2017-20 Plan Summary

The Story

Describe the students and community and how the LEA serves them.

Santa Rosa City Schools district has a long, rich history serving students in Sonoma County, in the largest California city north of the Golden Gate Bridge. Our district was founded in 1858 with 50 students. Today, we welcome nearly 16,000 students to our 24 schools.

Santa Rosa City Schools' campuses include nine elementary schools, five middle schools, five high schools and one continuation high school. We also have four dependent charter schools, including French and Spanish immersion schools, a K-8 charter school for the arts, and a nationally recognized accelerated charter school.

In October 2017, our district lost an elementary school and a high school farm to deadly wildfires that swept through Northern California. The fires destroyed more than 6,000 structures in Sonoma County, including the homes of 800 students and 90 staff members. This devastating loss will shape the needs of our community for years to come.

Our community is diverse. Students and families speak 52 languages, with the majority speaking English and/or Spanish. We have 3,500 English learners. We value diversity and have been recognized statewide for our Equity and Social Justice Initiative. That initiative has been embraced by our 1,600 teachers and staff, who have adopted the district's motto of "Every Student, Every Possibility, No Matter What."

Learning begins with healthy students and families. We partner with community organizations to provide services that go beyond academics, such as parent education, health services and counseling. Bilingual family engagement facilitators help our families make connections.

The mission of our schools is to provide active, involved learning to prepare each of our students for college and career. To that end, we have Career Technical Education programs, Magnet programs that partner with our local junior college and university, an award-winning high school arts program, and an International Baccalaureate Program.

This school year, our district began using the hashtag “#SRCStogether” in social media. That hashtag has taken on more meaning as our staff and families have joined together to support each other after the fires. After 160 years, Santa Rosa City Schools continues to value its position in this community, entrusted with providing our next generation the tools they need, both to recover and to lead us into the future.

LCAP Highlights

Identify and briefly summarize the key features of this year's LCAP.

Goal 1: Provide a coherent, rigorous and relevant teaching and learning program to graduate college and career ready students.

The district supports high-quality classroom instruction and curriculum that promotes college and career readiness with academic interventions in place to eliminate barriers to student success. Santa Rosa City Schools supports Collaborative Curriculum Design (CCD) work in all core subject areas. The focus on the California ELD Standards will continue to be enhanced with additional GLAD training and in classroom support through Teachers on Special Assignment (TOSA). Training for Next Generation Science Standards and C3 Framework for Social Studies State Standards receives TOSA support in the classroom. Santa Rosa City Schools supports a focus on STEM training through Maker projects in K-8 schools. SRCS support, with the focus on coherence, systems, and building capacity.

Goal 2: Increase student and family wellness and engagement through the full-service community school model. The district ensures that all schools have a safe, welcoming and inclusive climate for all students and families so that all students are in their classes and ready to learn. The commitment to ensure that every student attends a school that is safe, clean and healthy can be seen in SRCS's work to improve the climate at our schools through the district's receipt of the School Climate Transformation Grant which focuses on BEST Plus (Positive Behavior Intervention and Strategies, Restorative Practices and behavioral health services).

Through restorative practices, centralizing attendance letters, SOLL (Supporting Our Language Learners) counselors, family engagement staff and student engagement activity workers we see a positive impact on students and families. This is evidenced by the reduction of suspensions and expulsions, increases in restorative interactions with students, increased contact with families regarding attendance, 25% of teachers attending the Museum of Tolerance training, the identification of nine BEST Plus schools and their training with an increased number of students receiving mental health services.

Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

Approximately 400 students, district-wide, have met the reclassification criteria this year. This is 200 less students than the totals for 2016-2017. This is in part due to the transition from the CELDT to the ELPAC and not having current CELDT scores for every EL student in the district.

Much has been done over the last couple of years to educate parents about the reclassification process and criteria through English Language Advisory Councils (ELACs) and the District English Language Advisory Council (DELAC) meetings. Parents are informed of the benefits of being reclassified as Fluent English Proficient (R-FEP) and are highly encouraged to meet with teachers and the administration if their student is not making progress towards being reclassified.

The Family Engagement Facilitators (FEFs) have removed the language barriers that Spanish speaking families previously faced. Consequently, parents are more engaged and more aware of the offerings provided by the schools and the district. They are able to have meetings with monolingual (English-speaking) teachers and administrators to inquire about their students' challenges and successes, in order to work collaboratively to support improved outcomes for the students.

