RESOLUTION

TEMPORARY INTERFUND CASH BORROWING

- WHEREAS,** The State continues to defer apportionment payments to school districts; and
- WHEREAS,** The District may temporarily find that they do not have enough cash to meet their fiscal obligations in the General or other operating Funds due to the shortage of funds created by the deferral of apportionment payments or the lack of an authorizing State Adopted Budget which delays the release of other state funds normally received during this period; and
- WHEREAS,** The District may temporarily borrow, as identified under Education Code §42603, cash from Funds of the District, not-to-exceed 75% of available resources in any Fund; and
- WHEREAS,** The District cannot use funds approved by voters under the provisions of Proposition 39; and
- NOW THEREFORE,** The Governing Board hereby approves this blanket resolution to authorize the Superintendent or their designee the use of an aggregate cash balance in District Funds, except funds received as the result of Measure BB, Measure ES, Measure SMS or Measure M, if the need arises
