Statement of Reasons

The District's Fund Balance includes assigned, unassigned and unappropriated components, that in total are greater than the Minimum Recommended Reserve for Economic Uncertainties because:

Cash Flow contingencies in order to ensure adequate cash to meet payroll and other obligations throughout

Common Core State Standards Implementation for one-time costs associated with this implementation \$1.3

GASB 45 Unfunded Liability for post Retirement Benefits other than Pensions (\$3.4 million)

STRS and PERS Increases estimated at approximately \$350,000 per year

Uncertainties regarding special education costs including mental health services and high unpredictable costs associated with residential placements