Two of our most successful professional development ELA/ELD initiatives have been the Bay Area Writing Project (BAWP) and Collaborative Curriculum Design (CCD). Both initiatives are Common Core aligned and have been teacher-led and teacher inspired. Smarter Balanced Assessment Consortium (SBAC) scores were used as one measure to determine BAWP success. In 8th grade, 82% of EL students and 70% of English Only students who experienced BAWP increased their SBAC scores. Furthermore, 8th-grade students' SBAC scores who experienced BAWP were compared with 8th-grade students who did not experience BAWP and the differences were found to be statistically significant and large or very large. Interest in BAWP among teachers continues to grow to the extent that two cohorts were filled in 2017-18 and more teachers are asking to participate. Also, teacher-graduates of BAWP are clamoring for more BAWP professional development.

The Collaborative Curriculum Design work is large in scope and is in its beginning stages of implementation. One reason we expect our CCD Units of Study developed by teachers for teachers and students to have a positive impact on the skills and concepts students learn is because SRCS teachers know their students better than any publisher possibly could. Developing learner-centered units with appropriate differentiation and scaffolding strategies embedded within will support students as they acquire the 21st Century skills and mindset needed for College and Career success.

As a district, we have taken great steps to ensure that our ELL students are reclassified in an efficient and timely manner with the help of our LCAP district Supporting Our

Language Learners (SOLL) counselors who focused efforts to help reclassify 595 ELL students to proficiency this year. This is a 210 jump from last year when only 385 of our ELL students were reclassified.

Mathematics has made several changes this past year. Secondary teachers voted on moving to an integrated math pathway. This necessitated the need to write a course proposal, select textbooks and submit the course design to the UCs for a - g approval. Secondary mathematics teachers agreed upon a district wide math diagnostic test in 6th and 8th grade and provided the test to our feeder districts. We agreed upon the criteria for Advanced Math 7. We also took a step forward in heterogeneity through having only one course for integrated math 1 so all students will be in the same course. Teachers met as school sites to work on instructional practices and planning for math 1.

Science made strides in deciding on pursuing the two NGSS frameworks that will begin to be implemented in 2019-2020. Professional development was directed by site teachers regarding NGSS models.

Santa Rosa City Schools continues to make progress on the Equity Initiative. This year we continued to provide staff the opportunity to attend the Museum of Tolerance professional development experience in Los Angeles. In three years we have taken almost 650 staff members to the Museum of Tolerance. We also increased our number of participants to the Unconscious Bias workshops provided by the California Teachers Association Office of Civil Rights by 150. At this point we have had 400 staff members participation in the professional development. The district Equity Steering Committee has made great progress in supporting the Equity Initiative by participating in professional development on how to use the Social Justice Standards and the Anti-Bias Framework provided by the creator of those standards and the Teaching Tolerance organization.

Santa Rosa City Schools (SRCS) continues to make progress on Career Technical Education (CTE) Programs meeting the Eleven Elements of a High Quality CTE Program. CTE programs teachers have participated in professional development opportunities focused on the elements. The District CTE Advisory committee continues to meet advise, assist, support the continuous improvement of our CTE programs. An outcome of this committee includes the development of a SRCS Career Preparation Certificate, which provides clear and measurable outcomes around what it means to be career ready.

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category or where the LEA received a "Not Met" or "Not Met for Two or More Years" rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Greatest Needs

Schools need to ensure that all English Learners have access to their grade-level curricula and core content. The California School Dashboard shows all of our schools in the orange performance indicator for English Learner progress with one of our high schools in the red.

EL students need to be provided an equal opportunity to participate in all programs, including Advanced Placement (AP), International Baccalaureate (IB) courses; clubs; and honor societies. We must ensure ELs are provided well-designed, comprehensive, and integrated ELD in all content areas in order to support their success. Further, we must also ensure that EL students are provided designated ELD, a protected time in the regular school day, where ideally students are grouped by their English language proficiency levels and teachers use the CA ELD Standards as the focal standards in ways that build into and from content instruction to develop critical language ELs need for content learning in English. To support this critical work teachers must decide if they will create these ELD lessons through CCD work or if they will choose to pilot existing ELD programs in order to bring a recommendation for an ELD adoption to the Board. Once this decision is made, teachers will need to participate in professional development in order to provide a robust ELD program to our EL students.

Our greatest need in secondary mathematics is focusing on instructional practices and creating a student centered classroom. We must “provide pedagogical strategies to create a classroom ‘social system’ that directly attends to problems of social inequality which undermine academic access and achievement” Lisa Jilk, PhD, What is Complex Instruction). Teachers must examine what they believe is a demonstration of math success.

Our greatest need in secondary science is two pronged. Support is needed in middle schools regarding curriculum/materials for 7th and 8th grade science as they moved to NGSS in 2016/2017. They have no support for integrated science and are trying to develop everything on their own. For high school science, there is a significant need for professional development in the NGSS model, writing benchmark assessments and course development.

California School Dashboard data reflects suspension rates for all students (K-12) in the orange performance level.

