RESOLUTION 2005-06-30

#### CANDIDATE FILING FEES FOR GOVERNING BOARD ELECTIONS

WHEREAS, in 2004 the Santa Clara County Registrar of Voters (ROV) dramatically increased the cost for the candidates' written statement of qualifications for candidates running for a seat on a public school district's Governing Board; and

WHEREAS, the cost of the increase more than doubled the previous filing fee; and

WHEREAS, the new fee for filing a candidates' statement could be prohibitive for qualified voters who wish to serve the CUSD community by running for the Governing Board; and

WHEREAS, the Governing Board desires to encourage qualified voters to run for election to the Board; and

WHEREAS, election costs are calculated into the yearly budget of the District; and

WHEREAS, pursuant to Elections Code 13307, such funds may be used to defray the cost of the candidates' statement;

NOW, THEREFORE, BE IT RESOLVED that the cost of printing, translating and distributing candidates' statements of qualifications shall be borne by the District and the candidates as per the following formula:

\* \$500 of the filing fee will be paid by each candidate who runs for a seat on the CUSD Governing Board; and

\* CUSD will dedicate \$10,000 of the budgeted election fees to be used to pay equally the difference between the \$500 and the actual Registrar of Voters (ROV) filing fee cost per candidate; and

\* If for any reason ALL fees are reimbursed from the ROV, the exact amount of \$500 will be reimbursed to each candidate and the exact portion of the CUSD's costs will be reimbursed to CUSD's election fee budget, and

\* If for any reason Partial fees are reimbursed from the ROV, those fees will be reimbursed to CUSD up to the amount where the District's costs are fully recovered. Funds beyond this

amount will be redistributed equally among all candidates.

NOW, BE IT FURTHER RESOLVED that the District's total pro rata share of candidates' filing fees shall not exceed \$10,000 and the aforementioned individual filing fee may be appropriately adjusted in order to comply with the \$10,000 cap.
