To: Santa Rosa City Schools District Office
From: Gabriel Albavera
Re: Elsie Allen Instructional Minutes

As the new Principal of Elsie Allen High School I have reviewed the instructional minutes at our site and at this point in time I would like them to stay the same with no change. The instructional minutes were put in place to embed instructional support for Elsie Allen High School struggling students. The outcomes of those supports were going to be measured by the grades that our students received at each semester. It was also going to be measured by our SBAC results. Due to the fires the SBAC results will not be available this year but as an administration team we will look at the semester grades of our struggling students to see if this schedule is showing success. That is why I am asking that the instructional minutes be kept the same as last year so my administration team can take a better look at student's results at the end of the 2018-2019 school year.

Respectfully

Gabriel Albavera