Santa Rosa City Schools will continue to make headway in this category with responses to instruction and intervention. This Multi-tiered System of Support (MTSS) with BEST Plus which is a hybrid of Positive Behavior Intervention Strategies, Restorative Practices, and behavioral health support will continue to move towards helping all of our schools implement the restorative model.

Regarding equity and access to educational opportunities, Santa Rosa City Schools needs to continue to break down barriers that prevent underserved students from accessing academically rigorous curriculum and instruction.

Santa Rosa City Schools needs to increase the visual and performing arts instruction to increase student engagement, critical thinking and creative problem solving. The number of students receiving music instruction in our elementary schools has decreased over the years and is in danger of being lost in middle schools.

Santa Rosa City Schools partnered with Social Advocates for Youth’s (SAY) College and Career Readiness team to coordinate and facilitate work-based learning opportunities for all students in all high schools across the district. Work-based learning involves interactions with industry or community professionals that are linked to school-based instruction. The Work-based Learning Coordinators work in tandem with the College and Career Counselors. Support for this service needs to continue to engage students and promote exposure and access to future educational and career opportunities.

Support needs to continue to be provided to ensure that Career Technical Education programs are meeting the Eleven Elements of a High Quality CTE Program.

Development of a district-wide Comprehensive College and Career Counseling Plan would increase articulation and coherence in the types of support provided to assist students with being ready for college and career.

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. What steps is the LEA planning to take to address these performance gaps?

Performance Gaps

There is no denying that there are performance gaps between our English Learners and the general Santa Rosa City Schools student population. We also recognize that much has changed in regards to the California Standards and that strong first instruction is critical to student achievement and school improvement. We understand the need for sound and systematic intervention programs for our English Learners and that a more robust monitoring system must be implemented in order to ensure students are making the necessary gains in language acquisition as well as academic achievement in content standards. Further, we fully understand that more must be done to engage parents as partners in this important work.

We recognize that our English Learner Services have a double curricular load - they shall become proficient in academic English, and they shall master all of the academic content required of all students in California. This means that ELs require additional services to ensure that they acquire English and have access to the full curriculum in a way that makes instruction comprehensible and meaningful. We must provide professional development and collaboration time for teachers in order to provide our ELs with excellent first teaching in the core content and services above the core to ensure that their linguistic and academic needs are met.

Data from the CDE DataQuest website for all students affiliated with Santa Rosa City Schools shows the A-G completion rate with the following performance gaps:

Hispanic A-G Completion Rate.....	District A-G
2014-15 ~ 17.5%.....	2014-15 ~ 28.52%
2015-16 ~ 19.5%.....	2015-16 ~ 28.62%
2016-17 ~ 15.9%.....	2016-17 ~ 29.84%

Special Education has focused on two important goals for improving school scores for students with disabilities;
Improved Case management. The District continues to provide new teacher release and department supports to track student improvement and provide supports per the Individual Educational Program (IEP). Teachers receive notice if their students are not being tracked on their progress for the IEP. The teachers receive support from the Special Education office to hold IEP and insure students are receiving services.

Moving more students into general education classes with support. The Special Education department has expanded Co-teaching and mainstreaming opportunities at all levels in the District. In addition, students are being moved to expect the California graduation requirements which allow

them to receive Diplomas where in previous years they received Certificate of Complete. This will dramatically increase the number of students graduating with diplomas and better prepare them for after high school options.

The SOLL counselors were assigned to support the Foster Youth. There is a district liaison to assist with proper identification of Homeless students in the student information system(SIS). SRCS works with SCOE to identify Foster Youth in the SIS as well. There was a delay in getting reports in the SIS for folks to quickly identify students in these categories.

A reminder for SOLL counselors to check in with Foster Youth was sent out, encouraging social emotional support as well as an academic check-in and a focus on the next year's course selection request.

State Assessment data from the Spring of 2017:

Foster Youth increased in ELA and Homeless Youth decreased in ELA. Foster & Homeless Youth had a decrease in state Math assessments.

If not previously addressed, identify the two to three most significant ways that the LEA will increase or improve services for low-income students, English learners, and foster youth.

Increased or Improved services

Based on staff and stakeholder feedback and research on effective practices we are implementing 15 Actions/Services in Goal 1 and 10 Actions/Services in Goal 2 to improve services for the Low Income, English Learner and Foster Youth, including using a portion of the LCFF Supplemental dollars for site allocations based on the number of unduplicated youth served to allow sites to implement site specific solutions based on unique site needs and site stakeholder input. Three significant actions to improve services are:

H109: Implement an English Learner Master Plan to guide the instructional program to ensure EL students are progressing and reclassification rates are increasing while reducing Long Term English Learner rates. Provide support services for Long Term English Learners and Migrant students to accelerate their ELA and math proficiency.

