

**After School
Education
&
Safety (ASES)
Program**

2018-2019

PURPOSE

To provide a safe after school education, enrichment, and youth development program for targeted elementary and middle school students.

A handwritten schedule titled "Wednesday CBL Rotations" is displayed on a piece of paper. The schedule is organized into a table with five columns: "Time", "2nd", "3rd", "4th", and "5th/6th". The rows represent time intervals from 1:15 to 6:00. The activities listed include P.E., HWRK (Homework), Snack, Chrome-books, STEM, Music, and Chrometooks. A red marker is visible on the table surface in front of the schedule.

CURRENT STATUS

- Student Supervision & Safety
- Meal Provisions
- Enrichment Program

NEXT STEPS

- Student Supervision & Safety
 - Continue to ensure adequate adult to student ratio
 - Provide ongoing training and support on class management to staff
 - Meet with principal regularly to discuss concerns
- Meal Provisions
- Enrichment Program
 - Ensure enough equipment for all students to be actively engaged
 - Provide additional training to staff to better support student participation/learning

RECOMMENDATIONS

- Continue to actively monitor your sign-in and sign out procedures to ensure students are accounted for at all times on campus.
- SRCS Nutrition Services will meet with the Provider to develop reasonable and reimbursable snacks and meals that may “supplement” the existing supplier to balance out the meal needs of students.
- Have a monthly meeting to review: 1. Caseloads, adequate capacity and waitlists 2. Facility concerns 3. Student concerns.
- Publish a monthly newsletter to go out by April 30 that is in English and Spanish.

RECOMMENDATIONS (CONT'D)

- To better serve students enrolled in the ASES program, SRCS will share access to computer labs or Chrome Carts.
- Music equipment should be purchased for full implementation and replaced as needed.
- Creative Brain staff be trained on access any available information on a student so they may ensure proper homework and assignments to students who may be struggling.
- By April 27, 2019 the Provider will 1. Develop a philosophy statement that is line with the District's published behavior goals, 2. Outline a progressive level of consequences for student actions, 3. An outline of how parents will be notified of this progressive level of consequences and 4. Meet with staff to train behind this behavioral guideline.
- Meet with District Staff to review these improvements by March 30, 2019 in person or by phone and again on April 29, 2019 to review progress.
