Board Bylaw

Conflict Of Interest

BB 9270

Board Bylaws

The Board of Education desires to maintain the highest ethical standards and help ensure that decisions are made in the best interest of the district and the public. Accordingly, no Board member, district employee, or other person in a designated position shall participate in the making of any decision for the district when the decision will or may be affected by his/her financial, family, or other personal interest or consideration.

(cf. 9005 - Governance Standards)

Even if a prohibited conflict of interest does not exist, a Board member shall abstain from voting on personnel matters that uniquely affect his/her relatives. However, a Board member may vote on collective bargaining agreements and personnel matters that affect a class of employees to which his/her relative belongs. Relative means an adult who is related to the Board member by blood or affinity within the third degree, as determined by the common law, or an individual in an adoptive relationship within the third degree. (Education Code 35107)

A relationship within the third degree includes an individual's parents, grandparents, great-grandparents, children, grandchildren, great-grandchildren, brothers, sisters, aunts, uncles, nieces, nephews, and the similar family of the individual's spouse/registered domestic partner unless the individual is widowed or divorced.

The Board shall adopt for the district a conflict of interest code that incorporates the provisions of 2 CCR 18730 by reference, specifies the district's designated positions, and provides the disclosure categories required for each position. The conflict of interest code shall be submitted to the district's code reviewing body for approval, in accordance with Government Code 87303 and within the deadline for submission established by the code reviewing body. (Government Code 87303)

Upon direction by the code reviewing body, the Board shall review the district's conflict of interest code and submit any changes to the code reviewing body or, if no change is required, the Board shall submit a written statement to that effect. (Government Code 87306.5)

When a change in the district's conflict of interest code is necessitated due to changed circumstances, such as the creation of new designated positions, changes to the duties assigned to existing positions, amendments, or revisions, the amended code shall be submitted to the code reviewing body within 90 days after the changed circumstances necessitating the amendments have become apparent. (Government Code 87306)

When reviewing and preparing the district's conflict of interest code, the Superintendent or designee shall provide officers, employees, consultants, and members of the community adequate notice and a fair opportunity to present their views. (Government Code 87311)

(cf. 9320 - Meetings and Notices)

Board members and designated employees shall annually file a Statement of Economic Interest/Form 700 in accordance with the disclosure categories specified in the district's conflict of interest code. A Board member who leaves office or a designated employee who leaves district employment shall, within 30 days, file a revised statement covering the period of time between the closing date of the last required statement and the date of leaving office or district employment. (Government Code 87302, 87302.6)

(cf. 4117.2/4217.2/4317.2 - Resignation)

(cf. 9222 - Resignation)

Conflict of Interest under the Political Reform Act

A Board member, designated employee, or other person in a designated position shall not make, participate in making, or in any way use or attempt to use his/her official position to influence a governmental decision in which he/she knows or has reason to know that he/she has a disqualifying conflict of interest. A disqualifying conflict of interest exists if the decision will have a "reasonably foreseeable material financial effect," which is distinguishable from the effect on the public generally, on the Board member, designated employee, or other person in a designated position, his/her immediate family, or any financial interest described in 2 CCR 18700. (Government Code 87100, 87101, 87103; 2 CCR 18700-18709)

A Board member, designated employee, or other person in a designated position makes a governmental decision when he/she, acting within the authority of his/her office or position, authorizes or directs any action on a matter, votes or provides information or opinion on it, contacts or appears before a district official for the purpose of affecting the decision, or takes any other action specified in 2 CCR 18704.

However, a Board member shall participate in the making of a contract in which he/she has a financial interest if his/her participation is required by the rule of necessity or legally required participation pursuant to Government Code 87101 and 2 CCR 18705.

Additional Requirements for Boards that Manage Public Investments

Any Board member who manages public investments pursuant to Government Code 87200 and who has a financial interest in a decision shall, upon identifying a conflict or potential conflict of interest and immediately prior to the consideration of the matter, do all of the following: (Government Code 87105; 2 CCR 18707)

1. Publicly identify each financial interest that gives rise to the conflict or potential conflict of interest in detail sufficient to be understood by the public, except that disclosure of the exact street address of a residence is not required.
2. Recuse himself/herself from discussing and voting on the matter, or otherwise acting in violation of Government Code 87100. The Board member shall not be counted toward achieving a quorum while the item is discussed.

However, the Board member may speak on the issue during the time that the general public speaks on it and may leave the dais to speak from the same area as members of the public. He/she may listen to the public discussion and deliberations of the matter with members of the public.

3. Leave the room until after the discussion, vote, and any other disposition of the matter is concluded, unless the matter has been placed on the portion of the agenda reserved for uncontested matters.

If the item is on the consent calendar, the Board member must recuse himself/herself from discussing or voting on that matter, but the Board member is not required to leave the room during consideration of the consent calendar.

4. If the Board's decision is made during closed session, disclose his/her interest orally during the open session preceding the closed session. This disclosure shall be limited to a declaration that his/her recusal is because of a conflict of interest pursuant to Government Code 87100. He/she shall not be present when the item is considered in closed session and shall not knowingly obtain or review a recording or any other nonpublic information regarding the Board's decision.

(cf. 3430 - Investing)

(cf. 9321 - Closed Session Purposes and Agendas)

(cf. 9321.1 - Closed Session Actions and Reports)

Conflict of Interest under Government Code 1090 - Financial Interest in a Contract

Board members, employees, or district consultants shall not be financially interested in any contract made by the Board on behalf of the district, including in the development, preliminary discussions, negotiations, compromises, planning, reasoning, and specifications and solicitations for bids. If a Board member has such a financial interest in a contract made by the Board, the contract is void. (Government Code 1090)

A Board member shall not be considered to be financially interested in a contract in which he/she has only a "remote interest," as specified in Government Code 1091, if the interest is disclosed during a Board meeting and noted in the official Board minutes. The affected Board member shall not vote or debate on the matter or attempt to influence any other Board member or district official to enter into the contract. (Government Code 1091)

In addition, a Board member shall not be considered to be financially interested in a contract in which his/her interest is a "noninterest" as defined in Government Code 1091.5. Noninterest includes a Board member's interest in being reimbursed for his/her actual and necessary expenses incurred in the performance of his/her official duties, in the employment of his/her spouse/registered domestic partner who has been a district employee for at least one year prior to the Board member's election or appointment, or in any other applicable circumstance specified in Government Code 1091.5.

