Board Member Qualifications

Any person is eligible to be a member of the Governing Board, without further qualifications, if he/she is 18 years of age or older, a citizen of California, a resident of the school district, a registered voter, and not legally disqualified from holding civil office. Any person who has been convicted of a felony involving the giving, accepting, or offering of a bribe, embezzlement or theft of public funds, extortion, perjury, or conspiracy to commit any such crime, under California law or the law of another state, the United States of America, or another country, is not eligible to be a candidate for office or elected as a Board member except when he/she has been granted a pardon in accordance with law. (Education Code 35107); Elections Code 20)

A district employee elected to the Board shall resign his/her employment before being sworn in or shall have his/her employment automatically terminated upon being sworn into office. (Education Code 35107)

(cf. 9224 - Oath of Affirmation)

(cf. 9270 - Conflict of Interest)

The Board encourages all candidates to become knowledgeable about the role of board members. The Superintendent or designee shall provide all candidates with information that will enable them to understand the responsibilities and expectations of being a Board member, including information regarding available workshops, seminars, and/or training. The Superintendent or designee shall provide all candidates with the county election official's contact information and general information about school programs, district operations, and Board responsibilities.

(cf. 9230 - Orientation)

(cf. 9240 - Board Training)

Consolidation of Elections

To reduce costs associated with conducting elections, the Board may consolidate Board elections with the local municipal or statewide primary or general election in accordance with Elections Code 1302.

In addition, if a regularly scheduled Board election held other than on a statewide election date results in a decrease in local voter turnout of 25 percent or more compared to the average local turnout for the previous four statewide general elections, the Board shall take action to

consolidate Board elections with statewide elections. The district shall move its election to the next state statewide election date, unless the Board has adopted a plan by January 1, 2018 to consolidate Board elections not later than the November 8, 2022 statewide general election. (Elections Code 14051, 14052)

In order to consolidate elections based on either circumstance described above, the Board shall adopt a resolution and submit it to the County Board of Supervisors for approval not later than 240 days prior to the date of the currently scheduled district election. (Elections Code 10404.5)

Whenever a regularly scheduled Board election is changed due to consolidation of elections, the terms of office of incumbent Board members shall be extended to align with the next applicable election. (Elections Code 10404.5)

(cf. 9110 - Terms of Office)

Elections Process and Procedures

Board members may reside anywhere within the district's boundaries and shall be elected by all voters in the district.

To ensure ongoing compliance with the California and Federal Voting Rights Acts, the Board may review the district's Board election method to determine whether any modification is necessary due to changes in the district's population or any of its racial, color, or language minority group composition. The review shall be based on the superintendent or designee's report to the Board after the release of each decennial federal census.

If the Board determines that a change is necessary, it shall hold public hearing in accordance with Elections Code 101000 before adopting a resolution at an open meeting specifying the change(s) and shall, in accordance with Education Code 5019 obtain approval from the county committee on school district organization having jurisdiction over the district.

(cf. 9320 - Meetings and Notices)

Campaign Conduct

All candidates, including current Board members running as incumbents, shall abide by local, county, state, and federal requirements regarding campaign donations, funding, and expenditures.

In order to help protect the public's trust in the electoral process as well as the public's confidence in the Board and district, the Board encourages all candidates to sign and adhere to the principles in the Code of Fair Campaign Practices pursuant to Elections Code 20440.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

(cf. 9005 - Governance Standards)

Statement of Qualifications

In order to encourage qualified voters to run for election to the Board, the district shall pay a portion of the filing fees according to Board Resolution 2005-06-30, Candidate Filing Fees for Governing Board Elections, to be used towards the cost of printing, handling, translating, mailing, and/or electronically distributing candidate statements filed pursuant to Elections Code 13307.

On the 125th day prior to the day fixed for the general district election, the Board secretary or his/her designee shall deliver a notice, bearing the secretary's signature and district seal, to the county elections official describing both of the following: (Elections Code 10509)

1. The elective offices of the district to be filled at the general election and which offices, if any, are for the balance of an unexpired term
2. Whether the district or the candidate is to pay for the publication of a statement of qualifications pursuant to Elections Code 13307

(cf. 9223 - Filling Vacancies)

Candidates for the Board may submit a candidate statement to the elections official for inclusion in the voter's pamphlet.

Candidate statements shall be limited to no more than 200 words. (Elections Code 13307)

When the elections official allows for the electronic distribution of candidate statements, a candidate for the Board may, in addition to or instead of submitting a candidate statement for inclusion in the mailed voter's pamphlet, prepare and submit a candidate statement for electronic distribution.

Tie Votes in Board Member Elections

Whenever a tie makes it impossible to determine which of two or more candidates has been elected to the Board, the Board shall immediately notify the candidates who received the tie votes of the time and place where the candidates or their representatives should appear before the Board. The Board at that time shall determine the winner by lot. (Education Code 5016)
