to work so that each local situation can be considered in its own context.

Following is a list of Santa Clara County Committee members as of September 2015. The County Committee is readily accessible through its staff at the Santa Clara County Office of Education.
