The Authorized Officer, or any authorized deputy, and such other officers of the District as may be authorized by the Board are, and each of them acting alone hereby is, authorized and directed to negotiate with the Underwriter the interest rates on the Series B Bonds and the purchase price of the Series B Bonds to be paid by the Underwriter, which purchase price shall reflect an Underwriter's discount of not to exceed forty-five hundredths of one percent (0.45%) (not including original issue discount or any Costs of Issuance to be paid by the Underwriter) of the Principal Amount thereof. Interest with respect to each Bond will be payable from the Interest Payment Date next preceding the date of registration thereof, unless (i) it is registered after the close of business on any Record Date and before the close of business on the immediately following Interest Payment Date, in which event interest with respect thereto shall be payable from such following Interest Payment Date; or (ii) it is registered prior to the close of business on the first Record Date, in which event interest shall be payable from its dated date; provided, however, that if at the time of registration of any Bond interest with respect thereto is in default, interest with respect thereto shall be payable from the Interest Payment Date to

(a) The Series B Bonds shall be initially issued in the form of a separate single fully registered Bond (which may be typewritten) for each of the maturities of the Series B Bonds within each series. Upon initial issuance, the ownership of each such Series B Bond certificate shall be registered in the Bond Register in the name of the Nominee as nominee of the Depository. Except as provided in subsection (c) hereof, all of the Outstanding Series B Bonds shall be registered in the Bond Register in the name of the Nominee and the Series B Bonds may be transferred, in whole but not in part, only to the Depository, to a successor Depository or to another nominee of the Depository or of a successor Depository. Each Bond certificate shall bear a legend substantially to the following effect: "UNLESS THIS SERIES B BOND IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY (AS DEFINED IN THE RESOLUTION) TO THE BOND REGISTRAR FOR REGISTRATION OF TRANSFER, EXCHANGE, OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN."

With respect to Series B Bonds registered in the Bond Register in the name of the Nominee, the District shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds a beneficial interest in the Series B Bonds. Without limiting the immediately preceding sentence, the District shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any beneficial ownership interest in the Series B Bonds, (ii) the delivery to any Participant, Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Series B Bonds, including any redemption notice, (iii) the selection by the Depository and the Participants of the beneficial interests in the Series B Bonds to be redeemed in part, or (iv) the payment to any Participant, Beneficial Owner or any other person, other than the Depository, of any amount with respect to Principal of, premium, if any, and interest on, the Series B Bonds. The District may treat and consider the person in whose name each Bond is registered in the Bond Register as the absolute Owner of such Series B Bond for the purpose of payment of Principal of, premium, if any, and interest on, such Series B Bond, for the purpose of giving Redemption Notices and other notices with respect to such Series B Bond, and for all other purposes whatsoever, including, without limitation, registering transfers with respect to the Series B Bonds.

The Paying Agent shall pay all Principal of, premium, if any, and interest on, the Series B Bonds only to the respective Owners, as shown in the Bond Register, and all such

payments shall be valid hereunder with respect to payment of Principal of, premium, if any, and interest on, the Series B Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Bond Register, shall receive a Bond evidencing the obligation to make payments of Principal of, premium, if any, and interest, pursuant to this Resolution. Upon delivery by the Depository to the Paying Agent and the District of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions hereof with respect to Record Dates, the word "Nominee" in this Resolution shall refer to such new nominee of the Depository.

(b) If at any time the Depository notifies the District that it is unwilling or unable to continue as Depository with respect to the Series B Bonds or if at any time the Depository shall no longer be registered or in good standing under the Securities Exchange Act or other applicable statute or regulation and a successor Depository is not appointed by the Superintendent within 90 days after the District receives notice or becomes aware of such condition, as the case may be, subsection (a) hereof shall no longer be applicable and the District shall issue new Series B Bonds representing the Series B Bonds as provided below. In addition, the District may determine at any time that the Series B Bonds shall no longer be represented by book-entry securities and that the provisions of subsection (a) hereof shall no longer apply to the Series B Bonds. In any such event, the District shall execute and deliver certificates representing the Series B Bonds as provided below. Certificated securities issued in exchange for book-entry securities pursuant to this subsection shall be registered in such names and delivered in such denominations as the Depository shall instruct the District. The District shall then deliver certificated securities representing the new bonds to the persons in whose names such Series B Bonds are so registered.

If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or cause to be prepared a new fully-registered book-entry security for each of the maturities of Series B Bonds, registered in the name of such successor or substitute securities depository or its nominee, or make such other arrangements as are acceptable to the District and such securities depository and not inconsistent with the terms of this Resolution.

(c) Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to Principal of, premium, if any, and interest on, such Series B Bond and all notices with respect to such Series B Bond shall be made and given, respectively, as provided in the letter of representation from the District to the Depository or as otherwise instructed by the Depository.

(d) The initial Depository under this Resolution shall be DTC. The initial Nominee shall be Cede & Co., as nominee of DTC.

(a) The Series B Bonds shall be executed in the name of the District by the manual or facsimile signature of the President of the Board and the manual or facsimile signature of the Secretary to or Clerk of the Board or by a deputy of any such officers. In case any one or more of the officers who shall have signed any of the Series B Bonds shall cease to be such officer before the Series B Bonds so signed shall have been issued by the District, such Series B Bonds may, nevertheless, be issued, as herein provided, as if the persons who signed or sealed such Series B Bonds had not ceased to hold such offices. Any of the Series B Bonds may be signed and sealed by such persons as at the time of the

execution of such Series B Bonds shall be duly authorized to hold or shall hold the proper offices in the District, although at the date borne by the Series B Bonds such persons may not have been so authorized or have held such offices.

(b) The Series B Bonds shall bear thereon a certificate of authentication executed manually by the Paying Agent. Only such Series B Bonds as shall bear thereon such certificate of authentication duly executed by the Paying Agent shall be entitled to any right or benefit under this Resolution and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Paying Agent. Such certificate of the Paying Agent upon any Bond shall be conclusive evidence that the Bond so authorized has been duly authenticated and delivered under this Resolution and that the Owner thereof is entitled to the benefit of this Resolution.

SECTION 16. Transfer and Exchange. The transfer of any Bond may be registered upon surrender of such Series B Bond to the Paying Agent. Such Series B Bond shall be endorsed or accompanied by delivery of the written instrument of transfer shown in Exhibit A hereto, duly executed by the Owner or his duly authorized attorney, and payment of such reasonable transfer fees as the Paying Agent may establish. Upon such registration of transfer, a new Bond or Series B Bonds, of like tenor and maturity in the same Transfer Amount and in authorized denominations, will be executed and delivered to the transferee in exchange therefor.

The Paying Agent shall deem and treat the person in whose name any Outstanding Bond shall be registered upon the Bond Register as the absolute Owner of such Series B Bond, whether the Principal, premium, if any, or interest with respect to such Series B Bond shall be overdue or not, for the purpose of receiving payment of Principal, premium, if any, and interest with respect to such Series B Bond and for all other purposes, and any such payments so made to any such Owner or upon his order shall be valid and effective to satisfy and discharge the liability upon such Series B Bond to the extent of the sum or sums so paid, and the District or the Paying Agent shall not be affected by any notice to the contrary.

Series B Bonds may be exchanged at the office of the Paying Agent for Series B Bonds of like tenor, maturity and Transfer Amount of other authorized denominations. All Series B Bonds surrendered in any such exchange shall thereupon be cancelled by the Paying Agent. The Paying Agent may charge the Owner a reasonable sum for each new Bond executed and delivered upon any exchange (except in the case of the first exchange of any Bond in the form in which it is originally delivered, for which no charge shall be imposed) and the Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

The Paying Agent shall not be required to register the transfer or exchange of any Bond (i) during the period beginning at the close of business on any Record Date through the close of business on the immediately following Interest Payment Date, or (ii) that has been called or is subject to being called for redemption, during a period beginning at the opening of business 15 days before any selection of Series B Bonds to be redeemed through the close of business on the applicable redemption date, except for the unredeemed portion of any Bond to be redeemed only in part.

SECTION 17. Series B Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated, the Paying Agent, at the expense of the Owner, shall deliver a new Bond of like date, interest rate, maturity, Transfer Amount, series and tenor as the Bond so

mutilated in exchange and substitution for such mutilated Bond, upon surrender and cancellation thereof. All Series B Bonds so surrendered shall be cancelled. If any Bond shall be destroyed, stolen or lost, evidence of such destruction, theft or loss may be submitted to the Paying Agent and if such evidence is satisfactory to the Paying Agent that such Series B Bond has been destroyed, stolen or lost, and upon furnishing the Paying Agent with indemnity satisfactory to the Paying Agent and complying with such other reasonable regulations as the Paying Agent may prescribe and paying such expenses as the Paying Agent may incur the Paying Agent shall, at the expense of the Owner, execute and deliver a new Bond of like date, interest rate, maturity, Transfer Amount and tenor in lieu of and in substitution for the Bond so destroyed, stolen or lost. Any new Series B Bonds issued pursuant to this Section in substitution for Series B Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the District, whether or not the Series B Bonds so alleged to be destroyed, stolen or lost are at any time enforceable by anyone, and shall be equally secured by and entitled to equal and proportionate benefits with all other Series B Bonds issued under this Resolution in any moneys or securities held by the Paying Agent for the benefit of the Owners of the Series B Bonds.

