# SRCS LCAP & Site Goals

**LCAP Goal 1:** Provide a coherent, rigorous and relevant teaching and learning program to graduate college and career ready students.

**SPSA Goal 1:** Increase student achievement in literacy, math and writing, as measured by state and district assessments.

---

**LCAP Goal 2:** Increase student and family wellness and engagement through the full service community school model.

**SPSA Goal 2:** Decrease chronic absenteeism and tardiness as measured by our school's Average Daily Attendance (ADA).

# SRCS Theory of Action

**If** we improve the quality of practice **through the** continuous development of Leadership capacity to:

- A. **Assure warm, safe, dry schools and facilities**
- C. Confront and address issues of equity and access
- E. **Engage in problem-solving through an inquiry cycle for growth**
- F. Facilitate the development of a sense of purpose
- L. Lead and guide focused professional learning
- P. **Provide and strengthen social and emotional supports**
- R. Recognize and implement quality instruction
- T. **Target and align resources**
- U. Utilize data to inform the inquiry cycle for growth

**Then,** we have much work to do as a district. No longer will student outcomes be predicted based on race, differently abled, socioeconomic status, and/or the language spoken at home.

# Steele Lane Elementary: *Cycle of Inquiry*

***How might we use precise academic language in collaborative conversations and writing tasks daily?***

**DETERMINE A FOCUS:** Improve student listening, speaking, and writing skills by intentionally implementing academic conversational strategies by using precise academic language.

**IMPLEMENT & SUPPORT:** Working with Innovate Ed, and utilizing EL Excellence Everyday (Tonya Ward Singer), we are working to increase both **variety** and **frequency** of academic conversations schoolwide.