H201: Increase targeted engagement and communication with parents of UPC students to provide greater access and build partnerships with school, community -based organization and local businesses.

H207: Ensure all foster youth, English Learners, and low -income students have individual learning plans to support school connectedness and academic achievement. Provide 5 LCAP bilingual school counselors (SOLL) to provide case management to foster youth and English Learners.

Budget Summary

Complete the table below. LEAs may include additional information or more detail, including graphics.

DESCRIPTION	AMOUNT
Total General Fund Budget Expenditures For LCAP Year	\$120,767,346.00
Total Funds Budgeted for Planned Actions/Services to Meet The Goals in the LCAP for LCAP Year	\$55,050,819.44

The LCAP is intended to be a comprehensive planning tool but may not describe all General Fund Budget Expenditures. Briefly describe any of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP.

The Santa Rosa community approved two Prop 39 General Obligation Bonds for Santa Rosa City Schools: Measure I funds are for the Santa Rosa High School District.

Santa Rosa City Schools Bond Program is committed to:

- *Providing a Safe and Modern Learning Environment
- *Current and Reliable Technology and Labs
- *School Repair Measures to Support Student Success

The Santa Rosa City Schools High School District plans to spend an additional \$111,965,855 in addition to the expenditures shown here in the LCAP document. These additional expenditures are for our basic services, special education programs and additional instructional programs such as our Federal No Child Left Behind services. Of this \$111,965,855, 75% is for employee salaries and benefits, 5% is for materials and supplies and 20% is for contracted services.

DESCRIPTION	AMOUNT
Total Projected LCFF Revenues for LCAP Year	\$96,458,589.00

Annual Update

LCAP Year Reviewed: 2017-18

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 1

Provide a coherent, rigorous and relevant teaching and learning program to graduate college and career ready students.

State and/or Local Priorities addressed by this goal:

- State Priorities:
- Priority 1: Basic (Conditions of Learning)
 - Priority 2: State Standards (Conditions of Learning)
 - Priority 4: Pupil Achievement (Pupil Outcomes)
 - Priority 5: Pupil Engagement (Engagement)
 - Priority 7: Course Access (Conditions of Learning)
 - Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:

Annual Measurable Outcomes

	Expected	Actual
Metric/Indicator		Grade 7: 53.30%
Physical Fitness		Grade 9: 52.60%
17-18		
Increase Physical Fitness scores by 3% on the Statewide Physical Fitness Test.

the base content for Math 1. Math 1 is fully aligned to the common core standards. Textbooks have been ordered which includes CPM, Math Visions Project, Big Ideas and Integrated Math CA. This means that not all schools are following CPM.

Math TOSA supported new teachers in the classroom and led the development of math diagnostic test.

Supported five teacher teams attending C³, which provides an opportunity for CTE and core academic teachers to work together in the effort to deepen integrated project-based learning. Teacher teams collaborated with industry and community partners to design integrated project-based learning experiences that engage and prepare students.

Teams from our English and Social Science departments met with Connie Kamm of Kamm Solutions a total of 17 days throughout the 2017-18 school year to create curriculum. These teams successfully completed 3 units that are currently live and accessible to all secondary teachers.

Subs were provided for Choral Directors to attend Barclay Music workshops.

Curricular Integration TOSA worked with sites and teachers to

provide interdisciplinary curriculum. Subs and extended pay was provided for this work.

A new cohort of teachers participated in the Bay Area Writing Project (BAWP), there were a series of trainings provided for the new cohort as well as the returning cohort.

Action 6

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>H106: Use a data system of formative, interim & summative assessments as well as to inform the MTSS in the area of student learning and achievement. Train staff on systems, provide collaboration time for data analysis, provide the time of development and implementation of intervention and acceleration.</p>	<p>Secondary schools have 1177 licenses assigned to them for Math Edge. Not all licenses are being used.</p> <p>Created a math diagnostic test for all students coming into SRCS and for SRCS students in the 6th and 8th grade.</p> <p>Provided support for 4 teachers to attend the Good Teaching Conference February 2-4, 2018 and 3 teachers to attend the New Educator Weekend February 23-25, 2018.</p> <p>Let's Go Learn and CAASPP assessments were used to identify students who demonstrated proficiency in English to be reclassified.</p>	<p>5000-5999: Services And Other Operating Expenditures Base 91,600.00</p> <p>5000-5999: Services And Other Operating Expenditures Supplemental 30,000.00</p>	<p>5000-5999: Services And Other Operating Expenditures Base 0</p> <p>5000-5999: Services And Other Operating Expenditures Supplemental 17,505.38</p>

Action 8

Planned Actions/Services
 H110: Implement an English Learner Master Plan to guide the instructional program to ensure EL students are progressing and reclassification rates are increasing while reducing Long Term English Learner rates. Provide support services for Long Term English Learners and migrant students to accelerate their ELA and math proficiency.

