CUSD Innovator's Cohort

Level I

You are new to design but ready to take a leap! This group will work to move beyond traditional classroom practice as they work through the discovery phase of design to identify high need areas in need of more innovative practices.

Participants will be required to create and maintain a digital learning portfolio of their change journey.

Level II

You are ready to turn it up! This group is familiar with risk and is comfortable with not having all the answers. Together, we will be working deeper into the design phase to create community partnerships in relevant learning experiences.

Participants will be required to design and prototype a project that has impact beyond their classroom

Teaching for tomorrow.