SECTION 18. Bond Register. The Paying Agent shall keep or cause to be kept at its office sufficient books for the registration and registration of transfer of the Series B Bonds. Upon presentation for registration of transfer, the Paying Agent shall, as above provided and under such reasonable regulations as it may prescribe subject to the provisions hereof, register or register the transfer of the Series B Bonds, or cause the same to be registered or cause the registration of the same to be transferred, on such books.

SECTION 19. Unclaimed Money. All money which the Paying Agent shall have received from any source and set aside for the purpose of paying or redeeming any of the Series B Bonds shall be held in trust for the respective Owners of such Series B Bonds, but any money which shall be so set aside or deposited by the Paying Agent and which shall remain unclaimed by the Owners of such Series B Bonds for a period of one year after the date on which any payment or redemption with respect to such Series B Bonds shall have become due and payable shall be transferred to the general fund of the District; provided, however, that the Paying Agent, before making such payment, shall cause notice to be mailed to the Owners of such Series B Bonds, by first class mail, postage prepaid, after a date in said notice, which date shall not be less than 90 days prior to the date of such payment, to the effect that said money has not been claimed and that after a date named therein, any unclaimed balance of said money then remaining will be transferred to the general fund of the District. Thereafter, the Owners of such Series B Bonds shall look only to the general fund of the District for payment of such Series B Bonds.

SECTION 20. Application of Proceeds. Upon the sale of the Series B Bonds, the District intends to deposit or cause to be deposited a portion of the proceeds of the Series B Bonds into the "San Rafael City High School District Election of 2015 General Obligation Bonds, Series B Building Fund" (the "Building Fund") which is hereby established for the account of the District and shall be administered by the County. Within the Building Fund, there shall be established an account for each series of the Series B Bonds. Money in the Building Fund shall be disbursed for the payment of the costs of acquiring and constructing the Project. At such time that no amounts remain on deposit in Building Fund, the County may close the Building Fund.

Any excess proceeds of the Series B Bonds not needed for the authorized purposes set forth herein for which the Series B Bonds are being issued shall be transferred to the Debt Service Fund and applied to the payment of the Principal of and interest on the Series

B Bonds. If, after payment in full of the Series B Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the general fund of the District.

SECTION 21. Payment and Security for the Series B Bonds. The Board of Supervisors of the County is hereby requested, in accordance with Education Code Sections 15250 *et seq.*, to annually at the time of making the levy of taxes for County purposes, levy a continuing direct *ad valorem* tax for the Fiscal Year upon the taxable property in the District without limitation as to rate or amount (except for certain personal property which is taxable at limited rates) in an amount at least sufficient, together with moneys on deposit in the Debt Service Fund and available for such purpose, to pay the Principal of, premium, if any, and interest on each Bond as each becomes due and payable in the next succeeding Bond Year. The tax levy may include an allowance for an annual reserve, established for the purpose of avoiding fluctuating tax levies. The District hereby pledges as security for the Series B Bonds and the interest thereon and the County shall deposit or cause to be deposited in the District's Debt Service Fund, the proceeds from the levy of the aforementioned tax which the County receives (the "Pledged Moneys"). The Pledged Moneys shall be used to pay the Principal of, premium, if any, and interest on the Series B Bonds when and as the same shall become due and payable. The Series B Bonds are the general obligations of the District and do not constitute an obligation of the County except as provided in this Resolution. No part of any fund or account of the County is pledged or obligated to the payment of the Series B Bonds or the interest thereon. Other than the Pledged Moneys, no funds or accounts of the District are pledged to payment of the Series B Bonds.

The Series B Bonds shall, pursuant to Government Code Section 53515, be secured by a statutory lien on all revenues received pursuant to the levy and collection of *ad valorem* taxes for the payment of the Series B Bonds.

SECTION 22. Debt Service Fund.

(a) Any accrued interest and any original issue premium not applied towards payment of the Costs of Issuance and received by the District from the sale of the Series B Bonds shall be deposited or caused to be deposited in the fund established and designated as the "San Rafael City High School District Election of 2015 General Obligation Bonds, Series B Debt Service Fund" (the "Debt Service Fund") to be administered by the County and used only for the payment of the Principal of, premium, if any, and interest on the Series B Bonds.

(b) All Pledged Moneys shall be deposited upon collection by the County into the Debt Service Fund and used for the payment of the Principal of, premium, if any, and interest on the Series B Bonds.

(c) The County shall transfer or cause to be transferred from the Debt Service Fund to the Paying Agent, an amount, in immediately available funds, sufficient to pay all the Principal of, premium, if any, and interest on the Series B Bonds (collectively, the "Debt Service") on such Interest Payment Date. Debt Service on the Series B Bonds shall be paid by the Paying Agent in the manner provided by law for the payment of Debt Service.

(d) The District shall cause moneys to be transferred to the Rebate Fund to the extent needed to comply with the Tax Certificate. Any amounts on deposit in the Debt Service Fund when there are no longer any Series B Bonds Outstanding shall be transferred to the general fund of the District.

SECTION 23. Establishment and Application of Rebate Fund. The District shall establish a special fund designated "San Rafael City High School District Election of 2015 General Obligation Bonds, Series B Rebate Fund" (the "Rebate Fund") which shall be administered by the County for the account of the District and which shall be kept separate and apart from all other funds and accounts held hereunder. The District shall deposit, or cause to be deposited, moneys to the Rebate Fund in accordance with the provisions of the Tax Certificate. Amounts on deposit in the Rebate Fund shall only be applied to payments made to the United States or otherwise transferred to other accounts or funds established hereunder in accordance with the Tax Certificate.

SECTION 24. Payment of Costs of Issuance. The District may pay, or cause to be paid, Costs of Issuance using proceeds of the Series B Bonds or, to the extent available, original issue premium derived from the sale of the Series B Bonds and applied for that purpose as provided in the Bond Purchase Agreement.

SECTION 25. Establishment of Additional Funds and Accounts. If at any time it is deemed necessary or desirable by the District, the County may establish additional funds under this Resolution and/or accounts within any of the funds or accounts established hereunder.

SECTION 26. Redemption. The Series B Bonds shall be subject to redemption as provided in the Bond Purchase Agreement.

SECTION 27. Selection of Series B Bonds for Redemption. Whenever provision is made in this Resolution or in the Bond Purchase Agreement for the redemption of the Series B Bonds and less than all Outstanding Series B Bonds are to be redeemed, the Paying Agent, upon written instruction from the District given at least 45 days prior to the date designated for such redemption, shall select Series B Bonds for redemption in such order as the District may direct, or, in the absence of such direction, in inverse order of maturity within a series. Within a maturity, the Paying Agent shall select Series B Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that the portion of any Bond to be redeemed in part shall be in the Principal Amount of \$5,000 or any integral multiple thereof.

SECTION 28. Notice of Redemption. When redemption is authorized or required pursuant to this Resolution or the Bond Purchase Agreement, the Paying Agent, upon written instruction from the District given at least 30 days prior to the date designated for such redemption, shall give notice (a "Redemption Notice") of the redemption of the Series B Bonds. Such Redemption Notice shall specify: (a) the Series B Bonds or designated portions thereof (in the case of redemption of the Series B Bonds in part but not in whole) which are to be redeemed, (b) the date of redemption, (c) the place or places where the redemption will be made, including the name and address of the Paying Agent, (d) the redemption price, (e) the CUSIP numbers (if any) assigned to the Series B Bonds to be redeemed, (f) the numbers of the Series B Bonds to be redeemed in whole or in part and, in the case of any Bond to be redeemed in part only, the Principal Amount of such Series B Bond to be redeemed, and (g) the original issue date, interest rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed the redemption price, together with the interest accrued to the redemption date, and that from and after such date interest with respect thereto shall cease to accrue and be payable.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

(a) At least 20 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Series B Bonds designated for redemption by first class mail, postage prepaid, at their addresses appearing on the Bond Register. Notice of redemption may be given on a conditional basis in contemplation of a refunding of the Series B Bonds.

(b) In the event that the Series B Bonds shall no longer be held in book-entry only form, at least two days before the date of the notice required by clause (a) of this Section, such Redemption Notice shall be given by (i) first class mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to each of the Securities Depositories.

