CHARTER SCHOOL OVERSIGHT *Recommend adopting Update*

REQUIREMENTS FOR CHARTER SCHOOLS

Note: Pursuant to Education Code 47610, charter schools are exempt from Education Code provisions governing school districts unless otherwise specified in law. The following Exhibit lists some, but not necessarily all, legal requirements that apply to charter schools and may be used by districts to monitor a charter school's compliance with law. Violation of any law may subject the charter school to revocation pursuant to Education Code 47607; see BP 0420.43 - Charter School Revocation.

Charter schools shall be subject to the terms of their charters, any memorandum of understanding with their chartering authority, and other legal requirements that are expressly applicable to charter schools, including, but not limited to, requirements that each charter school:

1. Be nonsectarian in its programs, admission policies, employment practices, and all other operations (Education Code 47605)
2. Not discriminate against any student on the basis of the characteristics listed in Education Code 220 (Education Code 47605)
3. Not charge tuition (Education Code 47605)

Note: Education Code 47605 specifically prohibits a charter school from charging tuition, but does not mention fees or other charges. As clarified in the California Department of Education's (CDE) advisory Pupil Fees, Deposits, and Other Charges, because charter schools are subject to the California Constitution, the free school guarantee of the California Constitution, Article 9, Section 5, applies to charter schools. Charter schools may only charge fees which are explicitly authorized by law for charter schools. For example, charter schools may charge fees for meals and field trips pursuant to Education Code 35330, 38082, and 38084 because those provisions apply to charter schools, but charter schools may not necessarily charge other fees authorized by law for school districts.

4. Not charge student fees for any activity that is an integral component of the educational program, except as authorized by those Education Code provisions that explicitly apply to charter schools
5. Adhere to all laws establishing the minimum age for public school attendance (Education Code 47610)
6. Serve students who are California residents and who, if over 19 years of age, are continuously enrolled in a public school and making "satisfactory progress" toward a high school diploma as defined in 5 CCR 11965 (Education Code 47612)

CHARTER SCHOOL OVERSIGHT (continued)

Note: Education Code 56145 requires charter schools to serve students with disabilities in the same manner as other public schools. Pursuant to Education Code 47646, districts must ensure that each charter school that is deemed to be a public school of the district, and is not its own local educational agency (LEA) for special education purposes, receives an equitable share of special education funding and services for students with disabilities who are enrolled in the charter school.

If a charter school is operating as a public school of the district for purposes of special education, the district retains responsibility and must determine how to ensure that students with disabilities receive a free appropriate public education (FAPE). However, as indicated in the California Office of Administrative Hearings ruling in Student v. Horizon Instructional Systems Charter School, a charter school operating as its own LEA for purposes of special education, including a charter school offering an independent study program, is the entity responsible for providing FAPE.

7. Serve students with disabilities in the same manner as such students are served in other district schools (Education Code 47646, 56145).
8. Admit all students who wish to attend the school according to the following criteria and procedures:
 - a. Admission to the charter school shall not be determined according to the student's or parent/guardian's place of residence within the state, except that any existing public school converting partially or entirely to a charter school shall adopt and maintain a policy giving admission preference to students who reside within the school's former attendance area. (Education Code 47605)

If a charter school will be physically located in a public elementary school attendance area in which 50 percent or more of the student enrollment is eligible for free or reduced-price meals, it may also establish an admission preference for students who are currently enrolled in the public elementary school and for students who reside in the public school attendance area. (Education Code 47605.3)
 - b. If the number of students who wish to attend the charter school exceeds the school's capacity, attendance shall be determined by a public random drawing, with preference extended to students currently attending the charter school and students who reside in the district, except as provided for in Education Code 47614.5. (Education Code 47605)
 - c. Other admission preferences may be permitted by the Governing Board of the district on an individual school basis consistent with law. (Education Code 47605)
9. Immediately enroll a homeless student, except where such enrollment would conflict with Education Code 47605(d) (Education Code 48850; 42 USC 11431-11435)

CHARTER SCHOOL OVERSIGHT (continued)

