

# CAMPBELL SCHOOL OF INNOVATION

Campbell Union School District  
Governing Board presentation  
November 16, 2017

## **SEEK. LEARN. LEAD**

*“We are a community that seeks to understand, learns through design, and leads with innovation to create a better world.”*

### Design Team

- Met on November 14
- Continuing to build a framework for CSI
- Attending professional development workshops

## Marketing

- Parent Info Meeting on November 14 – presented Design Thinking Model, logistics, construction and modernization
- Logo/Website designs are completed, along with brochure, postcard, flyer
- Interior layouts for the new TK-2 classrooms have been determined

## Next Steps

- Community presentations and tours
- Master Schedule and staffing
- Finalize playground areas and furniture order
- Discuss and plan renovation of school front and common areas
