The employee is further required to have the physical, mental, and emotional stamina to fully perform the duties and responsibilities of the position, and the mental acuity to collect, evaluate, and interpret data; to reason; to define problems; to establish facts; to draw valid conclusions; and to make effective judgments and decisions.

The position may require working in an outdoor or indoor working environment, computer station work, working in seasonal heat or cold adverse weather conditions, exposure to fumes, dust, odors, oil, grease and gases and driving San José Unified vehicles of various types and sizes to conduct work. The position will require working alone on otherwise vacant properties during all hours of the day. It may also require exposure to chemicals and hazardous materials, including asbestos, working around and with machinery having moving parts, working from heights and in confined work spaces.

The information contained in this job description is for compliance with the American with Disabilities Act (A.D.A.) and is not exhaustive of the duties performed or that may be performed by this position.

San Jose Unified School District is an Equal Opportunity Employer and does not discriminate on the basis of actual or perceived race, religion, color, national origin, ancestry, ethnicity, age, marital status, pregnancy, physical or mental disability, medical condition, genetic information, veteran status, parental status, gender, gender identity, gender expression, sex, or sexual orientation in its employment practices.
