

INTERDISTRICT ATTENDANCE

Interdistrict Attendance Procedures (transfers between districts):

General Guidelines

1. The permit office is responsible for processing interdistrict permits.
2. The request for a permit is initiated by the parent at their child's district of residence.
3. The parents/guardians of the child must be informed that the acceptance of their child is contingent upon the parent/guardian and the child assuming full responsibility for:
 - a. Satisfactory attendance
 - b. Satisfactory behavior
 - c. Satisfactory academic effort
 - d. Any necessary documentation requested regarding and including child care, employment, doctor's recommendations and guardianship documentation.
 - e. Understanding that the receiving school has the right to rescind any prior approved interdistrict permit if the parent/guardian or student does not fulfill the responsibilities listed in 3.a, b, and c above.
4. It is the responsibility of each school to ensure that nonresident students accepted and registered without a valid permit be returned to the school of residence.

Conditions for Accepting and Retaining Interdistrict Attendance Permits

The school site designee and the Superintendent or designee shall approve or deny applications for transfers. The acceptance of interdistrict permits for students from other school districts to attend classes within the district shall be subject to the following:

1. The student seeking an initial interdistrict permit in the district must submit an SMMUSD permit application and present a permit authorizing his/her release from the school district of residence.
2. A release from the school district of residence is required for the initial permit application only and not required for permit renewal.

The student must be eligible to attend elementary school, middle school, or senior high school classes maintained by the Santa Monica-Malibu Unified School District and there must be an existing opening in the class, grade level, education program and school to which the student seeking the interdistrict permit would be initially enrolled. Additionally, approval is contingent on applicants demonstrating they meet standards for retaining a permit, including standards of behavior, attendance or academic effort. The district will not pay excess costs to provide specialized services to students on permit.
4. All students currently attending on an interdistrict permit will be allowed to remain in the district until they leave or graduate, assuming that they: annually submit a verification of

continuing enrollment to SMMUSD and comply with all the SMMUSD application requirements; uphold appropriate standards of behavior, attendance, and academic effort.

5. Interdistrict attendance permits for 11th and 12th graders may not be rescinded.