Actual Actions/Services
 The English Learner Master Plan was adopted August 2017. Students are monitored regularly to identify students who meet the reclassification criteria in order to appropriately challenge them. English Learner students who did not meet the reclassification criteria were provided additional support such as: after-school tutorials, and in school interventions. SOLL Counselors monitor students and provide counseling services and outreach to parents in order to support long term EL's. The Bay Area Writing Project was the primary focus for improving EL instruction.

<p>H130: Decentralized funding for school sites to implement services to FY, LI, EL and Special Education students and families as described in their school site plans (SPSA). Each school SPSA is aligned to the LCAP goals with a strategic focus on the site's specific needs. Progress monitoring of the SPSA goals will occur throughout the year.</p>	<p>Sites received \$1.7 million allocated based on unduplicated student counts to implement their LCAP aligned SPSA. Extensive training and coaching were provided to each site's leadership teams to facilitate a strategic focus on goals and actions that would move the sites forward in providing best first instruction and support services. Each site leadership team provided a progress report two times during the year with an analysis of the progress using a qualitative and quantitative data. All sites showed growth as evidenced their data. There is still work to be done but sites are definitely seeing positive change.</p>	<p>0000: Unrestricted Supplemental 1,502,705.00</p>	<p>0000: Unrestricted Supplemental 1,113,128.21</p>

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

By continuing and increasing services to our English Learners, foster youth, and low-income students we were able to pinpoint specific needs in order to ensure that these students were college and career ready. Specifically, the focus on our English Language Learners and a close look at our reclassifications this year helped us to develop and implement systems in place to ensure they are correctly placed academically. Implementing collaboration and PD throughout the disciplines continues to directly affect student outcomes as the work on their desk begins to change and reflect a more sequenced problem and solution based format

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The district continues to make great strides in collecting and using the data available to assist in assessing the metrics of the actions of the SPSA and LCAP. The focus on Local Data became very important this year. Santa Rosa City School stakeholders supported the decision not to take the 2018-2019 school year SBAC tests due to loss of instruction time after the devastating wildfires in our district. Actions to increase student proficiency for ELA and Math were measured by the reduction of D's and F grades, CELDT data, reclassification data, results on the PSAT, increase in the access to a-g courses, increase in CTE completers, teacher participation in department chair and subject meetings to identify priority standards and create curriculum.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Action #2: Due to the fires that raged through Sonoma County and closed our schools for 3 weeks we were not able to adhere to the MTSS schedule of PD.

Action #4: Due to the fires that raged through Sonoma County and closed our schools for 3 weeks we were not able to adhere to the schedule.

Action #6: Due to the fires that raged through Sonoma County and closed our schools for 3 weeks we were not able to adhere to the schedule.

Action #8: Due to the master plan being approved, after the LCAP positions and PD was not aligned.

Action #9: Due to the fires and the late passing of the tentative agreement, the new SIS system was not implemented fully.

Action #13: Due to the fires that raged through Sonoma County and closed our schools for 3 weeks we were not able to adhere to the schedule.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

There are no significant changes made to Goal 1 Actions in 2017-18.

Annual Update

LCAP Year Reviewed: 2017-18

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 2

Increase student and family wellness and engagement through the full service community school model.

State and/or Local Priorities addressed by this goal:

- State Priorities: Priority 3: Parental Involvement (Engagement)
 Priority 5: Pupil Engagement (Engagement)
 Priority 6: School Climate (Engagement)

Local Priorities:

childcare were provided. The District English Learner Advisory Committee(DELAC) met a total of 9 times.

Action 7

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>H207: Ensure wrap-around services for students and families for MTSS behavioral health support services, restorative practices, and any other services identified. Maintain 9 Restorative Specialists. Provide training and support.</p>	<p>The BEST Plus Roll-out continued to focus efforts to teach the MTSS structure and formalize the 4 categories: Academics, Attendance, Behavior & Social Emotional Interventions at each of the 3 tiers of each pyramid. Training for classified and certificated referenced the MTSS structure to move the work forward. Santa Rosa City Schools had 14 Restorative Specialists this school year.</p> <p>The rollout continued for the School Climate Transformation Grant. The focus is MTSS which is a hybrid of Positive Behavioral Interventions and Supports(PBIS), Restorative Practices(RP), and behavioral health support.</p> <p>Creation of a Tier 3 District Level team: Procedures are polished for the MTSS: focus on 4 pyramids of interventions: Academic, Social-Emotional, Behavior, and Attendance.</p> <p>Efforts began with a focus on sustainability of support documents and information for an</p>	<p>5000-5999: Services And Other Operating Expenditures Other 100,000.00</p> <p>1000-3999: Salaries and Benefits Supplemental 525,920.00</p>	<p>5000-5999: Services And Other Operating Expenditures Other 241.20</p> <p>1000-3999: Salaries and Benefits Supplemental 540,156.72</p>

MTSS section of our SRCS website for future use and increased consistency.

