RE: Proposal for solid waste and recycling services

Dear Mr. Adamo:

Thank you for the opportunity to extend our service agreement with San José Unified School District. We have valued the working relation that our two entities have developed over the years.

Republic Services (Republic) has successfully provided reliable collection, processing and disposal services to the San Jose Unified School District for over 10 years. **The rich history we've created is invaluable and signifies we are the only company with a thorough understanding of the District's needs and service requirements.** The drivers who provide service to San Jose Unified School District are recognized, trusted and respected within the community. With ever-changing environmental requirements and regulations, our goal is to continue to be open-minded and accessible to the District. **We remain committed to making sure we effectively work toward providing superior service at fair and reasonable rates.**

Republic has provided the District with an attractive and highly-competitive collection proposal per the attached price sheet. Republic Services is comfortable with a 5 year agreement through the 2022-2023 school year. The annual rate adjustment will be tied into the Water, Sewer and Trash Collection Services index of the Consumer Price Index, with an annual cap at 3.00%. This index is more representative of the actual cost in our industry as opposed to the regular CPI.

Republic looks forward to continuing our partnership with San Jose Unified School District and we welcome the opportunity to meet with you to further discuss our proposal.

Sincerely,

Michael Geiss
Community Relations Manager