10. Comply with the requirements of Education Code 48850-48859 regarding the enrollment and placement of foster youth (Education Code 48853.5, 48859)
11. If the school offers a kindergarten program: (Education Code 48000)
 - a. Offer a transitional kindergarten (TK) program to students whose fifth birthday is from September 2 through December 2
 - b. Ensure that any credentialed teacher first assigned to teach a TK class after July 1, 2015 meets the qualifications specified in Education Code 48000 by August 1, 2020
12. Require its teachers to hold a certificate, permit, or other document issued by the Commission on Teacher Credentialing (CTC) equivalent to that which a teacher in other public schools would be required to hold (Education Code 47605)
13. Provide annual training on child abuse and neglect reporting requirements to employees and persons working on the school's behalf who are mandated reporters, within the first six weeks of each school year or within six weeks of employment (Education Code 44691)
14. Not hire any person who has been convicted of a violent or serious felony except as otherwise provided by law, and, if the school contracts with an entity for specified services, verify that any employee of that entity who will have contact with students has had a criminal background check (Education Code 44830.1, 45122.1, 45125.1)
15. Report to the CTC any change in a certificated employee's employment status (dismissal, nonreelection, resignation, suspension, unpaid administrative leave for more than 10 days, retirement, or other decision not to employ or reemploy) as a result of an allegation of misconduct or while an allegation of misconduct is pending (Education Code 44030.5)
16. Meet the requirements of Education Code 47611 regarding the State Teachers' Retirement System (Education Code 47610)
17. Meet the requirements of Government Code 3540-3549.3 related to collective bargaining in public education employment (Education Code 47611.5)
18. If the school serves students in grades 7-12, adopt a policy on suicide prevention, intervention, and postvention with specified components (Education Code 215)
19. If the school serves students in grade 9, adopt a fair, objective, and transparent mathematics placement policy with specified components (Education Code 51224.7)

CHARTER SCHOOL OVERSIGHT (continued)

20. Meet all statewide standards and conduct any statewide assessments applicable to noncharter public schools (Education Code 47605, 47612.5, 60605)
21. Grant a high school diploma to any student who completed grade 12 in the 2003-04 through 2014-15 school year and met all applicable graduation requirements other than the passage of the high school exit examination (Education Code 51413)

Note: Education Code 47612.5 specifies, by grade level, the minimum number of instructional minutes that must be offered each fiscal year. Any charter school that fails to meet the requirement will have its state apportionment reduced in proportion to the percentage of instructional minutes that the school fails to offer. Education Code 47612.5 and 47612.6 provide that neither the State Board of Education nor the Superintendent of Public Instruction may waive the required number of instructional minutes but may waive the fiscal penalties under specified conditions.

22. Offer at least the number of instructional minutes required by law for the grade levels provided by the charter school (Education Code 47612.5)

Note: Education Code 47612.5 provides that charter schools offering independent study are subject to Education Code 51745-51749.3. Education Code 51745 requires that no course included among the courses required for graduation may be offered solely through independent study. However, pursuant to 5 CCR 11705, a charter school offering grades 9-12 shall be deemed to be an "alternative school" for purposes of independent study and thus, according to the CDE, would comply with this provision because students in such alternative schools are enrolled voluntarily and, if they wished, could attend any other district high school in which the courses were offered via classroom instruction.

23. If the school provides independent study, meet the requirements of Education Code 51745-51749.3, except that the school may be allowed to offer courses required for graduation solely through independent study as an exception to Education Code 51745(e) (Education Code 47612.5, 51747.3; 5 CCR 11705)
24. Identify and report to the Superintendent of Public Instruction (SPI) any portion of its average daily attendance that is generated through nonclassroom-based instruction, including, but not limited to, independent study, home study, work study, and distance and computer-based education (Education Code 47612.5, 47634.2; 5 CCR 11963.2)
25. If the school offers competitive athletics, annually post on the school's web site or on the web site of the charter operator the total enrollment of the school classified by gender, the number of students who participate in competitive athletics classified by gender, and the number of boys' and girls' teams classified by sport and by competition level (Education Code 221.9)

Note: Education Code 33479.1, 33479.3, and 49475 require charter schools that elect to conduct athletic activities to provide student athletes and their parents/guardians with information on the nature and warning signs of concussions/head injuries and sudden cardiac arrest. Such information is available on the web site of the California Interscholastic Federation.

