

September 21, 2015

Dear Mr. Daniels,

Enclosed please find a check for \$2,784.00 made out to the Piedmont High School (PHS) from PAINTS. This Program Grant money is intended to enrich the art supplies, materials and equipment of the Art Department, and is based on a calculation of \$12.00 per art student.

PAINTS is very excited about the strong Art curriculum offered to our students at PHS. The Art Department head, Ms. Bailey, is aware of and has been encouraged to utilize PAINTS grant programs. However, please inform other faculty members and staff at PHS and MHS that PAINTS has an ongoing Project Grant program for all teachers and staff to incorporate the Arts into their schools. Examples include PAINTS support for an art project in the Wellness Center and PAINTS support for printing *The Highland Piper*.

Additionally, PAINTS encourages and supports Professional Development for all teachers in arts integration and education. The PAINTS grant application and guidelines can be found at www.piedmontpaints.org

Thank you for seeing to the proper distribution of PAINTS Program Grant to PHS, and to it's intended use for the purchase of art supplies, equipment and materials. PAINTS greatly appreciates all that you do to support art education for the students of PHS.

Sincerely,

Hilary Davis
PAINTS Board President and Grants Director
