

Contract for After School Education and Safety Program Site: Bannon Creek Elementary

1. This Contract for After School Education and Safety Program ("Contract") is entered into by the Natomas Unified School District ("District") and Center for Fathers and Families [a California non-profit corporation] ("Contractor") at Bannon Creek Elementary School.
2. This Contract has been entered into after the District engaged in a Request for Proposal process which has, in conformity with all laws and regulations, resulted in the selection of Contractor to provide the services described herein and in support of the After School Education and Safety Program ("ASES"), as described in Education Code Section 8482, et seq.
3. This Contract incorporates and makes a part of its terms, conditions, and obligations, the contents of the District's Request for Proposal and the Contractor's response.
4. The term of this Contract is one year, commencing on August 8, 2018, and ending on June 30, 2019. If both parties jointly agree, and in full funding under the ASES program remains in place, it may be extended by written addendum for an additional one year period. At the end of the initial or extended Contract period, the District shall have the right to conduct a new Request for Proposal process to determine whether a new Contractor should be selected.
5. This Contract may be cancelled by either party, for any reason not in violation of law, on sixty (60) days advance written notice. The District may also immediately terminate this Contract for good cause, specifically including a material and repeated violation of District policy, fraud with material misrepresentations of fact relating to the Contractor's response to the RFP, or other acts or omissions directly implicating the health or safety of District property, students, or guests.
6. The Contractor agrees to work with the District to develop a Memorandum of Understanding by August 8, 2018 to clarify, update, and/or define the following ASES program elements to be provided by the contractor:

Program Elements

The ASES program must be aligned with, and not be a repeat of, the content of regular school day and other extended learning opportunities. A safe physical and emotional environment, as well as opportunities for relationship building, must be provided. After school programs must consist of the two elements below and ASES program leaders work closely with school site principals and staff to integrate both elements with the school's curriculum, instruction, and learning support activities.

An **educational and literacy element** must provide tutoring and/or homework assistance designed to help students meet state standards in one or more of the following core academic subjects: reading/language arts, mathematics, history and social studies, or science. A broad range of activities may be implemented based on local student needs and interests.

The **educational enrichment element** must offer an array of additional services, programs, and activities that reinforce and complement the school’s academic program. Educational enrichment may include but is not limited to, positive youth development strategies, recreation and prevention activities. Such activities might involve the visual and performing arts, music, physical activity, health/nutrition promotion, and general recreation; career awareness and work preparation activities; community service-learning; and other youth development activities based on student needs and interests. Enrichment activities may be designed to enhance the core curriculum.

7. The District agrees to provide the following facilities for use by Contractor:
Cafeteria, playground; Multipurpose; gym; classrooms. Rooms may be a shared space with a classroom operating during school hours.
8. Contractor shall fully and completely provide the Services described in the Request for Proposal and its Response, as well as fully and completely comply with all grant requirements and governing laws and regulations, which are material terms and requirements of this Contract. In exchange for such Services, Contractor shall be paid the total sum of \$151,148.00 to be paid in quarterly installments after Contractor issues an appropriate invoice for payment to the District which shall include evidence of required attendance (85% or higher) of enrolled participants. A minimum of 118 participants should be enrolled.
9. All required food (snacks, meals, beverages, etc.) shall be solely purchased, prepared, and/or provided to students from the District Food Services Department and its employees. Contractor shall provide no independent food or drink items to students without prior authorization from the District.
10. The Contractor shall affirmatively advise and coordinate with the site principal regarding homework policies, procedures, and standards, with Contractor further ensuring that the participating students’ teachers are advised of any homework obligations, challenges, or issues that may directly implicate the students’ ability to be successful in the classroom and in the accomplishment of the program goals.
11. All obligations of the Request for Proposal, including evidence of required insurance coverage, and fingerprinting and background checks, must be completed and satisfactory evidence of compliance provided to the District, on or before August 8, 2018. Contractor is aware of the provisions of Education Code Section 45125.1 and will comply with such provisions before commencing performance of the work of this agreement. Fingerprinting and background clearance is required for Contractors employees, mentors, volunteers, subcontractors, or staff who may have contact with District pupils in the course of performance pursuant to this agreement. Contractor shall also comply with all other reasonable requests that may be made by the District to ensure the Contractor’s ability to timely and properly provide services as called for by this Contract.
