Dear Rebecca Rosales—

As we recently discussed, that in addition to negotiating salary and benefits in 2015-16, SRFT would like to continue to negotiate Article 10, Staffing. This article has been open for a few years, and we would like to make progress on this article in the fall. In addition to compensation, we know that each party reserves the right to open up a total of four articles next year until we work on a successor's agreement (as stated in Article 16, Section Two of our Collective Bargaining Agreement), and so SRFT will open additional articles as needed.

Should you have any questions or concerns, please contact me as needed by phone.
Thank you for your attention in this matter.

Sincerely,

Chris Simenstad
