Predicted Proficiency Report

Academic year: Current (2017-2018)
Subject: Reading

Show: Spring D3 - 03/12/2018 - 04/02/2018

Use this report to view the percentage of students who are likely to be proficient *(students at Level 3 and above)* by the end of the year and the percentage of students predicted to reach each achievement level. The predictions presented here are based on an analysis of the 2016 end-of-year performance of students who took the Diagnostic during the same period you selected for this report.

District Summary
