The LEA must offer to provide equitable services that address the needs of eligible students attending nonprofit private school and staff under the programs listed below. The enrollment numbers are reported under penalty of perjury by each private school on its annual Private School Affidavit. The information field in the Private School Affidavit is not verified, and the CDE takes no position as to its accuracy. It is expected that districts engaged in private school consultation verify the accuracy of student enrollment data if it is being used for the purpose of providing equitable services.

Note:

The LEA of residence is responsible for providing Title I, Part A services to all eligible students who reside in the LEA's Title I attendance area but attend a nonprofit private school. This includes students who attend nonprofit private schools outside the LEA's boundaries
