(a) The CONTRACTOR shall be responsible for cutting, fitting, or patching to complete the work and to make all parts fit together properly. CONTRACTOR shall be responsible for ensuring that all trades are coordinated and scheduled so as to ensure the timely and proper execution of the work. When modifying existing work or installing new work adjacent to existing work, CONTRACTOR shall match, as closely as conditions of Site and materials will allow, the finishes, textures, and colors of the original work, refinishing existing work at no additional cost to DISTRICT. All costs caused by defective or ill-timed work shall be borne by CONTRACTOR. CONTRACTOR shall be solely responsible for protecting existing work on adjacent properties and shall obtain all required permits for shoring and excavations near property lines.

(b) CONTRACTOR at all times shall keep premises free from debris such as waste, dust, excess water, storm water runoffs, rubbish, and excess materials and equipment. CONTRACTOR shall not leave debris under, in, or about the premises, but shall promptly remove same from the premises and dispose of it in a lawful manner. Upon completion of work, CONTRACTOR shall clean interior and exterior of buildings, including fixtures, equipment, walls, floors, ceilings, roofs, window sills and ledges, horizontal projections, and any areas where debris has collected, so surfaces are free from foreign material or discoloration; CONTRACTOR shall clean and polish all glass, plumbing fixtures, equipment, finish hardware and similar finish surfaces. CONTRACTOR shall maintain the structures and site in a clean and orderly condition at all times until acceptance of the PROJECT by the DISTRICT. CONTRACTOR shall keep its access driveways and adjacent streets, sidewalks, gutters and drains free of rubbish, debris and excess water by cleaning and removal each day.

1.2 **Contractor's Certifications, Representations and Warranties:** CONTRACTOR makes the following certifications, representations, and warranties for the benefit of the DISTRICT and CONTRACTOR acknowledges and agrees that the DISTRICT, in deciding to engage CONTRACTOR pursuant to this Agreement, is relying upon the truth and validity of the following certifications, representations and warranties and their effectiveness throughout the term of this Agreement and the course of CONTRACTOR's engagement hereunder:

(a) CONTRACTOR is qualified in all respects to provide to the DISTRICT all the work and/or services contemplated by this Agreement and, to the extent required by any applicable laws, CONTRACTOR has all such licenses and/or governmental approvals as would be required to carry out and perform for the benefit of the DISTRICT, such work and/or services as are called for hereunder.

(b) CONTRACTOR, in providing the work and/or services and in otherwise carrying out its obligations to the DISTRICT under this Agreement, shall, at all times, comply with all applicable federal, state, and local laws, rules, regulations, and ordinances, including worker's compensation and equal protection and non-discrimination laws.

1.3 One or more project inspectors employed by the DISTRICT and approved by the Division of the State Architect ("DSA") may be assigned to the work in accordance with the requirements of Title 24 of the California Code of Regulations. The Inspector(s) duties are as specifically defined in Title 24.

(a) If required by the applicable law, all work shall be under the observation of the Inspector. The Inspector shall have free access to any or all parts of the work at any time. The CONTRACTOR shall furnish the Inspector such information as may be necessary to keep the Inspector fully informed regarding progress and manner of work and character of materials. Such observations shall not, in any way, relieve the CONTRACTOR from responsibility for full compliance with all terms and conditions of the Contract, or be construed to lessen to any degree the CONTRACTOR's responsibility for providing efficient and capable superintendence. The Inspector is not authorized to make changes in any drawings or specifications approved by the DISTRICT and/or the DSA for the PROJECT nor shall the Inspector's approval of the work and methods relieve the CONTRACTOR of responsibility for the correction of subsequently discovered defects, or from its obligation to comply with the Contract Documents.

(b) The Inspector shall have the authority to reject work whenever provisions of the Contract Documents are not being complied with, and CONTRACTOR shall instruct its Subcontractors and employees accordingly. In addition, the Inspector may stop any work that poses a probable risk of harm to persons or property. The CONTRACTOR shall instruct its employees, Subcontractors, material and equipment suppliers, etc., accordingly. The absence of any Stop Work order or rejection of any portion of the work shall not relieve the CONTRACTOR from any of its obligations pursuant to the Contract Documents.