(c) In the event that the Series B Bonds shall no longer be held in book-entry only form, at least two days before the date of notice required by clause (a) of this Section, such Redemption Notice shall be given by (i) first class mail, postage prepaid, or (ii) overnight delivery service, to the Municipal Securities Rulemaking Board.

Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Series B Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Series B Bonds shall bear the CUSIP number identifying, by series and maturity, the Series B Bonds being redeemed with the proceeds of such check or other transfer.

The District may rescind any optional redemption and notice thereof for any reason on any date prior to the date fixed for redemption by causing written notice of the rescission to be given to the owners of the Series B Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the date fixed for redemption moneys are not available in the Debt Service Fund or otherwise held in trust for such purpose in an amount sufficient to pay in full on said date the Principal of, interest, and any premium due on the Series B Bonds called for redemption. Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the owner of any Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

SECTION 29. Partial Redemption of Series B Bonds. Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Bond or Series B Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

SECTION 30. Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside for the payment of their redemption price, the Series B Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Series B Bonds to be redeemed as provided above, together with interest to such redemption date, shall be held by the Paying Agent so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Series B Bonds to be redeemed shall cease to accrue and become payable. All money held by or on behalf of the Paying Agent for the redemption of Series B Bonds shall be held in trust for the account of the Owners of the Series B Bonds so to be redeemed.

All Series B Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of Section 27, 28 and 29 shall be cancelled upon surrender thereof and delivered to or upon the order of the District. All or any portion of a Bond purchased by the District shall be cancelled by the Paying Agent upon written notice by the District given to the Paying Agent.

SECTION 31. Paying Agent, Appointment and Acceptance of Duties.

(a) The Board hereby consents to and confirms the appointment of The Bank of New York Mellon Trust Company, N.A. to act as Paying Agent for the Series B Bonds under this Resolution. All fees and expenses incurred for services of the Paying Agent shall be the sole responsibility of the District. The Paying Agent shall have a corporate trust office in San Francisco or Los Angeles, California.

(b) Unless otherwise provided, the office of the Paying Agent designated by the Paying Agent shall be the place for the payment of Principal of, premium, if any, and interest on the Series B Bonds.

SECTION 32. Liability of Paying Agent. The Paying Agent makes no representations as to the validity or sufficiency of this Resolution or of any Series B Bonds issued hereunder or as to the security afforded by this Resolution, and the Paying Agent shall incur no liability in respect hereof or thereof.

SECTION 33. Evidence on Which Paying Agent May Act. The Paying Agent, upon receipt of any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this Resolution, shall examine such instrument to determine whether it conforms to the requirements of this Resolution and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. The Paying Agent may consult with counsel, who may or may not be counsel to the District, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Resolution in good faith and in accordance therewith.

SECTION 34. Compensation. The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under this Resolution. In no event shall the Paying Agent be required to expend its own funds hereunder.

The fees and expenses of the Paying Agent not paid from the proceeds of the sale of the Series B Bonds shall be paid each year from the Debt Service Fund, insofar as permitted by law, including specifically by Section 15232 of the Education Code.

SECTION 35. Ownership of Series B Bonds Permitted. The Paying Agent or the Underwriter may become the Owner of any Series B Bonds.

SECTION 36. Resignation or Removal of Paying Agent and Appointment of Successor.

(a) The Paying Agent initially appointed hereunder may resign from service as Paying Agent and any Authorized Officer may remove such Paying Agent or any subsequent Paying Agent as provided in the respective Paying Agent's service agreement. Without further action by the District, if at any time the Paying Agent shall resign or be removed, an Authorized Officer shall appoint a successor Paying Agent, which shall be a bank or trust company with at least \$50,000,000 in net assets doing business in and having a corporate trust office in San Francisco or Los Angeles, California. The Paying Agent shall keep accurate records of all funds administered by it and of all Series B Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the District in a format mutually agreeable to the Paying Agent and the District. Such successor Paying Agent shall signify the acceptance of its duties and obligations hereunder by executing and delivering to the District a written acceptance thereof. Resignation or removal of the Paying Agent shall be effective upon appointment and acceptance of a successor Paying Agent.

(b) In the event of the resignation or removal of the Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor.

(c) In the event of the merger, acquisition or consolidation of the Paying Agent, the Paying Agent shall pay over, assign and deliver any moneys held by it to its successor who shall assume the responsibilities of Paying Agent hereunder unless the successor shall be removed by the District in which case all funds shall be paid at the direction of an Authorized Officer.

SECTION 37. Investment of Certain Funds. Moneys held in all funds and accounts established hereunder shall be invested and reinvested by the Treasurer in Authorized Investments to the fullest extent practicable as shall be necessary to provide moneys when needed for payments to be made from such funds or accounts. Nothing in this Resolution shall prevent any investment securities acquired as investments of funds held hereunder from being issued or held in book-entry form on the books of the Department of the Treasury of the United States. All investment earnings on amounts on deposit in the Rebate Fund, the Debt Service Fund and the Building Fund shall remain on deposit in such funds.

The proceeds from the sale of the Series B Bonds (net of premium, if any) will be deposited in the County treasury to the credit of the Building Fund. Any premium or accrued interest received by the District from the sale of the Series B Bonds will be deposited in the Debt Service Fund. Earnings on the investment of moneys in either fund will be retained in that fund and used only for the purposes to which that fund may lawfully be applied. Moneys in the Building Fund may only be applied for the purposes for which the Series B Bonds were approved. Moneys in the Debt Service Fund may only be applied to make payments of interest, principal and premium, if any, on bonds of the District.

All funds held in the Building Fund and the Debt Service Fund will be invested by the Treasurer pursuant to law and the investment policy of the County.

The District covenants that all investments of amounts deposited in any fund or account created by or pursuant to this Resolution, or otherwise containing gross proceeds of

the Series B Bonds (within the meaning of section 148 of the Code) shall be acquired, disposed of, and valued (as of the date that valuation is required by this Resolution or the Code) at Fair Market Value. Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code shall be valued at their present value (within the meaning of section 148 of the Code).

SECTION 38. Valuation and Sale of Investments. Obligations purchased as an investment of moneys in any fund or account shall be deemed at all times to be a part of such fund or account. Profits or losses attributable to any fund or account shall be credited or charged to such fund or account.

SECTION 39. Supplemental Resolutions With Consent of Owners. This Resolution, and the rights and obligations of the District and of the Owners of the Series B Bonds issued hereunder, may be modified or amended at any time by a Supplemental Resolution adopted by the District with the written consent of Owners owning at least 60% in aggregate Bond Obligation of the Outstanding Series B Bonds, exclusive of Series B Bonds, if any, owned by the District; provided, however, that if a Bond Insurance Policy is in effect, and provided that the Bond Insurer, if any, complies with its obligations thereunder, the Bond Insurer shall be deemed to be the sole Owner of the Series B Bonds for purposes of this sentence. Notwithstanding the foregoing, no such modification or amendment shall, without the express consent of the Owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof, extend its maturity or the times for paying interest thereon or change the monetary medium in which Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification thereof or hereof. No such Supplemental Resolution shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto. Notwithstanding anything herein to the contrary, no such consent shall be required if the Owners are not directly and adversely affected by such amendment or modification.

SECTION 40. Supplemental Resolutions Effective Without Consent of Owners. For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution of the District may be adopted, which, without the requirement of consent of the Owners, shall be fully effective in accordance with its terms:

(a) To add to the covenants and agreements of the County or the District in this Resolution, other covenants and agreements to be observed by the County or the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(b) To add to the limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the County or the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(c) To confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by this Resolution, of any moneys, securities or funds, or to establish any additional funds, or accounts to be held under this Resolution;

(d) To cure any ambiguity, supply any omission, or cure to correct any defect or inconsistent provision in this Resolution;

(e) To make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Series B Bonds; or

(f) To amend or supplement this Resolution in any other respect, provided such Supplemental Resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the Owners.

SECTION 41. Effect of Supplemental Resolution. Any act done pursuant to a modification or amendment so consented to shall be binding upon the Owners of all the Series B Bonds and shall not be deemed an infringement of any of the provisions of this Resolution, whatever the character of such act may be, and may be done and performed as fully and freely as if expressly permitted by the terms of this Resolution, and after consent relating to such specified matters has been given, no Owner shall have any right or interest to object to such action or in any manner to question the propriety thereof or to enjoin or restrain the District or any officer or agent of either from taking any action pursuant thereto.

