This contract amendment is attached to the contract between BKF Engineers and San Rafael City schools signed by BKF Engineers on 1/20/17, signed by San Rafael City schools on 2/10/17 and is governed by the terms and conditions therein.

TASK(S):	<p>DESCRIPTION:</p> <p>It is our understanding that up to 11 locations will be potholed by San Rafael City Schools for utility information at the Venetia Valley campus. Based on our phone conversation approximately three (3) potholes will be completed per day, therefore we are anticipating four (4) continuous working days in our fees. We are providing two options to provide land surveying services associated with these contractor activities. For both options, the fees include an initial site visit to mark the locations of where to begin pothole investigations. It is the responsibility of the contractor to continue to search for the specified features, regardless of the marked location's relationship to said facility.</p> <p>Option 1 – One Occupation Per Day [~\$ 1,874/day + Markout]</p> <ul style="list-style-type: none"> ➤ Upon completion of the pothole activities for each day, the contractor will make all pothole locations accessible. BKF will visit the site, occupy project control, survey the horizontal locations and elevations of exposed utilities, take pictures and notes of the exposed pothole. <p>Option 2 – Continuous Service [~\$ 2,938/day + Markout]</p> <ul style="list-style-type: none"> ➤ BKF will provide a survey field crew at the project site for each day that potholing activities occur. Upon completion of each individual pothole, BKF will occupy project control, survey the horizontal locations and elevations of exposed utilities, take pictures and notes of the exposed pothole.
SERVICES TO BEGIN:	Upon formal authorization
TO BE COMPLETED:	Within 3 days of pothole activity completion
DELIVERABLES:	Pothole Exhibit
Fee Option 1:	\$ 8,130
Fee Option 2:	\$ 12,390