Common Law Doctrine Against Conflict of Interest

A Board member shall abstain from any official action in which his/her private or personal interest may conflict with his/her official duties.

Incompatible Offices and Activities

Board members shall not engage in any employment or activity or hold any office which is inconsistent with, incompatible with, in conflict with, or inimical to the Board member's duties as an officer of the district. (Government Code 1099, 1126)

(cf. 4136/4236/4336 - Nonschool Employment)

Gifts

Board members and designated employees may accept gifts only under the conditions and limitations specified in Government Code 89503 and 2 CCR 18730.

The limitation on gifts does not apply to wedding gifts and gifts exchanged between individuals on birthdays, holidays, and other similar occasions, provided that the gifts exchanged are not substantially disproportionate in value. (Government Code 89503)

In addition, the limitation on gifts does not apply to informational materials such as books, reports, pamphlets, calendars, and periodicals. (Government Code 82028)

Gifts of travel and related lodging and subsistence shall be subject to the current gift limitation, except when: (Government Code 89506)

1. The travel is in connection with a speech given by a Board member or designated employee, provided the lodging and subsistence expenses are limited to the day immediately preceding, the day of, and the day immediately following the speech and the travel is within the United States.
2. The travel is provided by a person or agency specified in Government Code 89506, including a government, governmental agency or authority, bona fide public or private educational institution, as defined in Revenue and Taxation Code 203, or nonprofit organization exempt from taxation under section 501(c)(3) of the Internal Revenue Code.

Gifts of travel exempted from the gift limitation, as described in items #1 and 2 above, shall nevertheless be reportable on the recipient's Statement of Economic Interest/Form 700 as required by law.

A gift of travel does not include travel provided by the district for Board members and designated employees. (Government Code 89506)

Honoraria

Board members and designated employees shall not accept any honorarium, which is defined as any payment made in consideration for any speech given, article published, or attendance at any

public or private conference, convention, meeting, social event, meal, or like gathering.
(Government Code 89501, 89502)

The term honorarium does not include: (Government Code 89501)

1. Earned income for personal services customarily provided in connection with a bona fide business, trade, or profession, unless the sole or predominant activity of the business, trade, or profession is making speeches
2. Any honorarium which is not used and, within 30 days after receipt, is either returned to the donor or delivered to the district for donation into the general fund without being claimed as a deduction from income for tax purposes

Board Policies

BB 9310

Board Bylaws

The Board of Education shall adopt written policies to convey its expectations for actions that will be taken in the district, clarify roles and responsibilities of the Board and Superintendent, and communicate Board philosophy and positions to the students, staff, parents/guardians and the community. Board policies are binding on the district to the extent that they do not conflict with federal or state law and are consistent with the district's collective bargaining agreements.

(cf. 0000 - Vision)

(cf. 0100 - Philosophy)

(cf. 9000 - Role of the Board)

The Board recognizes the importance of maintaining a policy manual that is up to date and reflects the mandates of law. Policies shall be regularly reviewed at a time allocated for this purpose on the agenda of public Board meetings, normally at the annual Board reorganization meeting in December.

(cf. 9320 - Meetings and Notices)

(cf. 9322 - Agendas/Meeting Materials)

The Board shall review certain policies annually, as required by Education Code 35160.5. If no revisions are deemed necessary, the Board minutes shall nevertheless indicate that the review was conducted. Other policies shall be monitored and reviewed as specified in the policy itself or as needed to reflect changes in law or district circumstances.

(cf. 5116.1 - Intradistrict Open Enrollment)

The need may also occur as a result of an incident that has arisen in the district or a recommendation or request from staff or other interested persons.

2. As needed, the Superintendent or designee shall gather fiscal and other data, staff and public input, related district policies, sample policies from other organizations or agencies, and other useful information to fully inform the Board about the issue.

(cf. 1220 - Citizen Advisory Committees)

The discussion may include, but not be limited to, how the proposed policy may affect student learning, community expectations, staff recommendations, fiscal impact, as well as the policy's impact on governance and operational efficiency.

4. The Board or Superintendent may request that legal counsel review the draft policy as appropriate.

5. The Superintendent or designee shall develop and present a draft policy for a first reading at a public Board meeting. At its second reading, the Board may take action on the proposed policy. The Board may waive the second reading or may require an additional reading if necessary.

(cf. 9323 - Meeting Conduct)

Only policies formally adopted by a majority vote of the Board shall constitute official Board policy.

(cf. 9322 - Agenda/Meeting Materials)

(cf. 9323.2 - Actions by the Board)

The district's policy development process may be revised or expanded as needed based on the issue being considered, the need for more information, or to provide greater opportunities for consultation and public input.

Policies shall become effective upon Board adoption or at a future date designated by the Board at the time of adoption.

Board Bylaws

The Superintendent or designee also may develop procedures manuals, handbooks, or other guides to carry out the intent of Board policy.

When Board policies are amended, the Superintendent or designee shall review corresponding regulations to ensure that they conform to the intent of the revised policy. In case of conflict between administrative regulation and Board policy, policy shall prevail.

The Board may review and/or approve regulations for the purpose of ensuring conformity with the intent of Board policy.