SECTION 42. Defeasance. If any or all Outstanding Series B Bonds shall be paid and discharged in any one or more of the following ways:

(a) by well and truly paying or causing to be paid the Principal of and interest on all Series B Bonds Outstanding, as and when the same become due and payable;

(b) by depositing with the Paying Agent, in trust, at or before maturity, cash which, together with the amounts then on deposit in the Debt Service Fund plus the interest to accrue thereon without the need for further investment, is fully sufficient to pay all Series B Bonds Outstanding on their redemption date or at maturity thereof, including any premium and all interest thereon, notwithstanding that any Series B Bonds shall not have been surrendered for payment; or

(c) by depositing with an institution to act as escrow agent selected by the District and which meets the requirements of serving as Paying Agent pursuant to this Resolution, in trust, lawful money or noncallable direct obligations issued by the United States Treasury (including State and Local Government Series Obligations) or obligations which are unconditionally guaranteed by the United States of America and described under Section 149(b) of the Code and Regulations which, in the opinion of nationally recognized bond counsel, will not impair the exclusion from gross income for federal income tax purposes of interest on the Series B Bonds, in such amount as will, together with the interest to accrue thereon without the need for further investment, be fully sufficient, in the opinion of a verification agent satisfactory to the District, to pay and discharge all Series B Bonds Outstanding on their redemption date or at maturity thereof, including any premium and all interest thereon, notwithstanding that any Series B Bonds shall not have been surrendered for payment;

then all obligations of the District and the Paying Agent under this Resolution with respect to such Outstanding Series B Bonds shall cease and terminate, except only the obligation of the Paying Agent to pay or cause to be paid to the Owners of the Series B Bonds all sums due thereon, and the obligation of the District to pay to the Paying Agent amounts owing to the Paying Agent hereunder.

SECTION 43. Tax Covenants. The District hereby covenants that it shall not, directly or indirectly, use or permit the use of any proceeds of any of the Series B Bonds, or of any of the property financed or refinanced with the proceeds of the Series B Bonds, or other funds of the District, or take or omit to take any action that would cause the Series B Bonds

to be deemed "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"). To that end, the District shall comply with all requirements of Section 148 of the Code and all regulations of the United States Department of the Treasury promulgated thereunder to the extent that such requirements are in effect and applicable to the Series B Bonds.

The District further covenants and agrees to comply with the requirements of the Tax Certificate to be executed and delivered in connection with the delivery of the Series B Bonds to the original purchasers thereof.

SECTION 44. Bond Insurance. All or a portion of the Series B Bonds may be sold with bond insurance or other form of credit enhancement, if an Authorized Officer, in consultation with the Underwriter and the Financial Advisor, determines that the savings to the District resulting from the purchase of such bond insurance exceeds the cost thereof.

SECTION 45. Continuing Disclosure. The District hereby approves the form of Continuing Disclosure Agreement in substantially the form attached as an appendix to the Preliminary Official Statement and covenants and agrees that it will comply with and carry out all of the terms of such Continuing Disclosure Agreement. Any Underwriter, any Owner or any Beneficial Owner may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section and the Continuing Disclosure Agreement.

SECTION 46. Nonliability of County. Notwithstanding anything to the contrary contained herein, in the Series B Bonds or in any other document mentioned herein, neither the County, nor its officials, officers, employees or agents shall have any liability hereunder or by reason hereof or in connection with the transactions contemplated hereby, the Series B Bonds are not a debt of the County or a pledge of the County's full faith and credit, and the Series B Bonds and any liability in connection therewith shall be paid solely from *ad valorem* property taxes lawfully levied to pay the principal of or interest on the Series B Bonds, which taxes shall be unlimited as to rate or amount.

SECTION 47. Reimbursement of County Costs. The District shall reimburse the County for all costs and expenses incurred by the County, its officials, officers, agents and employees in issuing or otherwise in connection with the issuance of the Series B Bonds.

SECTION 48. Other Actions. Officers of the Board and District officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Series B Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

SECTION 49. Resolution to County Treasurer. The Secretary to this Board is hereby directed to provide a certified copy of this Resolution to the Treasurer immediately following its adoption.

SECTION 50. Effective Date. This Resolution shall take effect immediately upon its passage.

SECTION 51. Recitals. All the recitals in this Resolution above are true and correct and this Board so finds determines and represents.

The San Rafael City High School District (the "District") of Marin County, State of California, for value received, hereby acknowledges itself indebted and promises to pay to the Registered Owner set forth above the Principal Amount set forth above, on the Maturity Date set forth above, together with interest thereon from the dated date set forth above until the Principal Amount hereof shall have been paid or provided for, in accordance with the Resolution hereinafter referred to, at the interest rate set forth above. Interest on this Bond is payable on ____ 1, 20__, and semiannually thereafter on the first day of February and August (each, an "Interest Payment Date") in each year to the registered owner hereof from the Interest Payment Date next preceding the date on which this Series B Bond is registered (unless it is registered after the close of business on the fifteenth calendar day of the month preceding any Interest Payment Date (a "Record Date") and before the close of business on the immediately following Interest Payment Date, in which event it shall bear interest from such following Interest Payment Date, or unless this Series B Bond is registered prior to the close of business on ____ 15, 201__, in which event it shall bear interest from its date; provided, however, that if at the time of registration of this Series B Bond interest with respect hereto is in default, interest with respect hereto shall be payable from the Interest Payment Date to which interest has previously been paid or made

available for payment). The Principal Amount hereof is payable at the office of The Bank of New York Mellon Trust Company, N.A., as paying agent (the "Paying Agent"), in Dallas, Texas. The interest hereon is payable by check or draft mailed by first class mail to each registered owner, at his address as it appears on the registration books kept by the Paying Agent as of the Record Date.

The Bonds of this issue are comprised of \$_____ Principal Amount of Series B Bonds. This Series B Bond is issued by the District under and in accordance with the provisions of (i) Section 53506 *et seq.* of the California Government Code (the "Act") and (ii) Article XIII A of the California Constitution, and pursuant to a resolution adopted by the Board of Education of the District on December 25, 2018 (the "Resolution"). Reference is hereby made to the Resolution, a copy of which is on file at the office of the District, for a description of the terms on which the Series B Bonds are delivered, and the rights thereunder of the registered owners of the Series B Bonds and the rights and duties of the Paying Agent and the District, to all of the provisions of which the registered owner of this Series B Bond, by acceptance hereof, assents and agrees. All capitalized terms used but not otherwise defined herein shall have the respective meanings set forth in the Resolution. The Series B Bonds were authorized by a vote of 55% or more of the qualified electors of the District voting on the proposition at a general election held therein to determine whether such Series B Bonds should be issued.

This Series B Bond is a general obligation of the District, payable as to both Principal and interest from *ad valorem* taxes which, under the laws now in force, may be levied without limitation as to rate or amount upon all of the taxable property in the District. Neither the payment of the Principal of this Series B Bond, or any part thereof, nor any interest or premium hereon constitute a debt, liability or obligation of the County.

This Series B Bond is issued in fully registered form and is nonnegotiable. Registration of this Series B Bond is transferable by the registered owner hereof, in person or by his attorney duly authorized in writing, at the aforesaid offices of the Paying Agent, but only in the manner, subject to the limitations, and upon payment of the charges, provided in the Resolution and upon surrender and cancellation of this Series B Bond. Upon such registration of transfer, a new Series B Bond or Series B Bonds, of like tenor and maturity in the same Transfer Amount and in authorized denominations will be issued to the transferee in exchange herefor. The District and the Paying Agent may treat the registered owner hereof as the absolute owner hereof for all purposes, whether or not this Series B Bond shall be overdue, and shall not be affected by any notice to the contrary.

The rights and obligations of the District and of the owners of the Series B Bonds may be modified or amended at any time by a supplemental resolution adopted by the District with the written consent of owners of at least 60% in aggregate Bond Obligation of the Outstanding Series B Bonds, exclusive of Series B Bonds, if any, owned by the District; provided, however, that no such modification or amendment shall, without the express consent of the registered owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, extend its maturity or the times for paying interest thereon or change the monetary medium in which the Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification hereof.

A supplemental resolution of the District may be adopted, which, without the requirement of consent of the registered owners, shall be fully effective in accordance with its terms: (1) to add to the covenants and agreements of the District in the Resolution, other covenants and agreements to be observed by the District which are not contrary to or

inconsistent with the Resolution as theretofore in effect; (2) to add to the limitations and restrictions in the Resolution, other limitations and restrictions to be observed by the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (3) to confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by the Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under the Resolution; (4) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Resolution; (5) to make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Series B Bonds or (6) to amend or supplement the Resolution in any other respect, provided such supplemental resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the owners.

If this Series B Bond is called for redemption and the Principal Amount of this Series B Bond plus premium, if any, and accrued interest due with respect hereto are duly provided therefor as specified in the Resolution, then interest shall cease to accrue with respect hereto from and after the date fixed for redemption.

