Randy Synder		Up to 200 Ceramics students at Santa Rosa High School			
<b>Department</b>	<b>Cost</b>	<b>Length of Contract</b>	<b>Object Code</b>	<b>Funding Source</b>	
Teaching & Learning	\$400.00	April 1- June 30, 2019	5800	SRHS/Fine Arts	
<b>Description of Services</b>		<b>Consideration</b>		<b>Evaluation and Metrics</b>	
Guest Artist Randy Snyder will bring a Raku Kiln, and equipment and supplies for a full day of Raku firings (approx 6 cycles of firing). He will train students in team building, alternative ceramics firing and safety exercises. He will run the kiln all day and process upwards of 200 student clay creations. He will clean up and put away all materials at the end of the day.		Randy Snyder has been visiting artist for us over the past five years (except last year when hosting teachers had a hip replacement and a baby!) . Randy does excellent work giving his all to a grueling day of back to back firings. This experience builds student confidence and expands their understanding of the connections between science and art. Raku is a Japanese technique, thus students learn about multicultural connections in the arts.		Success is defined through increased knowledge of science and art, safety awareness, deeper community ties through team building work and first hand experience of multi-cultural currents in art.

Technology	\$35,000.00	March 17- June 30, 2019	5812	Bond Funds - 80% Base Funds - 20%
<b>Description of Services</b>		<b>Consideration</b>		<b>Evaluation and Metrics</b>
IJA Network Solutions provides temporary staffing services to work under the Client's direction, control and supervision.  Previously, SRCS contracted with TEKsystems to provide assistance as we implement Bond Technology Projects.		Due to the lack of qualified applicants, the Technology department has been unsuccessful trying to fill a Senior Server Admin position for over one year. IJA Network Solutions will provide temporary staffing services for network and server management until June 30, 2019 as we continue to try to fill the open position.  The Senior Server Admin is an essential position to provide operational sustainability to our heavily used and relied upon network and server infrastructure.		Evaluated through an assessment of the stability and performance of the network resources.

KYA Services, LLC		Students and Staff at Piner HS		
<b>Department</b>	<b>Cost</b>	<b>Length of Contract</b>	<b>Object Code</b>	<b>Funding Source</b>
Facilities	\$99,993.18	April 11- June 30, 2019	5812	Bond Funds
<b>Description of Services</b>		<b>Consideration</b>		<b>Evaluation and Metrics</b>
Purchase of new visitor bleachers for the stadium at Piner HS. The bleachers are being purchased using the Wiseburn Unified Piggy-Back.		The existing bleachers have been moved between seasons from the football stadium and baseball fields for seating. To prevent damage to the new track surfacing, new bleachers are being purchased for the stadium so there will be no need to move back and forth. This will prevent any damage to occur within the stadium; existing bleachers will be moved to baseball fields permanently.		N/A