Monitoring and Evaluation

(cf. 1113 - District and School Web Sites)

Whenever agenda materials relating to an open session of a regular meeting are distributed to the Board less than 72 hours before the meeting, the Superintendent or designee shall make the materials available for public inspection at a public office or location designated for that purpose. (Government Code 54957.5)

(cf. 1340 - Access to District Records)

Special Meetings

Special meetings of the Board may be called at any time by the presiding officer or a majority of the Board members. However, a special meeting shall not be called regarding the salary, salary schedule, or other compensation of the Superintendent, assistant superintendent, or other management employee as described in Government Code 3511.1. (Government Code 54956)

(cf. 2121 - Superintendent's Contract)

Written notice of special meetings shall be delivered personally or by any other means to all Board members and the local media who have requested such notice in writing. The notice also shall be posted on the district's Internet web site. The notice shall be received at least 24 hours before the time of the meeting. The notice shall also be posted at least 24 hours before the meeting in a location freely accessible to the public. The notice shall specify the time and place of the meeting and the business to be transacted or discussed. No other business shall be considered at this meeting. (Education Code 35144; Government Code 54956)

Any Board member may waive the 24-hour written notice requirement prior to the time of the meeting by filing a written waiver of notice with the clerk or secretary of the Board or by being present at the meeting at the time it convenes. (Government Code 54956)

Every notice of a special meeting shall provide an opportunity for members of the public to directly address the Board concerning any item that has been described in the meeting notice, before or during the item's consideration. (Government Code 54954.3)

Emergency Meetings

In the case of an emergency situation for which prompt action is necessary due to the disruption or threatened disruption of public facilities, the Board may hold an emergency meeting without

complying with the 24-hour notice and/or 24-hour posting requirement for special meetings pursuant to Government Code 54956. The Board shall comply with all other requirements for special meetings during an emergency meeting. (Government Code 54956.5)

An emergency situation means either of the following: (Government Code 54956.5)

1. An emergency, which shall be defined as a work stoppage, crippling activity, or other activity that severely impairs public health and/or safety as determined by a majority of the members of the Board

(cf. 4141.6/4241.6 - Concerted Action/Work Stoppage)

2. A dire emergency, which shall be defined as a crippling disaster, mass destruction, terrorist activity, or threatened terrorist act that poses peril so immediate and significant that requiring the Board to provide one-hour notice before holding an emergency meeting may endanger the public health and/or safety as determined by a majority of the members of the Board

(cf. 3516 - Emergencies and Disaster Preparedness Plan)

Except in the case of a dire emergency, the Board president or designee shall give notice of the emergency meeting by telephone at least one hour before the meeting to the local media that have requested notice of special meetings. All telephone numbers provided by the media in the most recent request for notification must be exhausted. If telephone services are not functioning, the notice requirement of one hour is waived and, as soon after the meeting as possible, the Board shall notify those media representatives of the meeting and shall describe the purpose of the meeting and any action taken by the Board. In the case of a dire emergency, the Board president or designee shall give such notice at or near the time he/she notifies the other members of the Board about the meeting. (Government Code 54956.5)

The minutes of the meeting, a list of persons the Board president or designee notified or attempted to notify, a copy of the roll call vote, and any actions taken at the meeting shall be posted for at least 10 days in a public place as soon after the meeting as possible. (Government Code 54956.5)

Adjourned/Continued Meetings

A majority vote by the Board may adjourn/continue any regular or special meeting to a later time and place that shall be specified in the order of adjournment. Less than a quorum of the Board may adjourn such a meeting. If no Board members are present, the secretary or the clerk may declare the meeting adjourned to a later time and shall give notice in the same manner required for special meetings. (Government Code 54955)

Within 24 hours after the time of adjournment, a copy of the order or notice of adjournment/continuance shall be conspicuously posted on or near the door of the place where the meeting was held. (Government Code 54955)

Study Sessions, Retreats, Public Forums, and Discussion Meetings

The Board may occasionally convene a study session or public forum to study an issue in more detail or to receive information from staff or feedback from members of the public.

The Board may also convene a retreat or discussion meeting to discuss Board roles and relationships.

(cf. 2000 - Concepts and Roles)

(cf. 2111 - Superintendent Governance Standards)

(cf. 9000 - Role of the Board)

(cf. 9005 - Governance Standards)

(cf. 9400 - Board Self-Evaluation)

Public notice shall be given in accordance with law when a quorum of the Board is attending a study session, retreat, public forum, or discussion meeting. All such meetings shall comply with the Brown Act and shall be held in open session and within district boundaries. Action items shall not be included on the agenda for these meetings.

Other Gatherings

Attendance by a majority of Board members at any of the following events is not subject to the Brown Act provided that a majority of the Board members do not discuss specific district business among themselves other than as part of the scheduled program: (Government Code 54952.2)

1. A conference or similar public gathering open to the public that involves a discussion of issues of general interest to the public or to school board members
2. An open, publicized meeting organized by a person or organization other than the district to address a topic of local community concern
3. An open and noticed meeting of another body of the district
4. An open and noticed meeting of a legislative body of another local agency
5. A purely social or ceremonial occasion
6. An open and noticed meeting of a standing committee of the Board, provided that the Board members who are not members of the standing committee attend only as observers

(cf. 9130 - Board Committees)

Individual contacts or conversations between a Board member and any other person are not subject to the Brown Act. (Government Code 54952.2)

Location of Meetings

Meetings shall not be held in a facility that prohibits the admittance of any person on the basis of ancestry or any characteristic listed in Government Code 11135, including, but not limited to, religion, sex, or sexual orientation. In addition, meetings shall not be held in a facility which is inaccessible to individuals with disabilities or where members of the public must make a payment or purchase in order to be admitted. (Government Code 54961)

(cf. 0410 - Nondiscrimination in District Programs and Activities)

Meetings shall be held within district boundaries, except to do any of the following:
(Government Code 54954)

1. Comply with state or federal law or court order or attend a judicial or administrative proceeding to which the district is a party
2. Inspect real or personal property which cannot conveniently be brought into the district, provided that the topic of the meeting is limited to items directly related to the property
3. Participate in meetings or discussions of multiagency significance, provided these meetings are held within one of the other agencies' boundaries, with all participating agencies giving the notice required by law
4. Meet in the closest meeting facility if the district has no meeting facility within its boundaries or if its principal office is located outside the district
5. Meet with elected or appointed state or federal officials when a local meeting would be impractical, solely to discuss legislative or regulatory issues affecting the district over which the state or federal officials have jurisdiction
6. Meet in or near a facility owned by the district but located outside the district, provided the meeting agenda is limited to items directly related to that facility
7. Visit the office of the district's legal counsel for a closed session on pending litigation, when doing so would reduce legal fees or costs
8. Attend conferences on nonadversarial collective bargaining techniques
9. Interview residents of another district regarding the Board's potential employment of an applicant for Superintendent of the district
10. Interview a potential employee from another district

Meetings exempted from the boundary requirements, as specified in items #1-10 above, shall still be subject to the notice and open meeting requirements for regular and special meetings when a quorum of the Board attends the meeting.