This Series B Bond shall not become valid or obligatory for any purpose until the Certificate of Authentication hereon endorsed shall have been dated and executed manually by the Paying Agent.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED, that an election was duly and legally called, held and conducted, and the notices thereof duly given, and the results thereof canvassed and declared in accordance with the provisions of the Education Code of the State and that all of the proceedings of the Board of Education of the District in the matter of the issuance of this Series B Bond were regular and in strict accordance with the provisions of the Act and of the Constitution of the State of California, and that the total bonded indebtedness of the District, including the issue of which this Series B Bond is a part, does not exceed any limit prescribed by law.

IN WITNESS WHEREOF, San Rafael City High School District has caused this Series B Bond to be executed on behalf of the District and in their official capacities by the manual or facsimile signature of the President of the Board of Education of the San Rafael City High School District, and to be countersigned by the manual or facsimile signature of the Secretary of the Board of Education of the San Rafael City High School District.

BOND PURCHASE AGREEMENT

[DATE], 2018

Board of Education
San Rafael City High School District
310 Nova Albion Way
San Rafael, California 94903

Ladies and Gentlemen:

The undersigned, Stifel, Nicolaus & Company, Incorporated, as underwriter (the “Underwriter”), acting on its own behalf and not as the fiduciary or agent to the District (as defined herein), offers to enter into this Bond Purchase Agreement (the “Purchase Contract”) with the San Rafael City High School District (the “District”), which, upon the District’s acceptance hereof, will be binding upon the District and the Underwriter. This offer is made subject to the written acceptance of this Purchase Contract by the District and delivery of such acceptance to the Underwriter at or prior to 11:59 p.m., California time, on the date hereof. Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to such terms in the Official Statement (as defined herein) or, if not defined in the Official Statement, in the Resolution (as defined herein).

Section 1. Purchase and Sale of the Bonds. Upon the terms and conditions and in reliance upon the representations, warranties and agreements herein set forth, the Underwriter hereby agrees to purchase from the District for reoffering to the public, and the District hereby agrees to sell to the Underwriter for such purpose, all (but not less than all) of \$[AMOUNT] aggregate principal amount of the District’s Election of 2015 General Obligation Bonds, Series B (the “Bonds”). The Underwriter shall purchase the Bonds at a price of \$[PRICE] (which is equal to the principal amount of the Bonds of \$[AMOUNT], plus [net] original issue premium of \$[PREMIUM], and less Underwriter’s discount of \$[UD]). Certain costs of issuance of the Bonds shall be paid by the District from proceeds of the Bonds in accordance with Section 13 hereof.

The District acknowledges and agrees that:

- (a) the purchase and sale of the Bonds under this Purchase Contract is an arm’s-length commercial transaction between the District and the Underwriter;

(b) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriter is and has been acting solely as a principal and not as an agent or fiduciary of the District;

(c) the Underwriter has not assumed a fiduciary responsibility in favor of the District with respect to: (i) the offering of the Bonds or the process leading thereto (whether or not the Underwriter, or any affiliate of the Underwriter, has advised or is currently advising the District on other matters); or (ii) any other obligation to the District except the obligations expressly set forth in this Purchase Contract; and

(d) the District has consulted its own legal, financial and other advisors to the extent it has deemed appropriate in connection with this transaction.

The District acknowledges that it has previously provided the Underwriter with an acknowledgement of receipt of the required Underwriter disclosure under Rule G-17 of the Municipal Securities Rulemaking Board ("MSRB").

Section 2. The Bonds. The Bonds shall be dated their date of delivery (the "Date of Delivery"). Interest on the Bonds shall accrue from their Date of Delivery, payable on February 1 and August 1 of each year, commencing February 1, 2019. The Bonds shall bear interest at the rates, shall mature on the dates and in the years, and shall be subject to redemption, as shown on Appendix A hereto which is incorporated herein by reference, and shall otherwise be as described in the Official Statement (defined herein), and shall be issued and secured pursuant to the provisions of the Resolution of the District adopted on [DATE], 2018 (the "Resolution") and Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the California Government Code and other applicable law (the "Act").

The Bonds shall be executed and delivered under and in accordance with the provisions of this Purchase Contract and the Resolution. The Bonds shall be in book-entry form, shall bear CUSIP numbers, and shall be in fully registered form, registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"). The Bonds shall initially be in authorized denominations of \$5,000 principal amount, or any integral multiple thereof.

Section 3. Use of Documents. The District hereby authorizes the Underwriter to use, in connection with the offer and sale of the Bonds, this Purchase Contract, the Preliminary Official Statement (defined herein) and the Official Statement, the Resolution, the Continuing Disclosure Agreement (defined herein) and all information contained herein and therein and all of the documents, certificates or statements furnished by the District to the Underwriter in connection with the transactions contemplated by this Purchase Contract. The Resolution, Purchase Contract, the Continuing Disclosure Agreement and Official Statement are collectively referred to as the "Legal Documents." The District does not object to distribution of the Official Statement in electronic form.

Section 4. Public Offering of the Bonds. The Underwriter agrees to make a bona fide public offering of all the Bonds at the initial public offering prices or yields to be set forth on the inside cover page of the Official Statement and as set forth on Appendix A hereto. Subsequent

to such initial public offering, the Underwriter reserves the right to change such initial public offering prices or yields as it deems necessary in connection with the marketing of the Bonds; provided that the Underwriter shall not change the interest rates on the Bonds set forth in Appendix A. Subject to Section 5 below, the Bonds may be offered and sold to certain dealers at prices lower than such initial public offering prices.

Section 5. Establishment of Issue Price.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District at Closing (as defined herein) an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Appendix B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds. All actions to be taken by the District under this section to establish the issue price of the Bonds may be taken on behalf of the District by the District’s municipal advisor, Isom Advisors, a Division of Urban Futures, Inc. (the “Municipal Advisor”), and any notice or report to be provided to the District may be provided to the District’s Municipal Advisor.

(b) [Except as otherwise set forth in Schedule I attached hereto,] the District will treat the first price at which 10% of each maturity of the Bonds (the “10% test”) is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the District the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date (as defined herein) has occurred, until the 10% test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold to the public.

(c) *[Schedule I and subsection (c) shall apply only if the Underwriter agrees to apply the hold-the-offering-price rule, as described below.]*

The Underwriter confirms that it has offered the Bonds to the public on or before the date of this Purchase Contract at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in Schedule I attached hereto, except as otherwise set forth therein. Schedule I also sets forth, as of the date of this Purchase Contract, the maturities, if any, of the Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the District when it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(d) The Underwriter confirms that any selling group agreement and any retail distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the Underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Underwriter. The District acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, if applicable, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a retail distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the retail distribution agreement and the related pricing wires. The District further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement, to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

(e) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

- (i) “public” means any person other than an underwriter or a related party,
- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),

- (iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) “sale date” means the date of execution of this Purchase Contract by all parties.

Section 6. Review of Official Statement. The Underwriter hereby represents that it has received and reviewed the Preliminary Official Statement with respect to the Bonds, dated [POS DATE], 2018 (the “Preliminary Official Statement”). The District represents that it has duly authorized and caused the preparation and delivery of the Preliminary Official Statement, and it has deemed the Preliminary Official Statement to be final, except for either revision or addition of the offering price(s), interest rate(s), yield(s) to maturity, selling compensation, aggregate principal amount, principal amount per maturity, delivery date, rating(s), redemption provisions and other terms of the Bonds which depend upon the foregoing as provided in and pursuant to Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (the “Rule”), and consents to and ratifies the use and distribution by the Underwriter of the Preliminary Official Statement in connection with the public offering of the Bonds by the Underwriter.

The Underwriter agrees that prior to the time the final Official Statement relating to the Bonds is available, the Underwriter will send to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the most recent Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first-class mail or electronic distribution (or other equally prompt means) not later than the first business day following the date upon which each such request is received.

The Underwriter hereby represents that it will provide, consistent with the requirements of MSRB Rule G-32, for the delivery of a copy of the Official Statement to each customer who purchases any Bonds during the underwriting period (as such term is defined in MSRB Rule G-11), and deliver a copy of the Official Statement to the MSRB in electronic format as prescribed by the MSRB within one business day after receipt thereof from the District but in no event later than the Closing, and that it will otherwise comply with all applicable statutes and regulations in connection with the offering and sale of the Bonds, including, without limitation, MSRB Rule G-32 and G-36 and the Rule.

Section 7. Closing. At 9:00 a.m., California time, on [DATE], 2018 (the “Closing Date”), or at such other time or on such other date as shall have been mutually agreed upon by

the District and the Underwriter (the “Closing”), the District will deliver to the Underwriter, through the facilities of DTC utilizing DTC’s FAST delivery system, or at such other place as the District and the Underwriter may otherwise mutually agree upon, the Bonds in fully registered book-entry form, duly executed and registered in the name of Cede & Co., as nominee of DTC, and at the offices of Dannis Woliver Kelley (“Bond Counsel”), in Long Beach, California, the other documents hereinafter mentioned; and the Underwriter will accept such delivery and pay the purchase price thereof in immediately available funds by wire transfer to or upon the order of the District.