CHARTER SCHOOL OVERSIGHT (continued)

26. If the school offers an athletic program, annually provide information sheets about concussions/head injuries and sudden cardiac arrest to athletes and their parents/guardians, which must be signed and returned to the school before the athlete initiates practice or competition. In the event that an athlete is suspected of sustaining a concussion or head injury, passes out, or faints during or immediately after participation in an athletic activity, he/she shall be immediately removed from the activity for the remainder of the day and shall not be permitted to return to the activity until he/she is evaluated by a licensed health care provider and receives written clearance to do so. (Education Code 33479-33479.5, 49475)
27. On a regular basis, consult with parents/guardians and teachers regarding the school's educational programs (Education Code 47605)
28. Notify parents/guardians of applicant students and currently enrolled students that parental involvement is not a requirement for acceptance to, or continued enrollment at, the charter school (Education Code 47605)

Note: Education Code 48907 requires charter schools to establish a written "publications code" related to students' rights to freedom of speech and of the press. These written rules and regulations must include reasonable provisions for the time, place, and manner in which free expression may take place within the charter school's jurisdiction.

29. Provide students the right to exercise freedom of speech and of the press including, but not limited to, the use of bulletin boards; the distribution of printed materials or petitions; the wearing of buttons, badges, and other insignia; and the right of expression in official publications (Education Code 48907, 48950)
30. Adopt policy that is consistent with the model policy developed by the California Attorney General addressing the school's response to immigration enforcement, notify parents/guardians of their children's right to a free public education regardless of immigration status or religious beliefs, prohibit the collection of information or documents regarding the immigration status of students or their family members, and fulfill other requirements of Education Code 234.7
31. Not collect or solicit social security numbers or the last four digits of social security numbers from students or their parents/guardians unless otherwise required to do so by state or federal law (Education Code 49076.7)

33. If a student subject to compulsory full-time education is expelled or leaves the charter school without graduating or completing the school year for any reason, notify the

- Superintendent of the school district of the student's last known address within 30 days and, upon request, provide that district with a copy of the student's cumulative record, including a transcript of grades or report card, and health information (Education Code 47605)
34. If the school serves high school students, submit to the Student Aid Commission, for use in the Cal Grant program, the grade point average (GPA) of all students in grade 12 and verification of high school graduation or its equivalent for students who graduated in the prior academic year. However, such information shall not be submitted when students opt out or are permitted by the rules of the Student Aid Commission to provide test scores in lieu of the GPA. (Education Code 69432.9, 69432.92)
 35. Develop a transportation safety plan that includes procedures to ensure that a student is not left unattended on a school bus, student activity bus, or child care motor vehicle and procedures and standards for designating an adult chaperone, other than the driver, to accompany students on a school activity bus (Education Code 39831.3)
 36. Comply with the California Building Standards Code as adopted and enforced by the local building enforcement agency with jurisdiction over the area in which the charter school is located, unless the charter school facility meets either of the following conditions: (Education Code 47610, 47610.5)
 - a. The facility complies with the Field Act pursuant to Education Code 17280-17317 and 17365-17374.
 - b. The facility is exclusively owned or controlled by an entity that is not subject to the California Building Standards Code, including, but not limited to, the federal government.
 37. Provide reasonable accommodations on campus to a lactating student to express breast milk, breastfeed an infant child, or address other needs related to breastfeeding (Education Code 222)
 38. Ensure the availability and proper use of emergency epinephrine auto-injectors by:

 - 40. If the school participates in the National School Lunch and/or Breakfast program, not promote any food or beverage during the school day that does not comply with state nutritional standards pursuant to Education Code 49430-49434 and not participate in a corporate incentive program that offers free or discounted non-nutritious foods or beverages as rewards for students who reach certain academic goals (Education Code 49431.9)
 - 41. If the school participates in the National School Lunch and/or Breakfast program, notify parents/guardians within 10 days of their child's meal account reaching a negative balance; ensure that a student with unpaid school meal fees is not shamed, treated differently, or served a meal that differs from other students; and prohibit student discipline from resulting in the denial or delay of a nutritionally adequate meal (Education Code 49557.5)
 - 42. If the school participates in the National School Lunch and/or Breakfast program and is a very high poverty school, as defined, apply to the California Department of Education (CDE) to provide lunch and/or breakfast free of charge to all students under a federal universal service provision (Education Code 49564)
 - 43. Promptly respond to all reasonable inquiries from the district, the county office of education, or the SPI, including, but not limited to, inquiries regarding the school's financial records (Education Code 47604.3)

 - b. By July 1, an update of the school's goals and the actions to achieve those goals as identified in the charter, developed using the local control and accountability plan template adopted by the State Board of Education. This