If a fire, flood, earthquake, or other emergency renders the regular meeting place unsafe, meetings shall be held for the duration of the emergency at a place designated by the Board president or designee, who shall so inform all news media who have requested notice of special meetings by the most rapid available means of communication. (Government Code 54954)

Teleconferencing

A teleconference is a meeting of the Board in which Board members are in different locations, connected by electronic means through audio and/or video. (Government Code 54953)

The Board may use teleconferences for all purposes in connection with any meeting within the Board's subject matter jurisdiction. All votes taken during a teleconference meeting shall be by roll call. (Government Code 54953)

During the teleconference, at least a quorum of the members of the Board shall participate from locations within district boundaries. (Government Code 54953)

Agendas shall be posted at all teleconference locations and shall list all teleconference locations whenever they are posted elsewhere. Additional teleconference locations may be provided to the public. (Government Code 54953)

All teleconference locations shall be accessible to the public. All teleconferenced meetings shall be conducted in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the Board, including the right of the public to address the Board directly at each teleconference location. (Government Code 54953)

All Board policies, administrative regulations, and bylaws shall apply equally to meetings that are teleconferenced. The Superintendent or designee shall facilitate public participation in the meeting at each teleconference location.

BB 9321

Board Bylaws

The Board of Education is committed to complying with state open meeting laws and modeling transparency in its conduct of district business. The Board shall hold closed sessions only for purposes authorized by law. A closed session may be held during a regular, special, or emergency meeting in accordance with law.

Each agenda shall contain a general description of each closed session item to be discussed at the meeting, as required by law. (Government Code 54954.2)

(cf. 9320 - Meetings and Notices)

(cf. 9322 - Agenda/Meeting Materials)

The Board shall disclose in open session the items to be discussed in closed session. In the closed session, the Board may consider only those matters covered in its statement. After the closed session, the Board shall reconvene in open session before adjourning the meeting, and when applicable, shall disclose any action taken in the closed session, in the manner prescribed by Government Code 54957.1. (Government Code 54957.7)

(cf. 9321.1 - Closed Session Actions and Reports)

The Board shall not disclose any information that is protected by state or federal law. In addition, no victim or alleged victim of tortious sexual conduct or child abuse shall be identified in any Board agenda, notice, announcement, or report required by the Brown Act, unless the identity of the person has previously been publicly disclosed. (Government Code 54957.7, 54961)

(cf. 1340 - Access to District Records)

A Board member shall not disclose confidential information received in a closed session unless the Board authorizes the disclosure of that information. (Government Code 54963)

(cf. 9011 - Disclosure of Confidential/Privileged Information)

Personnel Matters

The Board may hold a closed session under the "personnel exception" to consider the appointment, employment, evaluation of performance, discipline, or dismissal of an employee. Such a closed session shall not include discussion or action on proposed compensation except for a reduction of compensation that results from the imposition of discipline. (Government Code 54957)

(cf. 2140 - Evaluation of the Superintendent)
(cf. 4115 - Evaluation/Supervision)
(cf. 4118 - Suspension/Disciplinary Action)
(cf. 4215 - Evaluation/Supervision)
(cf. 4218 - Dismissal/Suspension/Disciplinary Action)
(cf. 4315 - Evaluation/Supervision)

The Board may also hold a closed session to hear complaints or charges brought against an employee by another person or employee, unless the employee requests an open session. Before the Board holds a closed session on specific complaints or charges brought against an employee, the employee shall receive written notice of his/her right to have the complaints or charges heard in open session if desired. This notice shall be delivered personally or by mail at least 24 hours before the time of the session. (Government Code 54957)

(cf. 1312.1 - Complaints Concerning District Employees)
(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

The Board may hold a closed session to discuss a district employee's application for early withdrawal of funds in a deferred compensation plan when the application is based on financial hardship arising from an unforeseeable emergency due to illness, accident, casualty, or other extraordinary event, as specified in the deferred compensation plan. (Government Code 54957.10)

Agenda items related to district employee appointments and employment shall describe the position to be filled. Agenda items related to performance evaluations shall specify the title of the employee being reviewed. Agenda items related to employee discipline, dismissal, or release require no additional information. (Government Code 54954.5)

Negotiations/Collective Bargaining

Unless otherwise agreed upon by the parties involved, the following shall not be subject to the Brown Act: (Government Code 3549.1)

1. Any meeting and negotiating discussion between the district and a recognized or certified employee organization
2. Any meeting of a mediator with either party or both parties to the meeting and negotiating process
3. Any hearing, meeting, or investigation conducted by a factfinder or arbitrator
4. Any executive (closed) session of the district or between the district and its designated representative for the purpose of discussing its position regarding any matter within the scope of representation and instructing its designated representatives

(cf. 4140/4240/4340 - Bargaining Units)
(cf. 4143/4243 - Negotiations/Consultation)

(cf. 4143.1/4243.1 - Public Notice - Personnel Negotiations)

The Board may meet in closed session to review the Board's position and/or instruct its designated representative regarding salaries, salary schedules, or compensation paid in the form of fringe benefits of its represented and unrepresented employees. Prior to the closed session, the Board shall identify its designated representative in open session. Any closed session held for this purpose may include discussions of the district's available funds and funding priorities, but only insofar as they relate to providing instructions to the Board's designated representative. (Government Code 54957.6)

(cf. 2121 - Superintendent's Contract)

Closed sessions may take place prior to and during consultations and discussions with representatives of employee organizations and unrepresented employees. For unrepresented employees, closed sessions held pursuant to Government Code 54957.6 shall not include final action on the proposed compensation of one or more unrepresented employees. (Government Code 54957.6)

For represented employees, the Board may also meet in closed session regarding any other matter within the statutorily provided scope of representation. (Government Code 54957.6)

The Board also may meet in closed session with a state conciliator or mediator who has intervened in proceedings regarding any of the purposes enumerated in Government Code 54957.6.