Cohort 1:
Continued Implementation of PBIS & RP, polishing MTSS process at the site level. Members of Cohort 1 are invited as guests at site leader meetings to inform and collaborate with newer Cohorts 2 & 3.

Cohort 2:
Professional Development:
Focus: Tier 2 Supports, resources, systems, methods, student screeners
4 full day training for a team of 5-7 teachers from each school. Bi-monthly site leader meetings and extra meetings for coaching and support.

Cohort 3:
Professional Development:
Focus: PBIS Tier 1 school expectations, positive responses, prizes, classroom circles, restorative culture and practices, fair process and decision making, resources, Google shared folders, data collection, and analysis for discipline
6 full day training for a team of 5-7 teachers from each school.
Monthly site leader meetings, and extra meetings for coaching and support.

Action 8

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
H208: Provide academic and engagement support services through researched based best practices (i.e.: AVID, Link Crew, Safe School Ambassadors, Restorative practices, BEST, Peer Leaders, Freshmen Transitions, Early College Magnet).	The School Climate Transformation Grant funds Safe School Ambassadors (release days & trainer for trainer model), the training for Restorative Specialists, as well as the BEST (PBIS) strategies and release days and training's for BEST Plus teams.	<p>4000-4999: Books And Supplies Supplemental 1,000.00</p> <p>5800: Professional/Consulting Services And Operating Expenditures Supplemental 12,954.00</p> <p>5000-5999: Services And Other Operating Expenditures Supplemental 6,000.00</p> <p>1000-3999: Salaries and Benefits Supplemental 14,000.00</p>	<p>4000-4999: Books And Supplies Supplemental 0</p> <p>5800: Professional/Consulting Services And Operating Expenditures Supplemental 0</p> <p>5000-5999: Services And Other Operating Expenditures Supplemental 18,860.32</p> <p>1000-3999: Salaries and Benefits Supplemental 282.18</p>

Action 9

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
H209: Provide alternative educational opportunities such Bridge Academy for tier 2 and 3 struggling students (5 teachers and 5 instructional assistants). Begin to focus on the transition to ninth grade.	Bridge Academy continued at the middle schools. This year, there were follow-up/ check-in visits with the current 9th graders to see how they are doing with the transition to high school.	<p>5800: Professional/Consulting Services And Operating Expenditures Supplemental 31,580.00</p> <p>4000-4999: Books And Supplies Supplemental 40,500.00</p> <p>1000-3999: Salaries and Benefits Supplemental 480,534.00</p>	<p>5000-5999: Services And Other Operating Expenditures Supplemental 30,045.18</p> <p>4000-4999: Books And Supplies Supplemental 17,749.64</p> <p>1000-3999: Salaries and Benefits Supplemental 505,730.12</p>

Action 10

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
H230: Decentralized funding for school sites to implement services to FY, LI, EL and Special Education students and families as described in their school site plans	Sites received \$1.7 million allocated based on unduplicated student counts to implement their LCAP aligned SPSA. Extensive training and	0000: Unrestricted Supplemental 182,969.00	0000: Unrestricted Supplemental 119,268.40

(SPSA). Each school SPSA is aligned to the LCAP goals with a strategic focus on the site's specific needs. Progress monitoring of the SPSA goals will occur throughout the year.

coaching were provided to each site's leadership teams to facilitate a strategic focus on goals and actions that would move the sites forward in providing best first instruction and support services. Each site leadership team provided a progress report two times during the year with an analysis of the progress using a qualitative and quantitative data. All sites showed growth as evidenced in their data. There is still work to be done but sites are definitely seeing positive change.

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Actions and services for the goal were implemented as planned. Ensuring that every student attends a school that is safe, clean and healthy is a top priority for Santa Rosa City Schools.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The implementation of restorative practices, centralizing attendance letters, the addition of the family engagement staff, restorative specialists, mental health services, professional training for classified and certificated staff in Trauma Informed Care, circle community building, restorative practices, well-being and positive behavior interventions have all had a positive impact on students and families.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Action #2: Due to the fires that raged through Sonoma County and closed our schools for 3 weeks we were not able to adhere to the schedule of PD.

Action #3: Due to the fires and the late passing of the tentative agreement, the new SIS system was not implemented fully.

