

**EVALUATION OF THE SUPERINTENDENT**

The Governing Board recognizes its responsibility to establish an evaluation system that enables a fair assessment of the Superintendent's effectiveness in leading the district toward established goals, serves to support his/her continued growth in leadership and management skills, and provides a basis for Board decisions regarding contract extension and compensation. The Board shall annually conduct a formal evaluation of the Superintendent's performance and may provide additional opportunities throughout the year to review the Superintendent's progress toward meeting established goals.

Each Board member shall independently evaluate the Superintendent's performance based upon the evaluation criteria, after which the Board shall produce a single document that integrates the individual evaluations and represents the consensus of the Board.
