

# Summer Programs 2017

9/14/17

Instructional Services, Extensions, Special Ed  
Governing Board Presentation

# Summer Academy

|                               |   |
|-------------------------------|---|
| Students                      | 259   |
| Teachers                      | 15 (1st - 5th)  |
| Reading Intervention Teachers | 2   |
| Lead Teacher                  | 1   |
| Instructional Assistants      | 8   |
| Days of Instruction           | 19  |
| Focus                         | English Language Arts (ELA) and Math with English Language Development (ELD) Strategies |

# Summer Academy

|                          |   |
|--------------------------|---|
| Students                 | 127   |
| Teachers                 | 8 (Grades 1-4th)                                |
| Lead Teacher             | 1   |
| Instructional Assistants | 8   |
| Days of Instruction      | 19  |
| Focus                    | ELA, Math, STEAM, and Multicultural Experiences |

# Elevate Math

- Silicon Valley Education Foundation
- 6th - 8th grades
- 1 CUSD Teacher, 2 SVEF Teachers
- Goal: Promote student success in completing next level math course

# Highlights

- Rosemary
  - Focus on English Language Arts, Math, and ELD
  - Collaborative Tasks Assessed
  - Reading Intervention using Sonday System
  - Improved Attendance
  - Art
  
- Sherman Oaks
  - Focus on English Language Arts and Math
  - Eagle Time
  - Cultural Fridays

# Next Steps

- Monitor Summer Academy students throughout the year
- Planning begins in January!
- Focus on Essential Standards

# Extensions Department Summer

- Fee-Based Summer Programs:
  - Adventures in STREAM-2 one week sessions
  - Summer CampbellCare Camp- 9 weeks
  - Drama Production-Hairspray-4 weeks
  - Minecraft Hacking Camp-1 week
  
- ASES-Grant Funded
  - Middle School Summer CREW-7 weeks
  - Summer Express-Rosemary-4 weeks
  - Summer Express-Lynhaven-6 weeks

# Extensions Summer Participation

| Camp Name                | Attendance        |
|--------------------------|-------------------|
| Adventures in STREAM     | 150 students      |
| Summer CampbellCare Camp | 95 Weekly Average |
| Minecraft Camp           | 12 students       |
| Hairspray                | 40 students       |
| Summer Express-Lynhaven  | 50 weekly average |
| Summer Express-Rosemary  | 70 weekly average |
| Summer CREW              | 60 weekly average |

# Summer Extensions Highlights

- ZERO Robotics
- Field trips aligned with weekly themes
- Engaged students
- Consistent enrollment in camps
- STEAM activities weaved throughout all programs

# Summer Extensions Next Steps

- Investigate new programming options Summer 2018
- Explore ways to enhance staff engagement
- Continue to investigate ways to market the summer programs

# Special Education

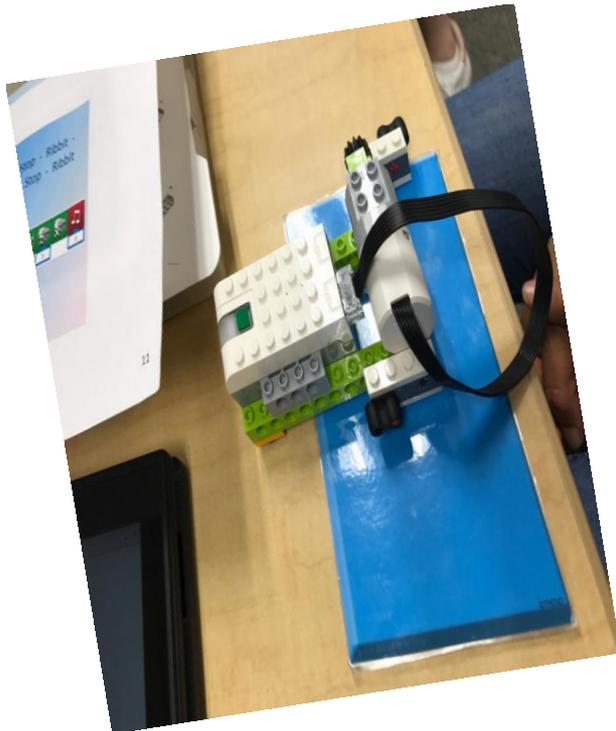

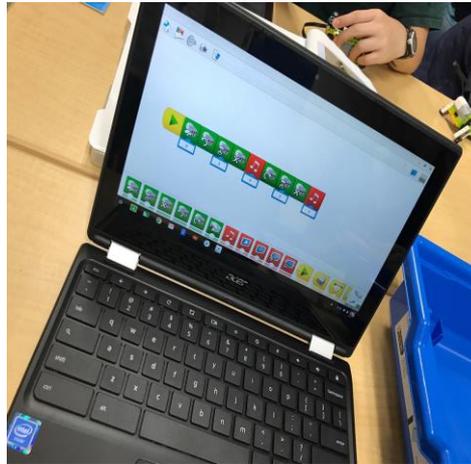

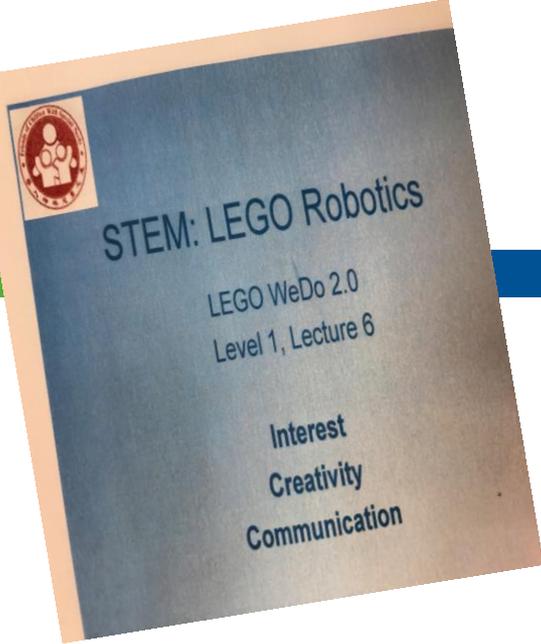

## Extended School Year (ESY)

- Many students with IEPs attend traditional summer school, ESY is a unique service.
- The underlying purpose of ESY services is to maintain knowledge and skills until school starts again - prevent regression.
- ESY is not intended to enhance a student's education or add new knowledge or skills that were not obtained during the regular school year.
- The IEP team determines whether a student requires ESY based on student's goals, progress and history of regression

# Extended School Year (ESY)

|                          |  |
|--------------------------|--|
| Students                 | 55   |
| Teachers                 | 9 (Grades K-8th)   |
| Lead Coordinator         | 1  |
| Instructional Assistants | 24   |
| Days of Instruction      | 19   |
| Focus                    | IEP Goals, ELA, Math, Reading and Functional Life Skills |

# ESY Highlights

# ESY- Next Steps

- Investigate new programming options Summer 2018
  - Therapeutic Class
  - Social Pragmatic groups
  - Dyslexia Intervention
- Planning begins in January!
- The regression formula will be used to determine if ESY is needed for the provision of a Free and Appropriate Public Education (FAPE)

# Questions
