

## **Proposed Mission, Vision, and Core Values**

**Mission:** Scotts Valley Unified School District will provide each student with quality educational and social opportunities needed to thrive in a modern world.

**Vision:** Our students will be socially responsible, pursuing their full potential in intellectual, social, and physical development, and be engaged, ethical and effective citizens.

### **Core Values and Guiding Principles:**

1. Our role is to develop academically capable, culturally attuned and socially responsible students.
2. There is strength and value in diversity of thought and experience.
3. District decisions, at all levels, should be thoughtful, equitable and transparent.
4. We value commitment and collaboration from our engaged students, families and the community.
5. We value trust, respect and teamwork from our highly skilled and dedicated team.
6. We are accountable to our public for setting clear expectations and optimizing resources to meet our goals.
