## Board Policy

### Facilities

BP 7310

### Facilities

The Governing Board shall name schools or ~~individual buildings~~ school facilities in recognition of:

1. Individuals, living or deceased, who have made outstanding contributions to the ~~county or~~ community;
2. Individuals, living or deceased, who have made contributions of state, national or worldwide significance; or
3. The geographic area in which the school or building is located.

The Board encourages community participation in the process of selecting names. An ~~citizen~~ advisory committee shall be appointed to review name suggestions and submit recommendations for the Board's consideration. However, it is the Board's sole prerogative to name or rename a school or school facility and the Board may choose a name that was not recommended by the advisory committee or the Superintendent.

The renaming of existing schools or major facilities shall occur only under extraordinary circumstances and after thorough study.

### Memorials

~~Upon request the Board shall consider naming buildings, parts of buildings or athletic fields in honor of the contributions of students, staff members and community members who have been deceased for at least one year~~

**Review of Existing Names**

The Superintendent or designee shall conduct a review of whether the name of a school or school facility is no longer appropriate if:

1. A petition requesting that a review be conducted is signed by parents or guardians of at least one-third of students officially enrolled in the school;
2. A petition requesting that a review be conducted is signed by at least 75 percent of school staff, with part-time staff being counted the same as full-time staff;
3. The Board directs that a review be conducted; or
4. The Superintendent decides that a review is needed for any reason.

**[Option 1]**

If a school or school facility is named after an individual, the review shall examine whether the name is no longer able to create an inspiring and welcoming environment for students in light of the contemporary needs of the school's community.

**[Option 2]**

If a school or school facility is named after an individual, the review shall examine whether, in light of the Berkeley community's contemporary view on history and morality, the individual, on the whole, has made outstanding contributions to the community or made contributions of state, national or worldwide significance.

If a school or school facilities is named after a geographic area, the review shall examine whether the name has become outdated given changes in the geographic area.

As part of any review of the name of a school or a school facility, the review shall include at least one meeting with school staff and at least one meeting with the families of students enrolled in the school.

Based on the review conducted by the Superintendent or designee as well as any additional information or input that the Superintendent or designee deems appropriate and necessary, the Superintendent shall bring a recommendation to the Board regarding whether the name shall be kept or whether the Board should vote to discontinue to the use of the name.

**Unnamed Schools or School Facilities**

Prior to opening a new school in the District or in the instance where the Board has voted to discontinue the use of an existing school name, the Superintendent shall appoint an advisory committee to recommend one or more school names to the Board for its consideration.

With respect to an unnamed school facility, the Superintendent shall appoint an advisory

committee to recommend one or more school facility names to the Board for its consideration if:

1. A petition requesting that a name be given to the school facility is signed by parents or guardians of at least one-fourth of students officially enrolled in the school;
2. A petition requesting that a name be given to the school facility is signed by at least half of school staff, with part-time staff being counted the same of full-time staff;
3. The Board directs that a name be given to the school facility; or
4. The Superintendent decides that a name be given to the school facility.

### **Advisory Committee**

Once an advisory committee is created pursuant to this regulation, it shall hold at least three community meetings: one to alert the community that a naming process has begun, another to solicit potential names, and another to receive feedback on what potential names that the committee is considering.

For the advisory committee to be able to recommend a name to the Board, at least three-fourths of all advisory committee members must vote to recommend the name.

The advisory committee shall bring forward any name recommendations within six months of its creation. If no such recommendations are brought forward, the Superintendent shall bring forward recommendations and no committee recommendations shall be considered.

### **Standards and Implementation of New Signage**

The standard for exterior signage was approved by the Board on June 27, 2012. It provides guidance for the District regarding the visual image and physical requirements of the sign. Below are some potential fiscal issues to consider for the Facilities/Maintenance Division:

- The type of sign required
- The number of signs for the size of the facility
- The time required for physical signage removal and replacement for implementation.
