

<p>Milpitas Unified School District Board of Education Agenda Item Summary</p>

Meeting Date: March 13, 2018

Item:
Adult Education Week, April 9 – 13, 2018

Background: Adult Education is a vital community resource, providing training in English as a Second Language, high school diplomas, High School Equivalency preparation, and classes for parents, short term career training courses and a wide variety of personal enrichment classes that add to the cultural and civic pride of Milpitas.

Recommendation: In recognition of these outstanding contributions to the community by the Milpitas Adult Education Program and Adult Education across the State, it is recommended that the Board of Education adopt this item and declare that *Adult Education Week* be in the Milpitas Unified School District during the week of April 9 – 13, 2018.
