

# Campbell School of Innovation Update April 26, 2018

Presented by Superintendent Shelly Viramontez, Ed.D.

# Enrollment

---

	Grade	Current	Capacity
TK	1	24	24
K	4	96	96
1	2	42	48
2	2	36	48
3	2	46	48
4	1	22	30

We will continue to enroll in grades 1st - 4th.

We can increase the number of classes **if** there is additional enrollment — up to about 350 in Year One.

# Available Space / Lottery

---

The configuration of the classes and “collaboratory” between the classes, allows for 4 classes per grade in K-3

We need to leave adequate space for the school to enroll all the way through 8th

We can only grow as quickly as our construction allows

15 students on the waitlist for TK

<10 students on the waitlist for K

---

# Construction Update

---

Electrical Problems

Concrete Wall Removal

Renovate first floor of B-Wing,

Locate Space for CampbellCare, RSP, Home-School,  
Intervention, Parent-Teacher room

Renovate Media Center

Build Tennis Courts and Garden

---

# Middle School Planning

---

All CMS 7th graders have been informed of their 8th grade placement for next year

All CMS students were placed in their requested school  
144 to MMS and 46 to RHMS

A farewell party was held on 4/20 at CMS with current and former staff, students and families

Community partners were present

It was co-sponsored by SLS