Agenda items related to negotiations shall specify the name of the district's designated representative(s) attending the closed session. If circumstances necessitate the absence of a specified designated representative, an agent or designee may participate in place of the absent representative as long as the name of the agent or designee is announced at an open session held prior to the closed session. The agenda shall also specify the name of the organization representing the employee(s) or the position title of the unrepresented employee who is the subject of the negotiations. (Government Code 54954.5)

Matters Related to Students

The Board shall meet in closed session to consider the expulsion of a student, unless the student submits a written request at least five days before the date of the hearing that the hearing be held in open session. Regardless of whether the expulsion hearing is conducted in open or closed session, the Board may meet in closed session for the purpose of deliberating and determining whether the student should be expelled. (Education Code 48918)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

(cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))

The Board shall meet in closed session to address any student matter that may involve disclosure of confidential student information, or to consider a suspension, disciplinary action, or any other action against a student except expulsion. If a written request for open session is received from

the parent/guardian or adult student, it will be honored to the extent that it does not violate the privacy rights of any other student. (Education Code 35146, 48912, 49070)

(cf. 5117 - Interdistrict Attendance)

(cf. 5119 - Students Expelled from Other Districts)

(cf. 5125.3 - Challenging Student Records)

(cf. 5144 - Discipline)

Agenda items related to student matters shall briefly describe the reason for the closed session, such as "student expulsion hearing" or "grade change appeal," without violating the confidentiality rights of individual students. The student shall not be named on the agenda, but a number may be assigned to the student in order to facilitate record keeping. The agenda shall also state that the Education Code requires closed sessions in these cases in order to prevent the disclosure of confidential student record information.

(cf. 5125 - Student Records)

Security Matters

The Board may meet in closed session with the Governor, Attorney General, district attorney, district legal counsel, sheriff or chief of police, or their respective deputies, or a security consultant or a security operations manager, on matters posing a threat to the security of public buildings; to the security of essential public services, including water, drinking water, wastewater treatment, natural gas service, and electric service; or to the public's right of access to public services or public facilities. (Government Code 54957)

(cf. 0450 - Comprehensive Safety Plan)

(cf. 3515 - Campus Security)

(cf. 3516 - Emergencies and Disaster Preparedness Plan)

The Board may meet in closed session during an emergency meeting held pursuant to Government Code 54956.5 to meet with law enforcement officials for the emergency purposes specified in Government Code 54957 if agreed to by a two-thirds vote of the Board members present. If less than two-thirds of the members are present, then the Board must agree by a unanimous vote of the members present. (Government Code 54956.5)

Agenda items related to security matters shall specify the name of the law enforcement agency and the title of the officer, or name of applicable agency representative and title, with whom the Board will consult. (Government Code 54954.5)

Conference with Real Property Negotiator

The Board may meet in closed session with its real property negotiator prior to the purchase, sale, exchange, or lease of real property by or for the district in order to grant its negotiator authority regarding the price and terms of payment for the property. (Government Code 54956.8)

Before holding the closed session, the Board shall hold an open and public session to identify its negotiator(s) and the property under negotiation and to specify the person(s) with whom the negotiator may negotiate. (Government Code 54956.8)

For purposes of real property transactions, negotiators may include members of the Board. (Government Code 54956.8)

Agenda items related to real property negotiations shall specify the district negotiator attending the closed session. If circumstances necessitate the absence of a specified negotiator, an agent or designee may participate in place of the absent negotiator as long as the name of the agent or designee is announced at an open session held prior to the closed session. The agenda shall also specify the name of the negotiating parties and the street address of the real property under negotiation. If there is no street address, the agenda item shall specify the parcel number or another unique reference of the property. The agenda item shall also specify whether instruction to the negotiator will concern price, terms of payment, or both. (Government Code 54954.5)

Pending Litigation

Based on the advice of its legal counsel, the Board may hold a closed session to confer with or receive advice from its legal counsel regarding a pending litigation when a discussion of the matter in open session would prejudice the district's position in the litigation. For this purpose, "litigation" means any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator. (Government Code 54956.9)

Litigation is considered "pending" in any of the following circumstances: (Government Code 54956.9)

1. Litigation to which the district is a "party" has been initiated formally. (Government Code 54956.9(a))
2. A point has been reached where, in the Board's opinion based on the advice of its legal counsel regarding the "existing facts and circumstances," there is a "significant exposure to litigation" against the district, or the Board is meeting solely to determine whether, based on existing facts or circumstances, a closed session is authorized. (Government Code 54956.9(b))

Existing facts and circumstances for these purposes are limited to the following: (Government Code 54956.9)

- a. Facts and circumstances that might result in litigation against the district but which the district believes are not yet known to potential plaintiffs and which do not need to be disclosed.
- b. Facts and circumstances including, but not limited to, an accident, disaster, incident, or transactional occurrence which might result in litigation against the district, which are already known to potential plaintiffs and which must be publicly disclosed before the closed session or specified on the agenda.

c. The receipt of a claim pursuant to the Tort Claims Act or a written threat of litigation from a potential plaintiff. The claim or written communication must be available for public inspection.

(cf. 3320 - Claims and Actions Against the District)

d. A threat of litigation made by a person in an open meeting on a specific matter within the responsibility of the Board.

e. A threat of litigation made by a person outside of an open meeting on a specific matter within the responsibility of the Board, provided that the district official or employee receiving knowledge of the threat made a record of the statement before the meeting and the record is available for public inspection. Such record does not need to identify an alleged victim of tortious sexual conduct or anyone making a threat on his/her behalf or identify an employee who is the alleged perpetrator of any unlawful or tortious conduct, unless the identity of this person has been publicly disclosed.

