

## School Attendance Boundaries

The Governing Board shall regularly review school attendance boundaries, taking into account school capacities and enrollment data, geographic features, student safety and transportation, racial and ethnic balance, educational programs ~~such as magnet schools~~, and community input.

(cf. [5116.1](#)- Intradistrict Open Enrollment)

The Superintendent or designee may place a student in a school outside of his/her attendance area in order to alleviate overcrowding. If available, transportation shall be provided for such students according to the usual district fee schedule.
