In accordance with the Every Student Succeeds Act (ESSA) sections 1117 and 8501, a local educational agency shall consult annually with appropriate private school officials and both shall have the goal of reaching agreement on how to provide equitable and effective programs for eligible private school children, teachers, and families. This applies to programs under Title I, Part A; Title I, Part C; Title II, Part A; Title III, Part A; Title IV, Part A; Title IV, Part B; and section 4631, with regard to the Project School Emergency Response to Violence Program (Project SERV).

The enrollment numbers are reported under penalty of perjury by each private school on its annual Private School Affidavit. The information in the Private School Affidavit is not verified, and the California Department of Education takes no position as to its accuracy. It is expected that districts engaged in private school consultation verify the accuracy of student enrollment data and the tax exempt status if it is being used for the purpose of providing equitable services.

**Private School's Believed Results of Consultation Allowable Codes**

- Y1: meaningful consultation occurred
- Y2: timely and meaningful consultation did not occur
- Y3: the program design is not equitable with respect to eligible private school children
- Y4: timely and meaningful consultation did not occur and the program design is not equitable with respect to eligible private school children
