

## 2017-18 MEMORANDUM OF UNDERSTANDING FOR COACH SERVICE

This memorandum of understanding is entered into between Playworks Education Energized (“Playworks”) and Castlemont Elementary School located in Campbell, CA (School”).

This document serves as an agreement between Playworks and the School for proposed services to be delivered and outlines mutual expectations to ensure the success of programming. This agreement must be included either as an addendum or within the body of a formal binding contract.

Playworks is a non-profit, public benefit corporation organized and operated exclusively for charitable purposes within the meaning of section 501(c)(3) of the Internal Revenue Code. The mission of Playworks is to improve the health and wellbeing of children by increasing opportunities for physical activity and safe, meaningful play. Playworks contracts with schools to provide a high quality, multi-faceted program to accomplish this mission during the school day and after school. This memorandum of understanding is entered into for the purpose of establishing an effective partnership between the School and Playworks.

Playworks and the School understand that:

### LOGISTICS

1. The Playworks Program Coordinator (“Coach”) will be an employee of Playworks or an AmeriCorps member contracted by Playworks, and will be an active member of the School community.
2. The Coach is trained by Playworks prior to the first day of programming and receives regular training and supervision throughout the school year. The Coach receives training in youth development, group management, safety and leading healthy play and physical activities for elementary-aged students. Coaches are CPR/first aid certified, fingerprinted through the Department of Justice, and tested negative for tuberculosis. Coaches also attend a mandated reporting workshop and are required by law to report suspected child abuse.
3. AmeriCorps: In the event that the Coach is an AmeriCorps member, the member:
  - a. may not engage in religious or politically affiliated activities including: attempting to influence legislation, protesting, union organizing, engaging in partisan political activities, engaging in religious instruction, and participating in voter registration drives.
  - b. may choose to do AmeriCorps paperwork or planning on-site before or after their regularly scheduled day. No direct service at the school site is required of the Coach outside of the scheduled timeframe.
4. A Playworks Program Manager is responsible for supervision of the Coach and will provide the Coach with support in the initial program implementation at the School. **School administrators will meet the Playworks Program Manager within the first month of the school year and approximately monthly throughout the program.** The Program Manager should be contacted regarding any program problems or questions.
5. Playworks programming is not a substitute for physical education (PE). Coaches may coordinate with an existing PE program, but are in no way a substitute for credentialed PE teachers. Playworks staff may not support the process for grading students related to PE.

6. Playworks offers a teacher training for all teachers and school staff at the School in order to introduce the program and prepare teachers and staff to support the Coach and program. This teacher training provides teachers and school staff with best practices and examples to implement opportunities for play and physical activities for their students. **The School must provide the Playworks with a block of staff development time, ideally two to three hours, for this teacher training within the first six weeks of the school year.**
7. Coaches will make every effort to stay healthy and not miss any school days. However, there will be days when the Coach is ill or absent and there will be no one available to substitute for them. Coaches are required to call the school, their Program Manager and the Playworks administrative office in the event of illness or injury. Concerns about the number of absences of the Coach at your school should be directed toward the Program Manager for your region.
8. In the event that the Coach is absent from the School for more than five consecutive days, your school may apply for a prorated credit from the sixth day of absence through the remaining consecutive days of absence. Only regular school days will be counted in this credit calculation. Approved credits may be taken against future invoices. In the event that the credit is for the final billing period of the school year, the credit will be applied to the following school year.
9. Playworks will implement up to five peer learning days during the school year in which the Coach will visit another Playworks site as part of their professional development and will not be on site implementing the program. Playworks will utilize some of these days to conduct observation of program sustainability. Playworks will provide schools at least 30 days' notice for all peer learning days.

### 11. Program Components:

The Playworks program has interrelated components. Our training and curriculum is geared towards students in kindergarten through sixth grade. The grade preferences listed by each component below reflect the range to which our curriculum is designed and taught to the Playworks Coaches:

- a. Recess (grade levels: all grades) – starts on the first day of Playworks programming  
Playworks will use the recess times to coordinate the playing of core playground games, sports, as well

as skills-building activities, and cooperative games. The Coach is required to be at all regularly scheduled recess periods. Coaches are focused during recess on facilitating recess and are not available for yard supervision. Playworks and the School will work together to create an indoor recess plan in case of inclement weather. **School agrees to provide certified adult yard supervision during all recess periods and assumes responsibility for yard supervision. Playworks does not support the removal of recess privileges for extended periods of time, as a method of discipline.**

- b. **Class Game Time** (grade levels: all grades) - Starts by third week of Playworks programming  
Coaches provide classroom teachers Class Game Time, the purpose of which is to teach students and teachers the rules, expectations and skills of the games and activities provided during recess in a safe and organized setting. The Program Manager and the Coach will work with the School to create the best possible Class Game Time schedule. Depending on the number of classrooms being served, Class Game Times will range from 30 to 40 minutes on a rotating schedule. Class Game Time can be delivered to middle school students as long as the schedule and structure is consistent with lower grades Class Game Times. **The School agrees to provide the presence of a credentialed adult, preferably the classroom teacher, during the Class Game Time session.** Playworks requires the Program Manager's approval on all Class Game Time schedules before distribution to School and teachers. Coaches cannot schedule Class Game Times during any regularly scheduled recess period.
- c. **Leagues** (grade levels: 4-6) - Start dates vary  
Based on available resources and the proximity of neighboring schools, Playworks will organize two non-competitive, skills-building leagues for fourth and fifth grade students. The Coach will be responsible for recruiting for the Playworks Girls Basketball and Co-ed Volleyball leagues as well as coaching at least one practice per week, generally at the school site, and one evening game held off site. Playworks leagues take place over a period of approximately 6-12 weeks during the school year. **No transportation will be provided by Playworks to or from any game or practice.**
- d. **Junior Coach Leadership Program** (grade levels: 4-6) - Starts by the fourth week of Playworks programming  
Playworks will provide a Junior Coach Leadership Program (JCLP) to establish student leadership within the school and to build student ownership of some key school functions. Junior Coaches are selected by the fourth week of Playworks programming through a process that includes student application, teacher recommendation and parent permission. Junior Coaches serve as role models on the playground during recess.
- i. **During the School Day:**  
Junior Coaches are required to participate as leaders at recess 1-3 times a week. Junior Coaches are expected to make up missed work and maintain good grades to participate in the program. Junior Coaches will lead games and activities during the recess time as well as help students manage conflicts if they arise.
  - ii. **Out of School Time:**  
The JCLP supports the development of self-awareness, self-advocacy and community leadership in students by providing 2-4 hours of engaging skill development trainings, team-building games, and fun Playworks activities each week during out-of-school time. The trainings may be held before school, after school or during enrichment or elective blocks during the school day. Trainings are based on Playworks JCLP curriculum that includes, but is not limited to, thematic units on Junior Coach job training, conflict resolution strategies, leadership development, inclusion practices and community service and action. Playworks Coaches lead trainings and skills practice activities in order to prepare Junior Coaches for their leadership role on the

playground. Junior Coach Teams are limited to 15 students per training. Junior Coach attendance is required for all trainings in order for Junior Coaches to participate in their leadership role at recess.

e. **Out of School Time Programming**

The School and Playworks will determine if a model of Before School Recess is viable option based on school schedule and implementation of other components.