3. Based on existing facts and circumstances, the Board has decided to initiate or is deciding whether to initiate litigation. (Government Code 54956.9(c))

Before holding a closed session pursuant to the pending litigation exception, the Board shall state on the agenda or publicly announce the subdivision of Government Code 54956.9 under which the closed session is being held. If authority is based on Government Code 54956.9(a), the Board shall either state the title or specifically identify the litigation to be discussed or state that doing so would jeopardize the district's ability to effectuate service of process upon unserved parties or to conclude existing settlement negotiations to its advantage. (Government Code 54956.9)

Agenda items related to pending litigation shall be described as a conference with legal counsel regarding either "existing litigation" or "anticipated litigation." (Government Code 54954.5)

"Existing litigation" items shall identify the name of the case specified by either the claimant's name, names of parties, or case or claim number, unless the Board states that to identify the case would jeopardize service of process or existing settlement negotiations. (Government Code 54954.5)

"Anticipated litigation" items shall state that there is significant exposure to litigation pursuant to Government Code 54956.9(b) and shall specify the potential number of cases. When the district expects to initiate a suit, items related to anticipated litigation shall state that the discussion relates to the initiation of litigation pursuant to Government Code 54956.9(c) and shall specify the potential number of cases. The agenda or an oral statement before the closed session may be required to provide additional information regarding existing facts and circumstances described in item #2 b-e above. (Government Code 54954.5)

Joint Powers Agency Issues

The Board may meet in closed session to discuss a claim for the payment of tort liability losses,

public liability losses, or workers' compensation liability incurred by a joint powers agency (JPA) formed for the purpose of insurance pooling or self-insurance authority of which the district is a member. (Government Code 54956.95)

Closed session agenda items related to liability claims shall specify the claimant's name and the name of the agency against which the claim is made. (Government Code 54954.5)

(cf. 3530 - Risk Management/Insurance)

When the board of the JPA has so authorized and upon advice of district legal counsel, the Board may meet in closed session in order to receive, discuss, and take action concerning information obtained in a closed session of the JPA. During the Board's closed session, a Board member serving on the JPA board may disclose confidential information acquired during a closed session of the JPA to fellow Board members. (Government Code 54956.96)

The Board member may also disclose the confidential JPA information to district legal counsel in order to obtain advice on whether the matter has direct financial or liability implications for the district. (Government Code 54956.96)

Closed session agenda items related to conferences involving a JPA shall specify the closed session description used by the JPA and the name of the Board member representing the district on the JPA board. Additional information listing the names of agencies or titles of representatives attending the closed session as consultants or other representatives shall also be included. (Government Code 54954.5)

Review of Audit Report from California State Auditor's Office

Upon receipt of a confidential final draft audit report from the California State Auditor's Office, the Board may meet in closed session to discuss its response to that report. After public release of the report from the California State Auditor's Office, any Board meeting to discuss the report must be conducted in open session, unless exempted from that requirement by some other provision of law. (Government Code 54956.75)

Closed session agenda items related to an audit by the California State Auditor's Office shall state "Audit by California State Auditor's Office." (Government Code 54954.5)

Review of Assessment Instruments

The Board may meet in closed session to review the contents of any student assessment instrument approved or adopted for the statewide testing system. Before any such meeting, the Board shall agree by resolution to accept any terms or conditions established by the State Board of Education for this review. (Education Code 60617)

(cf. 6162.5 - Student Assessment)

Agenda items related to the review of student assessment instruments shall state that the Board is reviewing the contents of an assessment instrument approved or adopted for the statewide testing

program and that Education Code 60617 authorizes a closed session for this purpose in order to maintain the confidentiality of the assessment under review.

Board Bylaws

Agenda Content

Board of Education meeting agendas shall state the meeting time and place and shall briefly describe each business item to be transacted or discussed, including items to be discussed in closed session. (Government Code 54954.2)

(cf. 9320 - Meetings and Notices)

(cf. 9321- Closed Session Purposes and Agendas)

The agenda shall provide members of the public the opportunity to address the Board on any agenda item before or during the Board's consideration of the item. The agenda shall also provide members of the public an opportunity to testify at regular meetings on matters which are not on the agenda but which are within the subject matter jurisdiction of the Board. (Education Code 35145.5; Government Code 54954.3)

(cf. 9323 - Meeting Conduct)

Each meeting agenda shall list the address designated by the Superintendent or designee for public inspection of agenda documents that have been distributed to the Board less than 72 hours before the meeting. (Government Code 54957.5)

The agenda shall specify that an individual should contact the Superintendent or designee if he/she requires disability-related accommodations or modifications, including auxiliary aids and services, in order to participate in the Board meeting. (Government Code 54954.2)

Agenda Preparation

The Board president and the Superintendent, as secretary to the Board, shall work together to develop the agenda for each regular and special meeting. Each agenda shall reflect the district's vision and goals and the Board's focus on student learning.

(cf. 0000 - Vision)

(cf. 0200 - Goals for the School District)

(cf. 9121 - President)

(cf. 9122 - Secretary)

Any Board member or member of the public may request that a matter within the jurisdiction of the Board be placed on the agenda of a regular meeting. The request shall be submitted in writing to the Superintendent or designee with supporting documents and information, if any, at

least one week before the scheduled meeting date. Items submitted less than a week before the scheduled meeting date may be postponed to a later meeting in order to allow sufficient time for consideration and research of the issue.

The Board president and Superintendent shall decide whether a request is within the subject matter jurisdiction of the Board. Items not within the subject matter jurisdiction of the Board may not be placed on the agenda. In addition, before placing the item on the agenda, the Board president and Superintendent shall determine if the item is merely a request for information or whether the issue is covered by an existing policy or administrative regulation.

The Board president and Superintendent shall decide whether an agenda item is appropriate for discussion in open or closed session, and whether the item should be an action item subject to Board vote, an information item that does not require immediate action, or a consent item that is routine in nature and for which no discussion is anticipated.

Any Board action that involves borrowing \$100,000 or more shall be discussed, considered, and deliberated upon as a separate item of business on the meeting agenda. (Government Code 53635.7)

(cf. 9323.2 - Actions by the Board)

All public communications with the Board are subject to requirements of relevant Board policies and administrative regulations.

(cf. 1312.1 - Complaints Concerning District Employees)

(cf. 1312.2 - Complaints Concerning Instructional Materials)

(cf. 1312.3 - Uniform Complaint Procedures)

(cf. 1312.4 - Williams Uniform Complaint Procedures)

(cf. 3320 - Claims and Actions Against the District)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

Consent Agenda/Calendar

In order to promote efficient meetings, the Board may bundle a number of items and act upon them together by a single vote through the use of a consent agenda. Consent agenda items shall be items of a routine nature and items for which Board discussion is not anticipated and for which the Superintendent recommends approval.