Action #6: Due to the fires that raged through Sonoma County and closed our schools for 3 weeks we were not able to adhere to the schedule.

Action #7: Due to the fires that raged through Sonoma County and closed our schools for 3 weeks we were not able to adhere to the schedule of PD.

Action #8: Due to the fires that raged through Sonoma County and closed our schools for 3 weeks we were not able to adhere to the schedule of PD and these were not re-scheduled in 2017-18.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

There are no significant changes made to Goal 2 Actions in 2017-18.

LCAP Year: 2018-19

Involvement Process for LCAP and Annual Update

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

After gathering feedback about the stakeholder engagement process, it was determined that more feedback from more stakeholders would occur if it took place at the school sites and through district meetings. A protocol for all site principals was developed to assist in monitoring the progress of the LCAP actions through the alignment to the Single Plan for Student Achievement (SPSA). This alignment created a strategic focus for each of the sites to monitor progress and have site level conversation with all members of their school community about the how the services being provided were achieving the intended outcomes of the LCAP/SPSA. The various stakeholder meetings had in attendance Board of Trustees members, DAC representatives, certificated and classified leadership group members, administrators, community members, and students. Principals from our 26 schools came together two times during the year to share and collaborate in an inquiry seminar format, separated into elementary, middle and high school groups and also feeder patterns. They shared and received feedback on their identified foci, the intended outcomes, the metrics used to measure (both quantitative and qualitative) the feedback from stakeholders, and finally their discovery based on the results, the process itself, and the feedback. The process has provided more stakeholders a rich and meaningful way in which to engage in the LCAP/SPSA as well as provide relevant feedback for the individual school communities that makes up SRCS. The other forms of outreach communication consisted of using the phone, email, web, radio, newspaper, Twitter, etc. to inform the public, collect input and determine any modification needed to the LCAP. SRCS hosted three Stakeholder's Unity Meeting (SUN) for the community at large. The collection of input was comprised of online surveys, community meeting, student surveys, parent groups' surveys and staff surveys. Stakeholder surveys this year included the Thought Exchange process. The survey was held from February 13 - March 7, 2018, in which 3,144 written "thoughts" were collected from parents, site and district staff, and students (from the secondary level) as well as community members at large. These thoughts were aggregated into themes for them to "star" or prioritize what they felt was most important. The data was presented at DAC, DELAC and SUN, as well as at the site level.

The SRCS Strategic Planning process has also gathered a great deal of information from students, families, and community members and has been incorporated into the LCFF required Local Control Accountability Plan (LCAP).

The draft LCAP was posted on Wednesday, May 23rd, for public comment. Stakeholders were informed of the public comment window through SRCS website, a flyer and an automated phone message in both Spanish and English. Stakeholders were invited to visit schools and review a paper copy of the draft LCAP or SRCS website. DELAC and DAC reviewed and provided feedback to the LCAP draft on Thursday, May 3, 2018.

The Superintendent received no questions and comments during the public viewing of this draft LCAP. A community report was developed to provide information about the LCAP. The community report was posted on the website and at each school and is also translated into Spanish. The public hearing for both the LCAP and the Budget was conducted on Wednesday, June 13, 2018. The LCAP and budget was approved on Wednesday, June 27, 2018.

Principals were asked to meet with various stakeholder groups: SSC, ELAC, Boosters, if applicable, and students. LCAP/SPSA Feedback Meeting Dates-Sites: 2017-2018

Board of Trustees - LCAP Updates: (Oct 11, 2017, Feb 7, 2018, May 9, 2018, May 23, 2018, June 13, 2018, June 27, 2018)

Meetings were advertised through mailers sent home, flyers at school sites, district website and an automated phone message to all homes in both Spanish and English. All meetings offered childcare; bilingual English and Spanish presentations and oral interpretation. Union consultation took place on April 17, 2018, May 1, 2018, with certificated and classified units.

Where applicable, agendas and other materials were provided for all meetings in both Spanish and English, and opportunities to ask questions and engage in discussion regarding the new law and funding formula was provided. Students provided input at their local school sites and through Student Voice Collaborative.

Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

As a result of the feedback from the various stakeholder groups.

- Continue to train on and implement the California Standards, the Next Generation Science Standards, and the newly adopted English Language

Development standards.

- Increased depth in the implementation of Family Engagement in the form of training for parents to become leaders in the advocacy of children and the services to provide.
- Develop protocols and surveys that are user-friendly and that will identify stakeholder type and be relevant to the particular group.
- LCAP outreach will take place in the community rather than at the district office.
- Provide metric outcomes throughout the school year.
- Create more effective ways to educate parents and students about their role with the LCFF and LCAP.