Section 8. Representations, Warranties and Agreements of the District. The District hereby represents, warrants and agrees with the Underwriter that:

(a) ***Due Organization.*** The District is a school district duly organized and validly existing under the laws of the State of California (the “State”), with full legal power to issue the Bonds pursuant to the Act.

(b) ***Due Authorization.*** (i) At or prior to the Closing, the District will have taken all action required to be taken by it to authorize the issuance and delivery of the Bonds; (ii) the District has full legal right, power and authority to enter into the Legal Documents, to adopt the Resolution, to perform its obligations under each such document or instrument, to approve the Official Statement, and to carry out and effectuate the transactions contemplated by the Legal Documents; (iii) the execution and delivery or adoption of, and the performance by the District of the obligations contained in the Bonds and the Legal Documents have been duly authorized and such authorization shall be in full force and effect at the time of the Closing; (iv) this Purchase Contract, assuming the due authorization, execution and delivery by the other party thereto, constitutes a valid and legally binding obligation of the District; and (v) the District has duly authorized the consummation by it of all transactions contemplated by this Purchase Contract.

(c) ***Consents.*** No consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Bonds, the execution and delivery of this Purchase Contract and the Continuing Disclosure Agreement, or the consummation of the other transactions effected or contemplated herein or hereby, except for such actions as may be necessary to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriter may reasonably request, or which have not been taken or obtained; provided, however, that the District shall not be required to subject itself to service of process in any jurisdiction in which it is not so subject as of the date hereof.

(d) ***Internal Revenue Code.*** The District has complied with the Internal Revenue Code of 1986, as amended, with respect to the Bonds.

(e) ***No Conflicts.*** To the best knowledge of the District, the issuance of the Bonds, and the execution, delivery and performance of the Legal Documents and the Bonds, and the compliance with the provisions hereof and thereof do not conflict with or

constitute on the part of the District a violation of or default under, the Constitution of the State or any existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result in a violation or breach of, or constitute a default under, any agreement, indenture, mortgage, lease or other instrument to which the District is a party or by which it is bound or to which it is subject.

(f) ***Litigation.*** As of the time of acceptance hereof, no action, suit, proceeding, hearing or investigation is pending or, to the best knowledge of the District, threatened against the District: (i) in any way affecting the existence of the District or in any way challenging the respective powers of the several offices or of the titles of the officials of the District to such offices; or (ii) seeking to prohibit, restrain or enjoin the sale, issuance or delivery of any of the Bonds, or the application of the proceeds of the sale of the Bonds, or the collection or levy of ad valorem property taxes contemplated by the Resolution and the application thereof to pay the principal of and interest on the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds or the Legal Documents or contesting the powers of the District or its authority with respect to the Bonds or the Legal Documents or contesting in any way the completeness or accuracy of the Preliminary Official Statement or the Official Statement; or (iii) in which a final adverse decision could (A) materially adversely affect the operations of the District or the consummation of the transactions contemplated by the Legal Documents, (B) declare this Purchase Contract to be invalid or unenforceable in whole or in material part, or (C) adversely affect the exclusion of the interest paid on the Bonds from gross income for federal income tax purposes and the exemption of such interest from California personal income taxation.

(g) ***No Other Debt.*** Between the date hereof and the Closing, without the prior written consent of the Underwriter, neither the District directly nor any other governmental agency or other body on behalf of the District will have issued in the name and on behalf of the District any bonds, notes or other obligations for borrowed money except for such borrowings as may be described in or contemplated by the Official Statement.

(h) ***Interim Financial Report.*** The District has not received a qualified or negative certification in its most recent interim report pursuant to Section 42130 et seq. of the California Education Code.

(i) ***Certificates.*** Any certificates signed by any officer of the District and delivered to the Underwriter shall be deemed a representation and warranty by the District to the Underwriter, but not by the person signing the same, as to the statements made therein.

(j) ***Continuing Disclosure.*** At or prior to the Closing, the District shall have duly authorized, executed and delivered a continuing disclosure agreement (the "Continuing Disclosure Agreement"). The Continuing Disclosure Agreement shall comply with the provisions of the Rule and be substantially in the form attached to the Preliminary Official Statement and Official Statement in Appendix D. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set

forth in the final Official Statement. The Preliminary Official Statement describes, and the final Official Statement will describe, any instances in the previous five years in which the District failed to comply in all material respects with its prior undertakings pursuant to the Rule.

(k) ***Official Statement Accurate and Complete.*** The Preliminary Official Statement, at the date thereof, did not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading. At the date hereof and on the Closing Date, the Official Statement did not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. If the Official Statement is supplemented or amended pursuant to paragraph (g) of Section 10 of this Purchase Contract, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto during the period up to and including the Closing Date the Official Statement as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which made, not misleading.

(l) ***Financial Statements of District.*** The financial statements of the District contained in the Preliminary Official Statement and final Official Statement fairly present the financial position and results of operations of the District as of the dates and for the periods therein set forth, and, since the date thereof, there has been no material adverse change in the financial position or results of operations of the District.

(m) ***Levy of Tax.*** The District hereby agrees to take any and all actions as may be required by Marin County (the “County”) or otherwise necessary in order to arrange for the levy and collection of ad valorem property taxes, payment of the Bonds, and the deposit and investment of Bond proceeds. In particular, the District hereby agrees to provide to the County Auditor-Controller and the County Treasurer-Tax Collector a copy of the Resolution, a copy of Appendix A hereto, and the full debt service schedule for the Bonds, in accordance with Education Code Section 15140(c) and policies and procedures of the County.

Section 9. Representations and Agreements of the Underwriter. The Underwriter represents to and agrees with the District that, as of the date hereof and as of the Closing Date, which representations and warranties shall survive the Closing:

(a) The Underwriter is duly authorized to execute this Purchase Contract and to take any action under this Purchase Contract required to be taken of it.

(b) The Underwriter is in compliance with MSRB Rule G-37 with respect to the District, and is not prohibited thereby from acting as underwriter with respect to securities of the District.

(c) The Underwriter has, and has had, no financial advisory relationship with the District with respect to the Bonds, as such term is defined in California Government Code Section 53590(c) or MSRB Rule G-23, and no investment firm controlling, controlled by or under common control with the Underwriter has or has had any such financial advisory relationship.

Section 10. Covenants of the District. The District covenants and agrees with the Underwriter that:

(a) ***Securities Laws.*** The District will furnish such information, execute such instruments, and take such other action in cooperation with the Underwriter if and as the Underwriter may reasonably request in order to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations or such states and jurisdictions; provided, however, that the District shall not be required to consent to service of process in any jurisdiction in which they are not so subject as of the date hereof.

(b) ***Application of Proceeds.*** The District will apply the proceeds from the sale of the Bonds for the purposes specified in the Resolution.

(c) ***Official Statement.*** The District hereby agrees to deliver or cause to be delivered to the Underwriter, not later than the seventh business day following the date this Purchase Contract is signed, copies of a final Official Statement substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Underwriter and the District (such Official Statement with such changes, if any, and including the cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto being herein called the “Official Statement”) in such quantities as may be requested by the Underwriter, in order to permit the Underwriter to comply with paragraph (b)(4) of the Rule and with the rules of the MSRB. The District hereby authorizes the Underwriter to use and distribute the Official Statement in connection with the offering and sale of the Bonds.

(d) ***Subsequent Events.*** The District hereby agrees to notify the Underwriter of any event or occurrence that may affect the accuracy or completeness of any information set forth in the Official Statement relating to the District until the date which is 90 days following the Closing.

(e) ***Filings.*** The District authorizes the Underwriter to file, to the extent required by the applicable rules promulgated by the Securities and Exchange Commission or the MSRB, and the Underwriter agrees to file or cause to be filed, the Official Statement with (i) the MSRB or its designee (including the MSRB’s Electronic Municipal Market Access system); or (ii) other repositories approved from time to time by the Securities and Exchange Commission (either in addition to or in lieu of the filing referred to above). If an amended Official Statement is prepared in accordance with Section 10(g) of this Purchase Contract during the “Primary Offering Disclosure Period” (as defined herein), and if required by an applicable Securities and Exchange Commission Rule or MSRB rule, the Underwriter also shall make the required filings of

the amended Official Statement. The “Primary Offering Disclosure Period” is used as defined in MSRB Rule G-32 and shall end on the twenty-fifth day after the Closing Date.

(f) **References.** References herein to the Preliminary Official Statement and the final Official Statement include the cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto.