When any Board member requests the removal of an item from the consent agenda, the item shall be removed and given individual consideration for action as a regular agenda item.

The agenda shall provide an opportunity for members of the public to comment on any consent agenda item that has not been previously considered. However, the agenda need not provide an opportunity for public comment when the consent agenda item has previously been considered at an open meeting of a committee comprised exclusively of all the Board members provided that members of the public were afforded an opportunity to comment on the item at that meeting, unless the item has been substantially changed since the committee considered it. (Government

Code 54954.3)

Agenda Dissemination to Board Members

At least three days before each regular meeting, each Board member shall be provided a copy of the agenda and agenda packet, including the Superintendent or designee's report; minutes to be approved; copies of communications; reports from committees, staff, citizens, and others; and other available documents pertinent to the meeting.

When special meetings are called, the Superintendent or designee shall make every effort to distribute the agenda and supporting materials to Board members as soon as possible before the meeting.

Board members shall review agenda materials before each meeting. Individual members may confer directly with the Superintendent or designee to ask questions and/or request additional information on agenda items. However, a majority of Board members shall not directly or through intermediaries or electronic means discuss, deliberate, or take action on any matter within the subject matter jurisdiction of the Board.

(cf. 9012 - Board Member Electronic Communications)

Agenda Dissemination to Members of the Public

The Superintendent or designee shall mail a copy of the agenda or a copy of all the documents constituting the agenda packet to any person who requests the items. The materials shall be mailed at the time the agenda is posted or upon distribution of the agenda to a majority of the Board, whichever occurs first. (Government Code 54954.1)

If a document which relates to an open session agenda item of a regular Board meeting is distributed to the Board less than 72 hours prior to a meeting, the Superintendent or designee shall make the document available for public inspection at a designated location at the same time the document is distributed to all or a majority of the Board, provided the document is a public record under the Public Records Act. The Superintendent or designee may also post the document on the district's web site in a position and manner that makes it clear that the document relates to an agenda item for an upcoming meeting. (Government Code 54957.5)

(cf. 1113 - District and School Web Sites)

(cf. 1340 - Access to District Records)

Any document prepared by the district or Board and distributed during a public meeting shall be made available for public inspection at the meeting. Any document prepared by another person shall be made available for public inspection after the meeting. These requirements shall not apply to a document that is exempt from public disclosure under the Public Records Act. (Government Code 54957.5)

Upon request, the Superintendent or designee shall make the agenda, agenda packet, and/or any writings distributed at the meeting available in appropriate alternative formats to persons with a

disability, as required by the Americans with Disabilities Act. (Government Code 54954.1)

Any request for mailed copies of agendas or agenda packets shall be in writing and shall be valid for the calendar year in which it is filed. Written requests must be renewed following January 1 of each year. (Government Code 54954.1)

Persons requesting mailing of the agenda or agenda packet shall pay an annual fee, as determined by the Superintendent or designee, not to exceed the cost of providing the service.

Board Bylaw

Meeting Conduct

BB 9323

Board Bylaws

Meeting Procedures

All Board of Education meetings shall begin on time and shall be guided by an agenda prepared in accordance with Board bylaws and posted and distributed in accordance the Ralph M. Brown Act (open meeting requirements) and other applicable laws.

(cf. 9322 - Agenda/Meeting Materials)

When not in conflict with any applicable statute, rule or section, the rules established by Robert's Rules of Order, most recently revised edition, shall constitute the parliamentary rules of the Board.

The Board president shall conduct Board meetings in accordance with Board bylaws and procedures that enable the Board to efficiently consider issues and carry out the will of the majority.

(cf. 9121 - President)

The Board believes that late night meetings deter public participation, can affect the Board's decision-making ability, and can be a burden to staff. Regular Board meetings shall be adjourned at 10:00 p.m. unless extended to a specific time determined by a majority of the Board. The meeting shall be extended no more than once and subsequently may be adjourned to a later date.

(cf. 9320 - Meetings and Notices)

Quorum and Abstentions

The Board shall act by majority vote of all of the membership constituting the Board. (Education Code 35164)

(cf. 9323.2 - Actions by the Board)

The Board believes that when no conflict of interest requires abstention, its members have a duty to vote on issues before them. When a member abstains, his/her abstention shall not be counted for purposes of determining whether a majority of the membership of the Board has taken action.

(cf. 9270 - Conflict of Interest)

If a Board consists of seven members and not more than two vacancies occur on the Board, the vacant position(s) shall not be counted for purposes of determining how many members of the

Board constitute a majority. In addition, if a vacancy exists on the Board, whenever any provisions of the Education Code require unanimous action of all or a specific number of the members, the vacant position(s) shall be not be counted for purposes of determining the total membership constituting the Board. (Education Code 35165)

Public Participation

Members of the public are encouraged to attend Board meetings and to address the Board concerning any item on the agenda or within the Board's jurisdiction. So as not to inhibit public participation, persons attending Board meetings shall not be requested to sign in, complete a questionnaire, or otherwise provide their name or other information as a condition of attending the meeting.

In order to conduct district business in an orderly and efficient manner, the Board requires that public presentations to the Board comply with the following procedures:

1. The Board shall give members of the public an opportunity to address the Board on any item of interest to the public that is within the subject matter jurisdiction of the Board, during the Board's consideration of the item before action is taken. (Education Code 35145.5, Government Code 54954.3)
2. At a time so designated on the agenda at a regular meeting, members of the public may bring before the Board matters that are not listed on the agenda. The Board shall take no action or discussion on any item not appearing on the posted agenda, except as authorized by law. (Education Code 35145.5, Government Code 54954.2)
3. Without taking action, Board members or district staff members may briefly respond to statements made or questions posed by the public about items not appearing on the agenda. Additionally, on their own initiative or in response to questions posed by the public, a Board or staff member may ask a question for clarification, make a brief announcement, or make a brief report on his/her own activities. (Government Code 54954.2)

Furthermore, the Board or a Board member may provide a reference to staff or other resources for factual information, ask staff to report back to the Board at a subsequent meeting concerning any matter, or take action directing staff to place a matter of business on a future agenda. (Government Code 54954.2)

4. The Board need not allow the public to speak on any item that has already been considered by a committee composed exclusively of Board members at a public meeting where the public had the opportunity to address the committee on that item. However, if the Board determines that the item has been substantially changed since the committee heard the item, the Board shall provide an opportunity for the public to speak. (Government Code 54954.3)

(cf. 9130 - Board Committees)

5. A person wishing to be heard by the Board shall first be recognized by the president and shall then proceed to comment as briefly as the subject permits.