1.4 Unless personally present on the PROJECT site where the work is being performed, the CONTRACTOR shall keep on the work at all times during its progress a competent construction Superintendent satisfactory to the DISTRICT. The Superintendent shall be present on a full-time basis, shall be dedicated exclusively to the PROJECT and shall not share superintendency duties with another project or job. The Superintendent shall not be replaced except with written consent of the DISTRICT. The Superintendent shall represent the CONTRACTOR in its absence and shall be fully authorized to receive and fulfill any instruction from the Architect, the Inspector, the DISTRICT or any other District representative. All Requests for Information shall be originated by the Superintendent and responses thereto shall be given to the Superintendent. No work shall begin on any day by any Subcontractor or other person on the PROJECT site until the Superintendent has arrived, or shall any work continue during the day after the Superintendent has departed from the PROJECT site. The Superintendent shall have authority to bind CONTRACTOR through the Superintendent's acts. The Superintendent shall represent the CONTRACTOR, and communications given to the Superintendent shall be binding on the CONTRACTOR. Before commencing the work, CONTRACTOR shall give written notice to DISTRICT and Architect (if applicable) of the name and a Statement of Qualifications of such superintendent. Superintendent shall not be changed except with written consent of DISTRICT, unless a superintendent proves to be unsatisfactory to CONTRACTOR and ceases to be in its employ, in which case, CONTRACTOR shall notify DISTRICT in writing. CONTRACTOR shall provide a replacement superintendent approved by the DISTRICT prior to performing additional work. DISTRICT shall have the right, but not the obligation, to require the removal from the PROJECT of any superintendent, staff member, agent, or employee of any CONTRACTOR, Subcontractor, material or equipment supplier.

1.5 If applicable, CONTRACTOR shall comply with all provisions of Education Code Section 45125.1. Pursuant to Education Code section 45125.1, CONTRACTOR shall conduct criminal background checks of all employees of CONTRACTOR assigned to the PROJECT site, and shall certify in a manner acceptable to the DISTRICT that no employees who have been convicted of serious or violent felonies, as specified in Education Code Section 45125.1, will have contact with pupils. As part of such certification, CONTRACTOR must provide the DISTRICT with a list of all employees providing services pursuant to this Contract, and designate which sites such employees will be assigned. In performing the services set forth in this Contract, CONTRACTOR shall not utilize any employees who are not included on the above-referenced list. At DISTRICT's sole discretion, DISTRICT may make a finding, as authorized under Education Code section 45125.1, that CONTRACTOR's employees will have only "limited contact" with pupils. CONTRACTOR's failure to comply with this law shall be considered a material

breach of this Contract upon where this Contract may be terminated, at DISTRICT's sole discretion, without any further compensation to CONTRACTOR.

ARTICLE 2 - TIME OF COMPLETION

The CONTRACTOR shall complete all work under this Agreement within forty (40) calendar days from receipt of the notice to proceed from the DISTRICT. It is expressly understood that time is of the essence.

ARTICLE 3 - LIQUIDATED DAMAGES

It being impracticable and infeasible to determine the amount of actual damage, it is agreed that the CONTRACTOR will pay the DISTRICT the sum of one hundred dollars (\$100) per calendar day for each and every day of delay beyond the time set forth in Article 2 of this Agreement for completing said work as liquidated damages and not as a penalty or forfeiture. In the event the same is not paid, the CONTRACTOR further agrees that the DISTRICT may deduct such amount thereof from any money due or that may become due the CONTRACTOR under the contract. This Article shall not be construed as preventing the DISTRICT from recovering any other damages permitted under provisions of this Contract.

ARTICLE 4 - CONTRACT PRICE

4.1 **Contract Price.** The DISTRICT shall pay to the CONTRACTOR as full consideration for the faithful performance of this Contract, subject to any additions or deductions, the sum of TWENTY SEVEN THOUSAND FIVE HUNDRED EIGHTY SEVEN DOLLARS AND FIFTY-TWO CENTS (\$27,587.52), said sum being the total amount stipulated by the parties. Payment shall be made to the CONTRACTOR in installments as follows: **PAYMENT SHALL BE MADE TO THE CONTRACTOR IN ONE LUMP SUM ONCE THE PROJECT IS COMPLETE.**

4.2 **Warranty of Title.** The CONTRACTOR warrants title to all work. The CONTRACTOR further warrants that all work is free and clear of liens, claims, security interests, or encumbrances in favor of the CONTRACTOR, Subcontractors, material and equipment suppliers, or other persons or entities making a claim by reason of having provided labor, materials, and equipment relating to the PROJECT. If a lien or stop notice of any nature should at any time be filed against the PROJECT or any DISTRICT property, by any entity which has supplied labor, equipment, material and/or services at the request of the CONTRACTOR, CONTRACTOR shall promptly, on demand by DISTRICT and at CONTRACTOR's and own expense, take any and all action necessary to cause any such lien or stop notice to be released or discharged immediately. If the CONTRACTOR fails to furnish to the DISTRICT within ten (10) calendar days after demand by the DISTRICT, satisfactory evidence that a lien or stop notice has been so released, discharged, or secured, then DISTRICT may discharge such indebtedness and deduct the amount required, together with any and all losses, costs, damages, and attorney's fees and expense incurred or suffered by DISTRICT from any sum payable to CONTRACTOR under this Contract.

The DISTRICT shall adjust the total Contract price by reducing the amount thereof by the cost of making good such deficiencies. If DISTRICT deems it inexpedient to correct work which is damaged, defective, or not done in accordance with Contract provisions, an equitable reduction in the Contract price (of at least 150% of the estimated reasonable value of the nonconforming work) shall be made.

ARTICLE 5 - HOLD HARMLESS & INDEMNITY