(g) **Amendments to the Official Statement.** During the period ending on the twenty-fifth day after the End of the Underwriting Period (or such other period as may be agreed to by the District and the Underwriter), the District (i) shall not supplement or amend the Official Statement or cause the Official Statement to be supplemented or amended without the prior written consent of the Underwriter; and (ii) shall notify the Underwriter promptly if any event shall occur, or information comes to the attention of the District, that is reasonably likely to cause the Official Statement (whether or not previously supplemented or amended) to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. If, in the opinion of the Underwriter, such event requires the preparation and distribution of a supplement or amendment to the Official Statement, the District shall prepare and furnish to the Underwriter, at the District’s expense, such number of copies of the supplement or amendment to the Official Statement, in form and substance mutually agreed upon by the District and the Underwriter, as the Underwriter may reasonably request. If such notification shall be given subsequent to the Closing, the District also shall furnish, or cause to be furnished, such additional legal opinions, certificates, instruments and other documents as the Underwriter may reasonably deem necessary to evidence the truth and accuracy of any such supplement or amendment to the Official Statement.

For purposes of this Purchase Contract, (i) the “End of the Underwriting Period” is used as defined in the Rule and shall occur on the later of (A) the Closing Date; or (B) when the Underwriter no longer retains an unsold balance of the Bonds; unless otherwise advised in writing by the Underwriter on or prior to the Closing Date, or otherwise agreed to by the District and the Underwriter, the District may assume that the End of the Underwriting Period is the Closing Date.

Section 11. Conditions to Closing. The Underwriter has entered into this Purchase Contract in reliance upon the representations and warranties of the District contained herein and the performance by the District of its obligations hereunder, both as of the date hereof and as of the date of Closing. The Underwriter’s obligations under this Purchase Contract are, and shall be subject at the option of the Underwriter, to the following further conditions at the Closing:

(a) **Representations True.** The representations and warranties of the District contained herein shall be true, complete and correct in all material respects at the date hereof and at and as of the Closing, as if made at and as of the Closing, and the statements made in all certificates and other documents delivered to the Underwriter at the Closing pursuant hereto shall be true, complete and correct in all material respects on

the date of the Closing; and the District shall be in compliance with each of the agreements made by it in this Purchase Contract.

(b) ***Obligations Performed.*** At the time of the Closing, (i) the Official Statement and the Legal Documents shall be in full force and effect and shall not have been amended, modified or supplemented except as may have been agreed to in writing by the Underwriter; (ii) all actions under the Act which, in the opinion of Bond Counsel, shall be necessary in connection with the transactions contemplated hereby, shall have been duly taken and shall be in full force and effect; and (iii) the District shall perform or have performed all of its obligations required under or specified in the Legal Documents or the Official Statement to be performed at or prior to the Closing.

(c) ***Adverse Rulings.*** No decision, ruling or finding shall have been entered by any court or governmental authority since the date of this Purchase Contract (and not reversed on appeal or otherwise set aside), or to the best knowledge of the District, pending or threatened which has any of the effects described in Section 8(f) hereof or contesting in any way the completeness or accuracy of the Official Statement.

(d) ***Marketability.*** Between the date hereof and the Closing, the market price or marketability or the ability of the Underwriter to enforce contracts for the sale of the Bonds, at the initial offering prices set forth in the Official Statement, shall not have been materially adversely affected in the reasonable judgment of the Underwriter by reason of any of the following:

(i) legislation enacted or introduced in the Congress or recommended for passage by the President of the United States, or a decision rendered by a court established under Article III of the Constitution of the United States or by the United States Tax Court, or an order, ruling, regulation (final, temporary or proposed) or official statement issued or made or proposed to be made:

(A) by or on behalf of the United States Treasury Department, or by or on behalf of the Internal Revenue Service, with the purpose or effect, directly or indirectly, of causing the inclusion in gross income for purposes of federal income taxation of the interest received by the owners of the Bonds; or

(B) by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, to the effect that the Bonds, or obligations of the general character of the Bonds, including any and all underlying arrangements, are not exempt from registration under the Securities Act of 1933, as amended, or would be in violation of any provision of the federal securities laws;

(ii) legislation enacted by the legislature of the State, or a decision rendered by a court of the State, or a ruling, order or regulation (final or temporary) made by State authority, which would have the effect of changing,

directly or indirectly, the State tax consequences of interest on obligations of the general character of the Bonds in the hands of the holders thereof;

(iii) the formal declaration of war by Congress or a new major engagement in or escalation of military hostilities by order of the President of the United States, or the occurrence of any other declared national emergency, calamity or crisis that interrupts or causes disorder to the operation of the financial markets or otherwise in the United States;

(iv) the declaration of a general banking moratorium by federal, New York or State authorities, or the general suspension of trading on any national securities exchange;

(v) the imposition by the New York Stock Exchange, other national securities exchange, or any governmental authority, of any material restrictions not now in force with respect to the Bonds, or obligations of the general character of the Bonds, or securities generally, or the material increase of any such restrictions now in force, including those relating to the extension of credit by, or the charge to the net capital requirements of, the Underwriter;

(vi) except as disclosed in or contemplated by the Official Statement, any material adverse change in the affairs or financial condition of the District shall have occurred;

(vii) any underlying rating of the District's outstanding indebtedness is withdrawn or downgraded or placed on credit watch by a national rating agency;

(viii) any event occurring, or information becoming known which, in the reasonable judgment of the Underwriter, makes untrue in any material adverse respect any statement or information contained in the Official Statement, or has the effect that the Official Statement contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading and, in either such event, the District refuses to permit the Official Statement to be supplemented to supply such statement or information, or the effect of the Official Statement as so supplemented is to materially adversely affect the market price or marketability of the Bonds or the ability of the Underwriter to enforce contracts for the sale of the Bonds; or

(ix) a material disruption in securities settlement, payment or clearance services affecting the Bonds shall have occurred.

(e) ***Delivery of Documents.*** At or prior to the Closing, the Underwriter shall receive sufficient copies of the following documents in each case dated as of the Closing Date and satisfactory in form and substance to the Underwriter:

(i) *Opinions.*

(A) *Opinion of Bond Counsel.* An approving opinion of Bond Counsel, as to the validity and tax-exempt status of the Bonds, dated the Closing Date, addressed to the District, in substantially the form set forth in Appendix A of the Preliminary Official Statement and the Official Statement.

(B) *Supplemental Opinion of Bond Counsel.* A supplemental opinion of Bond Counsel in form and substance satisfactory to the Underwriter, dated the Closing Date and addressed to the Underwriter, to the effect that:

(1) the description of the Bonds and the security for the Bonds and statements in the Official Statement on the cover page thereof and under the captions “INTRODUCTION,” “THE BONDS,” “CONTINUING DISCLOSURE” and “TAX MATTERS,” to the extent they purport to summarize certain provisions of the Bonds, the Resolution, the Continuing Disclosure Agreement, and the form and content of Bond Counsel’s approving opinion with respect to the treatment of interest on the Bonds under California or federal law, fairly and accurately summarize the matters purported to be summarized therein; provided that Bond Counsel need not express any opinion with respect to any financial or statistical data or forecasts, numbers, charts, estimates, projections, assumptions or expression of opinion, information concerning The Depository Trust Company or related to its book-entry-only system, or Appendices B, C and E of the Official Statement;

(2) assuming due authorization, execution and delivery by all the other parties thereto, the Continuing Disclosure Agreement and this Purchase Contract have each been duly authorized, executed and delivered by the District and constitute legal, valid and binding agreements of the District, enforceable in accordance with their respective terms, except as enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws relating to or affecting generally the enforcement of creditors’ rights and except as their enforcement may be subject to the application of equitable principles and the exercise of judicial discretion in appropriate cases if equitable remedies are sought and by the limitations on legal remedies against public agencies in the State; and

(3) the Bonds are exempt from registration pursuant to the Securities Act of 1933, as amended, and the Resolution is exempt from qualification as an indenture pursuant to the Trust Indenture Act of 1939, as amended.

(C) *Disclosure Counsel Opinion.* An opinion of Dannis Woliver Kelley, as Disclosure Counsel to the District, addressed to the Underwriter, to the effect that: without having undertaken to determine independently the accuracy or completeness of the statements contained in the Preliminary Official Statement and the Official Statement, but on the basis of their participation in conferences with representatives of the District and the Underwriter and others, and their examination of certain documents, no information has come to their attention which would lead them to believe that the Preliminary Official Statement, as of its date, and the Official Statement, as of its date and as of the date of Closing, contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (except that no opinion or belief need be expressed as to the Appendices of the Preliminary Official Statement or the Official Statement or any other financial, statistical and demographic data or forecasts, numbers, charts, estimates, projections, assumptions or expressions of opinion, book-entry or DTC contained in the Preliminary Official Statement or the Official Statement).

