

# PROP 39

DESIGN/BUILD IMPLEMENTATION OF PROPOSITION 39 ENERGY EFFICIENCY

Award

## BACKGROUND & PROCESS

- The program will identify, budget, bid and oversee the construction of energy efficiency projects on 15 sites within the District.
- On November 14, 2018, staff published a Request for Qualifications for experienced Energy Services Companies
- On November 29, 2018, responses were received from three qualified firms;
  - Syserco
  - Trane
  - IES

# SELECTION

- Staff reviewed each submission and found that all were experienced firms. The final selection was based on the following;
  - Experience, location and staff availability
  - Existing relationship to the District
  - Recommendation from PG&E and CLEAResult, both firms whom the District was currently working with on energy projects.
- In the Evaluation, Award and Agreement section of the RFQ, it was clearly stated that; The District reserves the right to select respondent based on overall best fit for the District's needs. Staff concluded that Syserco was the overall best fit.
