

RESOLUTION 2018.11

RECOGNIZING AND HONORING NATIVE AMERICAN HERITAGE MONTH

WHEREAS, native peoples were the original stewards of our land and have a great reverence for the earth and its bounty, and generously shared their knowledge with the early European settlers so that we still enjoy that harvest today with an agricultural industry that supports our country and the world; and

WHEREAS, throughout the history of the Americas, native peoples have been an integral part of the American character; and, against great odds, they have endured and retained invaluable political, social and moral presence and have flourished with vibrant cultures and rich traditions;

WHEREAS, the California State Board of Education recognized in its Multicultural Education Policy that each student needs an opportunity to understand the common humanity underlying all people; and

WHEREAS, the local Native American community has enriched the cultural, language, and diversity of perspective in our District; and the Board of Education desires to recognize and honor the achievements and contributions of native peoples.
