

INTEGRATED SECURITY CONTROLS, INC

789 LOMBARDI CT. STE. 204 SANTA ROSA, CA. 95407 | (707)455-6789 | FAX (707)455-6689

Customer:	Santa Rosa City Schools
Location:	Piner High School
CMAS Contract:	CMAS #3-19-84-0079A CMAS #3-19-84-0079B
Date:	3/18/2019

Scope of Work

ISC will provide all materials and labor necessary to install the Avigilon video surveillance hardware and software listed below:

Avigilon Network Video Recorder (HD-NVR4-PRM-157TB-NA).

- (Qty 1) Intel Xeon CPU, 32GB DDR4, 157TB storage, Windows Server 2016, 3 year warranty with on site support from Dell.

Avigilon ACC 6 Enterprise Video Management System

- (Qty 46) Avigilon ACC6 Enterprise VMS device licenses. ACC Enterprise supports an unlimited number of cameras and servers with additional licensing.

60W POE adapters.

- (Qty 36) Ubiquiti 60W PoE injector, one for each 180°, 270°, and 360° camera.

IR Illuminator (H4AMH-AD-IRIL1)

- (Qty 36) Avigilon IR illuminator rings for all multisensor cameras.

Conduit.

- Where camera runs will be modified, ¾ EMT conduit with rain tight compression fittings will be used.

Furnish and install the following cameras. All devices, materials, tools, and labor required to add 21 cameras in the locations identified during the site walk and indicated on the attached drawing are included.

- (Qty 19) Avigilon 9.0C-H4A-3MH-270 Cameras. Avigilon 270 degree 3 x 3MP Multisensor Cameras, with all necessary mounting hardware and patch cables.
- (Qty 7) Avigilon 9.0C-H4A-3MH-180 Cameras. Avigilon 180 degree 3 x 3MP Multisensor Cameras, with all necessary mounting hardware and patch cables.
- (Qty 10) Avigilon 12.0C-H4A-4MH-360 Cameras. Avigilon 360 degree 4 x 3MP Multisensor Cameras, with all necessary mounting hardware and patch cables.
- (Qty 7) Avigilon 3.0C-H4A-DO1. Avigilon 3MP Outdoor Dome Cameras, with all necessary mounting hardware and patch cables.

INTEGRATED SECURITY CONTROLS, INC

789 LOMBARDI CT. STE. 204 SANTA ROSA, CA. 95407 | (707)455-6789 | FAX (707)455-6689

- (Qty 2) Avigilon 8.0-H4A-DO1. Avigilon 8MP Outdoor Dome Cameras, with all necessary mounting hardware and patch cables.
- (Qty 1) Avigilon 6.0L-H4F-DO1-IR. Avigilon 6MP Outdoor Dome Cameras, with all necessary mounting hardware and patch cables.

Camera Relocations. Labor and materials to move cameras from current location to locations identified during the site walk and indicated on the attached drawing.

- Camera 6: Install on pole to raise 10' above roof level so 360 camera can cover roof.
- Camera 8: Move 50' to corner to accommodate 270 camera.
- Camera 10: Move 30' through soffit to mount in corner of cafeteria.
- Camera 13: Move 30' to center of wall.
- Camera 18: Move 15' to bring out from lobby door to edge of building.
- Camera 34: Move 30' out from edge of building to cover entry and hallways.
- Camera 39: Move to outside of wall to cover exterior stairwell.

General Exclusions

- Cable runs between IDF locations and cameras, except as identified individually below.
- Equipment racks, network switches, UPS hardware and other head end equipment, except as specifically listed.
- Camera locations 1, 5, 7, 9, 12, 19, 22, 24, 40, 42, 48, 56, 57, 59, and 61 shown on the proposed camera location map have been removed from this proposal as a result of the walkthrough conducted on 3/15/19.
- Plan review and permit fees.
- Any premium time including holidays and weekends.

Terms and Conditions

- All material is guaranteed to be as specified. All work to be completed in a professional manner consistent with industry standards. Any alteration to the above scope involving additional cost will be executed only upon written change order. If legal action is necessary to enforce this contract, the prevailing party shall be entitled to reasonable attorneys' fees in addition to any other relief to which they may be entitled. All material and workmanship is guaranteed for one year from the date of completion.

Payment Terms

- NET 30, progress billing per CMAS terms. Final billing upon completion, including all authorized change orders.
