It is recommended that the Board of Education approve the disposal, sale, recycling or donation of the surplus equipment listed below.

COMMENTS: All items are obsolete, beyond economic repair, unusable or deemed as surplus. Items will be disposed of in accordance with Educational Code 17545-17555.

In order to utilize the fixed asset reporting system, old obsolete equipment needs to be deleted from inventory. Additional obsolete inventory creates a large inaccurate reporting of the true equipment inventory in use by the district. This is a continued series to be purged from the Fixed Asset system.

All inventory is recycled through a California State Certified Electronic Recycler and will be disposed of in accordance with Educational Code 17545-17555.
