Contract Details on Subsequent Pages

Board Meeting Date: 2/27/19	Contract Number: 1			
Vendor		Service Provided to the following sites or individuals		
Wenger		Fourth (4th) and Fifth (5th) Grade Students at nine (9) Elementary Schools		
Department	Cost	Length of Contract	Object Code	Funding Source
Purchasing / Teaching and Learning	\$90,516.81	One Time Purchase	4300	CDE SSAE Grant
Description of Services		Consideration	Evaluation and Metrics	
Purchase of elementary music performance chairs and music stands for Elementary District Music Program.		Elementary District received a grant to expand the Elementary Music Blitz Program to include 4th and 5th graders in the 2019-20 school year. This purchase will provide furniture and equipment to support school music performances. On February 13, 2019, the Board approved a piggyback contract for this purchase, in the amount of \$98,698.20. Due to a change in the order, we are re-submitting this proposal as an addendum with the new cost. One item has been removed from the order (7 floor rugs) and consequently the quotation amount has decreased. In addition, this proposal is no longer a piggyback contract.	N/A

Classroom Safari		Students at Piner High School		
Department	Cost	Length of Contract	Object Code	Funding Source
Teaching & Learning	\$525.00	March 1 -June 30, 2019	5800	Site Funds
Description of Services		Consideration	Evaluation and Metrics	
The contractor will bring safari animals to Piner High School's Biology Level III, Health Science and Biotechnology year two (2) courses and education the class about these unique animals, their biology, and wildlife veterinary science.		This experience provides experiential learning in a multimodal format for students. This is especially beneficial for the participating SPED students. Bringing expert professionals into the classroom aligns with CTE requirements.	This event will be part of a larger unit and students will be evaluated through written assessments after the presentation and formative assessments during the event.

Description of Services		Consideration		Evaluation and Metrics	
Restorative Specialists, one representing each school site, will attend two (2) in depth trainings from experts in the field of Restorative Practices in the schools and in the community. Contractor will customize tailored training and consulting solutions on Restorative Practices to address Conflicts in Schools and Conversations to Prevent Misunderstandings during Conflict. Administrators are also invited.		After 5 years of Restorative Practices in SRCS via the School Climate Transformation Grant, we are in the final year of the grant funding. Our restorative specialist team is complete with 4 recently hired specialists. We plan to polish our skills to continue sharing the teaching of RP by working with highly recommended experts in the field: Circle Up from the East Bay.		The training participants will take a post class survey indicative if they learned what Circle Up Education is and the goal will be 90% proficiency for all participants at the end of the session.

Business	No Cost to SRCS	Through June 30, 2019	N/A	N/A	
Description of Services		Consideration		Evaluation and Metrics	
Cooperative Strategies in coordination with SRCS will conduct a survey with families who have exited our schools since the October 2017 fires.		Through a joint partnership with the Community Foundation of Sonoma County and the United Way of the Wine Country, Cooperative Strategies will use SRCS directory information of exited students impacted by the October 2017 fires to gain insight into providing supports and information about their possible return. This projected is funded by the Community Foundation of Sonoma County and the United Way of Wine Country.		Completed survey and associated results presented to the District and the Board.