Goals, Actions, & Services

Strategic Planning Details and Accountability

Complete a copy of the following table for each of the LEA's goals. Duplicate the table as needed.

(Select from New Goal, Modified Goal, or Unchanged Goal)

Unchanged Goal

Goal 1

Provide a coherent, rigorous and relevant teaching and learning program to graduate college and career ready students.

State and/or Local Priorities addressed by this goal:

- State Priorities:
- Priority 1: Basic (Conditions of Learning)
 - Priority 2: State Standards (Conditions of Learning)
 - Priority 4: Pupil Achievement (Pupil Outcomes)
 - Priority 5: Pupil Engagement (Engagement)
 - Priority 7: Course Access (Conditions of Learning)
 - Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:

Identified Need:

To support high quality classroom instruction and curriculum that promote college and career readiness with academic interventions in place to eliminate barriers to student success.

- Grade level proficiency in literacy and math
- College and career counseling and meaningful courses that connect to life goals
- Caring, committed, collaborative exemplary teachers who use diverse teaching strategies and have a continuous improvement mind-set

Expected Annual Measurable Outcomes

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: 2018-19

Estimated Supplemental and Concentration Grant Funds

Percentage to Increase or Improve Services

\$

%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: 2017-18

Estimated Supplemental and Concentration Grant Funds

Percentage to Increase or Improve Services

\$8,115,055.00

9.33%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

The services described in this plan are intended to increase and improve services to English Learners (EL), Low Income (LI) Pupils, Foster Youth (FY) and students with disabilities. The services described in this plan are intended to increase and improve services to English Learners (EL), Redesignated Fluent English Proficient (RFEP), Low Income (LI) Pupils, Foster Youth (FY) and students with disabilities by a minimum of 9.70% in the 2017-18 school year as compared to services provided to all students. The proportionality percentage was met by increasing the amount spent on 100% of Supplemental funds to provide increased or improved services for these pupils. This exceeds the 9.0% minimum proportionality percentage. We will be offering increased services for our English Learners, RFEP, Low Income, Pupils, Foster Youth and students with disabilities in the following manners:

1. Adding additional days of instruction through the Make Opportunities Via Education (M.O.V.E.).
2. Continuing full-time bilingual outreach positions which will supplement the services previously provided.
3. Continuing Restorative Response Specialist positions to serve students and families in the 2nd and 3rd level of a multi-tiered intervention and support system.
4. Extra sections of student support services in the secondary master schedules.
5. 5 SOLL (Supporting Our Language Learners) counselors to provide case management to targeted EL students in MTSS Tier 2 and 3
6. 5 College and Career counselors to organize and provide services to students and are their families in accessing college and career information and practices.
7. Up to 10 Teachers on Special Assignment to curriculum, instruction, assessment, and intervention to meet the needs of targeted students through support and training of classroom teachers to implement the California Standards and NGSS standards.

The addition of these services for our EL, RFEP, LI, FY students and students with disabilities will be delivered through a Multi-Tiered System of Support (Response to Intervention & Instruction) which is a comprehensive system of differentiated supports that includes evidence-based instruction, universal screening, progress monitoring, formative assessments, research-based interventions matched to students needs, and educational decision-making using student outcome data. The increased instructional time, professional development, additional staff and sections in the master schedule for student support exceeds the 9.70% required minimum proportionality percentage by providing increased and improved services for our identified unduplicated (EL, FY, LI, RFEP) students as compared to the services provided to all pupils in the LCAP in the year 2017- 18 The cost of these services are equal or exceeds the number of supplemental grant funds received.

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

Addendum

The Local Control and Accountability Plan (LCAP) and Annual Update Template documents and communicates local educational agencies' (LEAs) actions and expenditures to support student outcomes and overall performance. The LCAP is a three-year plan, which is reviewed and updated annually, as required. Charter schools may complete the LCAP to align with the term of the charter school's budget, typically one year, which is submitted to the school's authorizer. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all students and each student group identified by the Local Control Funding Formula (LCFF) (ethnic, socioeconomically disadvantaged, English learners, foster youth, pupils with disabilities, and homeless youth), for each of the state priorities and any locally identified priorities.

For county offices of education, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all students and each LCFF student group funded through the county office of education (students attending juvenile court schools, on probation or parole, or expelled under certain conditions) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services funded by a school district that are provided to students attending county-operated schools and programs, including special education programs.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in Education Code (EC) sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

Charter schools must describe goals and specific actions to achieve those goals for all students and each LCFF subgroup of students including students with disabilities and homeless youth, for each of the state priorities that apply for the grade levels served or the nature of the program operated by the charter school, and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the EC. Changes in LCAP goals and actions/services for charter schools that result from the annual update process do not necessarily constitute a material revision to the school's charter petition.