(D) *Underwriter's Counsel Opinion.* An opinion, dated the Closing Date and addressed to the Underwriter, of Kutak Rock LLP, counsel for the Underwriter, to the effect that:

(1) the Bonds are exempt securities under the Securities Act of 1933, as amended, and it is not necessary, in connection with the offering and sale of the Bonds, to register the Bonds under the Securities Act of 1933, as amended, and the Resolution need not be qualified under the Trust Indenture Act of 1939, as amended;

(2) the Continuing Disclosure Agreement satisfies Section (b)(5)(i) of the Rule; and

(3) based upon its participation in the preparation of the Preliminary Official Statement and Official Statement as counsel for the Underwriter and its participation at conferences at which the Preliminary Official Statement and Official Statement were discussed, but without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the Preliminary Official Statement and the Official Statement, such counsel has no reason to believe that the Preliminary Official Statement as of its date and the Official Statement as of its date and as of the Closing Date contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading

(except for any financial, forecast, technical and statistical statements and data included in the Preliminary Official Statement and the Official Statement, the information contained in the appendices thereto, and the information regarding The Depository Trust Company and its book-entry system, in each case as to which no view need be expressed).

(ii) *Reliance Letter.* A reliance letter from Bond Counsel to the effect that the Underwriter can rely upon the approving opinion described in Section 11(e)(i)(A) above.

(iii) *Certificates.* A certificate signed by appropriate officials of the District to the effect that (A) such officials are authorized to execute this Purchase Contract; (B) the representations, agreements and warranties of the District herein are true and correct in all material respects as of the Closing Date; (C) the District has complied with all the terms of the Legal Documents to be complied with by the District prior to or concurrently with the Closing and as to the District, such documents are in full force and effect; (D) such District officials have reviewed the Preliminary Official Statement and the Official Statement and on such basis certify that the Preliminary Official Statement, as of its date, and the Official Statement, as of its date and as of the Closing Date, does not contain any untrue statement of a material fact or omit to state a material statement required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading; (E) the Bonds being delivered on the Closing Date to the Underwriter under this Purchase Contract substantially conform to the descriptions thereof contained in the Resolution; and (F) no event concerning the District has occurred since the date of the Official Statement which has not been disclosed therein or in any supplement thereto, but should be disclosed in order to make the statements in the Official Statement in light of the circumstances in which they were made not misleading.

(iv) *Tax Certificate.* A nonarbitrage certificate of the District in form satisfactory to Bond Counsel.

(v) *Rating.* Evidence satisfactory to the Underwriter that the Bonds have been rated “___” by Moody’s Investors Service, and that such rating has not been revoked or downgraded.

(vi) *District Resolution.* A certificate, together with fully executed copies of the Resolution, of the Secretary to or the Clerk of the District’s Board of Education to the effect that:

(A) such copies are true and correct copies of the Resolution;
and

(B) the Resolution was duly adopted and has not been modified, amended, rescinded or revoked and is in full force and effect on the Closing Date.

(vii) *Official Statement.* A certificate of the appropriate official of the District evidencing his or her determinations respecting the Preliminary Official Statement in accordance with the Rule.

(viii) *Continuing Disclosure Agreement.* An executed copy of the Continuing Disclosure Agreement, substantially in the form presented in the Official Statement as Appendix D thereto.

(ix) *Paying Agency Agreement.* An executed copy of the Paying Agency Agreement by and between the District and The Bank of New York Mellon Trust Company, N.A., as paying agent (the “Paying Agent”).

(x) *Additional Certificates.* A certificate signed by a District official setting forth a projection evidencing that tax rates are projected not to exceed \$30 per \$100,000 of assessed value during the term of the Bonds, and a certificate signed by a County official confirming that the District is in compliance with applicable bonding capacity limitations.

(xi) *Debt Reports.* A copy of the submitted Report of Proposed Debt Issuance and acknowledgement, together with the Report(s) of Final Sale to be submitted to the California Debt and Investment Advisory Commission.

(xii) *Other Documents.* Such additional legal opinions, certificates, proceedings, instruments and other documents as the Underwriter may reasonably request to evidence: (A) compliance by the District with legal requirements; (B) the truth and accuracy, as of the time of Closing, of the representations of the District herein contained and of the Official Statement; and (C) the due performance or satisfaction by the District at or prior to such time of all agreements then to be performed and all conditions then to be satisfied by the District.

(f) ***Termination.*** Notwithstanding anything to the contrary herein contained, if for any reason whatsoever the Bonds shall not have been delivered by the District to the Underwriter as provided in Section 7 hereof, then the obligation to purchase Bonds hereunder shall terminate and be of no further force or effect except with respect to the obligations of the District and the Underwriter under Section 13 and Section 15 hereof.

If the District shall be unable to satisfy the conditions to the Underwriter’s obligations contained in this Purchase Contract or if the Underwriter’s obligations shall be terminated for any reason permitted by this Purchase Contract, this Purchase Contract may be cancelled by the Underwriter at, or at any time prior to, the time of Closing. Notice of such cancellation shall be given to the District in writing, or by telephone or telegraph, confirmed in writing. Notwithstanding any provision herein to the contrary, the performance of any and all obligations

of the District hereunder and the performance of any and all conditions contained herein for the benefit of the Underwriter may be waived by the Underwriter in writing in its sole discretion.

Section 12. Conditions to Obligations of the District. The performance by the District of its obligations is conditioned upon (a) the performance by the Underwriter of its obligations hereunder, and (b) receipt by the District and the Underwriter of opinions and certificates being delivered at the Closing by persons and entities other than the District.

Section 13. Expenses. Except as herein described, all costs of the District incident to the performance of its obligations in connection with the authorization, execution, sale and delivery of the Bonds to the Underwriter shall be paid for by the District from proceeds of the Bonds, and the Underwriter shall be under no obligation to pay such costs, including, without limitation: (a) the cost of the preparation and reproduction of the Resolution; (b) the fees and disbursements of Bond Counsel and Disclosure Counsel; (c) the cost of the preparation, printing and delivery of the Bonds; (d) the fees for Bond ratings, including all necessary travel expenses; (e) the cost of the printing and distribution of the Preliminary Official Statement and Official Statement; (f) the fees and disbursements of the Financial Advisor to the District; (g) the initial fees of the Paying Agent and the Fiscal Agent (defined below); (h) expenses incurred by the Underwriter on behalf of District employees which are incidental to implementing this Purchase Contract, including but not limited to, meals, transportation, lodging and entertainment; and (i) all other fees and expenses incident to the issuance and sale of the Bonds. To assist the District in paying such costs, the District hereby directs the Underwriter to wire, at the Closing, a portion of the purchase price of the Bonds equal to \$[COI AMOUNT] (or such lesser amount as directed by the District) to The Bank of New York Mellon Trust Company, N.A., as fiscal agent (the "Fiscal Agent") for payment of a portion of the costs of issuance with respect to the Bonds.

Notwithstanding Section 11(f) hereof, the District hereby agrees, in the event the purchase and sale of the Bonds does not occur as contemplated hereunder, to reimburse the Underwriter for any costs described in clause (h) above. In such event, the Underwriter shall provide an itemized accounting for such costs to the District.

Notwithstanding any of the foregoing, the Underwriter shall pay all out-of-pocket expenses of the Underwriter, including the fees and disbursements of Underwriter's Counsel, the California Debt and Investment Advisory Commission fee, travel and other expenses (except those expressly provided above), without limitation.

Section 14. Notices. Any notice or other communication to be given under this Purchase Contract (other than the acceptance hereof as specified in the first paragraph hereof) may be given by delivering the same in writing if to the District, to the Superintendent, at the address set forth on the first page hereof, or if to the Underwriter, to Stifel, Nicolaus & Company, Incorporated, One Montgomery Street, 35th Floor, San Francisco, California 94104, Attention: Bruce Kerns.

Section 15. Parties in Interest; Survival of Representations and Warranties. This Purchase Contract when accepted by the District in writing as heretofore specified shall constitute the entire agreement between the District and the Underwriter. This Purchase Contract is made solely for the benefit of the District and the Underwriter (including the successors or

assigns of the Underwriter). No other person shall acquire or have any rights hereunder or by virtue hereof. All representations, warranties and agreements of the District in this Purchase Contract shall survive regardless of (a) any investigation or any statement in respect thereof made by or on behalf of the Underwriter, (b) delivery of and payment by the Underwriter for the Bonds hereunder, and (c) any termination of this Purchase Contract. If any provision of this Purchase Contract is, or is held or deemed to be, invalid, illegal or unenforceable for any reason, the validity, legality and enforceability of the remaining provisions hereof shall not in any way be affected or impaired thereby.

Section 16. Execution in Counterparts. This Purchase Contract may be executed in several counterparts each of which shall be regarded as an original and all of which shall constitute but one and the same document.

Section 17. Applicable Law. This Purchase Contract shall be interpreted, governed and enforced in accordance with the laws of the State applicable to contracts made and performed in such State.
