- Facilitate collaborative instructional structures including department meetings and ILTs.
- Support teachers in analyzing student data in order to inform instruction
- Plan and facilitate District Grade Level Meetings that are aligned with district initiatives
- Prepare and facilitate district-wide professional development, including opening of year professional development for site.

- Analyze data and support the use of it in identifying students in need of intervention, particularly Tier I and Tier II, and in developing intervention plans
- Bring an equity lens to all conversations

Curriculum Development

- Support teachers in unit development in creating instructional materials when appropriate
- Demonstrate a thorough knowledge of curriculum and standards
- Assist with development of district curriculum, instruction, and assessments
- Participate in the piloting and approval of textbooks and instructional materials as a member of Secondary Curriculum Advisory Council

Professional Development and Skills:

- Create and maintain trusting and collegial relationships with school site staff, district teachers and leaders.
- Speak confidently on instructional practices with parents as appropriate
- Integrate the use of coaching cycles and blended coaching strategies in coaching conversations
- Model self-reflection
- Participate in monthly coaching meetings
- Take initiative in coaching teachers and encourage professional growth for all educators on site

EDUCATION/ TRAINING AND EXPERIENCE:

- Valid Teaching Credential
- Bachelor's Degree required, Masters and/or Doctoral Degree (desired)
- Experience working with diverse populations of students
- Five years of successful high school teaching experience
- Demonstrated teacher leadership ability
- Standard employment clearances and valid California's Driver's license

PHYSICAL REQUIREMENTS:

The usual and customary methods of performing the job's functions require the following physical demands, some lifting (up to 20 pounds), carrying, pushing, and/or pulling: significant manual dexterity, ability to perform keyboarding tasks, sufficient hearing and speaking ability for normal voice level conversations, telephone conversations, and to hear and speak to be understood in indoor and outdoor settings.