Individual speakers shall be allowed three minutes to address the Board on each agenda or nonagenda item. The Board may limit the total time for public input on each item to 20 minutes. With Board consent, the president may increase or decrease the time allowed for public presentation, depending on the topic and the number of persons wishing to be heard. The president may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add.

6. The Board president may rule on the appropriateness of a topic. If the topic would be more suitably addressed at a later time, the president may indicate the time and place when it should be presented.

The Board shall not prohibit public criticism of its policies, procedures, programs, services, acts, or omissions. (Government Code 54954.3) In addition, the Board may not prohibit public criticism of district employees.

Whenever a member of the public initiates specific complaints or charges against an employee, the Board president shall inform the complainant that in order to protect the employee's right to adequate notice before a hearing of such complaints and charges, and also to preserve the ability of the Board to legally consider the complaints or charges in any subsequent evaluation of the employee, it is the policy of the Board to hear such complaints or charges in closed session unless otherwise requested by the employee pursuant to Government Code 54957. The Board president shall also encourage the complainant to file a complaint using the appropriate district complaint procedure.

(cf. 1312.1 - Complaints Concerning District Employees)
(cf. 9321 - Closed Session Purposes and Agendas)

7. The Board president shall not permit any disturbance or willful interruption of Board meetings. Persistent disruption by an individual or group shall be grounds for the president to terminate the privilege of addressing the Board.

The Board may remove disruptive individuals and order the room cleared if necessary. In this case, members of the media not participating in the disturbance shall be allowed to remain, and individuals not participating in such disturbances may be allowed to remain at the discretion of the Board. When the room is ordered cleared due to a disturbance, further Board proceedings shall concern only matters appearing on the agenda. (Government Code 54957.9)

When such disruptive conduct occurs, the Superintendent or designee shall contact local law enforcement.

Recording by the Public

The Superintendent or designee shall designate locations from which members of the public may broadcast, photograph, or tape record open meetings without causing a distraction.

(cf. 9324 - Board Minutes and Recordings)

If the Board finds that noise, illumination, or obstruction of view related to these activities would persistently disrupt the proceedings, these activities shall be discontinued or restricted as determined by the Board. (Government Code 54953.5, 54953.6)

1. When a majority of the Board determines that an emergency situation exists, as defined for emergency meetings pursuant to Government Code 54956.5

3. When an item appeared on the agenda of, and was continued from, a meeting that occurred not more than five days earlier

(cf. 9320 - Meetings and Notices)

(cf. 9322 - Agenda/Meeting Materials)

Challenging Board Actions

The district attorney's office or any interested person may file an action in court to stop or prevent the Board's violation or threats of violations of the Brown Act, to determine the applicability of the Brown Act to ongoing or future threatened Board actions, to determine the validity, under California or federal law, of any Board rule or action to penalize any of its members or otherwise discourage the member's expression, or to compel the Board to audio record its closed sessions because of its violation of any applicable Government Code provision. (Government Code 54960)

The district attorney or any interested person may present a demand that the Board cure and correct a Board action which he/she alleges is in violation of law regarding any of the following: (Government Code 54960.1)

6. Emergency meetings (Government Code 54956.5)

Any demand to "cure and correct" an alleged violation shall clearly describe the challenged action and the nature of the alleged violation and shall be presented to the Board in writing within 90 days of the date when the action was taken. If the alleged violation concerns action taken in an open session but in violation of Government Code 54954.2 (agenda posting), the written demand must be made within 30 days of the date when the alleged action took place. (Government Code 54960.1)

Within 30 days of receiving the demand, the Board shall do one of the following: (Government Code 54960.1)

1. Cure or correct the challenged action and inform the demanding party in writing of its actions to cure or correct.

2. Determine not to cure or correct the alleged violation and inform the demanding party in writing of its decision to not cure or correct.

3. Take no action. If the Board takes no action within the 30-day review period, its inaction shall be considered a decision not to cure or correct the action.

In addition, the district attorney's office or any interested party may file an action in court to determine the applicability of the Brown Act to any past Board action not specified in Government Code 54960.1, if the following conditions are met: (Government Code 54960.2)

1. Within nine months of the alleged violation, a cease and desist letter is submitted to the Board, clearly describing the past Board action and the nature of the alleged violation.

2. The time for the Board to respond has expired and the Board has not provided an unconditional commitment to cease and desist from and not repeat the past action alleged to have violated the Brown Act.

Board Bylaws

The Board of Education shall annually conduct a self-evaluation in order to demonstrate accountability to the community and ensure that district governance effectively supports student achievement and the attainment of the district's vision and goals.

(cf. 0000 - Vision)

(cf. 2140 - Evaluation of the Superintendent)

The evaluation may address any areas of Board responsibility, including but not limited to Board performance in relation to vision setting, curriculum, personnel, finance, policy, collective bargaining and community relations. The evaluation also may address objectives related to Board meeting operations, relationships among Board members, relationship with the Superintendent, understanding of Board and Superintendent roles and responsibilities, communication skills, or other boardsmanship skills.

(cf. 9000 - Role of the Board)

(cf. 9005 - Governance Standards)

The Board shall be evaluated as a whole. Individual Board members also are encouraged to use the evaluation process as an opportunity to privately assess their own personal performance.

Each year the Board, with assistance from the Superintendent, shall determine an evaluation method or instrument that measures a reasonable number of previously identified performance objectives. Videotape of a Board meeting may be used as an evaluation tool only with the consent of all Board members.

Any discussion of the Board's self-evaluation shall be conducted in open session. At the request of the Board, a facilitator may be used to assist with the evaluation process. The Board may invite the Superintendent or others to provide input into the evaluation process.

Following the evaluation, the Board shall develop strategies for strengthening Board performance and shall establish priorities and objectives for the following year's evaluation.
